ORDINANCE
PRAXAIR INC
Acct. No. 2099 - 1
Permit No. 1101132

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority are hereby given and granted to PRAXAIR INC, upon the terms and subject to the conditions of this ordinance to maintain and use, as now constructed, one (1) Pipe Line(s) under the public right-of-way adjacent to its premises known as 13400 S. Avenue O .

Existing one (1) sixteen (16) inch nitrogen pipeline with approximately six hundred (600) pound per square inch working pressure and twenty-five (25) telemeter cable under certain public streets, to be used to supply nitrogen gas to LTV and Acme Steel Companies. Said pipeline is encased at all City of Chicago crossings in a twenty-two (22) inch steel casing and is placed in a backfilled trench at an approximately depth of not less than five (5) feet below street grade. The nitrogen pipeline mentioned will cross the Illinois/Indiana state line south of East 135th Street inside the northerly line of a private right-of-way and proceeds in a westerly direction changing directions at the intersection of South Avenue O and proceeds northerly within the boundaries of the Commonwealth Edison right-of-way. Existing pipeline continues northerly under and across East 135th Street, East 134th Street, East 133rd Street, East 132nd street, East 131th Street and East 130th Street: thence changing direction westerly under and across private railroad tracks and continuing in a northerly direction into the properties owned by LTV and Acme Steel on the westerly side of South Avenue O; thence again proceeding under public property across East 118th Street, East 117th Street and East Plant Road; thence changing direction and proceeding northerly under and across East 114th Street and South Burley Avenue; and finally into private property and into the furnaces. The operation of this pipeline shall not interfere with present services or underground utilities.

The location of said privilege shall be as shown on prints kept on file with the Department of Business Affairs and Consumer Protection and the Office of the City Clerk.

Said privilege shall be constructed in accordance with plans and specifications approved by the Department of Planning and Development, Department of Transportation (Office of Underground Coordination), and Department of Water Management.

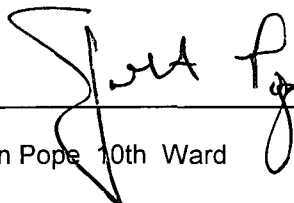

This grant of privilege in the public way shall be subject to the provisions of Section 10-28-015 and all other required provisions of the Municipal Code of Chicago.

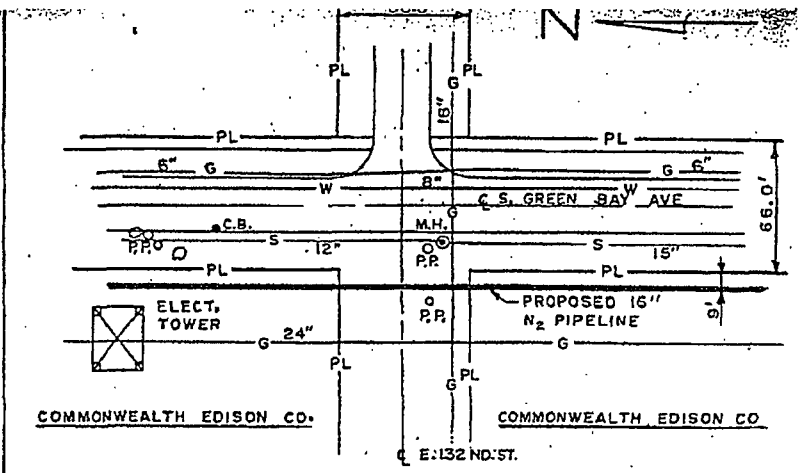

The grantee shall pay to the City of Chicago as compensation for the privilege #1101132 herein granted the sum of five thousand two hundred ninety-two (\$5,292.00) per annum in advance.

A 25% penalty will be added for payments received after due date.

The permit holder agrees to hold the City of Chicago harmless for any damage, relocation or replacement costs associated with damage, relocation or removal of private property caused by the City performing work in the public way.

Authority herein given and granted for a period of five (5) years from and after 05/05/2012.
