3-52-020 Tax imposed.

A tax is hereby imposed upon the privilege of purchasing or using, in the City of Chicago, vehicle fuel purchased in a sale at retail. The tax shall be at a rate of \$0.05 per gallon of vehicle fuel until May 1, 2016, at which point the tax shall be at a rate of \$0.12 per gallon. Effective July 1, 2016, the proceeds of the incremental increase effective on May 1, 2016 shall be dedicated strictly and solely to pay expenses incurred on the construction, repair, upkeep, and maintenance of roads, highways, bridges, alleys, crossings, tracks and other public ways associated with transportation infrastructure, and for fiscal year 2017 and every year thereafter, the total amount appropriated and the total amount expended and obligated by the city for such expenses shall be no less than the greater of the amount so appropriated for fiscal year 2016 or the amount so expended and obligated in fiscal year 2016, plus the amount gained through said incremental increase. The ultimate incidence of and liability for payment of the tax shall be upon the purchaser or user of the vehicle fuel, and nothing in this chapter shall be construed to impose a tax upon the occupation of selling or distributing vehicle fuel. It shall be a violation of this chapter for any distributor or retail dealer to fail to add this tax to the retail price of vehicle fuel or to absorb the tax. The tax shall be in addition to any and all other taxes.

3-52-030 Payment on retail purchase.

“Use in the city” shall be deemed to occur only at the place in the city where the vehicle fuel is transferred into the vehicle by which it is to be consumed. To the extent that a person has paid the tax imposed herein on the retail purchase of vehicle fuel, he shall be exempt from the payment of and liability for said tax on the use of such fuel.

3-52-040 Collection and remittance.

A. Except as provided in Section 3-52-060 of this chapter, the Chicago Vehicle Fuel Tax shall be collected by each vehicle fuel distributor who sells such fuel to a retail vehicle fuel dealer doing business in the city. The retail dealer shall in turn then collect the tax from the purchaser of the vehicle fuel. Any distributor who sells vehicle fuel directly to a purchaser or user, for delivery in Chicago, and not for resale, shall collect the tax from the purchaser or user.

If any retail vehicle fuel dealer receives vehicle fuel upon which the Chicago Vehicle Fuel Tax has not been collected by the distributor, the retail dealer shall remit such tax directly to the department by the last day of the month following the month in which he received such vehicle fuel, and shall collect such tax from his purchasers.

If any purchaser or user receives vehicle fuel upon which the Chicago Vehicle Fuel Tax has not been collected by the distributor or retail dealer, such purchaser or user shall pay the tax directly to the city by the last day of the month following the month in which such purchaser or user made the taxable purchase or use of the vehicle fuel.

Any tax remittance required to be made directly to the city shall be made to the department and shall be accompanied by a remittance form prescribed by the department. Any retail dealer, purchaser or user who is required to remit tax directly to the city on a frequently recurring basis shall register with the department on forms prescribed by the department.

Any person who collects the Chicago Vehicle Fuel Tax shall do as a trustee for and on account of the City of Chicago.

B. Notwithstanding any other provision of this chapter for all periods beginning on or after January 1, 2000, (1) all tax returns shall be filed with the department on an annual basis on or before August 15 of each year in accordance with Sections 3-4-186 and 3-4-189 of this Code, (2) all tax payments and remittances shall be made in accordance with either Section 3-4-187(payment of actual tax liabilities) or Section 3-4-188 (payment of estimated taxes), and (3) the provisions of Sections 3-4-186, 3-4-187, 3-4-188 and 3-4-189 shall control over and contrary provisions in this chapter regarding the subjects covered by those sections.

Every distributor shall file each month with the department a remittance return, containing a report of his sales of vehicle fuel to retail dealers or users in the city occurring in the prior month. The return shall be in a form prescribed and furnished by the department. Each such return shall be accompanied by a remittance of the appropriate amount of tax applicable to the sales reported. Payment shall be made to the department. The remittance

and return shall be due on or before the last day of the month following the month for which the return and remittance is made.

B. Notwithstanding any other provision of this chapter, for all periods beginning on or after January 1, 2000, (1) all tax returns shall be filed with the department on an annual basis on or before August 15 of each year in accordance with Sections 3-4-186 and 3-4-189 of this Code, (2) all tax payments and remittances shall be made in accordance with either Section 3-4-187(payment of actual tax liabilities) or Section 3-4-188 (payment of estimated taxes), and (3) the provisions of Sections 3-4-186, 3-4-187, 3-4-188 and 3-4-189 shall control over any contrary provisions in this chapter regarding the subjects covered by those sections.
