Re: 71 W. Hubbard / River North Devco, LLC (AMLI)  
Residential-Business Planned Development No. 325 – Subarea C  
Proposed 409 unit residential building  
Requested 'No Parking / Tow Zone'

Dear Mr. Greenebaum:

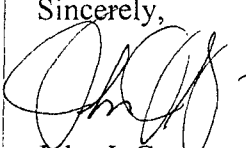

On behalf of my client River North Devco, LLC (AMLI), I am enclosing a diagram of a proposed 'No Parking / Tow Zone' for the frontage at 71 W. Hubbard. I believe this was discussed at our meeting on May 10, 2011. I would appreciate your cooperation in presenting the enclosed diagram to Alderman Reilly for his consideration.

The development of a 'No Parking / Tow Zone' at 71 W. Hubbard will create a need for this tow zone. This zone will insure the success of the residential development without negatively impacting traffic and pedestrian movements.

Please feel free to contact me if you should have any questions, and to discuss the Alderman's response and our proceeding towards an approval of the tow zone.

Thank you for your attention to this matter.

Sincerely,

  
John J. George
