7. On-premise signs, temporary signs such as construction and marketing signs, and directional signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development.
8. For purposes of height measurement, the definitions in the Zoning Ordinance in effect as of the date hereof shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration. The Applicant shall be permitted to increase the height of the improvements in Sub-Area 3 by up to four feet based on site conditions and may vary established grade by up to four feet (for a total of up to eight feet in the aggregate in height increase) by notice to the Department of Planning and Development.

The Applicant may seek and the Department may grant Part II Approval for Sub-Area 3 foundations prior to Sub-Area Site Plan Approval for the pedestrian bridge.

After approval of the Sub-Area Site Plan, changes or modifications may be made pursuant to the provisions of Statement 13. 15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes and enables universal access throughout the Property. Dear Property Owner:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107, please be informed that on or about September 17, 2015, the undersigned intends to file an application for a change in zoning for the properties: (a) commonly known as 1410 Museum Campus Drive; 458 East 18th Street; 600 East Waldron Drive; 1559 South Lake Shore Drive; and the properties with address ranges of 414 to 508 East 18th Street, 415 to 509 East 18th Street, 1600 to 1800 South Museum Campus Drive and 1800 to 1930 South Burnham Harbor Drive (the "Property") from Institutional Planned Development No. 778 first to DX-3 Downtown Mixed Use District and then to Institutional Planned Development No. 778, as amended and (b) legally described on Exhibit A from Institutional Planned Development No. 778 to Parks and Open Space 1. Included herein is a depiction of the properties and their proposed rezoning classifications.

The applicant, the Chicago Park District, proposes to ground lease the parcel generally bounded by a line approximately 50 feet south of the south line of East 18th Street; a line approximately 150 feet west of the west line of the shoreline of Burnham Harbor; a line approximately 525 feet north of the north line of McCormick Place (East); and a line approximately 115 feet east of the east line of South Lake Shore Drive (exclusive of exit ramps) to the Lucas Museum of Narrative Art, a California not for profit corporation, for the development of a public sculptural museum. The museum, which will only be located on the ground lease parcel, and newly established parkland and green space, which will be located around the boundaries of the ground lease parcel, will replace the existing, approximately 1,500 space surface parking lot that is currently on the site. The museum will include an approximately 59,000 square foot plaza which will be available for public use during museum hours. The museum will have exhibition areas, theaters, educational classrooms and lecture halls, archival space, an elevated restaurant, a circular observation deck, and approximately 192 enclosed at-grade parking spaces. In addition, the project will add approximately 200,000 square feet of newly available green space and parkland along the lakefront, including an eco park, dune field, event prairie and museum garden and entry court. Finally, a pedestrian bridge connecting the museum to Waldron Garage may be part of the project.

The owner of the Property and the applicant for the amendment to the planned development is the Chicago Park District, 541 North Fairbanks Court, Chicago, Illinois 60611. The contact person for the application is Jeff Philips. The address for the contact person is 730 North Franklin Street, Suite 450, Chicago, Illinois 60654. The contact person can be reached at (312) 664-0153.

Please note that the applicant is not seeking to rezone or purchase your property. The applicant is required by law to send this notice because you own property

within 250 feet of the property to be rezoned. A hearing before the City of Chicago Plan Commission is scheduled to be held on October 15, 2015. Such hearing may be continued or deferred to a later date and time without further notice.

Very truly yours,
