RESOLUTION

WHEREAS, there at least 6,565¹ non-tenured faculty currently working in private, non-profit colleges and universities in the City of Chicago in the 2013-2014 academic year; and

WHEREAS, there over 127,751² students enrolled in college or graduate school at private, non-profit colleges and universities in the City of Chicago who increasingly depend on the instruction and guidance of non-tenure, contingent faculty that same academic year; and

WHEREAS, Chicago students paid an average of \$31,615 and up to \$47,514³ in tuition in the 2013 – 2014 academic year to attend a private, non-profit college or university in the City of Chicago; and

WHEREAS, non-tenure contingent faculty should be adequately supported by their institutions for their growing presence and role in the academic pursuits of Chicago's students; and

WHEREAS, many non-tenure contingent faculty have little job security and must take on multiple course loads at several colleges or universities to make ends meet; and

WHEREAS, many private, non-profit colleges and universities do not provide health care benefits to their non-tenure, contingent faculty; and

WHEREAS, the cost of living in the City of Chicago is 17%⁴ higher than the US average; and

WHEREAS, non-tenure, contingent faculty in the City of Chicago should be paid fair wages and benefits that allow them to support themselves and their families; and

WHEREAS, the decision of whether to unionize belongs solely to workers, and should not be interfered with;

BE IT RESOLVED, That we, the Mayor and members of the City Council strongly endorse the efforts of non-tenure, contingent faculty in private, non-profit colleges and universities to organize in an organization of their choosing to improve their working conditions and have a voice on campus.
