Type: Ordinance

Title: Amendment of Municipal Code Chapter 2-20 restricting commissioner of aviation's management and control of all Chicago public airports

Committee(s) Assignment: Committee on Aviation

ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Chapter 2-20-020 of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows:

2-20-020 Commissioner – Appointment, powers, and duties.

There is hereby created the office of commissioner of aviation. He or she shall be appointed by the mayor, by and with the advice and consent of the city council. He or she shall have restricted management and control of the design, construction, operation, and maintenance of all public airports owned or operated by the city as included in Chapter 2-20-025(b). The commissioner's powers and duties shall include those set forth in this chapter and Chapter 10-36 of this Code.

SECTION 2. Chapter 2-20-025(b) of the Municipal Code of Chicago is hereby amended by inserting the language underscored, as follows:

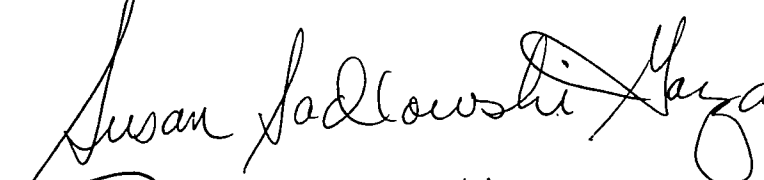

2-20-025(b) O'Hare Modernization Program

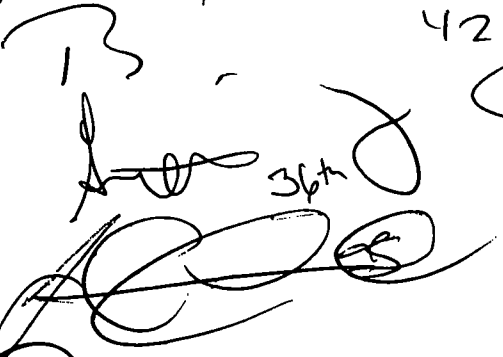

The commissioner of aviation shall have restricted management and control of all matters and things pertaining to the O'Hare Modernization Program, including its design, construction, operation, and maintenance. The commissioner shall be limited in his or her authority to manage and control all matters and things pertaining to the (1) construction, reconfiguration, decommissioning, and destruction of runways and taxiways; and (2) provision for air navigation and air safety outside that area in accordance with standards established by the Federal Aviation Administration; without first seeking and obtaining approval of the City Council Committee on Aviation in a public hearing on the matter, and thereafter transmitted to the full City Council for a vote. All current and prospective plans for the design, re-opening, construction, reconfiguration, decommissioning, and destruction of runways and taxiways shall be halted until approval is sought and

obtained from the City Council Committee on Aviation, and thereafter, transmitted to the full City Council for a vote , including, O'Hare International Airport runways, 14R/32L; 14L/32R; 27C/9C; and 9R/27L. O'Hare International Airport runway 14L/32R shall be reopened and returned into operation effective immediately upon passage of this ordinance. Nothing in this chapter limits the authority of the commissioner of aviation to exercise powers and perform duties under any other provision of this chapter of Chapter 10-36 of this Code.
