4. This Planned Development conforms to the intent and purpose of the Zoning Ordinance, and all requirements thereof, and satisfies the established criteria for approval as a Planned Development. In case of a conflict between the terms of this Planned Development Ordinance and the Zoning Ordinance, this Planned Development Ordinance shall control.

5. In each of the following Sub Areas, the following uses shall be permitted in this Planned Development:

Sub Area A: dwelling units located above the ground floor; animal services (excluding overnight kennels or boarding); artist live/work space; artist work or sales space; community center; body art services (tattoo and piercing); eating and drinking establishments (all types, including outdoor patio at grade); financial services (excluding payday/title loans, pawnshops and drive-throughs); food and beverage retail sales; office; personal service; general retail sales; banquet or meeting hall; consumer repair or laundry service; participant sports and recreation (indoor and children's play center); daycare; cultural exhibits and libraries; food production with accessory eating and drinking establishment; non-accessory parking; co-located wireless communication facilities; and accessory and incidental uses.

 Plan Commission:

definitions in the Zoning Ordinance shall apply. The permitted overall FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 26,143 square feet.

9. Pursuant to Section 17-13-0610, a Part II Review Fee shall be assessed by DPD and paid by the Applicant as follows: The review fee is \$0.50 per square foot of buildable floor area. One-half of the review fee is due at the time of Plan Commission review, and one-half of the review is due at the time of permit review. The Plan Commission review fee is due at the time of filing the planned development application and is based on the total buildable floor area proposed to be developed, as identified in the planned development's Bulk Regulations and Data Table. If the planned Development includes phases or sub areas which are subject to future review by the Department or the Chicago Plan Commission prior to the issuance of permits for that phase or sub area, the Plan Commission review fee for such phases or sub areas is due when the relevant phase or sub area submission is made, pursuant to Section 17-13-0800. If the buildable floor area square footage changes between Plan Commission review and permit review, the total review fee will be prorated, accordingly, at the time of permit review.

The Plans are hereby approved in their entirety and no further approvals shall be required under this Planned Development or the Zoning Ordinance for the improvements undertaken in accordance with the Plans, other than Part II Approval (per Section 17-13-0610 of the Zoning Ordinance).

10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

The owners of the Property may re-allocate or re-assign the development rights under this Planned Development to and between the designated subareas, including, but not limited to, Floor Area and FAR, signage, building height, and parking; provided, however, that the limitations set forth in the Bulk Regulations and Data Table applicable to the entirety of the Planned Development shall not be exceeded or increased as a result of any such designation(s).

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

Applicant: The Community Builders, Inc.  
Address: 4651-4719 N. Western Avenue, 2320-2332 W. Leland Avenue, and 2323-2333 W. Leland Avenue

Plan Commission:

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
17. The Applicant acknowledges and agrees that the rezoning of the Property from the B3-2 Community Shopping District to the B3-3 Community Shopping District and then to this Residential-Business Planned Development (“PD”) is an “entitlement” that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the “ARO”). The PD is located in a “community preservation area” within the meaning of the ARO and permits the construction of 63 dwelling units. The Applicant intends to construct a 63-unit rental building within Sub Area A (the “Project”).

Developers of rental projects in community preservation areas with more than 30 units must provide between 10% and 20% of the units in the residential development as affordable units, depending on the average depth of affordability provided, as described in subsection (F)(2) of the ARO. Regardless of the

applicable percentage of affordable units in the rental project, developers must construct at least 25% of the affordable units on-site and another 25% on-site or off-site (collectively, the “Required Units”), and may satisfy the balance of their affordable housing obligation through: (a) the establishment of additional on-site or off-site affordable units; (b) payment of a fee in lieu of the establishment of on-site or off-site affordable units; or (c) any combination thereof. All on-site affordable units must be accessible dwelling units, as required under subsection (W)(10) of the ARO, and developers must give preference in leasing accessible units to people with disabilities, as specified in the ARO rules. All off-site affordable units must have at least two bedrooms and must be located in a downtown district, inclusionary housing area, or community preservation area. Whether on-site or off-site, developers must give preference in leasing affordable units of two bedrooms or more to multi-person households, as specified in the ARO rules. If a residential project is located in a transit-served location, off-site units must be located in a substantially comparable transit-served location.

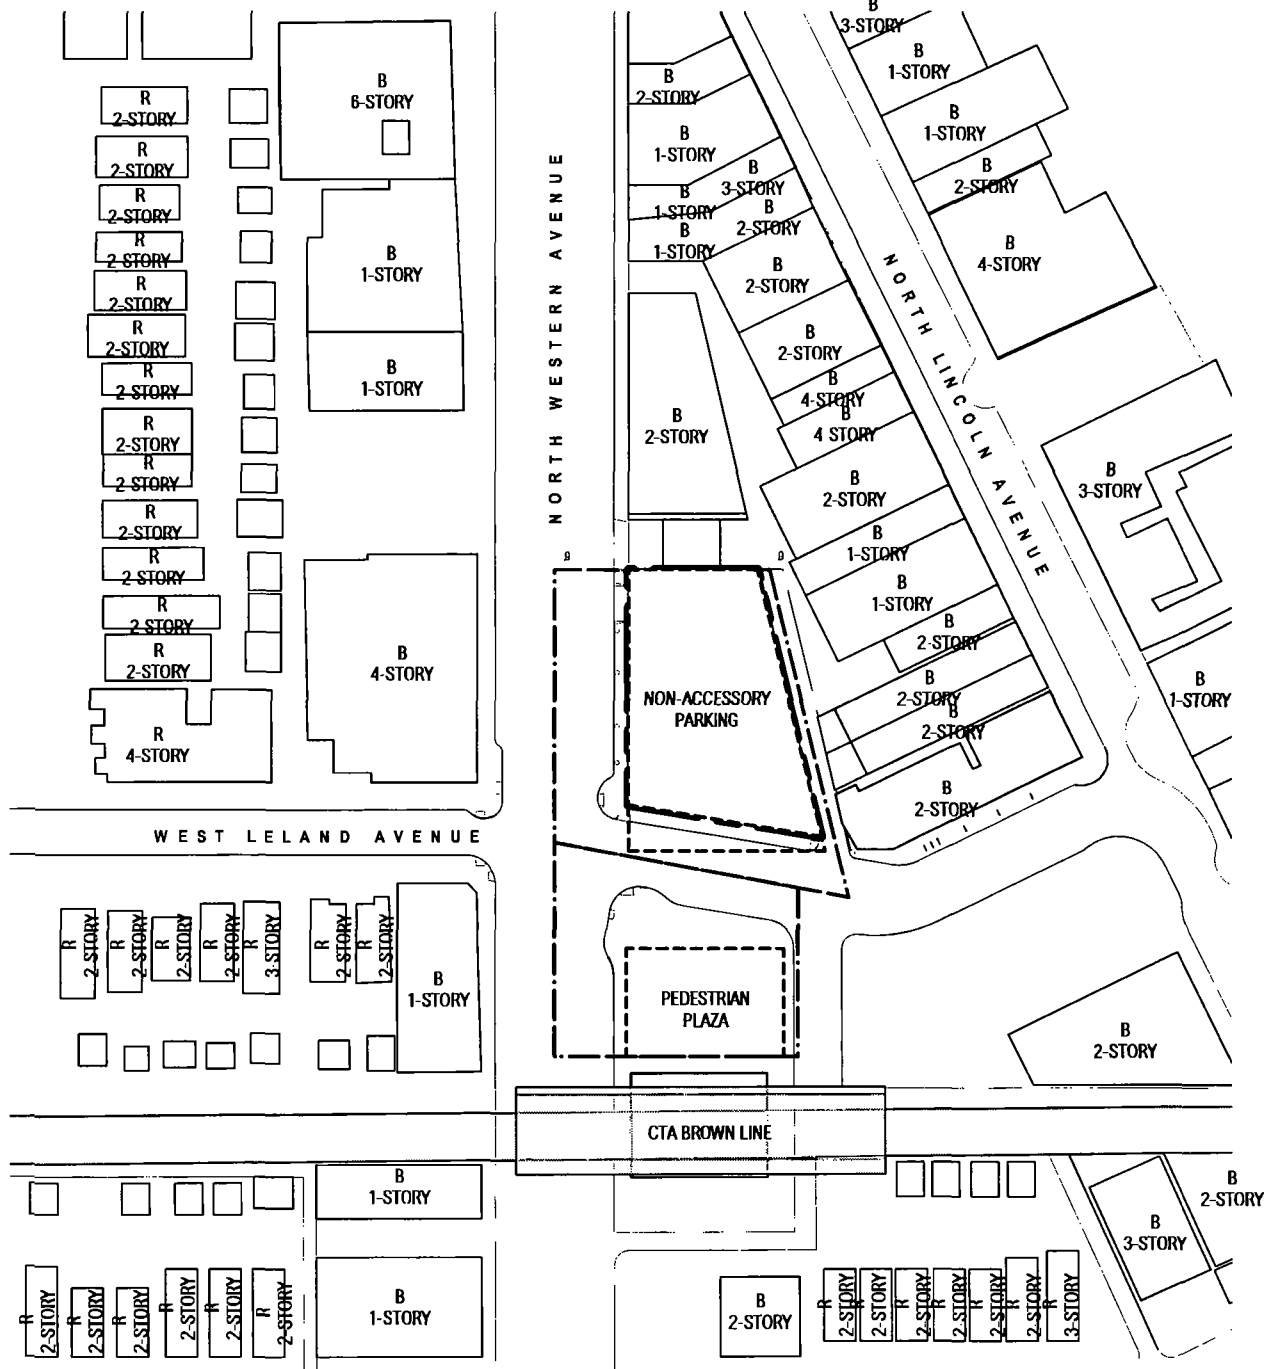

The Applicant intends to construct the Project using Low-Income Housing Tax Credits, tax increment financing or other financial assistance whose affordability requirements exceed those of the ARO from the City to develop the Project. Therefore, and notwithstanding the foregoing, the regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for the Project. In the event the Applicant does not construct the Project using financial assistance from the City, the requirements of the ARO will apply.

18. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the B3-3 Community Shopping District.

Dear Chairman Tunney and Chairwoman Flores:

The undersigned, Mariah DiGrino, an attorney with the law firm of DLA Piper LLP (US), which firm represents The Community Builders, Inc., the applicant for a proposal to rezone the subject property from the B3-2 Community Shopping District to, first, the B3-3 Community Shopping District and, then, Residential-Business Planned Development, certifies that they intend to comply with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice will be sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contains the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately September 21, 2022; and a source for additional information on the application.

The undersigned certifies that they have made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

**FIRST CLASS MAIL**

Dear Sir or Madam:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 21, 2022 the undersigned, on behalf of The Community Builders, Inc. (the "Applicant"), intends to file an application to rezone the property generally located at 4651-4719 N. Western Avenue, 2320-2332 W. Leland Avenue, and 2323-2333 W. Leland Avenue, Chicago, Illinois (the "Property") from the B3-2 Community Shopping District to, first, the B3-3 Community Shopping District and, then, Residential-Business Planned Development. A map of the Property is printed on the reverse side of this letter.

The Property is currently utilized for commercial uses. The Applicant requests a rezoning of the subject property from the B3-2 Community Shopping District to, first, the B3-3 Community Shopping District and, then, Residential-Business Planned Development to permit the construction of a six-story building containing approximately 84,000 square feet of floor area, 63 affordable residential dwelling units, ground floor commercial and amenity space, 36 parking spaces, and accessory and incidental uses.

Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.

I am an authorized representative of the Applicant, and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. The Applicant is The Community Builders, Inc. and its address is 135 S. LaSalle Street, Suite 3350, Chicago, IL 60603. The City of Chicago is the owner, and its address is 121 North LaSalle Street, 10th Floor, Chicago, IL 60602.

Please contact me at 312-368-7261 or my colleague Paul Shadle at 312-368-3493 with questions or to obtain additional information.

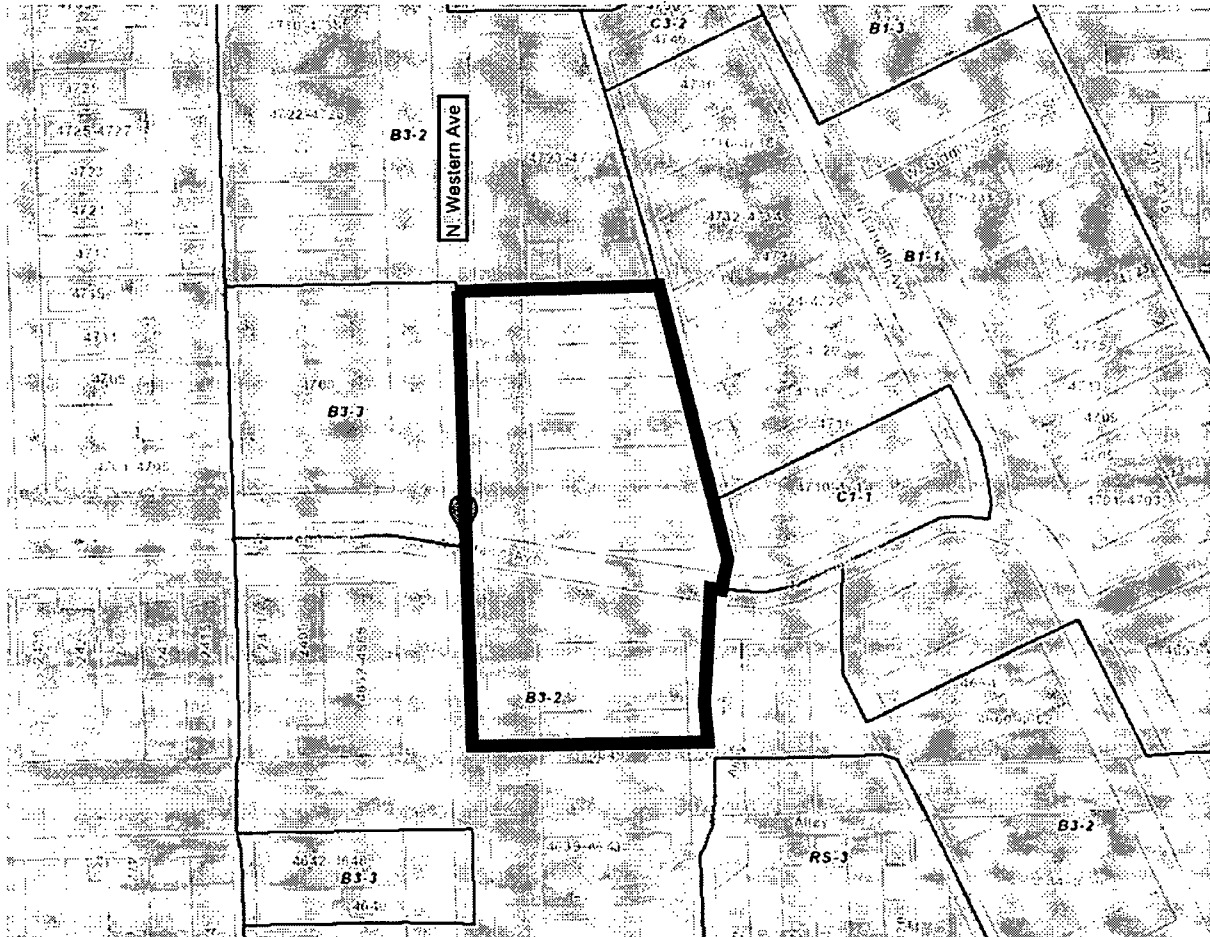

Very truly yours,
