In case of a conflict between the terms of this Planned Development Ordinance and the Chicago Zoning Ordinance, this Planned Development shall control.
5. With this bonus FAR, the total overall FAR for the Planned Development is 11.50. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17-4-1003-B & C, prior to the issuance of the first building permit for any building in each Subarea; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines, including Section 17-13-0800. Final landscape plan review and approval will be by DPD. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises ("M/WBEs") and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and

Applicant: Acquisitions Commons LLC  
Address: 1338 West Lake, Chicago, IL  
Introduced: September 21, 2022

of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. The Applicant acknowledges and agrees that the rezoning of the Property from the M2-3 Light Industry District to the DX-7 Downtown Mixed-Use District and then to this Residential-Business Planned Development ("PD") No. \_\_\_\_ is an "entitlement" that triggers the requirements of Section 2-44-085 of the Municipal Code of Chicago (the "ARO"). The PD is located in a "downtown district" within the meaning of the ARO and permits the construction of 271 dwelling units. The Applicant intends to construct a 271-unit rental building (the "Project").

Developers of rental projects in downtown districts with 30 or more units must provide between 10% and 20% of the units in the residential development as affordable units, depending on the average depth of affordability provided, as described in subsection (F)(2) of the ARO. Regardless of the applicable percentage of affordable units in the rental project, developers must construct at least 25% of the affordable units on-site and another 25% on-site or off-site (collectively, the "Required Units"), and may satisfy the balance of their affordable housing obligation through: (a) the establishment of additional on-site or off-site affordable units; (b) payment of a fee in lieu of the establishment of on-site or off-site affordable units; or (c) any combination thereof. All on-site affordable units must be accessible dwelling units, as required under subsection (W)(10) of the ARO, and developers must give preference in leasing accessible units to people with disabilities, as specified in the ARO rules. All off-site affordable units must have at least two bedrooms and must be located in a downtown district, inclusionary housing area, or community preservation area. Whether on-site or off-site, developers must give preference in leasing affordable units of two bedrooms or more to multi-person households, as specified in the ARO rules. If a residential project is located in a transit-served location, off-site units must be located in a substantially comparable transit-served location.

The Applicant has elected the 20% option as set forth in the chart in subsection (F)(2) of the ARO. As a result, the Applicant's affordable housing obligation is 54.2 affordable units (20% of 271) and half of those affordable units are Required Units. Pursuant to subsection (T) of the ARO, the Applicant must

Applicant: Acquisitions Commons LLC  
Address: 1338 West Lake, Chicago, IL  
Introduced: September 21, 2022  
Plan Commission: TBD

either pay a fractional in lieu fee or provide an additional unit on-site or off-site to satisfy the fractional obligation. The Applicant has agreed to satisfy its affordable housing obligation by providing all 54 affordable units in the rental building in the PD, as set forth in the Affordable Housing Profile (AHP) attached hereto. The Applicant agrees that the affordable rental units must be affordable to households with a range of incomes averaging 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually, provided that (x) the maximum income level for any affordable unit may not exceed 80% of the AMI, (y) at least one-third (or 18 units) must be affordable to households at or below 50% of the AMI, of which one-sixth (or 3 of the 18 units) must be affordable to households at or below 40% of the AMI, and (z) all income levels must be multiples of 10% of the AMI.

This PD is located in the Fulton Market Innovation District (the “FMID”). The Chicago Plan Commission adopted a plan for the FMID in July 2014 and approved an update to the plan (the “FMID Plan Update”) in February 2021. The FMID Plan Update allows residential uses north of Lake Street in the FMID and establishes a 30% affordability goal for new residential projects in that area. In order to achieve that goal, the City’s Department of Housing (“DOH”) is committed to offering developers a menu of public assistance. The Applicant agrees to collaborate with DOH to provide an additional 27 affordable units (10% of 271) either on-site or in an off-site location within the boundaries of the FMID, in accordance with the FMID Plan Update (the “FMID Units”). Specifically, the Applicant and DOH will collaborate to establish the additional cost associated with the construction of the FMID Units, including review of a detailed budget and proforma. The Applicant will work with DOH to identify public financial assistance to fund the FMID Units, whether on-site or off-site through a potential partnership with an affordable housing developer. To that end, the Applicant (a) has submitted an intake form to initiate the process required to apply for financial assistance from the City, including, but not limited to, 4% Low Income Housing Tax Credits (the “FMID Financial Assistance”) and (b) has agreed to collaborate with DOH to explore partnerships with affordable housing developers to provide the FMID Units. If the Applicant is not awarded FMID Financial Assistance or is unable to form a partnership with an affordable housing developer on terms that will fully fund the cost of the FMID Units to meet the 30% affordability goal, the Applicant may proceed with the development of the Project without providing the unfunded FMID Units, provided, however, the Applicant must notify DOH of its determination that providing all of the FMID Units is not feasible at least 6 months prior to the issuance of the first vertical improvements permit for any residential building in the PD by providing to DOH a written explanation therefor, and, at DOH’s request, the Applicant must provide an informational presentation to the Plan Commission on such determination prior to the issuance of such permit. Notwithstanding the foregoing, if DOH is unable to award the Applicant any FMID Financial Assistance, such presentation will not be requested.

If the Applicant requests any material change to its method of compliance with the ARO, such as locating affordable units off-site instead of on-site or changing the target affordability level after the passage of this PD, DOH may adjust the AHP as requested, in accordance with the ARO, without amending the PD, provided however, the Applicant must update and resubmit the revised AHP to DOH for review and approval and, at DOH’s request, provide an informational presentation to Plan Commission on such change. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must execute and record an Inclusionary Housing Agreement (“IHA”) in accordance with subsection (N) of the ARO. The terms of the IHA and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the IHA will be recorded against the PD, and will constitute a

Applicant: Acquisitions Commons LLC  
Address: 1338 West Lake, Chicago, IL  
Introduced: September 21, 2022  
Plan Commission: TBD

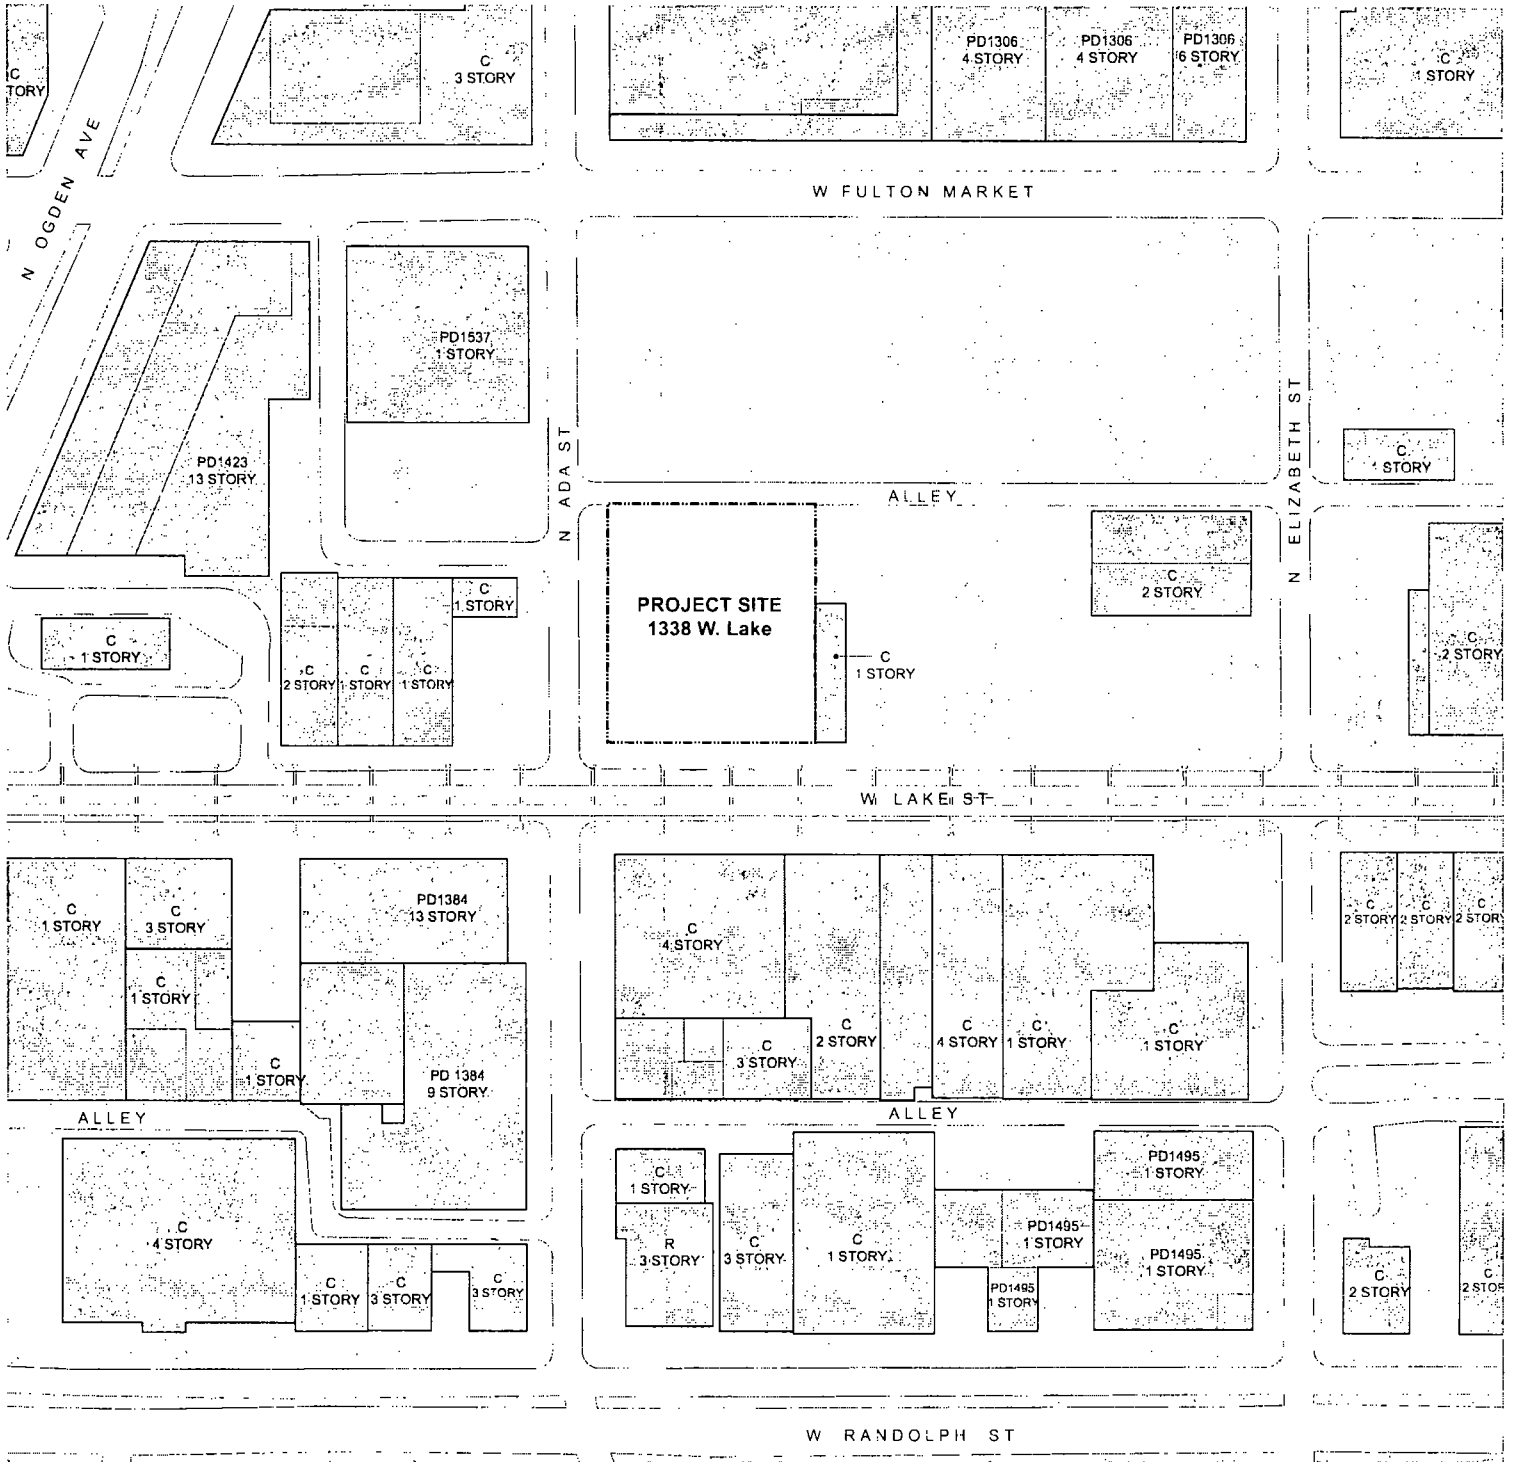

lien against such property. If the IHA is executed before the Applicant and DOH complete negotiations regarding the FMID Units, the Applicant agrees to update, amend and rerecord the IHA as necessary to incorporate any additional FMID affordability requirements. The Commissioner of DOH may enforce remedies for any breach of this Statement 16, including any breach of any IHA, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

This statement does not include all ARO requirements and options. It is intended to provide an overview of the application of the ARO to this PD. In the event of any conflict between this statement and the terms and conditions of the ARO, the ARO shall govern.

17. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the DX-7 Downtown Mixed-Use District.

Dear Sir or Madam:

In accordance with the requirements for an Amendment to the Chicago Zoning Ordinance, specifically Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 21, 2022 the undersigned, on behalf of Acquisitions Commons LLC (the "Applicant"), intends to file an application to rezone the property generally located at 1338 West Lake, Chicago, Illinois (the "Property") from M2-3 Light Industry District to DX-7 Downtown Mixed-Use District then Residential-Business Planned Development. A map of the Property is printed on the reverse side of this letter.

The Property is currently utilized for commercial uses. The Applicant requests a rezoning of the subject property from the M2-3 Light Industry District to the DX-7 Downtown Mixed-Use District then to a Residential-Business Planned Development to permit the construction of a 26-story building with up to 271 residential dwelling units, 7,300 sf of retail space, and 217 parking spaces together with accessory and incidental uses. The overall FAR will be approximately 11.5 and the property is located within 2,640' of the Ashland/Morgan CTA stations.

Please note that the Applicant is not seeking to rezone or purchase your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the Property.

I am an authorized representative of the Applicant, and my address is 444 W. Lake Street, Suite 900, Chicago, IL 60606. The Applicant is Acquisitions Commons LLC and its address is 1020 W Lawrence Street, Suite 300, Chicago, IL 60640. LSH Real Estate LLC is the owner, and its address is 1258 N. Lake Shore Drive, Chicago, IL 60610.

Please contact me at 312-368-2153 with questions or to obtain additional information.

Very truly yours,
