The undersigned, Chris A. Leach, being first duly sworn on oath deposes and states the following:

The undersigned certifies that he has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance, by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways, or a total distance limited to 400 feet. Said "written notice" was sent by First Class U.S Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; and a statement that the applicant intends to file the application for a change in zoning on approximately December 20, 2011.

The undersigned certified that the applicant has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

notes:

This survey was prepared with reference to a Commitment for Title Insurance issued by Chicago Title Insurance Company under file 1401 008454533 D1 with an effective date of October 29, 2008. The lands platted herein are the same as those described in Schedule "A" of said Commitment. All special exceptions listed in Schedule "B" of said Commitment raising matters of survey pertinent to the platted lands are shown or otherwise noted herein.

The surveyor notes that the herein cited Commitment for Title Insurance raises as exceptions Documents 112564898 and 0406332013. Document 112564898 is a deed containing conditions pertinent to a "switch track" ostensibly appurtenant to the Chicago and Northwestern Railway adjacent to the platted lands on the east. There is no evidence of such a track within the boundaries of the platted lands and in the surveyor's opinion the difference of approximately 16 feet in elevation between the platted lands and the railway renders such an installation unlikely. Document 0406332013 is a Memorandum of Judgement which contains no specific reference to the platted lands.

The platted lands do not fall in a designated Flood Hazard Area as defined by the Federal Emergency Management Agency
