1) Unless specified all quotes and layouts are for a single face sign on a single set of letters.
 2) Quotes are based off the quality of artwork and amount of detailed information provided by the customer pertaining to font, letter height, can depth, face material, and any special instructions provided by the customer. Missing information may cause delays in the delivery of estimates as well as affect product selection, quantities, application and illumination.
 3) LED module placement is an approximation. Agilight recommends the sign manufacturer verify the LED placement and quantity to ensure even illumination.
 4) Final material estimates are the responsibility of the sign manufacturer to ensure the customer's expectations are met.
 5) Unless otherwise stated on this drawing all face lit signs are assumed to be 5 inches deep and halo illuminated signs are assumed to be a minimum of 2 inches deep.
 6) For detailed information on installation of Agilight LED modules and systems please refer to "Installation Guides" and "Product Specification Sheets" at www.Agilight.com under the downloads section or contact a customer service representative toll free at 866.982.0203.
