HABITAT FOR HUMANITY CHICAGO - COMER LOTS

1.5 PROJECT DESCRIPTION

The City will introduce an ordinance under which it will consent to the Developer obtaining up to seventeen (17) lots from the Comer Foundation (Comer). The Developer will use the lots to build affordable for-sale housing

Standard requirements for single family or duplex housing RDAs with the Department of Housing (DOH) typically require homes to be priced to be affordable to Households (HH) at 120% of the Area Median Income (AMI), though the purchasers can earn up to 140% of AMI.

The Developer can, at their own discretion, opt to target a lower AMI for both pricing and buyer income, but the City will only enforce its own requirements.

The City will require proof of income for all of those who have contracted with the Developer to purchase a home; and the City will approve all buyers' income eligibility.

The Developer is encouraged to submit a Letter of Interest to DOH to purchase 14 city-owned lots that were subject to the RDA with - but never conveyed to - the Comer Foundation.

SECTION 2: CONVEYANCE OF LOTS

DOH has consented to the transfer of the lots and the Developer will negotiate with Comer for terms under which Comer will execute quit claim deeds for the lots which were originally conveyed from the City to Comer. The Developer must execute Reconveyance Deeds to the City for the lots it obtains from the Comer Foundation to be held by DOH until the earlier of the sale by the Developer to a qualified

buyer or December 31, 2027. Upon each conveyance of a lot to a home buyer, the City will return the applicable Reconveyance Deed for the lot to the Developer.

The deeds conveying the lots from Comer to the Developer will contain restrictions requiring (i) prospective home buyers to meet the income qualifications set forth in this term sheet and (ii) approval by DOH of the Developers' designs for the homes to be constructed on the various lots.

Upon completion of construction of a home, the City will issue a recordable Certificate of Compliance for that particular lot indicating that all restrictions set forth in the deeds from Comer to the Developer have been met and releasing the lot from the restrictions.

At the time Comer conveys the lots to the Developer, the City will deliver to the Developer a recordable document terminating and releasing the existing RDA that encumbers the lots. The Developer's acceptance of the deeds from Comer is specifically contingent upon receiving the termination and release. After such conveyance, the lots will no longer be subject to the terms of the terminated RDA but only to the restrictions set for the in the deeds from Comer to the Developer. If the existing RDA is not terminated and released, the Developer will have no obligation to accept the deeds from Comer.

SECTION 3: CONSTRUCTION

HOME DESIGN AND CONSTRUCTION DRAWINGS

All homes must go through an internal design review process by the Department of Housing and all design plans must be approved by DOH.

Once the design plans are approved, the Developer will not be required to submit additional plans or seek approval of the plans for any particular home unless there are substantial deviations from the approved design plans. In that case, the changes to the design plans must be approved in writing by the DOH Commissioner

The Developer is responsible for any required zoning changes and all building permit approvals.

INFRASTRUCTURE RELATED WORK

It is the preference of the City to avoid designs that require curb cuts of any kind. If curb cuts are unavoidable due to either site constraints or existing site conditions (i.e. no existing alley), any related costs are to be borne by the Developer.

All infrastructure costs and relocation of utilities are to be borne by the Developer.

PERMIT FEES/WAIVER

None

5.1.1. ALL HOMES MUST BE CONSTRUCTED AND SOLD BY DECEMBER 31, 2027.

SECTION 4: MBE, WBE, AND CITY RESIDENT HIRING REQUIREMENTS

Waived

SECTION 5: STANDARD CITY CONDITIONS

The terms below are, broadly, standard City policies and procedures regarding the City requirements to execute the contract and manage the TIF district. These terms are generally not subject to negotiation.

5.1. CLOSING REQUIREMENTS:

Prior to the Closing Date, City shall review Developer financial statements (including entities with an ownership interest in the Project) for the most recent three fiscal years (if applicable to the Developer's legal entity), a copy of the UCC, tax and judgment searches, opinion of counsel, insurance (acceptable to the City.)

5.2. ECONOMIC DISCLOSURE STATEMENTS AND SCOFFLAW CHECKS

The City requires the submission of an Economic Disclosure Statement ("EDS") of all individuals, corporations or other entities, which are party to the Developer's legal ownership, contract and all leases. The City has the right to examine the economic terms of leases, management and other material agreements. In addition to the review of EDS forms, the City will also perform scofflaw checks on the individuals, corporations, or entities mentioned above to determine if any debt is owed to the City.

All EDS forms must be completed to the satisfaction of the City and all outstanding debts must be fully addressed prior to the Project being placed on the agenda for the Introduction to City Council.

ACCEPTANCE OF TERMS

This Term Sheet is not binding upon Habitat for Humanity Chicago or the City. This agreement is, however, an expression of the parties' mutual intent to negotiate and execute a binding contract on the basis of these terms. Neither party will be bound until a valid and binding contract is executed and delivered by the City and Habitat for Humanity Chicago. It is expressly acknowledged and understood that, in addition to the parties negotiating and agreeing on definitive terms and agreements, the City's ability to proceed shall be expressly conditioned on the City Council approving and authorizing the City to proceed with the contract on such terms and conditions, and other City Council authorization for specific elements of the City's intended undertakings.
