13. The terms, conditions and exhibits of this Planned Development may be modified administratively by the Commissioner of the Department of Planning and Development upon the request of the Applicant, the Affiliates or their successors, assignees or grantees and after a determination by the Commissioner that such a modification is minor, appropriate and consistent with the nature of the development of the Property contemplated herein and will not result in increasing the maximum floor area ratio for the total net site area or the maximum number of units for the total net site area established in this planned development. Any such modification shall be deemed a minor change in the Planned Development as contemplated by Section 11.11-3(c) of the Chicago Zoning Ordinance. Notwithstanding the provisions of Section 11.11-3(c) of the Chicago Zoning Ordinance, such minor changes may include, but are not limited to, a reduction in the minimum required distance between structures, a reduction in periphery setbacks and an increase in the maximum percent of land covered.
14. The Applicant, the Affiliates, and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes and maximizes the conservation of energy resources. The Applicant and Affiliates shall use best and commercially reasonable efforts to design, construct and maintain all new buildings located within this Planned Development in an energy efficient manner, generally consistent with the most current energy efficiency standards published by the American Society of Heating, Refrigeration and Air Conditioning Engineers (“A.S.H.R.A.E.”) and the Illuminating Engineering Society (“I.E.S.”).
15. The Applicant, the Affiliates and their successors, assignees or grantees acknowledge that it is in the public interest to design, construct and maintain all buildings in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property shall be reviewed and approved by the Mayor’s Office for People with Disabilities (“M.O.P.D.”) to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility. No approvals shall be granted pursuant to Section 11.11-3(b) of the Chicago Zoning Ordinance until the Director of M.O.P.D. has approved detailed construction drawings for each building or improvement.
16. Applicant and Affiliates acknowledges that it is in the public interest to design, construct and maintain all buildings and improvements on the Property in a manner that promotes energy efficiency and maximizes the conservation of natural resources. To promote these objectives, the Applicant and Affiliates agree to review with the Department of Planning and Development to determine if any features, materials or resources would be cost-effective to include as a part of the design, construction, and maintenance of the buildings and improvements on the Property. Cost-effectiveness

shall be in the sole discretion of the Applicant and Affiliates. Provided funding is available as indicated below, this review process shall specifically include the use of computer modeling programs recommended by the Department of Planning and Development. The types of features, materials and resources that will be analyzed and considered during this process are enumerated on Exhibit 12. This listing is not intended to be exhaustive and other features, materials and resources may also be reviewed and evaluated. All features, materials or resources shall be evaluated in the context of the Home Energy Rating System. To the extent that design, construction and maintenance of any of these features materials or resources requires supplemental funding from the City or other funding sources, design, construction or maintenance shall be subject to the receipt of such funding.

Affordable housing units shall be constructed of equal quality materials, detailing and decoration so they are indistinguishable from market rate units.
 - (2) Dwelling Types. A variety of dwelling types including affordable housing is to be interspersed throughout the development and within individual blocks.
 - (3) Private Garages. Private garages may be constructed of vinyl siding, wood siding, stucco or masonry. Where a private garage is located within fifteen (15) feet of a public street, unless the facade facing the street is constructed of a material other than vinyl siding (i.e., masonry, stucco, et cetera); it shall be screened from view by plantings or fences. If plantings are utilized to screen a garage, such plantings shall provide screening on a year-round basis.

(4) Orientation Of Buildings. Buildings shall be oriented to the street, public open space or private courtyard with the primary facade and a front door, or the appearance of a front facade and front door. Any side wall facing a public street will contain materials and architectural elements that are consistent in character with primary building facades. 18. a) Unless substantial construction of the Phase I Improvements contemplated by this Planned Development has commenced within six (6) years of the effective date hereof and unless the completion of those improvements is thereafter diligently pursued, then this Planned Development shall expire and the zoning of the Property shall automatically revert to those zoning district classifications in existence immediately prior to the adoption of the ordinance establishing this Planned Development.

b) Subsequent Periods. Unless substantial construction has commenced and been diligently pursued after the initial six (6) year period on a minimum of four hundred (400) dwelling units (cumulative) within eight (8) years of the effective date hereof, six hundred (600) dwelling units (cumulative) within ten (10) years of the effective date hereof and eight hundred (800) dwelling units (cumulative) within twelve (12) years of the effective date hereof (the "Subsequent Periods"), the Department may decide to review and recommend modification of the provisions of this Planned Development in whole or in part. The Department's determination that the Planned Development ordinance must be reviewed shall be reflected in an application filed by the City for a Planned Development amendment, with the City being deemed the Applicant and providing such notice as may be required by law. Not less than thirty (30) days before filing any such application for amendment to the Planned Development, the Department shall provide the Applicant with a copy of the draft application for amendment.

c) Unless substantial construction of the improvements contemplated within Subarea D has commenced within six (6) years following adoption of Residential-Business Planned Development Number 896, as amended by this Amendment and unless completion is thereafter diligently pursued, then this planned development shall expire as it relates to Subarea D and the zoning of Subarea D of the planned development shall automatically revert to Residential-Business Planned Development Number 896, as amended on September 5, 2007.

FIRST CLASS MAIL

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about July 19, 2017, the undersigned, on behalf of Roosevelt Square Library LLC (the "Applicant"), intends to file an application to rezone the property located at 1328-1350 West Taylor Street, Chicago, IL, from Residential-Business Planned Development No. 896 to Residential-Business Planned Development No. 896, as amended. A map of the development site is printed on the reverse side of this letter. The previous application filed on June 28, 2017 has been withdrawn and replaced with the application filed as of the date hereof.

The development site is currently utilized for surface parking. The Applicant requests a rezoning of the subject property from Residential-Business Planned Development No. 896 to Residential-Business Planned Development No. 896, as amended to allow the construction of a new 5- / 7-story building containing up to 73 dwelling units, a 16,000 square foot public library on the ground floor, 35 accessory parking spaces, and accessory and incidental uses. The proposed development has not been modified since the date of the previously-filed application.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the subject property.

I am an authorized representative of the Applicant and my address is 444 West Lake Street, Suite 900, Chicago, IL 60606. The Applicant's address is 350 West Hubbard, Suite 300, Chicago, IL 60654. The owner of the property is Chicago Housing Authority and its address is 60 East Van Buren Street, Chicago, IL 60605.

Please contact me at 312-368-7243 with questions or to obtain additional information.

Very truly yours,

DLA Piper LLP (US)

1328-1350 West Taylor Street**

Dear Chairman Solis:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents Roosevelt Square Library LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately July 19, 2017, and a source for additional information on the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.
