all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall achieve building certification and provide a 50% net green roof, equivalent to an actual total of approximately 18,205 square feet in Subarea A and 11,601 square feet in Subarea B.
15. The Applicant acknowledges and agrees that the rezoning of the Property from the B1-2 Neighborhood Shopping District to C2-5 Motor Vehicle-Related District, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO"). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the "Required Units") as affordable units, or provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or, with the Commissioner's approval, off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in a higher income area. The Property is located in a "higher income area" within the meaning of the ARO, and the Applicant has agreed to satisfy its affordable housing obligation by providing 71 affordable units in the rental buildings to be constructed in the Planned Development, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit []. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an affordable housing agreement in accordance with Section 2-45-115(L) for a minimum of 10% of the housing units in the residential building or buildings for which the building permit is requested. The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement(s) will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
16. Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) for construction of Subarea B, site plan approval by the Department and site plan review by the Chicago Plan Commission shall be required in accordance with this Statement 16.

Applicant: 5050 North Broadway Property, LLC
Address: 5046-5056 North Broadway; 1200 West Winnemac Avenue; 5077 North Broadway; 5051-5063 North Broadway; 1125 West Winona Street
Introduced: July 24, 2019
Plan Commission: TBD

The Applicant shall submit a site plan, landscape plan, building elevations and a site data table for the building(s) in question for review by the Department (collectively, "Site Plans"). The site data table shall contain the following data for the proposed building(s) as compared to the parameters for Subarea B as set forth in the Bulk Regulations and Data Table:

- a. Gross Site Area;
- b. Net Site Area;
- c. FAR floor area of each proposed building;
- d. Maximum building height;
- e. Number of dwelling units;
- f. Number of parking spaces; and
- g. Other data as may be required by the Department to demonstrate compliance with this Planned Development.

If, after review, the Commissioner determines that the Site Plans are not in substantial compliance with the Planned Development, then the Commissioner shall advise the Applicant in writing of the ways in which the Site Plans do not so comply. If, after review, the Commissioner determines that the Site Plans are in substantial compliance with the Planned Development, such Site Plans must then be reviewed by the Chicago Plan Commission at a public meeting but shall not require review or approval by the City Council. Following the Chicago Plan Commission review the Zoning Administrator shall issue written approval of the applicable Site Plans. Following such approval, the approved Site Plans shall be made part of the main file and shall be deemed to be an integral part of this Planned Development.

Review and approval of Site Plans is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site plan approval submittals need only include that portion of the Property for which approval is being sought by the Applicant. After approval of a site plan, changes or modifications may be made pursuant to the provisions of Statement 12. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to Residential-Business Planned Development No. 1347, as it existed prior to this amendment.
