9. The Applicant acknowledges and agrees that the rezoning of the Property from C1-1 to a B2-5 for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [____], the Applicant has agreed to provide 10 affordable housing units at prices affordable to households earning up to 100% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"). At the time of each Part II review for the Residential Project, Applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this Statement 9 (i.e., number of Affordable Units) accordingly without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including, without limitation, excavation or foundation permits, the Applicant must execute an Affordable Housing Agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to

the approval of the Corporation Counsel, without amending the Planned Development.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Housing and Economic Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Housing and Economic Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The applicant has agreed to provide a 50% green roof over the net roof area and achieve Energy Star Certification to comply with the City of Chicago's Sustainable Matrix.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Housing and Economic Development shall initiate a Zoning Map Amendment to rezone the property to a B2-5 Neighborhood Mixed-Use District.
