Clerk Anna Valencia on March 13, 2019

Whereas, the American Red Cross was established more than 137 years ago as a humanitarian organization, guided by seven fundamental principles—including humanity, impartiality and independence—to provide services to those in need regardless of race, religion, gender, sexual orientation or citizenship status. Today, the American Red Cross is one of the largest humanitarian organizations in the world and delivers its mission every day to prevent and alleviate human suffering in the face of emergencies; and

WHEREAS, every year, the American Red Cross responds to an average of more than 62,000 disasters across the country, from small home fires to devastating massive disasters. Last year's large crises included mudslides in California; a volcano in Hawaii, wildfires in Colorado and California, destructive hurricanes in Florida and the Carolinas, and a devastating typhoon in U.S. territories. Thousands of American Red Cross volunteers provided around-the-clock shelter for disaster victims, served millions of meals and snacks with partners, and distributed millions of relief items; and

WHEREAS, in the City of Chicago, the American Red Cross has a long history of helping its neighbors in need. In 2018, in Chicago, the American Red Cross assisted with 702 local home fires and helped 3,672 residents post fire with next steps including shelter, housing, medication and emotional support. Through the Red Cross Home Fire Campaign launched in October 2014, the Greater Chicago chapter of the American Red Cross has worked with community partners to install thousands of smoke alarms and making thousands of Chicago residents' homes safer; and

WHEREAS, in April and May of 2019, the Greater Chicago chapter of the American Red Cross will work with the Chicago Fire Department on broad scale smoke alarm installation events in the Austin and North Lawndale neighborhoods; and

WHEREAS, the American Red Cross handles an average of 2,500 emergency military service calls in Chicago every year and collects an annual average of 10,000 units of blood in our City, impacting up to 30,000 lives; and

WHEREAS, the American Red Cross is comprised of 90% volunteers and depends on these local heroes to deliver help and hope during a disaster. We applaud our heroes here in Chicago who give of themselves to assist their neighbors; and

WHEREAS, The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40% of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families; and

WHEREAS, the month of March is a special time to recognize and thank the American Red Cross volunteers and donors who give of their time and resources to help members of the community; now, therefore

BE IT RESOLVED, That I, Rahm Emanuel, Chicago Mayor and Anna Valencia, Chicago City Clerk, assembled this thirteenth of March, 2019, do hereby proclaim March 2019 as the American Red Cross Month; and

BE IT FURTHER RESOLVED, That a suitable copy of this resolution be presented to the American Red Cross for their hard work, dedication and commitment to alleviate human suffering and save lives.
