Single designated control is defined in Section 17-8-0400 of the Zoning Ordinance.

Plan Commission:

5. The following uses are permitted in the area delineated herein as a Planned Development: multi-unit residential, dwelling units located above the ground floor, accessory parking and accessory uses.
6. On-Premise signs and temporary signs, such as construction and marketing signs, shall be permitted within the Planned Development, subject to the review and approval of the Department of Planning and Development. Off-Premise signs are prohibited within the boundary of the Planned Development.
7. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
8. The maximum permitted Floor Area Ratio ("FAR") for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 53,013 square feet and a base FAR of 5.0. The Applicant acknowledges that the project has received a bonus FAR of 1.13, pursuant to Sec. 17-4-1000 of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 6.13. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Sections 17.4-1003-B & C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3.

The bonus payment will be split between three separate funds, as follows: 80% to the Neighborhoods Opportunity Fund, 10% to the Citywide Adopt-a-Landmark Fund and 10% to the Local Impact Fund. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the Local Impact portion of the payment.

It is currently anticipated that the 10% to the Local Impact Fund shall be utilized for the future development of a Chicago Park District open space located at the southwest corner of North Milwaukee Avenue and West Erie Street. Any modification of the allocation of the Local Impact Fund shall be subject to Section 17-4-1005-G but in no event shall such modification cause a delay in the issuance of Part II approval, building permit or certificate of occupancy for the Planned Development.

9. Upon review and determination, “Part II Review”, pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.
12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.
13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor’s Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The Applicant shall provide open space in the form of a 12,150 square foot dog park, which will be open to the public during hours typical of the Chicago Park District Parks but the dog park will be maintained and owned by the Applicant or its’ successors. Applicant shall also provide a green roof consisting of 50% of the net roof area (approximately 8,050 square feet) and shall achieve LEED certification for the project.
15. The Applicant acknowledges and agrees that the rezoning of the Property from DS-5 to DX-5, and then to this Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the “Affordable Requirements Ordinance” or “ARO”). Any developer

of a “residential housing project” within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project as affordable units (the “Affordable Units”), or provide the Affordable Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Affordable Units; or (iii) any combination of (i) and (ii); provided, however, with one exception that doesn’t apply here, residential housing projects with 20 or more units (“Larger Projects”) must construct a minimum of 25% of the Affordable Units (the “Required Units”) on-site or off-site (i.e., the developer may not pay a fee in lieu of the development of the Required Units). This Planned Development is located in a “downtown district” within the meaning of the ARO and is a Larger Project subject to the minimum construction requirement. The Applicant has agreed to satisfy its affordable housing obligation by providing the Required Units in the rental building to be constructed in the Planned Development, and paying a fee in lieu for the remaining 75% of the Affordable Units, as set forth in the Affordable Housing Profile Form attached hereto. The Applicant agrees that the Affordable Units must be affordable to households earning no more than 60% of the Chicago-area median household income, as updated annually. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development (“DPD”) for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the in-lieu payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(K)(2) to secure the Applicant’s obligation to construct the Required Units. The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to DX-5 (Downtown Mixed-Use District).
