Provided, however, that any summary closure order issued by the ~~superintendent~~ Superintendent shall be lifted by the ~~mayor~~ Commissioner, and the establishment shall be allowed to reopen, if: (1) it is determined at a probable cause hearing or nuisance abatement hearing that a public safety threat did not occur, or (2) it is determined at a nuisance abatement hearing that continued operation of the establishment no longer presents a danger to the public, as may be evidenced by the submission and implementation of an acceptable nuisance abatement plan. Provided further, that no summary closure order shall be lifted by the ~~mayor~~ Commissioner if the establishment is not properly licensed as required by law.

(d) *Notice of summary closure – required.* Upon ordering the summary closure of an establishment, the ~~superintendent~~ Superintendent shall cause a dated notice to be posted in a prominent place on the establishment informing the licensee/owner of the following facts: (1) the ~~superintendent~~ Superintendent has issued an order requiring the immediate cessation of all business activities at, and closure of, the establishment; (2) the reason(s) for the summary closure; (3) the licensee/owner's right to request in writing, within three business days after notice is posted, a probable cause hearing before the ~~mayor~~ Commissioner to determine whether a public safety threat occurred; (4) if requested in writing, a probable cause hearing shall be commenced within three business days of receipt of such request; (5) the licensee/owner's right, at any time during the period of closure, to seek to resume business activities at the establishment, by requesting, in writing, a nuisance abatement hearing before the ~~mayor~~ Commissioner to contest whether a public safety threat occurred or to rebut the ~~superintendent's~~ Superintendent's determination that continued operation of the establishment presents a danger to the public; (6) if requested in writing, a nuisance abatement hearing shall be commenced by the ~~mayor~~ Commissioner within five business days of receipt of such request; (7) the name of the person and the address to which a written request for each hearing should be directed; (8) the consequences of not requesting a hearing; and (9) the owner's potential liability for three times the cost or expense incurred by the ~~city~~ City in abating a public safety threat under this section.

If a person apparently in control of the establishment is present at the time the notice is posted at the establishment, a copy of such notice shall be personally served on such person at that time. In addition, a copy of such notice shall be mailed, by first class mail, to the licensee/owner. If the establishment identified in the notice is licensed under this Code, such copy shall be mailed to the licensee or, if applicable, to the registered agent or other officer of the licensee, at the licensee's business address and, if available, at the licensee's home address. If the establishment identified in the notice is not licensed under this Code, such copy shall be mailed to the owner of record as listed with the recorder of deeds, and to the taxpayer of record, of the building or premises in or on which the establishment is operating. At the time the establishment is summarily closed, the ~~superintendent~~ Superintendent shall also post a sign at the establishment notifying the public of the penalty which shall attach, as set forth in subsections (m) and (n), if the summary closure order is violated or if any posted notice or means used to effect the closure is removed without authorization.

(e) *Probable cause hearing.* Within three business days after notice is posted under subsection (d), the licensee/owner of the establishment may request a probable cause hearing before the ~~mayor~~ Commissioner to determine whether a public safety threat occurred at such establishment. Such request shall be in writing. Within three business days of receipt of a written request for a probable cause hearing, the ~~mayor~~ Commissioner shall commence such hearing to determine whether a public safety threat occurred. The decision and order of the ~~mayor~~ Commissioner shall be announced no later than two business days after the probable cause hearing is completed. If, after a probable cause hearing, the ~~mayor~~ Commissioner determines, by a preponderance of the evidence, that a public safety threat did occur, the ~~mayor~~ Commissioner shall enter an order authorizing continued closure of the establishment during the interim period prior to expiration of the aggregate six month period. If, after the probable cause hearing, the ~~mayor~~ Commissioner determines, by a preponderance of the evidence, that a public safety threat did not occur, the ~~mayor~~ Commissioner shall enter an order lifting the summary closure order and business operations at the establishment shall be allowed to resume during the interim period prior to expiration of the aggregate six month period. If, after notice is given to the licensee/owner in accordance with subsection (d), the licensee/owner fails to request a probable cause hearing in a timely manner, or requests a probable cause hearing but fails to appear at the hearing, the ~~mayor~~ Commissioner shall enter a default order in favor of the ~~city~~ City authorizing continued closure of the establishment during the interim period prior to expiration of the aggregate six month period. Upon entry of any order under this subsection, the ~~mayor~~ Commissioner shall so notify the ~~superintendent~~ Superintendent, who shall take appropriate steps to effect the ~~mayor's~~ Commissioner's order without delay.

(f) *Nuisance abatement hearing.* At any time during the interim period prior to expiration of the aggregate six month period, the licensee/owner may seek to have the summary closure order lifted by the ~~mayor~~ Commissioner, by: (1) requesting, in writing, a nuisance abatement hearing under this subsection, and (2) showing, at such hearing, that there is reasonable cause to believe that continued operation of the establishment no longer presents a danger to the public, as may be evidenced by the submission and implementation of an acceptable nuisance abatement plan. At such hearing, the licensee/owner may also contest whether a public safety threat occurred at the establishment unless it was previously determined at a probable cause hearing that such public safety threat did occur.

Within five business days of receipt of a written request for a nuisance abatement hearing, the ~~mayor~~ Commissioner shall commence such hearing. The decision and order of the ~~mayor~~ Commissioner shall be announced no later than three business days after the nuisance abatement hearing is completed. If, after the nuisance abatement hearing, the ~~mayor~~ Commissioner determines, by a preponderance of the evidence, that a public safety threat did occur and that continued operation of the establishment presents a danger to the public, the ~~mayor~~ Commissioner shall enter an order authorizing continued closure of the establishment during the interim period prior to expiration of the aggregate six month period. If, after the nuisance abatement hearing, the ~~mayor~~ Commissioner determines, by a preponderance of the evidence, that a public safety threat did not occur or that continued operation of the establishment no longer presents a danger to the public, as may be evidenced by the submission and implementation of an acceptable nuisance abatement plan, the ~~mayor~~ Commissioner shall enter an order lifting the summary closure order, in which case the establishment shall be allowed to reopen prior to expiration of the aggregate six month period.

If, at any time after an acceptable nuisance abatement plan is implemented at the establishment governed by such plan, the licensee/owner fails to comply with the plan or any part thereof or another violent offense occurs at the establishment, the ~~superintendent~~

Superintendent may reinstate the summary closure order in accordance with the notice and hearing requirements of this section. In such case, the establishment shall remain closed for an additional aggregate period of six months, as measured from the date that the City acquired knowledge of the licensee's noncompliance with the nuisance abatement plan or any part thereof or from the date of the occurrence of another violent offense, as applicable, unless: (i) it is determined at a probable cause hearing or nuisance abatement hearing that the licensee/owner was in full compliance with the nuisance abatement plan and all parts thereof or that another violent offense did not occur at the establishment, as applicable; or (ii) it is determined at a nuisance abatement hearing that continued operation of the establishment does not present a danger to the public, as may be evidenced by the submission of a modified nuisance abatement plan, approved by the ~~mayor~~ Commissioner and implemented by the owner/licensee, containing new or additional reasonable and warranted measures capable of abating a nuisance under this section.

(g) *Evidentiary standard.* At any hearing conducted under this section, any evidence on which a reasonably prudent person would rely may be considered without regard to the formal or technical rules of evidence, and the ~~mayor~~ Commissioner may rely upon written official reports, affidavits and other business records submitted by police officers or other authorized ~~city~~ City officials or ~~city~~ City employees to determine whether a public safety threat occurred. Provided, however, that only evidence reasonably necessary to demonstrate the existence or absence of elements which must be considered when determining whether a public safety threat occurred shall be heard.

(h) *Cost recovery authorized.* An amount equal to three times the cost or expense incurred by the city in abating a public safety threat under this section may be recovered by the city in an appropriate action instituted by the ~~corporation counsel~~ Corporation Counsel.

(i) *Right of review.* Any order of the ~~mayor~~ Commissioner issued under this section may be appealed to a court of competent jurisdiction or as otherwise provided by law.

(j) *Stay pending review.* No summary closure order issued by the ~~superintendent~~ Superintendent under subsection (c), or order of closure issued by the ~~mayor~~ Commissioner under subsections (e) or (f), shall be considered to be a suspension or revocation of a liquor license subject to review by the License Appeal Commission under the Liquor Control Act of 1934. Nor shall any such order be subject to the automatic stay provision set forth in Section 7-9 of the Liquor Control Act of 1934.

(k) *Construction of section.* Nothing in this section shall be construed to: (1) prohibit the ~~mayor~~ Commissioner from taking license disciplinary action under Section 4-4-280 or any other applicable section of this Code against a licensee for any violation of this section or of this Code; or (2) effect the status of any ongoing ~~city~~ City prosecution or other action involving such licensee or establishment, including, but not limited to, any ongoing license suspension or revocation hearing under this Code; or (3) prevent the ~~superintendent~~ Superintendent from closing any establishment for purposes of conducting an investigation of a crime scene or for any other reason authorized by law; or (4) prevent the arrest and prosecution of any person, pursuant to Section 4-4-010 or other applicable section of this Code, for operating a business or occupation without a license; or (5) prevent the arrest and prosecution of any person, pursuant to Section 4-4-015 or other applicable section of this Code, for operating a business or occupation in violation of any closure order; or (6) constitute an act of possession, ownership or control by the ~~city~~ City over the closed premises; or (7) deny common law right to anyone to abate a nuisance.

(l) *Manner of enforcement.* The ~~superintendent~~ Superintendent is authorized to use appropriate means to effect the summary closure of an establishment. The summary closure authorized by this section shall not be executed in a manner that prevents legally required ingress to or egress from the residential occupancy portion of a building. Access to the closed establishment by the licensee/owner and other persons able to prove an interest in the establishment may be permitted for the purposes of maintaining the establishment in safe and code-compliant condition, correcting code violations, removing items from the closed establishment and any other purpose authorized in accordance with rules and regulations promulgated by the ~~superintendent~~ Superintendent. Entry to the closed establishment by government inspectors and investigators acting within the scope of their employment shall be permitted. No means used to close an establishment pursuant to this section shall be removed by the ~~superintendent~~ Superintendent unless the ~~mayor~~ Commissioner or a court of competent jurisdiction orders the removal of such means. For purposes of this section, any period of time during which the means used to close an establishment are temporarily removed pursuant to a court order shall not be included in the calculation of the required closure period.
