TO THE HONORABLE, THE CITY COUNCIL
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Housing and Economic Development, I transmit herewith ordinances authorizing public hearings for the renewal, expansion, and establishment of special service areas.

Your favorable consideration of these ordinances will be appreciated.

Very truly yours,

Mayor

ORDINANCE

WHEREAS, special service areas may be established pursuant to Article VII, Sections 6(l) and 7(6) of the Constitution of the State of Illinois, and pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq., as amended from time to time, and pursuant to the Property Tax Code, 35 ILCS 200/1-1 et seq., as amended from time to time (the "Property Tax Code"); and

WHEREAS, on November 13, 2002, the City Council of the City of Chicago (the "City Council") enacted an ordinance (the "Establishment Ordinance") which established an area known and designated as City of Chicago Special Service Area Number 22 (the "Original Area") and authorized the levy of an annual tax, for the period beginning in 2002 through and including 2011 (the "Initial Levy Period"), not to exceed an annual rate of four hundred seventy-five one-thousandths of one percent (0.475%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the Original Area in addition to the services provided by and to the City of Chicago (the "City") generally; and

WHEREAS, the special services authorized in the Establishment Ordinance included but were not limited to, recruitment and promotion of new businesses to the Original Area and retention and promotion of existing businesses within the Original Area; maintenance and beautification activities; coordinated marketing and promotional activities; strategic planning for the general development of the Original Area; financing of storefront facade improvements; security services, including, but not limited to, the development of safety programs; and other technical assistance activities to promote commercial and economic development, including, but not limited to, streetscape improvements, strategic transit/parking improvements including parking management studies, and enhanced land-use oversight and control initiatives; and

WHEREAS, the Initial Levy Period has expired; and

WHEREAS, the City desires to enlarge the boundaries of the Original Area and authorize the extension of the levy of a special annual services tax therein for the provision of certain special services; and

WHEREAS, the City Council finds (a) that it is in the public interest that consideration be given to (i) the enlargement of the boundaries of the area to be known and designated as City of Chicago Special Service Area Number 22 (the "Area"), and (ii) the authorization of the extension of the levy of a special annual services tax (the "Services Tax") for a period of fifteen (15) years within the Area for the provision of certain special services as set forth herein; (b) that the Area is contiguous; and (c) that the proposed special services are in addition to municipal services provided by and to the City generally, and it is, therefore, in the best interests of the City that the enlargement of the Original Area and the authorization of the levy of the Services Tax within the Area for the proposed special services to be provided be considered; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The preambles of this ordinance are hereby incorporated into this text as if set out herein in full.

SECTION 2. A public hearing shall be held by the Committee on Finance of the City Council of the City of Chicago at the City Council Chambers, City Hall, Chicago, Illinois (the "Hearing") to consider the enlargement of the Original Area and the authorization of the levy of the Services Tax in the Area. At the Hearing there will be considered the levy of the Services Tax upon the taxable property within the Area sufficient to produce revenues required to provide special services in the Area. The Services Tax shall not exceed the annual sum of 0.5 percent of the equalized assessed value of the taxable property within the Area. The Services Tax shall be authorized to be levied in tax years 2012 through and including 2026. The Services Tax shall be in addition to all other taxes provided by law and shall be levied pursuant to the provisions of the Property Tax Code, as amended from time to time. The special services to be considered include, but are not limited to: recruitment of new businesses to the Area, rehabilitation activities, maintenance and beautification activities, new construction, security, promotional and advertising activities, strategic planning for the Area, and other technical assistance activities to promote commercial and economic development (which may include, but are not limited to, streetscape improvements, strategic transit/parking improvement including parking management studies, and enhanced land use oversight and control initiatives), which will be hereinafter referred to collectively as the "Special Services." The Special Services shall be in addition to services provided to and by the City of Chicago generally. The Area shall consist of territory described on Exhibit 1 hereto and hereby incorporated herein. The approximate street location of said territory consists of properties fronting Clark Street from the south side of Victoria Street to the north side of Ainslie Street, the south side of Balmoral Street from Clark Street to the east side of Ashland Avenue.

SECTION 3. Notice of the Hearing shall be published at least once, not less than fifteen (15) days prior to the Hearing, in a newspaper of general circulation within the City of Chicago. In addition, notice by mail shall be given by depositing said notice in the United States mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each property lying within the Area. The notice shall be mailed not less than ten (10) days prior to the time set for the Hearing. In the event taxes for the last preceding year were not paid, the notice shall be sent to the person last listed on the tax rolls prior to that year as the owner of the property.

SECTION 4. Notice of the Hearing shall be substantially in the following form:

Notice of Public Hearing

authorization of the levy of a special annual services tax (the "Services Tax") within the Area. The Services Tax under consideration shall be authorized to be levied in tax years 2012 through and including 2026. The Committee on Finance of the City Council of the City of Chicago shall hear and determine all protests and objections at said hearing, and said hearing may be adjourned to another date without further notice other than a motion to be entered upon the minutes fixing the time and place it will reconvene.
