Re: Application to Amend Residential-Business Planned Development 282

Dear Chairman Solis:

The undersigned, Danielle Meltzer Cassel, being first duly sworn on oath deposes and states the following:

The undersigned certifies that she has complied with the requirements of Section 17-13-0107 of the Chicago Zoning Ordinance, by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicants, and to the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said "written notice" was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the addresses of the property sought to be rezoned; a statement of the intended uses of the property; the names and address of the applicants; the names and address of the owners; and a statement that the undersigned intended to file the application on behalf of the applicants for a change in zoning on approximately March 11, 2015.

The undersigned certifies that the applicants have made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served as provided by Property Insight, together with tax-exempt parcel and condominium association contact information obtained from Cook County or State of Illinois sources.

Very truly yours,

BY USPS FIRST CLASS MAIL

Dear Neighbor,

On or about March 11, 2015, I, the undersigned attorney, filed two applications on behalf of the Applicants listed below (the "Applicants"): an application to the City of Chicago for a change in zoning to further amend Residential-Business Planned Development 282 ("RBPD 282") and a corresponding application with the Chicago Plan Commission under the Lake Michigan and Chicago Lakefront Protection Ordinance (the "LPO"). Further details about the Applicants, Subject Property, and intended development are provided below.

PLEASE NOTE THE APPLICANTS ARE NOT SEEKING TO REZONE OR PURCHASE YOUR PROPERTY. The Applicants are required to send this notice under applicable law (including Section 16-4-100(c) of the LPO and Section 17-13-0107 of the Chicago Zoning Ordinance) to persons listed in the records of Cook County as taxpayers or owners of a property within 250 feet, more or less, of the Subject Property.

Subject Property and Owners/Applicants:

The Subject Property has three "Subareas," and the following table lists addresses for each Subarea and each Subarea's corresponding owner and Applicant.

Subarea	Addresses	Owner/Applicant
A	5543-59 S. Cornell Avenue/1634-64 E. 56 th Street	Windermere House, LLC
B	5534-58 S. Cornell Avenue/1604-1624 E. 56 th Street	Solstice on the Park, LLC
C	5528-32 S. Cornell Avenue	5528 S. Cornell Avenue Owner, LLC

The business address for each Applicant is: 32 N. Dean Street, Englewood, NJ 07631. The attorney for each Applicant and contact person for both applications is Danielle Meltzer Cassel, Vedder Price, 222 N. LaSalle Street, Suite 2600, Chicago, IL 60601, (312) 609-7962, dcassel@vedderprice.com.

Present Zoning District: Residential-Business Planned Development 282, as amended.

Proposed Zoning District: Residential-Business Planned Development 282, as amended.

Intended Uses by Subarea:

Subarea A: No physical changes are currently proposed for the existing Windermere House building, which has 220 dwelling units, approximately 30,000 s.f. of commercial uses and no on-site parking.

Subarea B is proposed to be improved with a building designed by Jeanne Gang (Studio/Gang/Architects) and known as "Solstice on the Park," or "Solstice." As proposed, the zoning amendment would modify RBPD 282 as approved in 2008 to allow a revised program of uses within Solstice and Studio Gang's related design modifications. The amendment would not change RBPD 282's overall floor area ratio (6.6) or Solstice's maximum height (299', per the Zoning Ordinance definition). The primary elements proposed for Solstice's interior include: (i) no fewer than 423 parking spaces; (ii) 250 dwelling units, or, 200 dwelling units and a hotel with banquet facilities and no more than 160 guest rooms; and (iii) one General Restaurant with catering (not to exceed 5,000 s.f.). The proposed accessory uses/amenities include a fitness center; pool, meeting/office space to function as a business center for hotel guests (if any) and for residents engaged in school or home occupations; convenience retail not to exceed 1,500 s.f.; and a drop-off dry cleaners.

Subarea C: No physical changes are currently proposed for the existing 3- and 4-story building, which has 53 dwelling units and no commercial uses or parking. Per an earlier commitment to the community, Applicants are proposing to reserve this building for affordable housing.

This letter provides only a limited description of the proposed amendment, and the project will certainly continue to evolve with input from City Departments, City officials and community members during the coming months. Please do not hesitate to contact me if you would like to receive additional or updated information, and thank you very much for your time and consideration.

Very truly yours,

VEDDER PRICE PC
