WHEREAS, on October 31, 1983, the City Council of the City of Chicago (the "City Council") enacted an ordinance, as amended by an ordinance enacted by the City Council on May 30, 1984, which established an area known and designated as City of Chicago Special Service Area Number 5 and authorized the levy of an annual tax not to exceed an annual rate of three percent (3%) of the equalized assessed value of the taxable property therein to provide certain special services in and for such area for a period of 10 years (the "Initial Levy Period") in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, the Initial Levy Period expired; and

WHEREAS, on November 5, 1993, the City Council enacted an ordinance which again established a special service area known and designated as City of Chicago Special Service Area Number 5 and authorized the levy of an annual tax not to exceed an annual rate of three percent (3%) of the equalized assessed value of the taxable property therein to provide certain special services in and for such area for an additional period of 10 years (the "Second Levy Period") in addition to the services provided by and to the City of Chicago generally; and

WHEREAS, the Second Levy Period expired; and

WHEREAS, on November 5, 2003, the City Council enacted an ordinance ("Establishment Ordinance") which again established a special service area known and designated as City of Chicago Special Service Area Number 5 (the "Original Area") and authorized the levy of an annual tax not to exceed an annual rate of three percent (3%) of the equalized assessed value of the taxable property therein to provide certain special services in and for the Original Area such services for an additional period of 10 years (the "Third Levy Period") in addition to the services provided by and to the City of Chicago generally (Original Special Services"); and

WHEREAS, the Third Levy Period has expired; and

WHEREAS, the Establishment Ordinance established the Original Area as that territory approximately bounded by properties contained from East 87th Street on the north to East 93rd Street on the south along South Commercial Avenue; East 91st Street frontage from South Exchange Avenue on the west to South Houston Avenue on the east; South Exchange Avenue frontage between East 91st Street and East 92nd Street; East 92nd Street frontage from South Exchange Avenue on the west to South Harbor Avenue on the east; the east side of South South Chicago Avenue between South Exchange Avenue and South Commercial Avenue; and South Burley Avenue frontage between East 92nd Street and East 93rd Street; and

WHEREAS, the Original Special Services authorized in the Establishment Ordinance

WHEREAS, the City of Chicago desires to consider the establishment of a new special service area in an area which is comprised of the Original Area and the authorization of a levy of a new special annual services tax in order to provide certain special services which are distinct from the Original Special Services; and

WHEREAS, the City Council finds that it is in the public interest that consideration be given to the establishment of an area within the City of Chicago (which is comprised of the Original Area) to be known and designated as Special Service Area Number 68 (the "Area") and to the authorization of the levy of a special annual services tax (the "Services Tax") for a period of fifteen (15) years within the Area for the purposes set forth herein; that the Area is contiguous; and that said special services are in addition to municipal services provided by and to the City of Chicago generally, and it is, therefore, in the best interests of the City of Chicago that the establishment of the Area and the levy of the Services Tax within the Area for the services to be provided be considered; now, therefore,
