### RECITALS:

**A. Constitutional Authority:** As a home rule unit of government under Section 6(a), Section VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

**B. Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq. (2002 State Bar Edition), as amended from time-to-time (the "**Act**"), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

**C. City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "**City Council**") adopted the following ordinances on July 30, 1997: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Near North Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Near North Redevelopment Project Area as a Redevelopment Project Area Pursuant to Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Near North

Redevelopment Project Area" (the "TIF Adoption Ordinance"). Collectively the three ordinances are defined as the "TIF Ordinances". The Redevelopment Area (as defined below) is legally described on Exhibit A.

**D. The Project:** The project contemplated by this Redevelopment Agreement is for the construction of one seven-story elevator building containing 84 rental housing units and commercial space located at 454-466 West Division Street and 1200-1226 North Clybourn Avenue (the "Property") in the Near North Tax Increment Financing Redevelopment Project Area (the "Redevelopment Area"). The City is selling the Property to the Sponsor for immediate reconveyance to the Developer, provided that the Sponsor will first convey the Property to Special Member, which will immediately convey the Property to the Developer. The Property is approximately .961 acre, and is located wholly within the Redevelopment Area. A legal description of the Property is stated in Exhibit B-1. The Property is currently undeveloped and subject to the zoning requirements stated in Residential-Business Planned District No. 1278 (including any approved amendment thereof, the "PD"). In accordance with this Agreement, the 84 residential units will consist of 26 rental units for public housing residents, 26 rental units for low-income families and 32 market rate rental units, and 56 parking spaces (the "Residential Project"), and the commercial portion of the development will include certain commercial space on the first floor of the building which may include a day care facility and other commercial uses, and 20 parking spaces (the "Commercial Project"). The new construction work is collectively defined as the "Project". The legal descriptions of the property comprising the Residential Project and the property comprising the Commercial Project, respectively, are attached hereto as Exhibits B-2 and B-3. A site plan for the Project (the "Site Plan") is Exhibit B-4. The completion of the Project would not reasonably be anticipated to occur without the financing contemplated in this Agreement.

**E. Redevelopment Plan:** The Project will be carried out in accordance with this Agreement, the PD and the City of Chicago Near North Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the "Redevelopment Plan"), and as amended from time-to-time.

**F. City Financing and Assistance:** The City agrees to use, in the amounts set forth in Section 5.03 hereof, Incremental Taxes to pay or reimburse the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), at a later date as described and conditioned in Section 5.07 hereof. The proceeds of the TIF Bonds (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes.

**NOW, THEREFORE,** in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

### SECTION THREE: PROPERTY CONVEYANCE

3.01 **Conveyance of the Property.** The following provisions shall govern the City's conveyance of the Property to the Sponsor for immediate reconveyance to the Developer:

(a) **Purchase Price.** The City hereby agrees to sell, and Sponsor hereby agrees to purchase, upon and subject to the terms and conditions of this Agreement, the Property, for the amount of Twenty-Five Thousand and no/100 Dollars (\$25,000.00) (the "**Purchase Price**"), which is to be paid by the Developer Parties on behalf of the Sponsor to the City on the date the City conveys the Property (the occurrence of such conveyance, the "**Property Closing**") in cash or by certified or cashier's check or wire transfer of immediately available funds. The Developer Parties shall pay all escrow fees and other title insurance fees, premiums and closing costs. The Developer Parties acknowledge and agree that (i) the appraised fair market value of the Property based on an appraisal dated May 6, 2015 was approximately \$5.1 Million Dollars and (ii) the City has only agreed to sell the Property to Sponsor for the Purchase Price because the Developer Parties have agreed to execute this Agreement and comply with its respective terms and conditions.

(b) **Form of Deed.** The City shall convey the Property to Sponsor by quitclaim deed (the "**Deed**"), subject to the terms of this Agreement and, without limiting the quitclaim nature of the deed, the following:

- (i) the Redevelopment Plan;
- (ii) the standard exceptions in an ALTA title insurance policy;
- (iii) general real estate taxes and any special assessments or other taxes;
- (iv) all easements, encroachments, covenants and restrictions of record and not shown of record;

- (v) such other title defects as may exist; and
- (vi) any and all exceptions caused by the acts of the Developer Parties or their agents.

(c) Title and Survey. The Developer Parties acknowledge that they have obtained title insurance commitments for the Property, showing the City in title to the Property. The Developer Parties shall be solely responsible for and shall pay all costs associated with updating such title commitments (including all search, continuation and later-date fees), and obtaining any title insurance, extended coverage or other endorsements it deems necessary. The City shall have no obligation to cure title defects; provided; however, if there are exceptions for general real estate tax liens which accrued prior to the Property Closing with respect to the Property, the City shall file a petition to vacate the tax sale in the Circuit Court of Cook County if the tax liens have been sold and/or seek to abate the tax liens by filing a tax abatement letter with the appropriate Cook County authorities or, filing tax injunction proceedings in the Circuit Court of Cook County, but shall have no further obligation with respect to any such taxes. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the Property is encumbered with any other unpermitted exceptions, the Developer Parties shall have the option to do one of the following: (a) accept title to the Property subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the scheduled date for the Property Closing.

The Developer Parties shall obtain and furnish the City with three (3) copies of a survey of the Property at the Developer Parties' sole cost and expense.

(d) Property Closing. The conveyance of the Property shall take place on the date of the Property Closing at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer Parties have satisfied all conditions precedent set forth in this Agreement, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the Title Company the Deed, all necessary state, county and municipal real estate transfer tax declarations, and an ALTA statement. The City will not provide a gap undertaking.

(e) Recordation of Quitclaim Deed and Other Documents. The Developer shall promptly record the Deed in the Office of the Recorder of Deeds of Cook County, Illinois and shall pay to record the Deed, this Agreement, and any other documents incident to the conveyance of the Property.

3.02 Escrow. In the event that the Developer Parties require conveyance through an escrow, the Developer Parties shall pay all escrow fees.

3.03 Environmental Condition of the Property. The City makes no covenant, representation or warranty as to the soil or environmental condition of the Property or the suitability of the Property for any purpose whatsoever, and the Developer Parties agree to accept the Property "as is". If after the Property Closing, the soil or environmental condition of the Property is not in all respects entirely suitable for the use to which the Property is to be utilized, it shall be the sole responsibility and obligation of the Developer Parties to take such action as is necessary to put the Property in a condition suitable for such intended use. The Developer Parties agree to release the City from any claims and liabilities relating to or arising from the environmental condition of the Property (including, without limitation, claims under CERCLA) and to undertake and discharge all liabilities of the City arising from any environmental condition which existed on the Property prior to the Property Closing.

The Developer Parties hereby waive and release the City from and against, any claims and liabilities relating to or arising from the structural, physical or environmental condition of the Property, including, without limitation, claims arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), and shall undertake and discharge all liabilities of the City arising from any structural, physical or environmental condition that existed on the Property prior to the Property Closing, including, without limitation, liabilities arising under CERCLA. The Developer Parties hereby acknowledge that, in purchasing the Property, the Developer Parties are relying solely upon their own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer Parties shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Developer Parties deems appropriate to evaluate fairly the structural, physical and environmental condition and risks of the Property. If, after the Property Closing, the structural, physical and environmental condition of the Property is not in all respects entirely suitable for their intended use, it shall be the Developer Parties' sole but collective responsibility and obligation to take such action as is necessary to put the Property in a condition which is suitable for their intended use.

3.04 **Restrictions on Use.** The Developer Parties agree that they:

- (a) Shall devote the Property solely to the Project;
- (b) Shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Property or any part thereof or the Project or any part thereof.
- (c) Shall devote the Property to a use consistent with the Redevelopment Plan.

The covenant contained in this Section 4.04 shall terminate upon the expiration of the Redevelopment Plan as such expiration may be amended from time to time in accordance with and pursuant to applicable law.

#### SECTION FOUR: THE PROJECT

4.01 **The Project.** The Developer Parties will: (i) begin redevelopment construction no later than ninety days after the Closing Date, and (ii) complete redevelopment construction no later than the third anniversary of the Closing Date, subject to the provisions of Section 19.16 (Force Majeure).

4.02 **Scope Drawings and Plans and Specifications.** Developer has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved them. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 4.04 will be submitted to DPD as a Change Order under Section 4.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and all applicable Federal, State and local laws, ordinances and regulations. Developer will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

4.03 **Project Budget.** Developer has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit C-1, showing total costs for the Project in an amount not less

than \$39,776,055. Developer hereby certifies to the City that: (a) in addition to City Funds, the Lender Financing and/or Equity described in Exhibit K shall be sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects as of the date hereof. Developer will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 4.04.

**4.04 Change Orders.** All Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by the Developer to DPD for DPD's prior written approval. The Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by the Developer of DPD's written approval. The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect. An approved Change Order shall not be deemed to imply any obligation on the part of the City to increase the amount of City Funds which the City has pledged pursuant to this Agreement or provide any other additional assistance to the Developer.

**4.05 DPD Approval.** Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project.

**4.06 Other Approvals.** Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, the Developer Parties' obligations to comply with the provisions of Section 6.03 (Other Governmental Approvals).

**4.07 Progress Reports and Survey Updates.** After the Closing Date, on or before the 15th day of January, April, July and October, Developer will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 4.04). Developer must also deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Section 9.08 (Prevailing Wage), Section 11.02 (City Resident Construction Worker Employment Requirement) and Section 11.03 (Developer's MBE/WBE Commitment). If the reports reflect a shortfall in compliance with the requirements of Sections 9.08, 11.02 and 11.03, then there must also be included a written plan from Developer acceptable to DPD to address and cure such shortfall. At Project completion, upon the request of DPD, Developer will provide 3 copies of an updated Survey to DPD reflecting improvements made to the Property.

**4.08 Inspecting Agent or Architect.** The independent agent or architect (other than Developer's architect) selected by the lender providing Lender Financing will also act as the inspecting agent or architect for DPD for the Project, and any fees and expenses connected with its work or incurred by such independent agent or architect will be solely for Developer's account and will be promptly paid by Developer. The inspecting agent or architect will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursements for costs related to the Project.

**4.09 Barricades.** Developer has installed (or shall install) a construction barricade of a type and appearance satisfactory to the City and which barricade was constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature,

type, content, and design of all barricades (other than the name and logo of the Project) installed after the date of this Agreement.

4.10 **Signs and Public Relations.** Developer will erect in a conspicuous location on the Property during the Project a sign of commercially reasonable size and style, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent, non-confidential information regarding Developer and the Project in the City's promotional literature and communications.

4.11 **Utility Connections.** Developer may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Developer first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

4.12 **Permit Fees.** In connection with the Project, Developer is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

4.13 **Accessibility for Disabled Persons.** Developer acknowledges that it is in the public interest to design, construct and maintain the Project in a manner that promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and related improvements have been reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

## SECTION FIVE: FINANCING

5.01 **Total Project Cost and Sources of Funds.** The cost of the Project is estimated to be \$39,776,055 to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit K.

5.02 **Developer Funds.** Equity and Lender Financing will be used to pay the majority of Project costs, including but not limited to costs of TIF-Funded Improvements.

### 5.03 **City Funds.**

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Section 5.03(b) and subject to revision by approved Change Orders), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 5.03 and Section 6 hereof, the City hereby agrees to provide up to \$8,100,000 of City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the \$8,100,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the Redevelopment Project Area Special Tax Allocation Fund

shall be sufficient to pay for such costs. The City hereby represents to the Developer Parties that except for the Prior TIF Obligations the City has not made a senior or superior pledge of Incremental Taxes to any entity, party or person.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$8,100,000 is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 5.01 hereof or Lender Financing shall increase proportionately. In the event that the final certified Project costs are less than the Project Budget, the City and CHA shall share the savings on a pro-rata basis. The City's share of the savings shall be deducted from the final installment paid to the Developer Parties after the issuance of the Final Certificate.

(c) Disbursement of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 5.03, Section 5.08 and Section 6 hereof, the City shall disburse the City Funds in five payments as follows: (i) \$2,025,000 upon the completion of 25% of the construction of the Project as evidenced by an Architect's Certificate; (ii) \$2,025,000 upon the completion of 50% of the construction of the Project as evidenced by an Architect's Certificate; (iii) \$2,025,000 upon the completion of 75% of the construction of the Project as evidenced by an Architect's Certificate; (iv) \$1,012,500 upon the issuance by DPD of the Substantial Completion Certificate; and (v) \$1,012,500 upon the issuance by DPD of the Final Certificate.

**5.04 Construction Escrow.** The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

**5.05 Sale or Transfer of the Property or Project by Developer.**

(a) Prior to the Date of Issuance of the Final Certificate. Subject to Sections 5.05(c) and 17.01 below, Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Final Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 19.19.

(b) Prior to the End of the Affordability Covenant. Subject to Sections 5.05(c) and 17.01 below, if Developer shall enter into a sale or transfer of any part of the Residential Project prior to the termination of the affordability covenant set forth in Section 9.19, Developer agrees to remit City Funds to the City in an amount equal to \$202,500 multiplied by X, where X equal 40 minus the number of years elapsed since the date of the Final Certificate.

(c) Sales of Assets or Equity. For purposes of this Section 5.05, the phrase: "sale or transfer of any part of the Residential Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Developer's assets or equity. Notwithstanding anything in this Section 5.05 to the contrary, the foregoing restrictions of this Section 5.05 and the penalty due in accordance with Section 5.05(b) do not apply to: (i) Developer's investor member to transfer its investor member interest to any person at any time, (ii) the removal by the investor member of the Manager, in accordance with Developer's operating agreement, provided the substitute managing member is acceptable to City in its reasonable discretion, (iii) Manager's pledge of Manager's rights, title and interest in and to Developer and under Developer's operating agreement as collateral for Developer's obligations under any Lender Financing; (iv) transfers to any condominium association or community association; (v) any

dedications or easements required by the subdivision, PD or applicable law and (vi) any sale or transfer of the Residential Project that is explicitly made subject to the Affordability Covenant. Developer must, however during the Term of the Agreement, notify the City not less than 60 days after any transfer is made.

(d) Sale and Transfer of the Commercial Project. Notwithstanding any other provision of this Agreement, after the issuance of the Substantial Completion Certificate, Developer will convey the Commercial Project to Clydiv Commercial LLC, an Illinois limited liability company.

5.06 Treatment of Prior Expenditures. Only those expenditures made by the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "Prior Expenditure(s)"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to the Developer Parties, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by the Developer Parties under Section 5.01.

5.07 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 5.03, the Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

5.08 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials substantially conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct in all material respects and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens and Non-Governmental Charges in accordance with Section 9.14(b);

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, defer developer fee or other amounts due the Developer, or deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct in all material respects; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

**5.09 Conditional Grant.** The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Sections 5.05, 8.03 and 16.02 hereof.

**5.10 TIF Bonds.** The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. The Developer Parties will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 9.05.

Developer will cause the General Contractor to solicit bids for work on the Project solely from qualified subcontractors eligible to do business with the City of Chicago.

7.02 **Construction Contract.** Prior to the execution thereof, Developer must deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to work on the Project, for DPD's prior written approval. Following execution of such contract by Developer, the General Contractor and any other parties thereto, Developer must deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

7.03 **Performance and Payment Bonds.** Prior to commencement of construction of any work in the public way, Developer will require that the General Contractor and any applicable subcontractor(s) be bonded (as to such work in the public way) for their respective payment and performance by sureties having an AA rating or better using the bond form attached as Exhibit I. The City will be named as obligee or co-obligee on such bond.

7.04 **Employment Opportunity.** Developer will contractually obligate and cause the General Contractor to agree and contractually obligate each subcontractor to agree to the provisions of Section 11; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and the City resident obligations in Section 11 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy or the failure of any one subcontractor to satisfy, such obligation shall not result in a default or a termination of this Agreement or require payment of the City resident hiring shortfall amounts so long as such Section 11 obligations are satisfied on an aggregate basis.

7.05 **Other Provisions.** In addition to the requirements of this Section 7, the Construction Contract and each contract with any subcontractor must contain provisions required under Section 4.04 (Change Orders), Section 9.08 (Prevailing Wage); Section 11.01(e) (Employment Opportunity), Section 11.02 (City Resident Construction Worker Employment Requirement), Section 11.03 (Developer's MBE/WBE Commitment), Section 13 (Insurance) and Section 15.01 (Books and Records).

## SECTION EIGHT: COMPLETION OF CONSTRUCTION

8.01 **Certificate of Completion of Construction.** (a) Upon each of the substantial completion and the final completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer's written request, DPD shall issue to the Developer either the Substantial Completion Certificate or the Final Certificate, as applicable. The Final Certificate shall be in recordable form (substantially in the form attached hereto as Exhibit N) certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer's written request for either certificate within forty-five (45) days by issuing either the requested certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed (or substantially completed in the case of the Substantial Completion Certificate), and the measures which must be taken by the Developer in order to obtain the requested certificate. The Developer may resubmit a written request for either certificate upon completion of such measures.

(b) The Substantial Completion Certificate will not be issued until the following requirements have been met:

- (i) The Developer has obtained a partial or temporary Certificate of Occupancy that covers all 84 residential units, and commercial space;
- (ii) The 84 residential units, and the commercial space have been constructed substantially according to the Plans and Specifications;

- (iv) Developer has incurred costs for TIF-Funded Improvements in an amount equal to or higher than \$7,087,500.

(c) The Final Certificate will not be issued until the following requirements have been met:

- (i) The City's Monitoring and Compliance unit has determined in writing that the Developer is in complete compliance with all City requirements (M/WBE, City residency and prevailing wage) as required in this Agreement;
- (ii) The Project, including all 84 residential units, the parking spaces and all related improvements, has been completed;
- (iii) The Developer has received a Certificate of Occupancy from the City or other evidence reasonably acceptable to DPD that the Developer has complied with building permit requirements; and
- (iv) Developer has incurred costs for TIF-Funded Improvements or such amounts are included in the Project Budget in an amount equal to or higher than \$8,100,000.

8.02 **Effect of Issuance of Certificate; Continuing Obligations.**

(a) The Final Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Final Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Final Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

(b) Those covenants specifically described at Section 9.02 (Covenant to Redevelop), Section 9.18 (Real Estate Provisions), and Section 9.19 (Affordability Requirements) as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement, provided that (a) upon the issuance of the Final Certificate the covenants of Section 9.02 (Covenant to Redevelop) shall be deemed fulfilled and (b) upon the issuance of the Substantial Completion Certificate, the covenant of Section 9.19 (Affordability Requirements) shall not apply to and be deemed released from the Commercial Project. The other executory terms of this Agreement that remain after the issuance of the Final Certificate will be binding only upon Developer or a permitted assignee of Developer who, as provided in Section 19.14 (Assignment) of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer's liabilities hereunder.

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation), upon not less than thirty (30) days prior written notice to the Developer to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 5.01, the Developer Parties will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

**8.04 Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD will provide the Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

The Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto. Developer will submit to DPD a plan describing its compliance program prior to the Closing Date.

(b) Developer will deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Sections 9.08, 11.02 and 11.03 of this Agreement. If any such reports indicate a shortfall in compliance, Developer will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer will correct any shortfall.

9.07 **Employment Profile.** Developer will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

9.11 **Disclosure of Interest.** None of the Developer Parties' counsel has direct or indirect financial ownership interest in the Developer Parties, the Property, or any other feature of the Project.

In addition, if requested by DPD, Developer will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

9.13 **Insurance.** Solely at its own expense, Developer will comply with all provisions of Section 13 hereof.

9.14 **Non-Governmental Charges.**

(a) **Payment of Non-Governmental Charges.** Except for the Permitted Liens, and subject to subsection (b) below, Developer agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by Developer, which create, may create, or

appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 9.14); or

(ii) to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

9.15 Developer Parties' Liabilities. The Developer Parties will not enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. The Developer Parties will immediately notify DPD of any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

9.16 Compliance with Laws. To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, the Developer Parties will provide evidence satisfactory to the City of such current compliance.

9.17 Recording and Filing. The Developer Parties will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. The Developer Parties will pay all fees and charges incurred in connection with any such recording. Upon recording, The Developer Parties will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

9.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer or all or any portion of the Property or the Project. "**Governmental Charge**" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If Developer fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 9.18, Developer will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

9.19 Affordability Requirements.

(a) Affordable Units. Of the 84 units comprising the Residential Project, 40 units (or 47.6% of the Residential Project's units) shall be affordable to households with AMI not greater than 60%, of which 24 units (or 31% of the Project's units) shall be CHA Units; 10 units (or 12% of the Project's units) shall be affordable to households with AMI not greater than 80% but not reserved for CHA households; 2 units (2.4% of the Residential Projects units) shall be CHA units affordable to households with AMI not greater than 80%; and 32 units shall not have any affordability restrictions.

(b) CHA Units. The Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by the Developer and DPD as of the date hereof shall govern the terms of the Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the date set forth in subparagraph (c) below, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) All of the CHA Units shall be operated and maintained solely as residential rental housing;

(ii) 24 of the 26 CHA Units shall be available for occupancy to and be occupied solely by Low Income Families (as defined below) upon initial occupancy; and

(iii) 24 of the 26 CHA Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 9.19, the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(c) The covenants set forth in this Section 9.19 shall run with the land for a period of forty (40) years from the date of the Final Certificate and be binding upon any transferee. Provided, however, upon the issuance of the Substantial Completion Certificate the Commercial Project shall be released from and no longer subject to the covenants of this Section 9.19.

(d) The City and the Developer Parties may enter into a separate agreement to implement the provisions of this Section 9.19;

9.22 **No Business Relationship with City Elected Officials.** The Developer Parties acknowledge receipt of a copy of Section 2-156-030(b) of the Municipal Code and that the Developer Parties have read and understand such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. The Developer Parties hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

9.25 **Survival of Covenants.** All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 9 and elsewhere in this Agreement are true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 8 upon the issuance of the Final Certificate) will be in effect throughout the Term of the Agreement.

## SECTION TEN: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

10.02 **Survival of Covenants.** All warranties, representations, and covenants of the City contained in this Section 10 or elsewhere in this Agreement shall be true, accurate, and

complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## SECTION ELEVEN: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

11.01 **Employment Opportunity.** Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its various contractors, subcontractors or any Affiliate of Developer operating on the Project (collectively, with Developer, such parties are defined herein as the "**Employers**," and individually defined herein as an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time-to-time (the "**Human Rights Ordinance**"). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 et seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project (other than

for remediation and demolition entered into prior to the date of this Agreement), and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 11.01 will be a basis for the City to pursue remedies under the provisions of Section 16.02 hereof, subject to the cure rights under Section 16.03.

#### **11.02 City Resident Construction Worker Employment Requirement.**

(a) Developer agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Developer, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) **"Actual residents of the City"** means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 5 Business Days prior written notice, Developer, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an

employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget undertaken by Developer (and specifically excluding any tenant improvements which are not undertaken by Developer) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Developer will cause or require the provisions of this Section 11.02 to be included in all construction contracts and subcontracts related to the Project (other than contracts for remediation and demolition entered into prior to the date of this Agreement).

**11.03 Developer's MBE/WBE Commitment.** The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "**Procurement Program**"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "**Construction Program**," and collectively with the Procurement Program, the "**MBE/WBE Program**"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 11.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses ("**MBEs**") and by women-owned businesses ("**WBEs**");

(1) At least 24 percent by MBEs.

(2) At least four percent by WBEs.

(b) For purposes of this Section 11.03 only:

(i) The Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 11.03. In accordance with Section 2-92-730, Municipal Code of Chicago, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if

such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 11.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 11.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 11.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 11.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 11.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

## SECTION TWELVE: ENVIRONMENTAL MATTERS

12.01 Environmental Matters. Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws (taking into account the anticipated issuance and applicability of any NFRLs issued with respect to the Property), this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

Without limiting any other provisions hereof, Developer agrees to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Developer: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Developer or any of its Affiliates under any Environmental Laws relating to the Property.

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer Parties to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;

is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 120 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 120 days after the commencement thereof;

(g) the entry of any judgment or order against Developer for an amount in excess of \$1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

For purposes of Section 16.01(j) hereof, a natural person with a material interest in the Developer Parties is one owning in excess of thirty-three percent (33%) of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or interest.

**16.02 Remedies.** Upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer Parties are or shall be parties and/or suspend disbursement of City Funds, except as otherwise provided in Section 5.03(c)(vii). The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property. Without limiting the generality of the foregoing, with respect to Events of Defaults by the Developer Parties prior to the issuance of a Final Certificate, the City shall be entitled to seek reimbursement of City Funds from the Developer Parties.

### **16.03 Curative Period.**

(a) In the event the Developer Parties fail to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event the Developer Parties fail to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this

Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

16.04 **Right to Cure by the Limited Partner and/or Citibank.** If a default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Limited Partner and Citibank, and the Limited Partner (including, without limitation, by exercise of management take over rights of the Owner under its partnership agreement) and Citibank shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Limited Partner may cause to be cured such monetary default within 90 days after the later of (and Citibank, except as provided in Section 16.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 16.03 to Developer Parties with respect to such monetary default; or (ii) receipt by the Limited Partner and Citibank of notice of default from the City. If the Limited Partner does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 16.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Limited Partner may cause to be cured such non-monetary default within 90 days after the later of (and Citibank, except as provided in Section 16.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 16.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Limited Partner and Citibank of notice of default from the City. If the Limited Partner does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 16.04(d); and

(c) if a monetary default exists, Citibank may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Citibank of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 16.04(a) above; and

(d) if a non-monetary default exists (except for a Personal Developer Default), Citibank may cure such non-monetary default within 90 days after the later of (and the non-electing party and the City shall take no action during such 90-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Citibank of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 16.04(b) above; provided, however, if such non-monetary default is of a nature that is not subject to cure in 90 days, the cure period will be extended for the time period needed to cure such default (including any time period required by Citibank to take control of the Project by initiating foreclosure of its mortgage and/or appointing a receiver) and the City shall forbear from exercising its remedies hereunder so long as diligent and continuous efforts are being pursued to cure such default; and

(e)(1) If such non-monetary default would be an Event of Default set forth in Section 16.01(e), (f), (g), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Limited Partner or Citibank (as applicable and in that strict order as more fully provided in this Section 16.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the

"Assumption Notice") to the City and the Limited Partner or Citibank (as applicable, the "Non-Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 16.04(e)(2) below. If notice is delivered within said 30-day period, the Electing Party shall, in accordance with Section 16.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 19.14 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by Citibank and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and Citibank of an Assumption Notice from the Limited Partner pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City and Citibank). If the Limited Partner does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Limited Partner other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then Citibank shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to Citibank, or an affiliate thereof, or any other party agreed to in writing by Citibank and the City.

(f) If such Personal Developer Default is not cured by the Limited Partner or Citibank within the timeframes set forth in Section 16.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 16.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that Citibank is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 16.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 16.03 and Section 16.04, in the event Citibank initiates a foreclosure proceeding, or the Limited Partner and Citibank provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 16.02 above.

## SECTION SEVENTEEN: MORTGAGING OF THE PROJECT

17.01 **Mortgaging of the Project.** All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "New Mortgage." Any mortgage or deed of trust that Developer may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer as follows:

(a) If a mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 19.14 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land specified in Section 8.02.

(b) If any mortgagee or any other party shall succeed to Developer's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of Developer's interest hereunder in accordance with Section 19.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to Developer for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of Developer's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of Developer or other claim of the City against the Developer based on events which occurred prior to the time such party succeeded to the interest of Developer under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case Developer will be solely responsible. If the City placed a lien on the Project pursuant to Section 16.02 hereof in connection with an Event of Default of Developer or other claim of the City against the Developer based on events which accrued prior to the time such party succeeded to the interest of the Developer under this Agreement, the City shall release such lien upon written request to do so by such succeeding mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of Developer's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land specified in Section 8.02.

(c) Prior to the issuance by the City to Developer of a Final Certificate under Section 8 hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Final Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

19.01 **Amendments.** Except as provided in this Section 19.01, and except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and the Schedules and Exhibits attached hereto may not be materially amended without the written consent of all parties. In addition to consents and discretion expressly identified herein, the Commissioner, in his or her sole discretion, may amend or otherwise revise: (a) any exhibits containing legal descriptions in order to correct a surveyor's, scrivener's or clerical error in such a legal description, or to reflect any new subdivision of property index numbers, provided that such correction does not have a material effect on any portion of the Project; and (b) Exhibit B-2 to adjust unit locations and types; (c) Exhibits C-1 and C-2 in connection with updated budgets and/or the approval of Change Orders resulting in changes in the Project Budget in accordance with Section 4.05; (d) Exhibit D to adjust allocations between line items or to add new line items permitted under the Plan; (e) Exhibit K to reflect the terms of the final project financing, so long as such financing is not materially inconsistent with that contemplated hereunder; and (f) Exhibit G to correct inadvertent omissions or permit other minor title encumbrances not in the nature of a lien. Amendments required in clauses (b), (c) and (e) shall also require the Developer Parties' consent. The City in its sole discretion, may amend, modify or supplement the Redevelopment Plan. For purposes of this Agreement, the Developer Parties is only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement.

19.02 **Complete Agreement, Construction, Modification.** This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter.

19.03 **Limitation of Liability.** No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to the Developer Parties or any successor in interest to the Developer Parties in the event of any default or breach by the City or for any amount which may become due to the Developer Parties or any successor in interest, from the City or on any obligation under the terms of this Agreement.

19.05 **Waivers.** No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

19.06 **Remedies Cumulative.** The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

19.07 **Parties in Interest/No Third Party Beneficiaries.** The terms and provisions of this Agreement are binding upon and inure to the benefit of, and are enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or the Developer Parties, will be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or the Developer Parties.

19.08 **Titles and Headings.** The Section, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

19.09 **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

19.10 **Severability.** If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

19.11 **Conflict.** In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

19.12 **Governing Law.** This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

19.13 **Form of Documents.** All documents required by this Agreement to be submitted, delivered or furnished to the City will be in form and content satisfactory to the City.

19.14 **Assignment.** Prior to the issuance by the City to the Developer Parties of the Final Certificate, the Developer Parties may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Developer Parties may collaterally assign their interests in this Agreement to any of its lenders identified to the City as of the Closing Date if any such lenders require such collateral assignment. Any successor in interest to the Developer Parties under this Agreement will certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Section 9.25 (Survival of Covenants) hereof, for the Term of the Agreement. successors and permitted assigns (as provided herein).

19.16 **Force Majeure.** None of the City, the Developer Parties and Sponsor nor any successor in interest to any of them will be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, war, terrorism, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. Such force majeure events shall also include the City's failure to complete the public improvements within the Property which, at the Closing Date, the City has agreed to undertake within a construction schedule mutually acceptable to the City and the Developer Parties. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

19.17 **Exhibits and Schedules.** All of the exhibits and schedules attached hereto are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

19.18 **Business Economic Support Act.** Under the Business Economic Support Act (30 ILCS 760/1 et seq. 2002 State Bar Edition, as amended), if Developer is required to provide notice under the WARN Act, Developer will, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and Minority Leader of the Senate of State, and the Mayor of each municipality where Developer has locations in the State. Failure by Developer to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

19.19 **Approval.** Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Final Certificate or otherwise administering this Agreement for the City.

The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Section or other subdivision. The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise. The word "shall" means "has a duty to."

19.21 **Date of Performance.** If any date for performance under this Agreement falls on a Saturday, Sunday or other day which is a holiday under Federal law or under State law, the date for such performance will be the next succeeding Business Day.

all covenants and agreements of the parties contained in this Agreement will survive the consummation of the transactions contemplated hereby.

19.23 **Equitable Relief.** In addition to any other available remedy provided for hereunder, at law or in equity, to the extent that a party fails to comply with the terms of this Agreement, any of the other parties hereto shall be entitled to injunctive relief with respect thereto, without the necessity of posting a bond or other security, the damages for such breach hereby being acknowledged as unascertainable.

19.24 **Venue and Consent to Jurisdiction.** If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

19.25 **Costs and Expenses.** In addition to and not in limitation of the other provisions of this Agreement, the Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorneys' fees, incurred in connection with the enforcement of the provisions of this Agreement but only if the City is determined to be the prevailing party in an action for enforcement. OPINION OF COUNSEL FOR DEVELOPER PARTIES

[To be retyped on Developer Parties' Counsel's letterhead]

\_\_\_\_\_, 2015  
City of Chicago  
City Hall, Room 600  
121 North LaSalle Street  
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Clydiv, LLC, an Illinois limited liability company (the "Developer") and Cabrini Green CDC-SPE, LLC, an Illinois limited liability company (the "Sponsor"), in connection with the construction of certain improvements on \_\_\_\_\_ located in the Near North Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

(a) Clybourn Division Rental Project Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and

(b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

(a) the original or certified, conformed or photostatic copies of Developer's and Sponsor's (i) Certificate of Organization, as amended to date, (ii) Amended and Restated Agreement of Limited Liability Company, (iii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, and (iv) records of all corporate proceedings relating to the Project; and

(b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Each of Developer and Sponsor is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, has

full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Each of Developer and Sponsor has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's or Sponsor's Certificate of Organization or Amended and Restated Agreement of Limited Liability Company or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer or Sponsor is a party or by which Developer or Sponsor or its respective properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer and Sponsor.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally. Each of the Documents to which Sponsor is a party has been duly executed and delivered by a duly authorized officer of Sponsor, and each such Document constitutes the legal, valid and binding obligation of Sponsor, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies the members and managers of Developer and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding interest of Developer is duly authorized, validly issued, fully paid and nonassessable. Exhibit B attached hereto (a) identifies the members and managers of Sponsor and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit B, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Sponsor. Each outstanding interest of Sponsor is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of

our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America or the laws of the State of Illinois.

This opinion is issued at Developer's and Sponsor's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
