SECTION 5. INSPECTION AND ACCEPTANCE OF RISK. Developer acknowledges that it has been in possession of, and is fully familiar with, the condition of the City Land and has, prior to the Closing Date, made such inspections as it desires of the City Land and all factors relevant to its use. Developer accepts the risk that any inspection may not disclose all material matters affecting the City Land. Developer agrees to accept the City Land in its "as is," "where is" and "with all faults" condition on the Closing Date without any covenant, representation or warranty, express or implied, of any kind, as to any matters concerning the City Land, including, without limitation: (a) the structural, physical or environmental condition of the City Land; (b) the suitability of the City Land for any purpose whatsoever; (c) the state of repair of the City Land or the condition of soil, geology, groundwater, or any other physical characteristic of the City Land; (d) compliance of the City Land with any applicable Laws, including, without limitation, Environmental Laws; or (e) the presence or removal of Hazardous Substances or environmental conditions in, on, under or about the City Land. Developer acknowledges that it is relying solely upon its own inspection and due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Developer agrees that it is Developer's sole responsibility and obligation to perform any remedial activities and take such other action as is necessary to put the City Land in a condition suitable for its intended use.

SECTION 6. USE OF PROPERTY.

6.1 Permitted Use. Developer may use the City Land for the Project and for no other purpose.

6.2 Prohibited Uses. Developer shall not use or occupy the City Land, or permit others to use or occupy the City Land, in any manner that would (a) violate any Laws that may be applicable to the City Land or to the use of the City Land, (b) constitute a public or private nuisance, (c) materially damage or waste the City Land, (d) give rise to a claim of adverse possession or usage by any third party, (e) discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income; (f) damage the reputation of, or otherwise be injurious to, the City Land or neighborhood, or increase the rate of insurance on the City Land; or (g) cause a fire hazard or safety hazard. Developer further covenants that the City Land shall not be used for any religious purposes, and that no alcoholic beverages of any kind or nature shall be sold, given away or consumed on the City Land.

6.3 Gardening Standards. Developer shall comply, and require others to comply, with the following gardening standards:

- (a) Pesticides and herbicides are prohibited.

(b) All plants shall be grown in raised garden beds, as described in Exhibit F attached hereto.

(c) Developer shall not undertake any activity which could disturb the integrity of the clay cap underlying each raised bed.

(d) Developer, at its sole cost and expense, shall maintain the raised garden beds in accordance with the specifications set forth in Exhibit F, including, without limitation, supplementing the soil, compost or other growing or fill material as needed to maintain a minimum 24" layer of such material above the clay cap, and supplementing the wood chips as necessary. Any growing medium that Developer imports is subject to the testing and approval requirements set forth in subsection (e) below.

(e) Developer may not bring any soil, compost or other growing or fill material onto the City Land without DOE's prior written approval. Such material must meet TACO Tier 1 remediation objectives for residential and construction worker exposure routes as set forth in 35 IAC Part 742. Developer shall test such material at a rate of 1 sample per 500 cubic yards for the Target Compound List (TCL) in 35 IAC Part 740. In addition to the TACO Tier 1 remedial objectives, compost material must meet the performance standards and testing requirements for general use compost in 35 IAC Part 830. Developer shall promptly submit all test results to DOE for review and approval.

(f) Developer shall dispose of weeds and plant materials in designated compost areas. If Developer composts more than 25 cubic yards at any one time, Developer must first obtain all required permits. Developer may only compost vegetable matter grown on the City Land, and may not use such compost material on other property.

(g) Developer may not make any alterations, construct any improvements or place any fixtures on the City Land, except in accordance with Plans submitted to and approved by DHED. This includes, without limitation, landscaping, fences, lighting, benches, signs, farm stands, garden sheds and other accessory buildings. Notwithstanding the foregoing, Developer may build hoop houses over the raised garden beds.

(h) Developer may not plant, cut down, damage or remove any trees, bushes, shrubs or other landscaping from the City Land without DHED's prior written approval.

(i) Developer shall require gardeners to conduct their activities on the Garden Site in a manner that does not disturb the peaceful and quiet enjoyment of the residents who live in the neighborhood or create any public or private nuisance.

(j) No on-site parking or motorized vehicles are allowed on the City Land, except in the area depicted in the site plan attached hereto as Exhibit G.

(k) No bee hives are allowed on the City Land.

(l) Developer shall maintain all fuel-powered equipment used on the City Land in good condition and repair, with no leaks. If fuel-powered equipment breaks, Developer shall repair such equipment within 30 days or remove it from the City Land. If Developer performs equipment repairs or fueling on the City Land, Developer shall implement proper petroleum spill prevention and control measures and best management practices, including, without limitation, providing secondary containment for any fuel storage or during fuel transfer, conducting fuel transfer and equipment repairs on a paved surface, and storing and maintaining spill response materials on the City Land.

Notwithstanding the above, in the event that the City Council passes legislation regulating urban gardening, and the Commissioner of DHED reasonably determines that such legislation establishes gardening practices reasonably comparable to the above standards (it being understood that such legislation need not address all of the matters set forth above, and may prescribe alternative health and safety measures to those set forth above), such Commissioner shall have the administrative discretion to amend this Agreement to and to prepare and record a release of certain or all of the use restrictions set forth in this Section 6.3. Developer shall thereafter comply with such applicable City legislation.

SECTION 7. CONSTRUCTION OF PROJECT.

7.1 Approved Plans. Developer shall construct the Project in accordance with Plans submitted to and approved by DHED. No material deviation from the approved Plans may be made without the prior written approval of DHED. The Plans shall at all times conform to the TIF Plan, the Final NFR Letter and all applicable Laws.

7.2 Government Approvals. Developer shall secure all permits and other final governmental approvals necessary to construct and operate the Project, and shall submit evidence thereof to DHED prior to commencing any work on the City Land. All work undertaken by Developer pursuant to this Agreement shall be performed in compliance with all applicable Laws.

7.3 Limited Applicability. Any approval given by DHED or DOE pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the City Land, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the City Land or any part thereof.

7.4 Organization and Authority Documents. The Developer shall deliver to the City the Developer's articles of incorporation, including all amendments thereto, as furnished and certified by the Illinois Secretary of State; the bylaws of the Developer, as certified by the secretary of the Developer; or resolutions authorizing the Developer to execute and deliver this Agreement and any other documents required to complete the transaction contemplated by this Agreement and to perform its obligations under this Agreement; a certificate of good standing from the Illinois Secretary of State dated no more than thirty (30) days prior to the Closing; and such other authority and organizational documents as the City may reasonably request.

SECTION 8. CONSTRUCTION AND COMPLETION OF THE PROJECT. The Developer shall commence construction of the Project no later than October 30, 2011, and shall complete the

Project (as evidenced by the issuance of a Certificate of Completion) no later than June 30, 2012; provided, however, the Commissioner, in his sole discretion, may extend the construction commencement and completion dates one-time by up to six months. The Developer shall construct the Project in accordance with the Drawings, and all Laws and covenants and restrictions of record. Upon completion of the Project, the Developer shall request that the City inspect the improvements. The City shall thereafter inspect the Project to determine whether it is substantially complete (i.e., complete except for punch list items) and constructed in accordance with this Agreement, and shall thereafter deliver to the Developer either a Certificate of Completion ("Certificate of Completion") or a written statement indicating in adequate detail how the Developer has failed to complete the Project in compliance with this Agreement or is otherwise in default, and what measures or acts are necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall have thirty (30) days to correct any deficiencies and resubmit a Request for Inspection. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, nor shall it serve as any guaranty as to the quality of the construction.

SECTION 9. ENVIRONMENTAL MATTERS.

9.1 Remediation of City Land. [UPDATE IF FINAL NFRL HAS BEEN RECEIVED] The Delta Institute has previously enrolled the Garden Site, including the City Land, in the IEPA's SRP Program, and has performed certain investigative and remediation activities since that date. Developer covenants and agrees to complete, or cause the completion, of any and all investigation, remediation, response, removal, monitoring and other activities necessary at or in the vicinity of the City Land in order to obtain a Final NFR Letter from the IEPA for the City Land (collectively, "Environmental Remediation Work"). Developer shall continuously and diligently pursue the Final NFR Letter using all reasonable means. DOE shall have the right to review and approve all correspondence, work plans, reports and other documents to be submitted to the IEPA in connection with the request for a Final NFR Letter ("Work Plans or Reports"). DOE may approve or disapprove any Work Plans or Reports within fifteen (15) days of receipt. If DOE disapproves any such Work Plans or Reports, DOE shall specify the reasons for disapproval and identify the conditions for approval. If DOE does not approve or disapprove any original or resubmitted Work Plans or Reports within 15 days of receipt, then such Work Plans or Reports will be deemed disapproved. Developer shall be responsible for the proper disposal of any soils, Hazardous Substances, Special Waste, debris and other materials that any Developer Party removes or excavates in connection with the Environmental Remediation Work. Developer shall be deemed the generator on all manifests for the disposal of Hazardous Substances and Special Waste resulting from Developer's activities. DOE shall have the right to approve both disposers and disposal facilities, which approval shall not be unreasonably withheld.

9.2 Final NFR Letter Required for Gardening. Developer acknowledges and agrees that it may not commence planting or gardening activities on the City Land until the IEPA has issued and the City has approved a Final NFR Letter, unless Developer obtains DOE's prior

written approval. If DOE provides such approval and Developer elects to commence any activities on the City Land prior to issuance of a Final NFR Letter, Developer acknowledges and agrees that it does so at its own risk.

9.3 Release. Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City Parties from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Land or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Land, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Land or the migration of Hazardous Substances from or to other property; and (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA.

9.4 Indemnification. Developer shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may now or in the future be paid, incurred or suffered by or asserted against the City by any person or entity or governmental agency for, with respect to, or as a direct or indirect result of, (a) the escape, seepage, leakage, spillage, discharge, emission, deposit or release of any Hazardous Substances on, in, under or from the City Land as a result of the actions or omissions of Developer; or (b) a breach by Developer of Developer's obligations under this Section 9.

9.5 Additional Environmental Terms.

(a) Developer shall, at its sole expense, comply with all Environmental Laws that are or may become applicable to Developer's activities on the City Land.

(b) Developer shall not handle, use, generate, treat, store or dispose of any Hazardous Substances in, on, under or about the City Land, except in connection with the Environmental Remediation Work.

(c) If there is a release or threatened release of any Hazardous Substances attributable to the operations or activities of Developer Parties, Developer shall notify the City as soon as practicable, but in no event more than three (3) days following such release or threatened release, and, if required by any applicable Laws, Developer shall investigate and remediate the condition in accordance with TACO Tier 1 remediation objectives for residential properties.

(d) Developer shall comply with all terms and conditions of the Final NFR Letter.

(e) Developer shall maintain and, upon request, make available to the City, free of charge, copies of all: (i) environmental reports and other documents relating to the environmental condition of the City Land; (ii) transportation or disposal contracts

relating to Hazardous Substances and associated inspection logs, manifests, schedules, receipts, load tickets and other information obtained by Developer that tracks the generation, handling, storage, treatment and disposal of Hazardous Substances, as well as all other records required by any applicable Environmental Laws; and (iii) permits issued to Developer under any applicable Environmental Laws. Developer shall provide such copies within ten (10) calendar days of receipt of the City's request.

9.6 Survival. This Section 9 shall survive the Closing Date.

SECTION 10 MAINTENANCE AND SECURITY.

10.1 Developer's Duty to Maintain City Land. Developer shall, at its sole expense, maintain the City Land in a state of good order, condition and repair, and in compliance with all applicable Laws, including, without limitation, all applicable provisions of the Municipal Code.

10.2 Security. Developer shall be responsible for securing the City Land at all times and preventing illegal and unauthorized uses of the City Land, including, without limitation, vandalism and fly dumping.

SECTION 11. NO TRANSFER OR ASSIGNMENT. Developer shall not transfer or assign any of its interest in the City Land or this Agreement, or permit others to use or occupy any portion of the City Land, or grant any license, concession, franchise or other rights or interest in this Agreement or the City Land, voluntarily, by operation of law or otherwise (collectively, "Transfers"), without in each case obtaining the prior written consent of the Commissioner. The City hereby consents to permitting enrolled participants in Youth Center programs access to and use of the City Land in accordance with the terms of this Agreement. Any attempt by Developer to Transfer an interest in this Agreement or the City Land, by document or other agreement or by operation of law in violation of the terms of this Agreement, shall be void and confer no rights on any third party and shall, at the City's option, constitute a default under this Agreement. If the City permits any assignment hereunder, the assignee shall be deemed to have assumed all of the obligations of Developer under this Agreement. No Transfer shall relieve Developer of any of its obligations hereunder. Developer shall furnish the City, for its prior written consent, a copy of each Transfer document it proposes to execute. Such consent may include the requirement to delete, add or change provisions in the proposed agreement as the City shall deem necessary to protect its interests, but which shall not materially alter Developer's rights or obligations under this Agreement. Consent to any Transfer shall not be taken or construed to diminish or enlarge any of the rights or obligations of either of the parties under the Agreement. In the event of such Transfer, the approved transferee shall submit an Economic Disclosure Statement and Affidavit to the City.

SECTION 12. INSURANCE. Developer shall procure and maintain at all times, at Developer's own expense, or cause to be procured and maintained, during the Agreement Term, insurance coverage as specified in Exhibit H attached hereto, insuring all operations related to this Agreement with insurance companies authorized to do business in the State of Illinois.

SECTION 13. GENERAL INDEMNIFICATION AND RELEASE. Developer is and shall be in exclusive control and possession of the City Land as provided herein, and the City shall have no liability or responsibility for damage or loss to any property or injury or death to any persons on or about the City Land. Developer agrees to assume all risk of damage or loss to property and injury or death to persons by reason of or incident to the possession and/or use of

the City Land, or the activities conducted by Developer or any Developer Parties under this Agreement. Developer expressly waives all claims against the City Parties for any such loss, damage, personal injury or death caused by or occurring as a consequence of such possession and/or use of the City Land or the conduct of activities under this Agreement. Developer further agrees to indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City Parties harmless from and against any and all Losses incurred in connection with, arising out of or incident to: (a) any damage or loss to property or injury or death to any person occurring in, on or about the City Land; (b) any act or omission of Developer or any of the Developer Parties, (c) any entry upon or use of the City Land by or on behalf of Developer or any of the Developer Parties in connection with this Agreement, (d) Developer's performance of or failure to perform any of Developer's obligations under this Agreement, (e) Developer's noncompliance with or violation of any applicable Laws, or (f) Developer's possession and/or use of the City Land or any activities conducted or services furnished in connection with or pursuant to this Agreement. The foregoing release and indemnity shall survive any termination of this Agreement.

SECTION 14. CITY'S RIGHT TO CURE. The City may, but shall not be obligated to, cure at any time, with prior written notice of at least thirty (30) days (except in an emergency), any failure by Developer to perform under this Agreement and whenever the City so elects, all reasonable costs and expenses incurred by the City in curing such failure, including, without limitation, reasonable attorney's fees, shall be paid by Developer to the City on demand.

SECTION 15. CITY'S RIGHT OF ACCESS. Without limiting any other rights reserved or available to the City under this Agreement, at law or in equity, the City reserves for itself and its employees, contractors, consultants, agents and representatives, the right to enter upon the City Land for the purpose of: (a) inspecting the City Land, and (b) curing any defaults under this Agreement. Nothing herein shall imply any duty upon the part of the City to do any such work, and performance thereof by the City shall not constitute a waiver of Developer's default in failing to perform the same.

SECTION 16. PERFORMANCE AND BREACH.

16.1 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement;

(b) the making or furnishing by Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement or another document) which is untrue or misleading in any material respect as of the date made;

(c) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement (unless bonded or insured over) upon the City Land, including any fixtures now or hereafter attached thereto, or the making or any attempt to make any levy, seizure or attachment thereof;

(d) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer,

or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer;

(e) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; and

(f) the dissolution of Developer.

16.2 Cure. If an Event of Default occurs, Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the City Land or to persons using the Project). 1 6 3

Remedies. If an Event of Default occurs, and is not cured in the time period provided for in Section 17.2 above, the City, in addition to any other rights or remedies available to it at law or in equity, shall have the right to terminate this Agreement. Upon termination of the Agreement, Developer shall surrender possession and vacate the City Land immediately, and at the City's request, execute a deed reconveying the City Land to the City. Developer shall pay on demand all costs and expenses, including attorneys' fees and costs, incurred by the City in recovering sums due hereunder, recovering possession of the City Land, or pursuing the City's rights and remedies against Developer or any assignee or transferee. 16.4 Remedies Cumulative. All remedies contained in Section 16.3 shall be cumulative, and every remedy contained in Section 16.3 may be exercised by the City from time to time and so often as occasion may arise or as may be deemed expedient. 16.4 No Waiver. No delay or omission of the City to exercise any right or power arising from any default shall impair any such right or power or be construed to be a waiver of any such default or any acquiescence therein. No waiver by the City of any default of any of the covenants of this Agreement shall be construed, taken or held to be a waiver of any other default, or as a waiver, acquiescence in or consent to any further or succeeding default of the same covenant.

SECTION 17. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS.

17.1 Conflict of Interest. No official or employee of the City, nor any member of any board, commission or agency of the City, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the City Land; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Agreement.

17.2 Duty to Comply with City Ethics Ordinance. City and Developer shall comply with Chapter 2-156 of the Municipal Code, "City Ethics," including but not limited to Section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 18. BUSINESS RELATIONSHIPS. Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the

City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 19. PATRIOT ACT CERTIFICATION. Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 24, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 20. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 05-1.

20.1 Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to February 10, 2005, the effective date of Executive Order 2005-1.

20.2 Developer represents and warrants that from the later of (a) February 10, 2005, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

20.3 Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

20.4 Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

20.5 Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 25 or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

20.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

20.7 For purposes of this provision:

- (a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.
- (b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or Agreement of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.
- (c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.
- (d) Individuals are "domestic partners" if they satisfy the following criteria:
 - (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
 - (ii) neither party is married; and
 - (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a Agreement for a residence identifying both domestic partners as Developers.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 21. WASTE ORDINANCE PROVISIONS. In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Agreement is executory, a violation of the Waste Sections by Developer, its general contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the duty of Developer and its general contractor and subcontractors to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Developer’s eligibility for future contract awards.

SECTION 22. COOPERATION WITH INSPECTOR GENERAL AND OFFICE OF COMPLIANCE. In accordance with Chapter 2-26-110 et seq. of the Municipal Code, Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Office of the Inspector General and the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Inspector General and Compliance the department’s City Land, equipment, personnel, books, records and papers. Developer agrees to abide by the provisions of Chapter 2-26-110 et seq.

SECTION 23. MISCELLANEOUS.

Any notice, demand or communication given pursuant to clause (c) shall be deemed received upon receipt of such notice. Any notice, demand or communication sent pursuant to clause (d) shall be deemed received upon receipt of such notice. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 28.1 shall constitute delivery. **23.2 Severability.** If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

23.3 Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Illinois.

23.4 Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

23.5 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof. **23.6 Binding Effect of Agreement.** The covenants, agreements, and obligations

contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

23.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

23.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto or by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

23.9 Authorization to Execute Agreement. The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of the City and Developer respectively and that by their execution of this Agreement, it became the binding obligation of the City and Developer respectively, subject to no contingencies or conditions except as specifically provided herein.

23.10 Force Majeure. Neither the City nor Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended for the amount of time the party is so delayed.

23.11 No Brokers. The City and Developer warrant to the other that neither of them has had any dealings with any broker or agent in connection with the transactions contemplated hereby.

23.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

23.13 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

23.14 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

23.15 No Waiver. No waiver by the City with respect to any specific default by Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

23.16 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

23.17 Amendments. From time to time, the parties hereto may amend any provisions of this Agreement reasonably related to Developer's use of the City Land or the City's administration of the Agreement; provided, however, such amendments may not materially alter the essential provisions contained herein. Such amendments shall be in writing, shall establish the factual background necessitating such alteration, and shall be duly executed by both the City and Developer. Such amendments shall only take effect upon execution by both parties. Upon execution, such amendments shall become a part of this Agreement and all other provisions of this Agreement shall remain in full force and effect.

SECTION I--GENERAL INFORMATION

- F. Brief description of contract, transaction or other undertaking (referred to below as the "Matter") to which this EDS pertains. (Include project number and location of property, if applicable):

The Youth Center is an approximately 80,000 square foot community center established in 2006 as part of a neighborhood improvement project to serve Greater Grand Crossing residents by providing a safe alternative for youth after school, on weekends and during school vacations with a wide range of dynamic programming in the arts, health and fitness, and academics. It is also home to the 450-member award-winning South Shore Drill Team. Among its offerings, the Youth Center offers innovative gardening and culinary programs. In 2008 about 1,000 pounds of produce was grown by the combined efforts of the Youth Center Garden Manager, 50 youth, 10 community senior citizens and volunteers from the community, and other city-wide groups. The produce was incorporated into the Youth Center culinary programs and donated to community members and food pantries in local churches and social service agencies.

Current garden projects include incorporating fresh produce in the Youth Center culinary classes, a weekly Harvest Table, and Comer's Rooftop Crops, a youth-driven entrepreneurial project selling produce to local restaurants. In October 2009, the Youth Center received a grant from the Illinois Department of Agriculture Specialty Crop Block Grant Program to expand their rooftop garden into a year-round farm, and two grants from the City of Chicago to incorporate a youth apprenticeship and teen internship program. The success of the rooftop garden establishes both organizational capacity and community desire for increased access to fresh produce and related outcomes. However, the rooftop garden is the only source of locally grown food in the Youth Center service area. One garden cannot meet the community's need and increasing demand for nutritious food in the neighborhood. The time is ripe for the Youth Center to support an expansion of gardening, farming and culinary activity to nurture our youth and the community at large.

The 1.75-acre site on South Chicago Avenue between 72nd street and Drexel Avenue will be the site of a new urban youth garden featuring locally grown produce. This site is comprised of the vacant land owned

by the City, REDI and CSEF (the "Garden Site"). (See Question No. 17 above). The Garden Site is located in the 73rd/University Tax Increment Financing Redevelopment Project Area (the "TIF Area") and the 73rd/University Redevelopment Area (the "Redevelopment Area"). As the Youth Center makes the transition from rooftop to blacktop, a phased approach will be adopted. Pursuant to the lease with the City for the City land, in the first growing season, summer 2010, a perennial and produce garden was developed. This initial phase introduced youth to the process of converting a parking lot into a garden and source of local produce. During the initial phase, approximately ¼ of the entire site was used for growing perennials and edibles. Raised beds on the surface were constructed with plans to build unheated growing structures over some of the beds for season-extending growing. The perennial production is intended to be a youth-led business venture where upon the Youth Center becomes a source of urban-grown, hardy perennials for purchase by landscaping companies and residents of the Revere community. Limited employment opportunities may also become available in the connection with perennial production and other farm operations. As part of their participation in Green Teens and other garden programs, youth will also help plant, nurture and harvest the edibles grown on the site.

The first phase goals for the new farm are listed below:

- Site preparation and development for garden and farm expansion
- Perennial production and development of perennial sales business model
- Edibles production
- Expansion of Harvest Table Program
- Development of the GROWheeler programs
- Integration of youth programs in all aspects of the new farm
- Development of math/science curriculum for "living classroom" for GCCP

Since the farm has been planted and operations are underway, a plan for building growing structures is being implemented. If feasible with our youth and a need is demonstrated within the community, the Harvest Table program and GROWheeler activities may also extend into the fall and winter months.

The Applicant anticipates that approximately three new full-time and 15 part-time jobs will be created as a result of the youth community garden project.

(See power point presentation entitled "GCYC Youth Farm" for additional information about the program's scope, strategies, tactics and roles and responsibilities.)
