WHEREAS, the City and the CTA have authority to enter into this Agreement pursuant to the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq, and

WHEREAS, on \_\_\_\_\_, the City Council adopted an ordinance (the "Authorizing Ordinance") authorizing the execution of this Agreement, and

WHEREAS, on November 19, 2014, the Chicago Transit Board passed an ordinance (the "CTA Ordinance") authorizing the execution of this Agreement,

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows.

**SECTION 1. RECITALS**

The foregoing recitals are hereby incorporated into this Agreement by reference.

**SECTION 2. [intentionally omitted]**

**SECTION 3. THE PROJECT**

(a) The parties acknowledge that the Project shall begin in 2015 and shall be completed and the Jefferson Park Station fully open and operational not later than June 30, 2021.

(b) The CTA shall provide the City any plans and specifications pertaining to the Project that the City may reasonably request from time to time during the Term (as such term is defined hereinbelow) of this Agreement, and shall notify DPD of any significant changes to said plans.

(c) The CTA hereby certifies that, as of the Closing Date, the Project complied with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders. The CTA covenants that, during the Term of the Agreement, the Project will continue to comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders.

(d) The CTA hereby certifies to the City that the City Funds, together with available CTA funds, shall be sufficient to complete the Project.

**SECTION 4. FINANCING**

(a) CTA funds shall be used to pay all Project Costs

(b) City Funds shall be used only to reimburse the CTA for its costs of a portion of TIF-Eligible Improvements that qualify as Project Costs, contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such costs. "TIF-Eligible Improvements" means those improvements of the Project which (i) qualify as Redevelopment Project Costs as defined in the Act, (ii) are eligible costs under the Plans, and (iii) the City has agreed to pay for out of the City Funds, subject to the terms of this Agreement. The City agrees that Exhibit A hereto represents certain TIF-Eligible Improvements for the Project and sets forth, by approximate line item amounts, the minimum amount of TIF-Eligible Improvements the CTA plans to expend for the Project. The CTA may implement changes to the Project that cause variations in the line item amounts shown on Exhibit A, provided that all the changes qualify as TIF-Eligible Improvements

(c) Subject to the terms and conditions of this Agreement, the City shall pay to the CTA an amount not to exceed \$5,000,000 in City Funds from Available Incremental Taxes (of which

the City may port not to exceed \$3,000,000 thereof from the Portage Park TIF Fund to the Jefferson Park TIF Fund) to pay the Project Costs. If the actual Project Costs total less than \$5,000,000, then the maximum the City shall be liable for under this Agreement is 100% of those Project Costs that constitute TIF-Eligible Improvements. If the actual Project Costs exceed \$5,000,000, then the CTA shall be solely responsible for such excess costs.

(d) "Available Incremental Taxes" means such taxes which, pursuant to the TIF Adoption Ordinance and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the Jefferson Park TIF Fund established to pay Redevelopment Project Costs and obligations incurred in the payment thereof, and which are not encumbered or pledged for the payment of Prior Obligations.

(e) The City warrants that it has available and has segregated on the books of the City an amount of Available Incremental Taxes sufficient to pay the City Funds, and covenants that the Available Incremental Taxes will not be used for any purpose other than for payment as City Funds during the Term of this Agreement.

(f) The City Funds being provided hereunder are being granted on a conditional basis, subject to the CTA's compliance with the provisions of this Agreement.

(g) Only those expenditures made by CTA with respect to the Project prior to the Closing Date hereof, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the budget for the Project, shall be considered as previously contributed CTA funds ("Prior Expenditures"). Exhibit C hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures.

## **SECTION 5. PAYMENT**

(a) Commencing not sooner than April 1, 2017, the CTA shall request the payment of the City Funds on a properly completed Disbursement Requisition Form in the form set forth on Exhibit B hereto ("Disbursement Request"), which the CTA may file with the City on a twice-yearly basis (e.g., approximately every six months) following incurrence of Redevelopment Project Costs. Prior to or simultaneous with the delivery of a Disbursement Request to the City, the CTA shall submit documentation substantiating its applicable incurrence of Redevelopment Project Costs (including TIF-Eligible Improvements) to DPD

(b) Delivery by the CTA to DPD of a Disbursement Request hereunder shall, in addition to the items expressly set forth therein, constitute a certification to the City, as of the date of the Disbursement Request, that

(i) the total amount of the Disbursement Request represents the actual amount already incurred and paid by the CTA to the general contractor(s), subcontractors or other parties who have performed work on or otherwise provided goods or services in connection with the Project,

(ii) the CTA has approved all work and materials for the Disbursement Request, and

(iii) the work that is the subject of the Disbursement Request was performed in accordance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders at the time of its completion.

(c) Upon presentation of a Disbursement Request from the CTA, the City shall review it and its supplemental documentation for, among other things, evidence that the CTA incurred and paid TIF-Eligible Expenditures in an amount that equals or exceeds the amount of City Funds agreed to herein, and shall inform the CTA of any questions or comments about same as soon as practicable.

(d) The City shall complete its review of the Disbursement Request and approve and pay CTA the approved amount of the City Funds by check or wire transfer, not later than 90 days after the city receives the Disbursement Request from CTA.

#### **SECTION 6. TERM**

The term of this Agreement ("Term") shall commence on the Closing Date and shall expire on the earlier of the date of expiration of the Jefferson Park Area (September 9, 2021) or on any termination of this Agreement made pursuant to the terms of this Agreement.

#### **SECTION 7. ENVIRONMENTAL MATTERS; SAFETY; INSPECTION**

(a) The City makes no covenant, representation or warranty as to the environmental condition of the Project or the suitability of the Project for any public rapid transit use whatsoever.

(b) The CTA shall be solely responsible for the safety and protection of the public in connection with the Project.

(c) The City reserves the right to inspect the Project from time to time as it is being undertaken or after its completion

#### **SECTION 8. INSURANCE**

(a) The CTA is self-insured. During the term of this Agreement, the CTA shall provide and maintain, at the CTA's own expense, or cause to be provided, insurance or self-insurance equivalent to the coverages and requirements specified below concerning all operations related to this Agreement.

(b) Workers Compensation and Employers Liability Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness

(c) Commercial General Liability (Primary and Umbrella) Commercial General Liability Insurance or equivalent self-insurance with limits of not less than \$1,000,000 per occurrence for

bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability. The City of Chicago will be considered an additional insured on a primary, non-contributory basis for any liability arising directly from the work. For those contracts already let or for work already performed prior to the Closing Date, the CTA shall recognize the City of Chicago as an additional insured on a primary, non-contributory basis for any liability arising directly from such work.

(d) Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the CTA shall provide self-insured Automobile Liability coverage with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

(e) Professional Liability. When any architects, engineers or professional consultants engaged by the CTA perform work in connection with this Agreement, the CTA shall provide self-insured Professional Liability covering acts, errors, or omissions with limits of not less than \$1,000,000.

(f) Prior to the Closing Date, the CTA will furnish the City a letter of self insurance evidencing the required coverage to be in force on the Closing Date. After the Closing Date, the CTA will furnish the City similar evidence if the coverages change from self-insurance to purchased insurance during the term of this Agreement and prior to the completion of the Project. The receipt of any self-insurance does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the self-insurance is in compliance with all Agreement requirements.

(g) Non-conforming self-insurance shall not relieve the CTA of the obligation to provide or cause to be provided insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop the CTA's work until proper evidence of insurance is provided, or this Agreement may be terminated

(h) The required general liability self-insurance shall provide for sixty (60) days prior written notice to be given to the City or the CTA in the event coverage is substantially changed, canceled, or non-renewed. The CTA shall promptly notify the City in the event the CTA receives any such notice.

(i) Any and all self-insured retentions on referenced insurance coverages shall be borne by the CTA and its contractors

(j) The CTA shall waive its rights of subrogation against the City, its employees, elected officials, agents, or representatives

(k) The CTA expressly understands and agrees that any coverage and limits furnished by the CTA shall in no way limit the CTA's liabilities and responsibilities specified by this Agreement or by law

(l) The CTA expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the CTA under this Agreement.

(m) The required self-insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

(n) The CTA shall require all contractors for the Project to provide the insurance required herein or the CTA may provide the coverages for contractors. All contractors shall be subject to the same insurance requirements as is the CTA unless otherwise specified herein. In all contracts relating to the Project that are let after the Closing Date, the CTA agrees to require the contractor to name the City as an additional insured on insurance coverages as provided above and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

## **SECTION 9. EMPLOYMENT OBLIGATIONS**

**9.01 Employment Opportunity.** CTA, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its general contractors, subcontractors or any Affiliate of the CTA operating in connection with the Project (collectively, with CTA, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to CTA and during the period of any other party's provision of services to CTA in connection with the construction of the Project, to the extent not in conflict with CTA's procurement requirements or applicable federal and state law:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq, Municipal Code, except as otherwise provided by said ordinance and as amended from time to time ("Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity), by Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and by U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act," 49 CFR part 21 at 21.7, the Employer ensures that it will comply with all requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Employer receives Federal assistance awarded by the U.S. DOT or FTA.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate undertaking any portion of the Project, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

9.02 Construction Worker Hours To the extent that the Project is funded in whole or in part with federal grant dollars, the CTA will implement affirmative action requirements or goals for the entire Project that impose construction worker hours participation by utilization of minorities and women, respectively

9.03 [intentionally omitted.]

9.04 CTA's DBE Commitment. The CTA agrees to require all contractors to comply with applicable DBE requirements provided in the contracts related to the Project

## **SECTION 10. INDEMNIFICATION**

Except for the City's own negligence or wrongful acts the CTA shall release, indemnify and hold harmless, to the maximum extent permitted by law the City and its officials, employees and agents (the "City Indemnitees") from and against any and all claims, suits, liabilities, losses and damages, including court costs and attorneys' fees and expenses incidental thereto, of whatever nature, arising out of or in connection with the CTA's construction

of the Project, and any failure of performance or negligent or wrongful performance by the CTA, or any contractor or subcontractor for the CTA, and their respective officers, agents or employees, in connection with the Project, including, but not limited to, claims for damage to property, and/or injury to or death of any person or persons.
