compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant's goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant's proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant's submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant's preliminary outreach plan, (b) a description of the Applicant's outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant's outreach efforts, and (d) updates (if any) to the applicant's M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.

16. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to B3-3 Community Shopping District.
17. The Applicant acknowledges and agrees that that the rezoning of the Property will maintain the Property's existing B3-3 Community Shopping District as its underlying zoning district under its proposed Residential-Business Planned Development (PD). The proposed PD triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site. The Property is located in a low-moderate income area, within the meaning of the ARO, and the project has a total of 58 units. As a result, the Applicant's affordable

housing obligation is 6 affordable units (10% of 70 rounded up/down), 2 of which are Required Units (25% of 6, rounded up/down). The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

18. Notwithstanding the foregoing, the Applicant plans to apply for Low-Income Housing Tax Credits and other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development (PD). Applicant's proposed PD includes a total of 58 (58) housing units, of which forty-one (41) units will be affordable units. Of the forty-one (41) affordable units, a) nine (9) units must be affordable to households earning no more than 30% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago; b) nine (9) units must be affordable to households earning no more than 50% AMI; c) twenty-three (23) units must be affordable to households earning no more than 60% AMI for an overall total of forty-one (41) affordable units. The regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the PD.
19. The Applicant acknowledges that it is in the public interest to ensure that adequate open space and recreational facilities are provided to serve new residential developments. As stated in the Open Space Impact Fee Ordinance Section 16-18-080 of the Municipal Code of Chicago, in the case of larger developments which are processed as Planned Developments, developers are encouraged to provide open space and recreational facilities on-site to serve new residents instead of paying open space impact fees.

All open spaces developed for use by the public must be in compliance with the Open Space Impact Fee Administrative Regulations and Procedures promulgated by the Commissioner of the Department of Planning and Development (DPD), pursuant to Section 16-18-110.

CITY OF CHICAGO

September 25, 2020

Mr. Patrick Murphey  
Zoning Administrator

Chicago, IL 60602

Re: Owner's Consent to file Planned Development Application  
6301-25 S Maryland Avenue / 835-61 E 63<sup>rd</sup> Street

Dear Patrick,

This letter serves to inform you that the City of Chicago owns the property located at 839 E 63<sup>rd</sup> Street, and has authorized 63<sup>rd</sup> Maryland LLC to file an application for a new planned development (PD) to allow for the redevelopment of the city property at the above-referenced location. 63<sup>rd</sup> Maryland LLC intends the site to be a mixed-use development, and has submitted an application for the purchase of the property with the Department of Housing.

Below are the Department's conditions for consenting to the filing of a complete PD Application:

1. 63<sup>rd</sup> Maryland, LLC's financial assistance request to the City related to this site is still under review. The filing of this PD application, and this consent letter, in no way impacts the City's review of the developer's financial assistance request or should be construed as implied consent of said request;
2. This consent letter does not constitute the City's endorsement or approval of the exhibits or statements in the filed application. The filed PD exhibits and statements will be revised as needed prior to a future Chicago Plan Commission meeting; and

DPD will continue to meet with the 63<sup>rd</sup> Maryland, LLC team as the project is refined and to coordinate with impacted departments and sister agencies, Alderman Jeanette B. Taylor (20<sup>th</sup> Ward), and community stakeholders to work towards a future Chicago Plan Commission meeting and City Council vote.

Sincerely,

  
Maurice D. Cox  
Commissioner
