2015 Third Quarter Progress Report July-September

City of Chicago
Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2015 Third Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in the City's Five-Year Housing Plan 2014-2018. In the first three quarters of 2015 the Department committed \$200 million to support 6,187 units of affordable housing. This represents 79% of our annual resource allocation goal and 75% of our units assisted goal.

During the third quarter the City approved funding for two multi-family developments and authorized a \$75 million, three-year extension of the Tax Smart Mortgage Credit Program serving low- and moderate-income homebuyers.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. DPD also promotes economic development by helping existing businesses grow and attracting new industry to the city, and it coordinates all of our zoning, land use planning, sustainability and historic preservation initiatives.

We at DPD could not succeed in our work without the ongoing support and cooperation of our valued partners—neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through these efforts, we will continue to move forward in creating and preserving affordable housing for the people of Chicago.

INTRODUCTION

This document is the 2015 Third Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014–2018*.

For 2015, DPD has projected commitments of more than \$254 million to assist over 8,200 units of housing

Through the third quarter, the Department has committed nearly \$200 million in funds to support almost 6,200 units, which represents 75% of the 2015 unit goal and 79% of the 2015 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

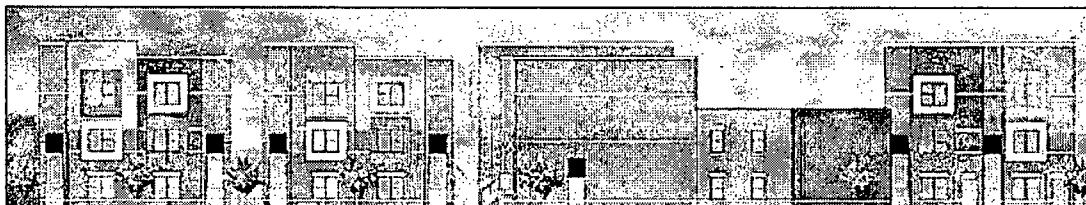

In 2015 the Department of Planning and Development expects to commit over \$206 million to support more than 5,600 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

Through the third quarter, DPD has committed over \$170 million in resources to support nearly 4,600 units. These totals represent 83% of the annual multi-family resource allocation goal and 81% of the annual unit goal.

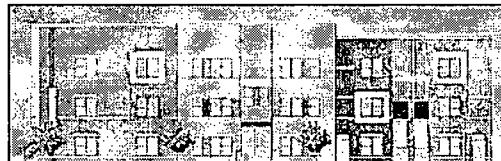

Multi-family Rehab and New Construction

St. Edmund's Oasis

A financial package approved on July 29 by the City Council will enable the construction of a 58-unit affordable rental development for families in the Washington Park community. The \$20.5 million **St. Edmund's Oasis** will contain a mix of one- to four-bedroom apartments in four townhome-style buildings to be constructed on fourteen City-owned lots located near 61st Street and Prairie Avenue in the 20th Ward.

The project, to be developed by St. Edmund's Oasis LLC, will consist of 19 units reserved for Chicago Housing Authority (CHA) residents and 39 for households earning up to 60 percent of Area Median Income. Residents will have access to a community garden, play lot and on-site parking.

City financial support will include \$10.2 million in tax-exempt bonds, a \$5.3 million loan, \$694,000 in Low Income Housing Tax Credits that will generate \$7.0 million in equity, \$134,000 in Donations Tax Credit equity and a \$630,000 land write-down. The project has also qualified for a \$5.8 million loan from the CHA.

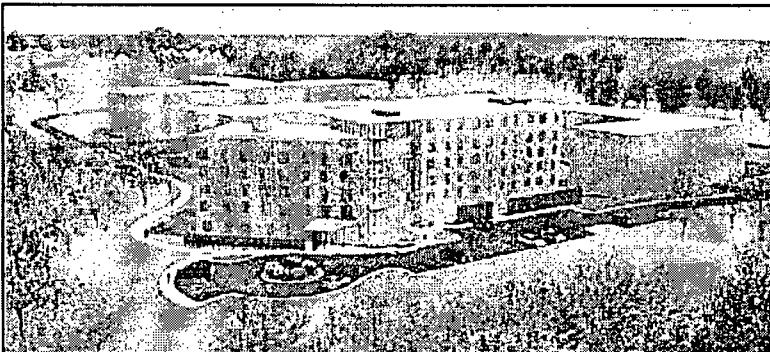

J. Michael Fitzgerald Apartments

On September 24 the City Council authorized construction of a new \$17.7 million apartment building for seniors to be located at the south end of the North Park Village Nature Center.

J. Michael Fitzgerald Apartments will contain 63 one-bedroom apartments for tenants earning up to 60 percent of Area Median Income. The five-story complex will be developed by Elderly Housing Development and Operations Corp. on City-owned land at 5801 N. Pulaski Road in the 39th Ward. Amenities will include a lounge, library, community rooms, wellness center and on-site parking.

The City is assisting the project through a 75-year ground lease at \$1 per year, enabling it to qualify for \$1.3 million in Donations Tax Credits that will generate \$1.1 million in equity. Other funding sources include \$10.6 million from HUD's Section 202 Supportive Housing Program and \$5.3 million in Low Income Housing Tax Credit equity from the Illinois Housing Development Authority. Tenants will pay 30 percent of their income towards rent, with the balance to be covered by HUD.

*The construction of
J. Michael Fitzgerald
Apartments on a vacant
1.65-acre site will bring
to 590 the total number
of senior units that have
been created in North
Park Village.*

PROMOTION AND SUPPORT OF HOME OWNERSHIP

In 2015 the Department of Planning and Development expects to commit over \$33 million to help almost 500 households achieve or sustain homeownership.

Through the third quarter, DPD has committed almost \$20 million to support 271 units. These totals represent 59% of the annual homeownership resource allocation goal and 57% of the annual unit goal.

TaxSmart Mortgage Credit Program Reauthorized for Three More Years

A financial measure approved on September 24 by the City Council will authorize \$75 million in tax incentives to help an estimated 240 Chicago residents buy or improve their homes over the next three years. The incentives will be made available through DPD's **TaxSmart Mortgage Credit Certificate Program**, which since 2003 has enabled local lenders to provide an income tax credit based on the interest paid each year on a borrower's mortgage or home improvement loan.

The tax credit is calculated at 25 percent of a first-time homebuyer's mortgage interest (up from 20 percent previously) or 50 percent of an existing owner's home improvement loan interest (not to exceed \$2,500 annually) during the previous year. The credit is applied at tax time for each year in which the borrower holds the loan.

TaxSmart is authorized by the Internal Revenue Service and administered by DPD through a network of local mortgage lenders. To participate, applicants must be Chicago residents who meet income guidelines and qualify for a loan from a participating lender. Properties must be between one and four units and serve as an applicant's primary residence. TaxSmart participants remain eligible for the standard mortgage deduction on federal income taxes.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2015 the Department of Planning and Development expects to commit nearly \$15 million to assist more than 2,100 households repair, modify or improve their homes.

Through the third quarter, DPD has committed more than \$10 million to support 1,339 units. These totals represent 69% of the annual improvement and preservation resource allocation goal and 63% of the annual unit goal.

Large Lots Program Expands To Additional South Side Communities

September 15 marked the kick-off of the fourth offering of vacant lots under DPD's **Large Lots Program**. Since its inception in 2014, the program has enabled the acquisition of some 500 City-owned vacant lots for \$1 each by qualifying buyers in the Englewood, Woodlawn and East Garfield Park neighborhoods. (Sales of an additional 79 lots in Austin are pending.) The Large Lots Program was the first new initiative launched by the City under Mayor Emanuel's 2014-2018 Five-Year Housing Plan.

The latest round of the program included lots in the Roseland and Pullman communities on the far south side. Neighboring homeowners and community organizations were eligible to apply for the lots, which are being sold "as is" via quit claim deed. Applications were accepted through October 31, 2015.

Community gardens have proved a popular use for lots acquired under the Large Lots Program.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Proposed Transit-Oriented Development Incentives Would Pump \$400 Million into City's Economy

Mayor Emanuel has proposed a strengthened transit-oriented development (TOD) policy that would generate an estimated \$400 million in economic activity, \$100 million in local tax revenues and 1,300 affordable housing units over a twenty-year period. Under legislation introduced in the City Council on July 29, the City would provide an array of incentives to stimulate increased residential and commercial development around CTA and Metra stations. The proposal builds upon the Mayor's 2013 TOD ordinance that first offered zoning incentives including reduced parking requirements and greater height and density bonuses for projects near transit stations.

The new policy is designed to broaden access to transit, attract new amenities to neighborhoods and foster economic growth across the city. The proposed ordinance would amend the zoning code to:

- Expand TOD incentive zones to cover development within a quarter-mile of any transit station (or a half-mile for pedestrian-designated streets)
- Eliminate residential parking requirements if replaced with alternative transportation options (such as bicycle parking)
- Establish a streamlined, administrative process for accessing floor area, lot area or building height incentives
- For projects falling under the Affordable Requirements Ordinance, allow increased floor area ratios if at least half of the required affordable units are created onsite

Neighborhood Stabilization Program Update

Although the City has expended the last remaining funds out of a total of \$169 million in NSP grants awarded to Chicago by HUD since 2009, we will continue to report on NSP activity during 2015 until all buildings have been completed.

Through the end of the third quarter, a total of 879 units in 200 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 831 units in 174 properties; 806 units (169 properties) have been finished or are nearing completion. One hundred eighty units (129 properties) have been sold to qualified homebuyers, and 45 multi-family properties containing 629 units have been fully rented out. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is available at <http://www.chicagonsp.org/index.html>.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low-income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent".

** Low-Rise or High-Rise
