12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
13. **Subarea A-2:** The Applicant acknowledges and agrees that the 2017 amendment to P.D. 37 may trigger the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or "ARO") for Subarea A-2. Any developer of a "residential housing project" within the meaning of the ARO must: (i) set aside 10 percent of the housing units in the residential housing project (the "Required Units") as affordable units, or with the Commissioner's approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25 percent of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a "higher income area" within the meaning of the ARO, and the project to be located in Subarea A-2 may have up to 150 units. The Applicant agrees that the affordable rental units must be affordable to households earning no more than [60 percent] of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. The Applicant's affordable housing obligation, as determined when the number of proposed units is finalized, will need to be documented in the Affordable Housing Profile Form attached hereto as Exhibit A. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development, the Applicant shall update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development ("DPD") for review and approval, and DPD may adjust the number of required Affordable Units without amending the Planned

Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof (i.e. Subarea A-2) and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 14, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Subarea A-1A: The Applicant acknowledges and agrees that the rezoning of the Property from Residential-Institutional Planned Development Number 37 to Residential-Institutional Planned Development Number 37, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 314 units. As a result, the Applicant's affordable housing obligation is 31 affordable units (10% of 314 rounded down), 8 of which are Required Units (25% of 31, rounded up). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$134,242 per unit (Cash Payment) and providing 8 affordable units in the rental building to be constructed in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit __. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such

property. The Commissioner of DPD may enforce remedies for any breach of this Statement 13, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

14. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A, by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Future plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
16. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II Review process is initiated for each improvement that is subject to the aforementioned policy and must provide documentation verifying compliance.
17. The Applicant acknowledges the city's ongoing and evolving initiatives to enhance awareness of, and support and encourage participation by, Minority and Women's Business Enterprise certified contractors and local city residents. To assist the city in promoting such MBE, WBE and local city resident involvement, the Applicant has already provided the Department of Planning and Development with any preliminary outreach plans designed to elicit MBE, WBE and local city resident participation, such submission may include copies of certified letters, and receipts of such, sent to MBE/WBE contractor associations and the ward office of the alderman in which this project is proposed to be located. In conjunction with the Applicant's submission for Part II permit reviews, the Applicant will provide DPD, and upon request, the full Plan Commission, with all responses to any preliminary outreach plans and certified letters, updates on any associated communications or meetings and anticipated percentages of MBE, WBE and local city resident participation. Prior to issuance of their Certificate of Occupancy, the Applicant will provide DPD with their actual level of MBE and WBE certified contractor and local city resident participation. All such details will be provided in a form acceptable to the Zoning Administrator or Commissioner of the Department of Planning and Development.
18. In the event of a change in the boundaries of Subarea A-1 or Subarea A-2 resulting from the need to transfer property to comply with Section 3(b) of the Amended and Restated Reciprocal Easement Agreement dated September 23, 2005 governing the Property, the

owner of either Subarea A-1 or Subarea A-2 may file a written request with the Department of Planning and Development forwarding a copy of the recorded quitclaim deed contemplated by said Section 3(b) containing the revised legal descriptions and asking that the boundaries of Subareas A-1 and A-2 be modified to reflect same without amending the Planned Development.

19. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a zoning map amendment to rezone the Property to Residential-Institutional Planned Development No. 37, as it existed prior to this amendment.

FIRST CLASS MAIL

Dear Sir or Madam:

In accordance with the requirements of Section 17-13-0107 and Section 16-4-100 of the Municipal Code of the City of Chicago, please be informed that on or about May 26, 2021, the undersigned, on behalf of Lincoln Property Company National, LLC (the "Applicant"), intends to file applications for a change of zoning and for approval under The Lake Michigan and Chicago Lakefront Protection Ordinance relating to the property generally located at 4600 North Marine Drive in Chicago (the "Property"). A map of the Property is printed on the reverse side of this letter.

Specifically, the Applicant seeks an amendment to the Chicago Zoning Ordinance to rezone the Property from Residential-Institutional Planned Development No. 37 to Residential-Institutional Planned Development No. 37, as amended. The application seeks approval of the construction of a 12-story, 139' foot tall building with 314 residential units and 136 vehicular parking spaces, together with accessory and incidental uses.

The Applicant is also seeking approval of the project under The Lake Michigan and Chicago Lakefront Protection Ordinance.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed amended Planned Development.

I am an authorized representative of the Applicant and my address is 444 West Lake Street, Suite 900, Chicago, IL 60606. The Applicant's address is 1110 Jorie Boulevard, Suite 300, Oakbrook, IL 60523. Weiss Property Holdings, LLC is the owner of the property located at 4600 North Marine Drive and its address is 898 Pacific Coast Highway, Suite 500, El Segundo, CA 90245.

Please contact me at 312-368-3493 or my colleague Katie Jahnke Dale (312-368-2153) with questions or to obtain additional information.

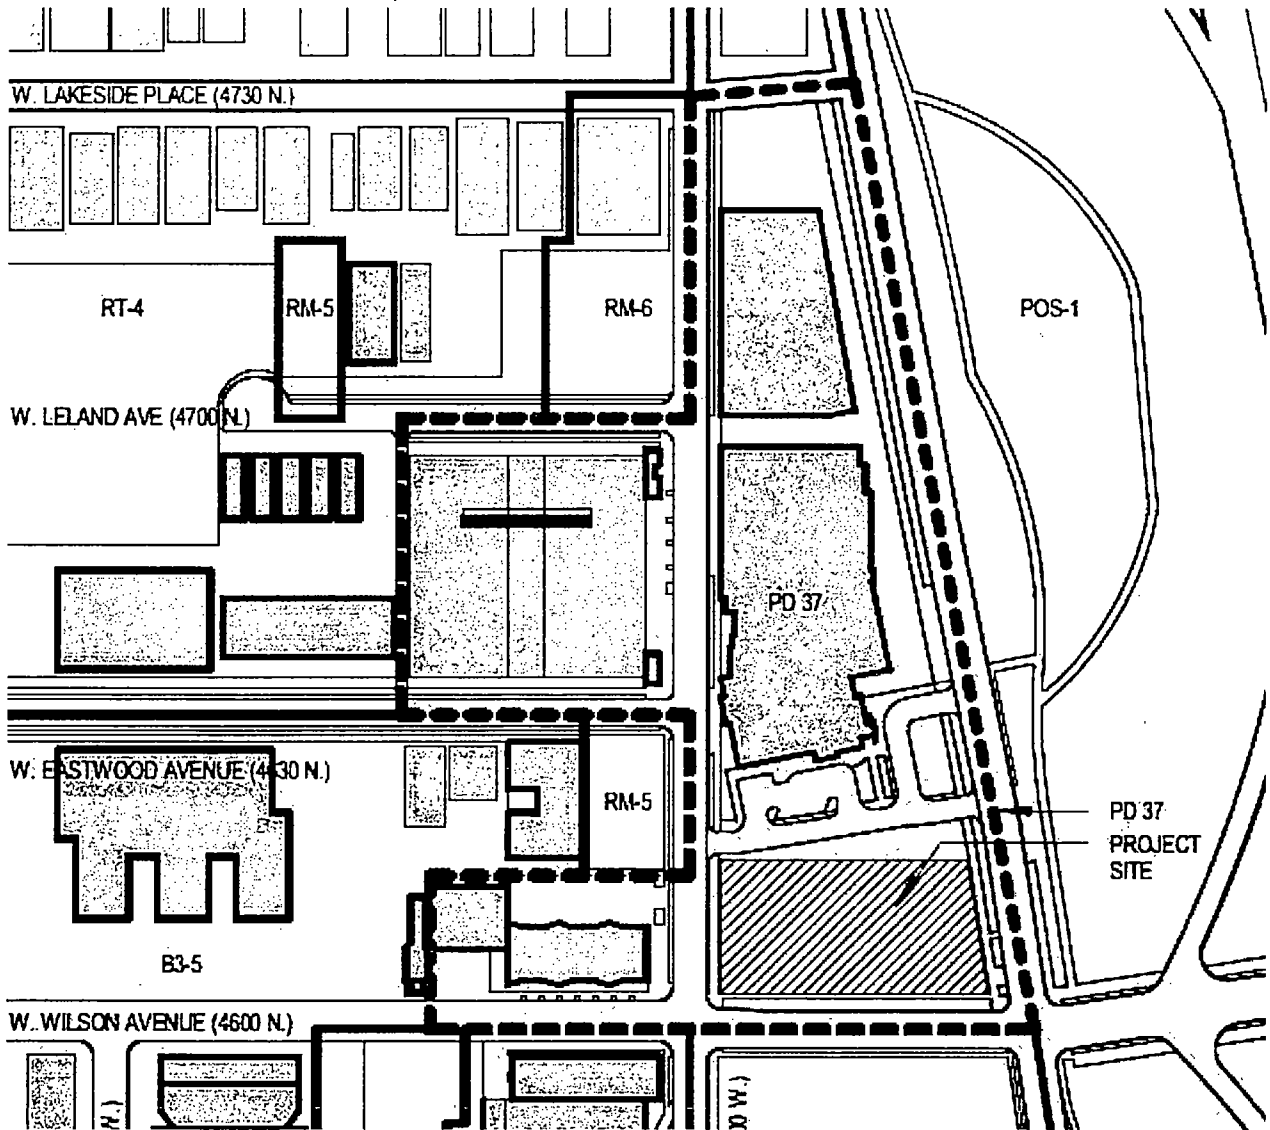

Very truly yours,

DLA Piper LLP (US)
