Introduced:
Plan Commission:

The Applicant acknowledges that the project has received a bonus FAR of 4.4, pursuant to Section 17-4-1000, *et seq.*, of the Zoning Ordinance. With this bonus FAR, the total FAR for the Planned Development is 11.4. In exchange for the bonus FAR, the Applicant is required to make a corresponding payment, pursuant to Section 17-4-1003-B and Section 17-4-1003-C, prior to the issuance of the first building permit for any building in the Planned Development; provided, however, if the Planned Development is constructed in phases, the bonus payment may be paid on a pro rata basis as the first building permit for each subsequent new building or phase of construction is issued. The bonus payment will be recalculated at the time of payment (including partial payments for phased developments) and may be adjusted based on changes in median land values in accordance with Section 17-4-1003-C.3 The bonus payment will be split between three separate funds, as follows: 80% to the *Neighborhoods Opportunity Fund*, 10% to the *Citywide Adopt-a-Landmark Fund* and 10% to the *Local Impact Fund*. In lieu of paying the City directly, the Department may: (a) direct developers to deposit a portion of the funds with a sister agency to finance specific local improvement projects; (b) direct developers to deposit a portion of the funds with a landmark property owner to finance specific landmark restoration projects; or, (c) approve proposals for in-kind improvements to satisfy the *Local Impact* portion of the payment.

9. Upon review and determination, and pursuant to section 17-13-0610 of the Zoning Ordinance, Part II Review shall be assessed a fee, by the Department of Planning and Development (DPD). The fee, as determined by Staff at the time of submission, is final and binding on the Applicant and must be paid to the Chicago Department of Revenue, prior to the issuance of any Part II Approval.
10. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any corresponding regulations and guidelines, including Section 17-13-0880 of the Zoning Ordinance. Final landscape plan review and approval will be by the Department of Planning and Development (DPD). Any interim reviews associated with Site plan review or Part II Reviews, are conditional until final Part II Approval.
11. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Fleet and Facility Management and Buildings, under Section 13-32-085, or any other provision of the Municipal Code of Chicago.
12. The terms and conditions of development, under this Planned Development Ordinance, may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance, by the Zoning Administrator, upon written application for such modification, by the Applicant, its successors and assigns and, if different than the Applicant, the legal titleholders and any ground lessors.

13. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Subject Property. Plans for all buildings and improvements, within the Planned Development Boundary, shall be reviewed and approved by the Mayor's Office for People with Disabilities (MOPD), to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. The Applicant shall obtain the number of points necessary to meet the requirements of the Chicago Sustainable Development Policy, in effect at the time the Part II review process is initiated for each improvement that is subject to the aforementioned Policy and must provide documentation verifying compliance.
15. The Applicant acknowledges and agrees that the rezoning of the Property from a C1-3 Neighborhood Commercial District to a DX-7 Downtown Mixed-Use District and then to this Residential-Business Planned Development, for construction of the Planned Development, triggers the requirements of Section 2-45-115 of the Municipal Code (the "Affordable Requirements Ordinance" or the "ARO"). The Applicant further acknowledges and agrees that the Property is located in the Near North Pilot Area, pursuant to Section 2-45-119 of the Municipal Code (the "Near North ARO Pilot Area Ordinance" or the "Pilot") and as a result, the percentage of units in a residential housing project required to be affordable for a period of 30 years, whether rental or for-sale, is increased from 10% to 20%. The Planned Development has a total of 252 new housing units. The Applicant has agreed to satisfy its affordable housing obligation by providing all of the required affordable units (20% of 252, rounded down = 50) off-site, within two (2) miles of the Subject Property and within the Pilot Area, as set forth in the Affordable Housing Profile Form attached hereto. In accordance with the Pilot, the Applicant is required to lease 50% the affordable units (25 units) to households earning up to 60% of the Chicago Primary Metropolitan Statistical Area Median Income ("AMI"), at prices affordable to households earning up to 60% AMI, while the other 50% of the affordable units (25 units) may be leased to at prices affordable to households earning up to 100% AMI. If the Applicant subsequently reduces (or increases) the number of housing units in the Planned Development or elects to build a for-sale project instead of a rental project, or elects to construct on-site units instead of off-site units, the Applicant shall update and resubmit the Affordable Housing Profile Form, to the Department of Planning and Development ("DPD"), for review and approval. DPD may adjust the requirements to reflect any such change without amending the Planned Development. Prior to the issuance of any building permits for any residential building in the Planned Development, including, without limitation, excavation or foundation permits, the Applicant must execute and record an

affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the Planned Development, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

16. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
