The Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DHED pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF CONSTRUCTION.

The Developer shall commence construction of the First Phase within (3) months following the issuance of the Governmental Approvals described in Section 8, and shall complete the First Phase (as evidenced by the issuance of the First Phase Certificate of Completion) no later than two (2) years from the commencement thereof. DHED, in its sole discretion, may extend the construction commencement and completion dates for good cause by issuing a written extension letter. The Developer shall give written notice to the City within five (5) days after it commences construction. The Developer shall submit to the City anticipated commencement and completion dates for the construction of subsequent phases of the Project, in advance of commencing such phases. The Developer shall construct the Project in accordance with the Plans and all applicable Laws, except to the extent preempted by federal law, and covenants and restrictions of record.

SECTION 14. CERTIFICATES OF COMPLETION.

A. The Developer shall request from the City a certificate of completion ("First Phase Certificate of Completion") upon the completion of the First Phase in accordance with this Agreement. Within forty-five (45) days after receipt of a written request by the Developer for a First Phase Certificate of Completion, the City shall provide the Developer with either the First Phase Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to complete the First Phase in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the First Phase Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the First Phase Certificate of Completion upon compliance with the City's response. The First Phase Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to construct the First Phase. The First Phase Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the First Phase or the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the First Phase Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement.

B. The Developer shall request from the City a certificate of completion ("M/WBE Certificate of Completion") upon the Developer's satisfaction of the Employment Obligations set forth in Section 24 of this Agreement. The Developer's request must include a copy of the compliance letter issued by DHED evidencing the Developer's compliance with such requirements. Within forty-five (45) days after receipt of a written request by the Developer for

an M/WBE Certificate of Completion, the City shall provide the Developer with either the M/WBE Certificate of Completion or a written statement indicating in adequate detail how the Developer has failed to satisfy the Employment Obligations set forth in Section 24, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the M/WBE Certificate of Completion. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the M/WBE Certificate of Completion upon compliance with the City's response. The M/WBE Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to the Developer's obligations to comply with the Employment Obligations set forth in Section 24 of this Agreement. The M/WBE Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the M/WBE Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement.

SECTION 15. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

15.1 The Developer shall (a) use the City Parcels located within the Englewood Neighborhood TIF Area in compliance with the Englewood Neighborhood TIF Plan and (b) use the City Parcels located within the 47th/Halsted TIF Area in compliance with the 47th/Halsted TIF Plan, as applicable.

15.2 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or the Project or any part thereof.

15.3 The Developer shall construct the First Phase in accordance with this Agreement, the Plans, all applicable Laws and covenants, and restrictions of record.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Englewood Neighborhood TIF Plan and the 47th/Halsted TIF Plan, as applicable.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF CITY PARCELS PRIOR TO ISSUANCE OF THE M/WBE CERTIFICATE OF COMPLETION.

Prior to the issuance of the M/WBE Certificate of Completion, the Developer may not, without the prior written consent of DHED, which consent shall be in DHED's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the City Parcels or any part thereof or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DHED may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws,

or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the expiration of the Compliance Period to anyone other than another principal party, without the prior written consent of DHED, which consent shall be in DHED's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer.

SECTION 17. LIMITATION UPON ENCUMBRANCE OF CITY PARCELS PRIOR TO ISSUANCE OF M/WBE CERTIFICATE OF COMPLETION.

Prior to the issuance of the M/WBE Certificate of Completion for the Project, the Developer shall not, without DHED's prior written consent, which shall be in DHED's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the City Parcels.

SECTION 18. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

[Intentionally omitted.]

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Property), Section 17 (Limitation Upon Encumbrance of Property), and Section 23.4 (Release for Environmental Conditions) touch and concern and shall be appurtenant to and shall run with the Property. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Sections 13, 15.3 and 17 upon the issuance of the M/WBE Certificate of Completion; Section 15.1(a) upon the expiration of the Englewood Neighborhood TIF Plan; Section 15.1(b) upon the expiration of the 47th/Halsted TIF Plan; Section 16 upon the issuance of the M/WBE Certificate of Completion; and Sections 15.2 and 23.4 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

- (a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement or another document) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer for the Project, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the dissolution of the Developer; and

(i) the occurrence of a material and adverse change in the Developer's financial condition or operations.

20.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have ninety (90) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to

the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

(a) there shall be no notice requirement with respect to Events of Default described in Section 5 (with respect to Outside Closing Date);

(b) there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Property) and Section 17 (Limitation Upon Encumbrance of Property); and

20.4 Event of Default Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, and retain the Earnest Money and Performance Deposit as liquidated damages.

20.5 Event of Default After Closing but Before Commencement of Construction. If an Event of Default occurs after the Closing, but before commencement of construction of the Project, and the default is not cured in the time period provided for in Section 20.3 above, the City may retain the Performance Deposit, terminate this Agreement and exercise any and all remedies available to it at law or in equity.

20.6 Event of Default After Closing and Commencement of Construction but Before Issuance of the M/WBE Certificate of Completion. If an Event of Default occurs after the Closing and commencement of construction, but prior to the issuance of the M/WBE Certificate of Completion, and the default is not cured in the time period provided for in Section 20.3 above, the City may retain the Performance Deposit, terminate this Agreement and exercise any and all remedies available to it at law or in equity.

20.7 Event of Default After Issuance of the M/WBE Certificate of Completion. If subsequent to the City's issuance of the M/WBE Certificate of Completion an Event of Default occurs, the City may exercise any and all remedies available to it at law or in equity, other than the right to re-enter the Property and re-vest title to the City. This Section 20.2 shall not limit or amend the covenants running with the Property as set forth in Section 19.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any Agent to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Property prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

23.1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PARCELS AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PARCELS. THE DEVELOPER AGREES TO ACCEPT THE CITY PARCELS IN THEIR "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO ANY MATTERS CONCERNING THE CITY PARCELS, INCLUDING WITHOUT LIMITATION: (a) THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PARCELS; (b) THE SUITABILITY OF THE CITY PARCELS FOR ANY PURPOSE WHATSOEVER; (c) THE CONDITION OF SOILS, GEOLOGY, AND GROUNDWATER; (d) THE COMPLIANCE OF THE CITY PARCELS WITH ANY APPLICABLE ENVIRONMENTAL LAW; OR (e) THE PRESENCE OR REMOVAL OF HAZARDOUS SUBSTANCES ON, UNDER, OR ABOUT THE CITY PARCELS OR ADJACENT PROPERTY. THE DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PARCELS IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. The Developer's obligation to purchase the City Parcels is conditioned upon the Developer being satisfied with the condition of the City Parcels for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at the Developer's sole cost and expense, to enter the City Parcels, pursuant to an access agreement reasonably acceptable to the City, to inspect the same, perform surveys, environmental assessments, soil tests and any other due diligence the Developer deems necessary or desirable to satisfy itself as to the condition of the City Parcels. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Parcels, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon the City shall return the Earnest Money and Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If

the Developer elects not to terminate this Agreement pursuant to this Section 23.2, the Developer shall be deemed satisfied with the condition of the City Parcels.

23.3 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City Parties from and against any and all claims for Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Parcels or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Parcels, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Parcels or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Parcels or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, after the Closing, the Developer shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims. The foregoing covenant of release and indemnification shall run with the City Parcels, and shall be binding upon all successors and assigns of the Developer with respect to the City Parcels, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Parcels under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release and indemnification constitutes a material inducement to the City to enter into this Agreement, and that, but for such release and indemnification, the City would not have agreed to convey the City Parcels to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the City Parcels, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because this Section 23.3 contains a full, complete and final release of all such claims.

23.4 Release Runs with the Land. The covenant of release in Section 23.3 shall run with the City Parcels, and shall be binding upon all successors and assigns of the Developer with respect to the City Parcels, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Parcels under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Parcels to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in

connection with any environmental, soil or other condition of the City Parcels, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.3 contains a full, complete and final release of all such claims.

23.5 Rehabilitation Work and Removal of Materials from the City Parcels. The Developer shall: (a) perform all rehabilitation work in accordance with all applicable Environmental Laws, (b) dispose of all materials in accordance with all applicable Environmental Laws, (c) maintain documentation evidencing that such disposal was in accordance with all applicable Environmental Laws, and (d) provide copies of such documentation to the City upon request.

23.6 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775

ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code of Chicago (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DHED in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date

that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DHED, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the M/WBE Certificate of Completion.

(g) At the direction of DHED, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs set forth in the budget attached hereto as Exhibit G (such budget, the "MBE/WBE Budget") shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs set forth in the MBE/WBE Budget shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE

commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DHED.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DHED monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in

this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) The Developer is a Virginia corporation, validly existing and in good standing under the laws of the State of Virginia and the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the persons signing this Agreement on behalf of the Developer have the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Property is bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer has and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

(g) The Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any applicable building permit, restriction of record or other agreement affecting the Property.

(i) The Developer will complete the Project using only Equity, and not any third-party financing.

25.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

25.3 Survival of Representations and Warranties. Each of the parties agrees that all warranties, representations, covenants and agreements contained in this Section 25 and elsewhere in this Agreement are true, accurate and complete as of the Effective Date and shall survive the Effective Date and be in effect throughout the term of the Agreement.

SECTION 27. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 28 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with the Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and

spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

29.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

(A) joint ownership of a motor vehicle;

(B) joint credit account;

(C) a joint checking account;

(D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 30. MISCELLANEOUS.

The following general provisions govern this Agreement:

30.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

30.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

30.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

30.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

30.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

30.6 Force Majeure. Neither the City nor the Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

30.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

30.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

30.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

30.10 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

30.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

30.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 31. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 32. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 33. SHAKMAN

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

(iii) Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Developer by a City employee or City official in violation of Section 33(ii) above, or advocating a violation of Section 33(iii) above, Developer

will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

NARRATIVE DESCRIPTION OF PROJECT

The Developer will utilize the Property for an expansion to its existing intermodal facility and for other related railroad facilities. The Project will occupy approximately 84 acres between W. Garfield Blvd. and W. 60th Street and will include: the demolition of acquired structures, construction of trailer and container parking lots, addition of tracks and related appurtenances, construction of new and rehabilitation of existing street overpasses, construction of buildings and a truck entrance/exit. It is anticipated that the Project will take approximately 10 years to complete.

The First Phase consists generally of grading, paving, and other work to build approximately 330 trailer and container parking spots linked to Developer's existing intermodal facility via an existing bridge over W. Garfield Blvd. The First Phase also includes the construction of a new connection track between the Developer's main tracks and a Developer track located adjacent to the METRA main tracks by using an existing rail bridge over S. Normal Blvd., and the construction of a new wye track leading between the new connection track and Developer's main tracks.

Phase 2 of the Project consist generally of grading, paving, and other work necessary to build additional trailer and container parking spots between W. Garfield Blvd. and W. 59th Street.

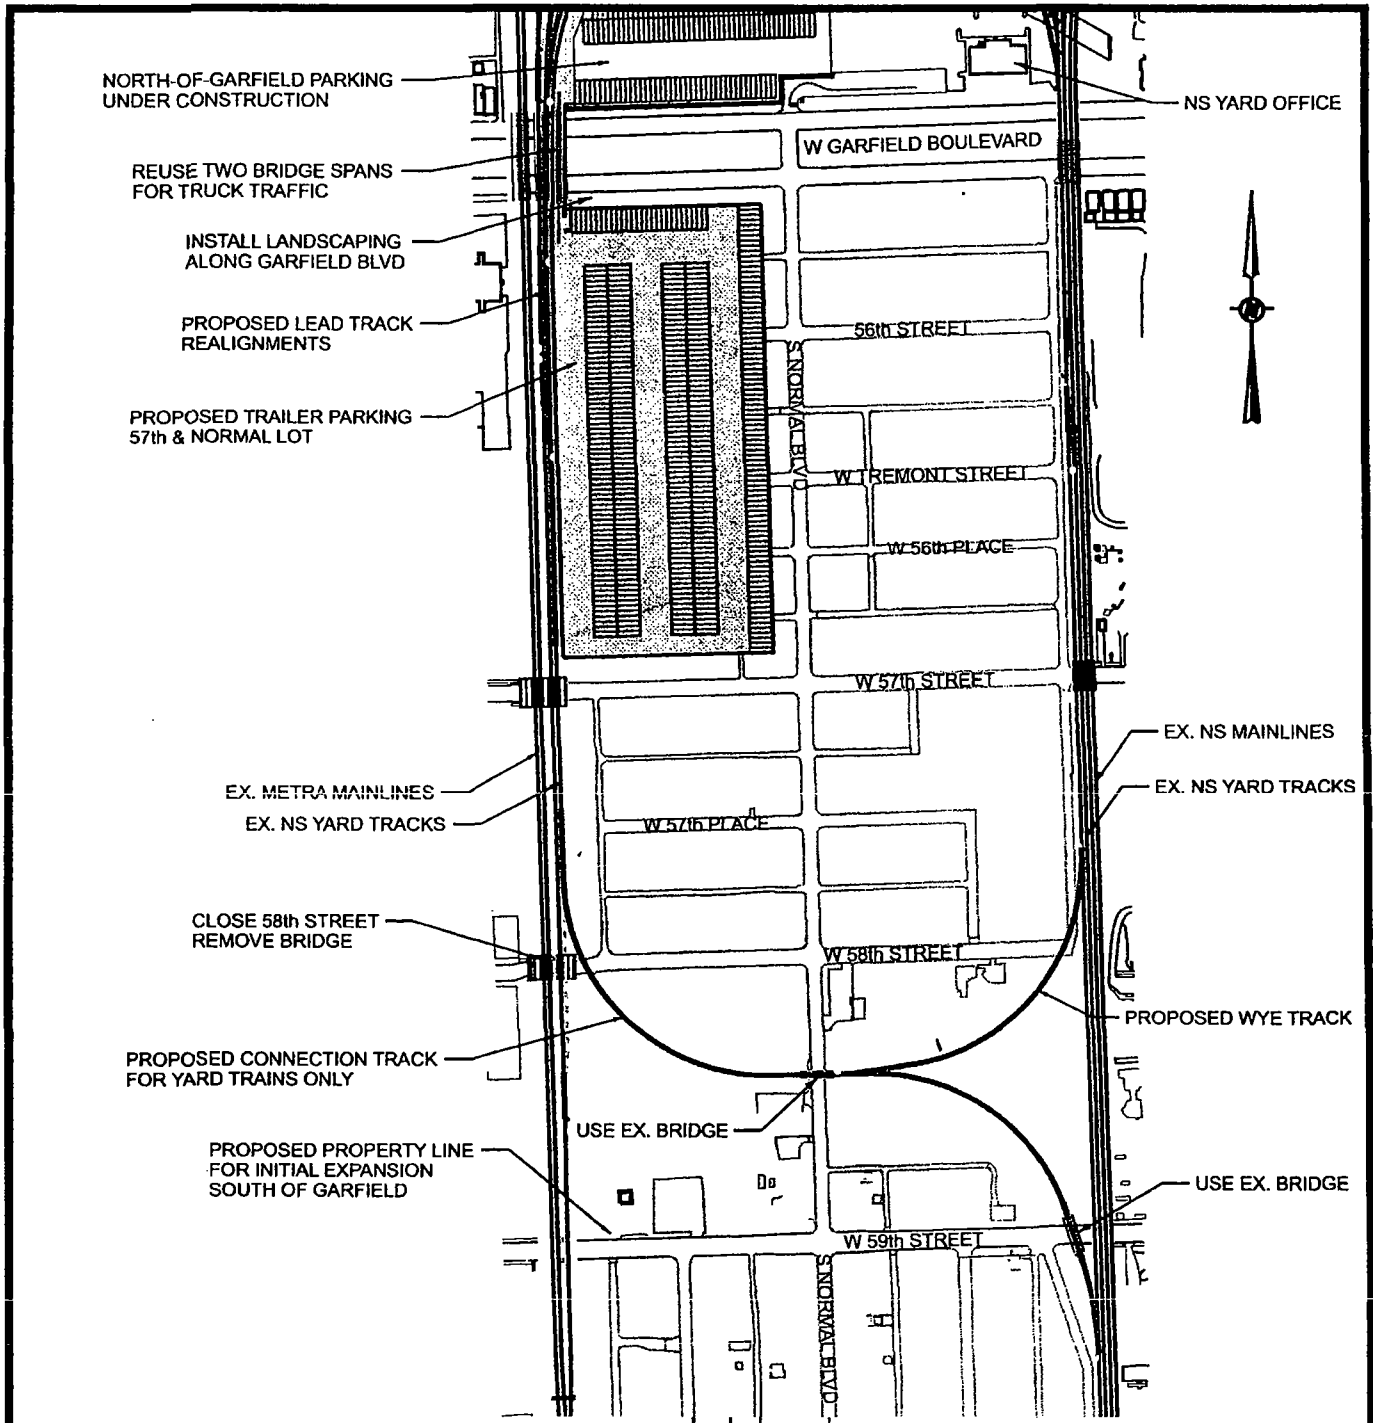

Phase 3 of the Project consists generally of a further parking expansion (to the south and east of the Phase 2 parking area), the construction of new loading and unloading tracks south of W. Garfield Blvd., the installation of a supplemental intermodal facility truck entrance / exit off of W. 59th Street, and the construction of new track and road bridges over W. Garfield Blvd. and W. 59th Street. The relocation of the connection track and wye track built in the First Phase may also be necessary.

The design plans for Phases 2 and 3 are in a conceptual stage, and are subject to revision based on commercial needs, funding availability, and engineering considerations.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS.

The foregoing recitals constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

SECTION 2. DEVELOPER'S PAYMENTS TO THE CITY.

Developer's Three Million Dollar (\$3,000,000) contribution to the City shall be paid to the City as follows:

1. Two Million Dollars (\$2,000,000) upon the City's conveyance of at least ninety-seven (97) lots within the Project Area; and

2. Two Hundred Fifty Thousand Dollars (\$250,000) at least five (5) days in advance of the Developer's first recording of a street or alley vacation ordinance and associated plat of vacation, for any street or alley within the Project Area that is depicted in Exhibit D attached hereto.

Subject to the Developer's making payments to the City in accordance with Section 2 of this Agreement, the Developer shall not be required to make any payments under the Commercial Vacation Program for the City's vacation of the streets and alleys described in Exhibits D through D-3 hereof, other than the payment of application fees and recording costs.

SECTION 3. ADDITIONAL OBLIGATIONS OF THE DEVELOPER.

The Developer covenants that it shall:

1. At such time as intermodal operations commence on any of the properties within the Project Area, Developer shall use its best efforts to insure that any new lift equipment to be acquired for its 47th Street intermodal operations will contain Tier 4 emissions controls on the diesel engines.

2. Developer shall continue to work with the local aldermen to alert her/him of potential hiring opportunities and conduct within the city limits of the City at least two (2) job fairs per calendar year.

3. In acquiring properties within the Project Area, Developer shall use condemnation against owner-occupants only when negotiations to reach an amicable settlement have broken down. Such residents shall be treated fairly, and shall be offered relocation benefits in accord with the Uniform Relocation Act, as required by law. With respect to such condemnation proceedings, the City agrees to provide statements of support for the Project and testimony in court as to the public benefits that the Project is expected to generate.

4. The Developer shall provide regular maintenance of its property, including its retaining walls, along Garfield Boulevard, from South Princeton Avenue to South Normal Avenue, including prompt graffiti removal.

SECTION 4. OBLIGATIONS OF THE CITY.

The City covenants that beginning on the Effective Date and ending December 31, 2022:

1. To facilitate industrial development opportunities, DHED shall use its best efforts to use rezoning, possible property acquisitions, the expansion of TIF Districts, and other tools at its disposal to encourage industrial development opportunities (e.g., warehousing, distribution, & light manufacturing) within the Greater Project Area. Developer acknowledges and agrees that the City has not committed to and is not obligated to provide any funding, TIF or otherwise, for any Developer expenses, including, but not limited to, Developer's expenses relating to changes in the grade of its facilities (e.g., new bridges).

2. The City commits to closing and vacating the streets as indicated on the plans attached hereto as Exhibits D, D-1, D-2 and D-3. Streets and alleys shall be closed at such point as they are no longer needed to support occupied residences, or when reasonably equivalent alternate access remains available. The lands thus vacated shall be conveyed at no cost to Developer. The cost of any required utility relocations shall be borne by Developer. No ordinance authorizing a street or alley vacation shall be recorded until Developer has acquired the lands on either side of the applicable street or alley segment to be vacated. DHED agrees to work cooperatively with Developer on all street vacations, including using its best efforts to expedite utility coordination and ultimate closure.

3. The City shall work with Developer on issues related to City foreclosure of certain demolition liens and with potential tax sales within the Project Area, with the goal of facilitating the conveyance of affected properties to Developer.

4. The City shall work cooperatively with Developer regarding landscaping plan reviews, traffic studies, stormwater plans, drainage plans, underground utility studies, and other reviews related to the Project, with the objective of expediting the process wherever possible. In as much as development of the Project is to occur in stages, it is expressly understood that the City shall waive landscaping requirements for incremental stages of development along streets that are ultimately to be vacated. Notwithstanding the above, if the development of the Project is Interstate Commerce Commission Transportation Act of 1995, P.L. 104-88, exempt, Developer is not subject to the landscaping requirements of the City.

5. To the extent required, the City shall support the erection of bridge structures crossing Garfield Blvd. and 59th Street at proceedings before the Illinois Commerce Commission. The proposed crossings may also require changes in grade of the roadways passing beneath. The Garfield Blvd. crossing(s) each may consist of two bridges spanning the travel lanes and earthen embankment over the median. The City approval of any such changes shall not be unreasonably withheld.

6. The City shall continue to support CREATE Program and its component projects, including Grand Crossing Project P4, per the Final Feasibility Plan as amended. For purposes of this Agreement, any reference to the City's obligation to "support", specifically excludes financial support. The City will also duly consider support any future efforts by Developer to pursue public funding in order to cover a portion of the total construction costs of phased expansion segments which will become part of the 47th Street Intermodal Facility, as well as the incorporation of new technologies and equipment at the facility.

7. The City acknowledges that as of the Effective Date the Interstate Commerce Commission Termination Act preempts local zoning authority in the Project Area provided that: (i) the Project Area is used for the construction, acquisition, operation, abandonment or discontinuance of Developer's intermodal facility (the "Activities"), (ii) Developer uses such facility solely for the interstate transportation of passengers or property, and (iii) the Surface Transportation Board has exclusive jurisdiction over the Activities.

8. To the extent that public hearings or meetings may be required in conjunction with property acquisitions, DHED shall work with Developer in facilitating any public statements or news releases, and shall be supportive of the Project.

9. The City shall work cooperatively with the Developer regarding the Developer's proposals relating to the development of tractor-trailer access to and from the Project Area in the vicinity of 59th & Parnell Streets.

SECTION 4. DEFAULT.

If Developer fails to timely make a payment in accordance with Section 2 above or fails to comply with its other obligations as set forth in Section 3 above, and if such default is not cured within ninety (90) days of written notice from the City to Developer, the City may terminate this Agreement, and exercise any and all remedies available to it at law or in equity.

SECTION 5. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 6. INDEMNIFICATION.

Developer agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of Developer to perform its obligations under this Agreement; (b) any misrepresentation or omission made by Developer or any Developer agent; and (c) the failure of Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto. This indemnification shall survive any termination of this Agreement (regardless of the reason for such termination).

SECTION 7. REPRESENTATIONS AND WARRANTIES.

7.1 Representations and Warranties of Developer. To induce the City to execute this Agreement and perform its obligations hereunder, Developer represents, warrants and

covenants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(d) No action, litigation, investigation or proceeding of any kind is pending or anticipated to be filed against Developer, or any party affiliated with Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Developer.

(e) Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound.

Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 10. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this Section 10 only, an "Affiliate" shall be deemed to be a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

SECTION 11. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 11 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

- (a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.
- (b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.
- (c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.
- (d) Individuals are "domestic partners" if they satisfy the following criteria:
 - a. they are each other's sole domestic partner, responsible for each other's common welfare; and
 - b. neither party is married; and
 - c. the partners are not related by blood closer than would bar marriage in the State of Illinois; and
 - d. each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
 - e. two of the following four conditions exist for the partners:

1. The partners have been residing together for at least 12 months.
2. The partners have common or joint ownership of a residence.
3. The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

SECTION 12. MISCELLANEOUS.

The following general provisions govern this Agreement:

12.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

12.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

12.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

12.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefitted by such term.

12.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

12.6 Force Majeure. Neither the City nor Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires,

floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

12.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to choice of laws.

12.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

12.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

12.10 No Waiver. No waiver by the City with respect to any specific default by Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

12.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

12.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

SECTION 13. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

SECTION 14. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code of Chicago. Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

SECTION 15. SHAKMAN.

15.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

15.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

15.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

15.4 In the event of any communication to Developer by a City employee or City official in violation of Section 15.2 above, or advocating a violation of Section 15.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor's Office related to the contract.

Project

The Developer will utilize the Property for an expansion to its existing intermodal facility and for other related railroad facilities. The Project will occupy approximately 84 acres between W. Garfield Blvd. and W. 60th Street and will include: the demolition of acquired structures, construction of trailer and container parking lots, addition of tracks and related appurtenances, construction of new and rehabilitation of existing street overpasses, construction of buildings and a truck entrance/exit. It is anticipated that the Project will take approximately 10 years to complete.

The First Phase consists generally of grading, paving, and other work to build approximately 330 trailer and container parking spots linked to Developer's existing intermodal facility via an existing bridge over W. Garfield Blvd. The First Phase also includes the construction of a new connection track between the Developer's main tracks and a Developer track located adjacent to the METRA main tracks by using an existing rail bridge over S. Normal Blvd., and the construction of a new wye track leading between the new connection track and Developer's main tracks.

Phase 2 of the Project consist generally of grading, paving, and other work necessary to build additional trailer and container parking spots between W. Garfield Blvd. and W. 59th Street.

Phase 3 of the Project consists generally of a further parking expansion (to the south and east of the Phase 2 parking area), the construction of new loading and unloading tracks south of W. Garfield Blvd., the installation of a supplemental intermodal facility truck entrance / exit off of W. 59th Street, and the construction of new track and road bridges over W. Garfield Blvd. and W. 59th Street. The relocation of the connection track and wye track built in the First Phase may also be necessary.

The design plans for Phases 2 and 3 are in a conceptual stage, and are subject to revision based on commercial needs, funding availability, and engineering considerations.

Neither the Disclosing Party, Affiliated Entity or Contractor, or any of their employees, officials, agents or partners, is barred from contracting with any unit of state or local government as a result of engaging in or being convicted of (1) bid-rigging in violation of 720 ILCS 5/33E-3; (2) bid-rotating in violation of 720 ILCS 5/33E-4; or (3) any similar offense of any state or of the United States of America that contains the same elements as the offense of bid-rigging or bid-rotating.

5. Neither the Disclosing Party nor any Affiliated Entity is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or the Bureau of Industry and Security of the U.S. Department of Commerce or their successors: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

6. The Disclosing Party understands and shall comply with the applicable requirements of Chapters 2-55 (Legislative Inspector General), 2-56 (Inspector General) and 2-156 (Governmental Ethics) of the Municipal Code.

7. If the Disclosing Party is unable to certify to any of the above statements in this Part B (Further Certifications), the Disclosing Party must explain below:

A number of the questions in the City of Chicago's Economic Disclosure Statement and Affidavit (the "EDS Statement")
appear intended to solicit information from smaller organizations where all of the knowledge of that organization's
activities resides among a handful of people rather than to a large publicly-traded corporation like Norfolk Southern
Corporation ("NSC"), which owns Norfolk Southern Railway Company ("NSR," and together with NSC and NSC's other
subsidiaries, "Norfolk Southern") . . . (*Continued on Attachment V.B.6)

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

8. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the execution date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

9. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all gifts that the Disclosing Party has given or caused to be given, at any time during the 12-month period preceding the execution date of this EDS, to an employee, or elected or appointed official, of the City of Chicago. For purposes of this statement, a "gift" does not include: (i) anything made generally available to City employees or to the general public, or (ii) food or drink provided in the course of official City business and having a retail value of less than \$20 per recipient (if none, indicate with "N/A" or "none"). As to any gift listed below, please also list the name of the City recipient.

C. CERTIFICATION OF STATUS AS FINANCIAL INSTITUTION

1. The Disclosing Party certifies that the Disclosing Party (check one)

is is not

a "financial institution" as defined in Section 2-32-455(b) of the Municipal Code.

2. If the Disclosing Party IS a financial institution, then the Disclosing Party pledges:

"We are not and will not become a predatory lender as defined in Chapter 2-32 of the Municipal Code. We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING INTEREST IN CITY BUSINESS

Any words or terms that are defined in Chapter 2-156 of the Municipal Code have the same meanings when used in this Part D.

1. In accordance with Section 2-156-110 of the Municipal Code: Does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D.1., proceed to Items D.2. and D.3. If you checked "No" to Item D.1., proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D.1., provide the names and business addresses of the City officials or employees having such interest and identify the nature of such interest:

| Name | Business Address | Nature of Interest |
|-------------------|------------------|--------------------|
| <hr/> <hr/> <hr/> | | |

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either 1. or 2. below. If the Disclosing Party checks 2., the Disclosing Party must disclose below or in an attachment to this EDS all information required by paragraph 2. Failure to

comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

x 2. The Disclosing Party verifies that, as a result of conducting the search in step 1 above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

Note: Records on this list have references to slave labor. Owners' names are listed with slaves' names when given following in parenthesis. Where no names are given, those records with references to hiring provisioning or medical services for slaves are still noted. All surviving records of antecedent companies in the possession of Norfolk Southern Corporation for the period prior to 1866 have been searched; only those records with references to slave labor have been included in this list . . . ("Continued on Attachment V.E.2.)

SECTION VI -- CERTIFICATIONS FOR FEDERALLY FUNDED MATTERS

NOTE: If the Matter is federally funded, complete this Section VI. If the Matter is not federally funded, proceed to Section VII. For purposes of this Section VI, tax credits allocated by the City and proceeds of debt obligations of the City are not federal funding.

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995 who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995 have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in Paragraph A.1. above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the award of any federally funded contract, making any federally funded grant or loan, entering into any cooperative agreement, or to extend, continue, renew, amend, or modify any federally funded contract, grant, loan, or cooperative agreement.

3. The Disclosing Party will submit an updated certification at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the statements and information set forth in paragraphs A.1. and A.2. above.

4. The Disclosing Party certifies that either: (i) it is not an organization described in section 501(c)(4) of the Internal Revenue Code of 1986; or (ii) it is an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 but has not engaged and will not engage in "Lobbying Activities".

5. If the Disclosing Party is the Applicant, the Disclosing Party must obtain certifications equal in form and substance to paragraphs A.1. through A.4. above from all subcontractors before it awards any subcontract and the Disclosing Party must maintain all such subcontractors' certifications for the duration of the Matter and must make such certifications promptly available to the City upon request.

ATTACHMENT V.B.6

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C. and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of \$4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.
2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of \$8,890,000 for alleged past violations and \$46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately \$7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of \$250,000 to resolve them.
3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.
4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs) received for alleged violations associated with spill incidents in Bell Township, Creighton, and

New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of \$575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general permit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the permit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of \$4,500. The EPD inspector was pleased overall with the stability of the project.
6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of \$9,900 in January, 2010.
7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a \$24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a \$12,000 fine.
8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out

- of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a \$250 penalty, which was paid.
9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.
 10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidentally breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of \$9,000 in penalties in these two dockets.
 11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of \$5,000.
 12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a \$1,500 penalty, which was paid.
 13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a \$500 penalty, which was paid.
 14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of \$98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of \$77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.
 15. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk

Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an \$115,000 penalty.

TABLE V.B.1.e – B

I. Juniata, PA

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of \$1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. The alleged serious violations contained in the Citation related to the OSHA requirements concerning electric power generation, transmission and distribution under 29 CFR 1910.269. This matter was settled by stipulation and agreement on May 15, 2008, with a penalty payment of \$20,000. The descriptions of certain alleged violations were amended, the citation relating to accident reporting was withdrawn (since NSRC is subject to DOT reporting requirements) and all items were abated by October 8, 2008.

III. Baltimore, MD

The Maryland Department of Labor on March 28, 2008 issued two citations against Norfolk Southern Railway Company, alleging five occupational and safety violations at small car repair mechanical facility in Baltimore, Maryland, including one for which railroads are exempted under state law. The matter was settled on April 28, 2008, with a penalty payment of \$2,062.50 for three violations relating to welding shields, open circuit breaker and an electrical obstruction. The two violations relating to maintenance and submission of the chemical inventory list were rescinded.

A number of the questions in the City of Chicago's Economic Disclosure Statement and Affidavit (the "EDS Statement")
appear intended to solicit information from smaller organizations where all of the knowledge of that organization's
activities resides among a handful of people rather than to a large publicly-traded corporation like Norfolk Southern
Corporation ("NSC"), which owns Norfolk Southern Railway Company ("NSR," and together with NSC and NSC's other
subsidiaries, "Norfolk Southern") . . . (*Continued on Attachment V.B.6)

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

8. To the best of the Disclosing Party's knowledge after reasonable inquiry, the following is a complete list of all current employees of the Disclosing Party who were, at any time during the 12-month period preceding the execution date of this EDS, an employee, or elected or appointed official, of the City of Chicago (if none, indicate with "N/A" or "none").

We further pledge that none of our affiliates is, and none of them will become, a predatory lender as defined in Chapter 2-32 of the Municipal Code. We understand that becoming a predatory lender or becoming an affiliate of a predatory lender may result in the loss of the privilege of doing business with the City."

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in Section 2-32-455(b) of the Municipal Code) is a predatory lender within the meaning of Chapter 2-32 of the Municipal Code, explain here (attach additional pages if necessary):

D. CERTIFICATION REGARDING INTEREST IN CITY BUSINESS

Any words or terms that are defined in Chapter 2-156 of the Municipal Code have the same meanings when used in this Part D.

1. In accordance with Section 2-156-110 of the Municipal Code: Does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Please check either 1. or 2. below. If the Disclosing Party checks 2., the Disclosing Party must disclose below or in an attachment to this EDS all information required by paragraph 2. Failure to

comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

x 2. The Disclosing Party verifies that, as a result of conducting the search in step 1 above, the Disclosing Party has found records of investments or profits from slavery or slaveholder insurance policies. The Disclosing Party verifies that the following constitutes full disclosure of all such records, including the names of any and all slaves or slaveholders described in those records:

Note: Records on this list have references to slave labor. Owners' names are listed with slaves' names when given following in parenthesis. Where no names are given, those records with references to hiring provisioning or medical services for slaves are still noted. All surviving records of antecedent companies in the possession of Norfolk Southern Corporation for the period prior to 1866 have been searched; only those records with references to slave labor have been included in this list . . . ("Continued on Attachment V.E.2.)

ATTACHMENT V.B.6

Norfolk Southern has thousands of employees and business operations in 22 states and the District of Columbia. NSR along with its consolidated rail subsidiaries ("NS Rail") is engaged primarily in the transportation of freight by rail. NS Rail operates approximately 21,000 miles, primarily in the east and Midwest, including approximately 861 miles in Illinois and 36 in Chicago. NSR and NSC used their best efforts to gather as much of the requested information as reasonably possible and without undue effort and expense, but, because of their large size, all responses given in all of the EDS Statement are only to the best of the reasonable knowledge of NSC and NSR, are at the risk of not having knowledge of certain information, and the executive officer signing the EDS Statement does so based on actual knowledge or information supplied to that executive officer. Due to the scope of its operations and the number of employees and contractors, Norfolk Southern makes no representations as to parties other than NSR, NSC and their respective executive officers and directors. Additional information about Norfolk Southern Corporation can be found at the website, www.nscorp.com, including its Annual Report for the fiscal year ended December 31, 2008.

The following two paragraphs are responsive to Certification V.B.1.e. on page 5

Norfolk Southern is subject to extensive applicable federal, state, and local environmental laws and regulations. Norfolk Southern is, from time to time, investigated by these and other regulatory agencies in the ordinary course of business. Norfolk Southern cooperates with all government agency investigations. Due to the scope of its operations and the number of employees, however, Norfolk Southern cannot provide information regarding all such investigations without undue effort or expense, if at all. The list of certain investigations found attached in Table V.B.1.e – A is that information that Norfolk Southern was able to identify without undue effort or expense.

In addition to the regulation described in the preceding paragraph, Norfolk Southern is also subject to commercial regulation by the United States Surface Transportation Board, and its operations are regulated extensively by the United States Department of Transportation, including the Federal Railroad Administration, and the Department of Homeland Security, some of which in some cases has a preemptive effect. In addition, Norfolk Southern's operations are subject to extensive federal, state, and local environmental, labor and employment and other laws and regulations. Norfolk Southern is, from time to time, alleged to be in violation of administrative, statutory or regulatory provisions in the ordinary course of business. Norfolk Southern cooperates with all government agencies in seeking to resolve such alleged violations. Due to the scope of its operations and the number of employees, Norfolk Southern cannot provide detailed information regarding all such violations without undue effort or expense, if at all.

However, attached in Table V.B.1.e – B, is that information which can be secured without undue effort or expense.

TABLE V.B.1.e – A

Part 1

1. In April, 2008, the United States Department of Justice filed suit against Norfolk Southern Railway Company seeking civil penalties and injunctive relief under the Clean Water Act and the Comprehensive Environmental Response, Compensation and Liability Act, related to the Jan. 6, 2005 derailment in Graniteville, S.C, and associated release of chlorine into the atmosphere. In April, 2010, the parties reached a consent decree settling the lawsuit, subject to court approval. In the consent decree, Norfolk Southern agreed to pay a civil penalty of \$4 million, to undertake emergency response training and undertake a supplemental environmental project. There is no admission of liability.
2. On Oct. 19, 2006, the Pennsylvania Department of Environmental Protection (PDEP) issued an assessment of civil penalties against Norfolk Southern and filed a complaint for civil penalties with the Pennsylvania Environmental Hearing Board (EHB) requesting that the EHB impose civil penalties upon Norfolk Southern for alleged violations of state environmental laws and regulations resulting from a discharge of sodium hydroxide that occurred as a result of the derailment of a Norfolk Southern train in Norwich Township, Pennsylvania, on June 30, 2006. PDEP's actions sought to impose combined penalties of \$8,890,000 for alleged past violations and \$46,420 per day for alleged continuing violations of state environmental laws and regulations. Norfolk Southern appealed the fines to the EHB. The Pennsylvania Fish and Boat Commission sought financial restitution for damages alleged to have been caused by this accident. In addition, the Pennsylvania Attorney General and the McKean County District Attorney filed three misdemeanor charges for alleged violations of state environmental and aquatic resource protection laws and regulations. Norfolk Southern has entered into a settlement agreement with all Commonwealth of Pennsylvania parties, pursuant to which all claims by the Commonwealth for civil liability resulting from the derailment and spill were resolved, with Norfolk Southern agreeing to pay approximately \$7.35 million in restitution to compensate for all natural resource damages and the agencies' response costs caused by the derailment and spill. Norfolk Southern also pled no contest to the three misdemeanor charges and paid fines in the amount of \$250,000 to resolve them.
3. On July 13, 2007, Norfolk Southern received a subpoena from a state grand jury requesting documents and materials relating to the company's setting of fuel surcharges. Norfolk Southern cooperated with the state in its investigation, and has been notified that the state decided not to move forward with its investigation at this time, while reserving its right to re-open the matter in the future if it decides circumstances so dictate.
4. On August 15, 2007, Norfolk Southern entered into a Consent Assessment of Civil Penalty (Consent Assessment) with the PDEP, resolving alleged violations of the Clean Streams Law, the Solid Waste Management Act, the Hazardous Sites Cleanup Act, and the Air Pollution Control Act, and regulations promulgated thereunder. The Consent Assessment resolved three Notices of Violation (NOVs) received for alleged violations associated with spill incidents in Bell Township, Creighton, and

New Brighton, Pennsylvania, as well as other issues not subject to NOV. Specifically, on December 29, 2005, Norfolk Southern received a NOV related to a January 5, 2004 derailment near the village of Truxal in Bell Township, which had resulted in the release of shelled corn, lubricating oil, and diesel fuel. On July 1, 2005, Norfolk Southern received a NOV related to a January 31, 2005 derailment near Creighton in East Deer Township, which had resulted in the release of hydrogen fluoride. On October 26, 2006, Norfolk Southern received a NOV related to an October 20, 2006 derailment on and near the railroad bridge between Beaver Falls and New Brighton, which had resulted in the release of ethanol. The other two matters related to a 2003 diesel fuel spill caused by an outside contractor in Union Township and a number of spill incidents arising from September 8, 2003 to the date of the Consent Assessment from Conway Yard in Conway Borough. A civil penalty in the amount of \$575,000 was paid to the Commonwealth of Pennsylvania, Clean Water Fund on September 12, 2007 in settlement of these incidents.

5. Norfolk Southern entered into a Consent Order on or about March 12, 2008 with the Georgia Department of Natural Resources Environmental Protection Division in connection with certain alleged violations of the storm water general permit requirements applicable to land disturbing activities associated with a September 2007 track siding extension project in Gordon County, Georgia. Among other things, Norfolk Southern mistakenly submitted the permit fee in April 2007 to the same address used for the application. Under the consent order Norfolk Southern agreed to implement best management measures and to have its erosion and sedimentation control plan certified. Norfolk Southern paid a penalty of \$4,500. The EPD inspector was pleased overall with the stability of the project.
6. Norfolk Southern was sued by the State of Illinois in connection with a derailment that was caused when a Union Pacific train improperly entered an interlocking and struck a Norfolk Southern train in Momence, Illinois on November 24, 2005. As a result of the collision, diesel fuel was released from the locomotives of both trains and certain limited amounts of other hazardous and non-hazardous materials were released from rail cars. The State of Illinois sued both Norfolk Southern and Union Pacific alleging various violations of environmental laws as a result of these releases and demanding penalties and other relief. This case was settled for a non-penalty payment of \$9,900 in January, 2010.
7. On approximately May 15, 2008, Norfolk Southern was notified by PDEP that the agency assessed a \$24,000 penalty against it for alleged violations of the Pennsylvania Storage Tank and Spill Prevention Act. PDEP claims that during an inspection at Conway Yard, Conway, Pennsylvania, it discovered several testing and recordkeeping violations. The penalty assessment was appealed and a final settlement reached with PDEP that resulted in a Consent Assessment of Civil Penalty for a \$12,000 fine.
8. On May 14, 2008, the United States Coast Guard issued a Notice of Violation in connection with a sheen of oil that resulted from a gasket failure on the land arm swivel joint of a manifold connecting to a fuel barge at Conway Yard. A boom was immediately deployed by Norfolk Southern forces and the swivel joint was taken out

of service. Less than one gallon of fuel was estimated to be released. The Coast Guard's NOV assessed a \$250 penalty, which was paid.

9. Ohio EPA cited Norfolk Southern for the railroad's failure to file a Large Quantity Generator ("LQG") Report on August 6, 2008 in connection with a one-time hazardous material spill cleanup event at Columbus, Ohio. The failure to file was inadvertent since the yard facility ordinarily is a small quantity hazardous waste generator. The railroad late filed the LEQ report and has requested the State to delist the yard as a LQG. No penalty was assessed.
10. On August 20, 2009, Norfolk Southern entered into two Consent Agreements with U.S. EPA Region 4, resolving two alleged violations of the Clean Water Act associated with two separate releases of fuel oil locomotive fuel tanks which were accidentally breached by a master shoe retarder in Norris Yard, Irondale, Alabama. Norfolk Southern paid a total of \$9,000 in penalties in these two dockets.
11. In April and May 2008, the New Jersey Department of Environmental Protection issued a Notice of Violation and an Administrative Order and Notice of Civil Administrative Penalty Assessment, respectively, alleging that Norfolk Southern violated provisions of its New Jersey Pollutant Discharge Elimination System Permit at its Elizabeth City, NJ rail terminal. Norfolk Southern immediately corrected any potential noncompliance issues and in November 2008, paid a penalty of \$5,000.
12. The United States Coast Guard issued a Notice of Violation in connection with the failure of a float level control switch at a waste water treatment plant pumping station that released approximately 500 gallons of oil and resulted in a light sheen on the Ohio River on December 18, 2009. An immediate response was undertaken to the release and the control switch was repaired. The Coast Guard's NOV assessed a \$1,500 penalty, which was paid.
13. The United States Coast Guard issued a Notice of Violation in connection with the release of diesel fuel from a valve on a loading dock that created a sheen on the Ohio River on March 2, 2010. An immediate response to the release was undertaken. The Coast Guard's NOV assessed a \$500 penalty, which was paid.
14. In late August 2010, as a result of an inspection by the Pipeline and Hazardous Materials Safety Administration, Norfolk Southern received a Notice of Probable Violation, Civil Penalty Assessment and Proposed Compliance Order (NOV) for alleged violations related to the operation and maintenance of a fuel pipeline in Macon, GA, including alleged recordkeeping deficiencies. A penalty of \$98,600 was paid on July 19, 2011 pursuant to a Final Order. Two additional Notices of Probable Violation and a Notice of Amendment were received in February 2011. On August 18, 2011 an additional penalty of \$77,500 was paid pursuant to a Final Order. Norfolk Southern has since retained a third party operator for this pipeline, thus resolving the alleged deficiencies.
15. In late June, 2010, the State of Ohio filed suit against Norfolk Southern alleging certain violations of state water laws at Norfolk Southern's coal transloading facility in Ashtabula, Ohio. Simultaneous with the filing of the complaint, the parties filed a Consent Order for Preliminary Injunction with the court that requires certain actions be undertaken by Norfolk

Southern at the facility. A final Consent Order was entered by the Court on August 11, 2011 that provided for final relief and the payment of an \$115,000 penalty.

I. Juniata, PA

On or about January 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Juniata facility. The Citation was resolved with OSHA through an Informal Settlement Agreement dated February 14, 2008. The alleged violations which are the subject of the Informal Settlement Agreement involve the implementation of administrative or engineering controls to reduce exposure to copper and iron oxide during welding operations; the provision of information and training concerning hexavalent chromium; training concerning potential exposure to lead; and the provision of separate storage facilities for street clothes and protective clothing. All of these violations were classified as Other Than Serious and there was a total penalty of \$1,500.

II. Portsmouth, OH

On or about March 18, 2008, OSHA issued a Citation and Notification of Penalty to Norfolk Southern regarding its Portsmouth facility. The alleged serious violations contained in the Citation related to the OSHA requirements concerning electric power generation, transmission and distribution under 29 CFR 1910.269. This matter was settled by stipulation and agreement on May 15, 2008, with a penalty payment of \$20,000. The descriptions of certain alleged violations were amended, the citation relating to accident reporting was withdrawn (since NSRC is subject to DOT reporting requirements) and all items were abated by October 8, 2008.

III. Baltimore, MD

The Maryland Department of Labor on March 28, 2008 issued two citations against Norfolk Southern Railway Company, alleging five occupational and safety violations at small car repair mechanical facility in Baltimore, Maryland, including one for which railroads are exempted under state law. The matter was settled on April 28, 2008, with a penalty payment of \$2,062.50 for three violations relating to welding shields, open circuit breaker and an electrical obstruction. The two violations relating to maintenance and submission of the chemical inventory list were rescinded.

She has been placed under the judicious medical treatment of Dr. Brown, of Cleveland, and will soon be well again, when she will be sold and proceeds placed in the hands of your Treasurer, thereby reducing that item of damage to a matter of small consequence.” (pp.8) – R.C.
