9. The maximum permitted Floor Area Ratio (“FAR”) for the site shall be in accordance with the attached Bulk Regulations Table. For the purposes of FAR calculations and measurements, the definitions in the Zoning Ordinance shall apply. The permitted FAR identified in the Bulk Regulations Table has been determined using a Net Site Area of 10,888 square feet.

10. The Applicant acknowledges and agrees that the rezoning of the Property from B3-2 Community Shopping District and M1-1 Light Manufacturing/Business Park District to C1-5 Neighborhood Commercial District for construction of the Residential Project triggers the requirements of Section 2-44-090 of the Municipal Code (the “Affordable Housing Ordinance”). Any developer of a “residential housing project” within the meaning of the Affordable Housing Ordinance must: (i) develop affordable housing units as part of the residential housing project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit ____, the Applicant has agreed to provide [10% if affordable at 100% AMI, lesser percentage if affordable at 80% AMI] affordable housing units in the Residential Project for households earning up to [80%] [100%] of the Chicago Primary Metropolitan Statistical Area median income (the “Affordable Units”), [and][or] make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit (“Cash Payment”). At the time of each Part II review for the Residential Project, Applicant shall update and resubmit the Affordable Housing Profile Form to HED for review and approval. If the Applicant subsequently reduces the number of dwelling units in the Residential Project, HED may adjust the requirements of this Statement ____ (i.e., number of Affordable Units and/or amount of Cash Payment) accordingly without amending this Planned Development. Prior to the issuance of a building permit for the Residential Project, the Applicant must either make the required Cash Payment, or execute an Affordable Housing Agreement in substantially the form attached hereto as Exhibit ____ in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Property and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. Notwithstanding anything to the contrary contained in Sec. 17-4-1003-E, the Commissioner of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the planned development ordinance.

11. Upon review and determination, “Part II Review”, pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning

In order to provide for the orderly development of the Property, the Applicant shall be permitted to establish not more than three subareas within the Planned Development and to allocate development rights to such subareas upon delivery of notice of such subarea establishment to the Department of Planning and Development. The establishment of more than three subareas may only be accomplished by an administrative modification pursuant to Section 17-13-0611-A of the Zoning Ordinance.
15. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all new buildings and improvements on the Property constructed after the date hereof shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities.
16.
