SECTION 1. Section 9-64-120 of the Municipal Code of Chicago is hereby amended by adding the language underscored, and by deleting the language struck through, as follows:

9-64-120 Parking on city property.

(a) Except in parking lots and garages that are explicitly held out for the use of the public, it shall be unlawful to park any vehicle upon any property owned by the City city and used for the transaction of public business where such parking is prohibited by order of the custodian of the property; provided, this section shall not apply to Citycity-owned vehicles or to other vehicles whose operation is useful or essential to the proper functioning of the department Department, Board, board or commission Commission occupying the property. The custodian of the property shall post "No Parking" signs indicating the foregoing prohibition. Where "No Parking" signs are not posted, a notice of prohibited parking shall be affixed to any vehicle parked in violation of this section. Said affixed notice shall be deemed to give the vehicle owner notice of the parking prohibition, and seven days after the notice was affixed the City may treat the vehicle as if a "No Parking" sign were posted and enforce accordingly.

(b) It shall be unlawful to stand or park any vehicle upon the premises of a Chicago Housing Authority Development except in such areas designated by official signs or other markings as parking lots.

SECTION 2. This ordinance shall be in full force and effect upon passage and publication.
