WHEREAS, on _____, the Chicago Transit Board passed an ordinance (the "CTA Ordinance") authorizing the execution of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

SECTION 1. RECITALS

The foregoing recitals are hereby incorporated into this Agreement by reference.

SECTION 2. [intentionally omitted]

SECTION 3. THE PROJECT

(a) The parties acknowledge that the Project shall begin on _____ and shall be completed not later than _____. Not less than 30 days prior to the above completion date, CTA shall notify DPD of any expected delay in the completion of the Project beyond that date and will provide a new expected completion date. If the new expected completion date falls outside of the Term of the Agreement, prior DPD approval is required. Should CTA fail to notify DPD of an expected delay in completion, the City reserves the right to extend the completion date accordingly.

(b) The CTA shall provide the City any plans and specifications pertaining to the Project that the City may reasonably request from time to time during the Term of this Agreement, and shall notify DPD of any significant changes to said plans.

(c) The CTA hereby certifies that the Project have to date and shall continue to comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes

and executive orders as may be in effect at the time of the completion of the Project.

(d) The CTA hereby certifies to the City that the City Funds, together with available CTA funds, shall be sufficient to complete the Project.

(e) CTA shall make available to the City with a copy of the fully executed contract between CTA and the prime contractor for the Project within 30 days after the contract has been signed by the Chairman of the Chicago Transit Board, or his or her designee.

(f) Within the body of the CTA's final Disbursement Request, on the form as set forth on Exhibit C hereto ("Disbursement Request"), the CTA agrees to certify to the City that the Project was completed in compliance with this Agreement and that all subcontractor retainage related to the Project has been paid out.

SECTION 4. FINANCING

(a) CTA funds shall be used to pay all Project Costs.

(b) City Funds shall be used only to reimburse the CTA for its costs of a portion of TIF-Eligible Costs that qualify as Project Costs incurred within the Area, contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such costs. "TIF-Eligible Costs" means those costs of the Project which: (i) qualify as Redevelopment Project Costs as defined in the Act, (ii) are eligible costs under the Plans, and (iii) the City has agreed to pay for out of the City Funds, subject to the terms of this Agreement. The City agrees that Exhibit B hereto represents certain TIF-Eligible Costs for the Project and sets forth, by approximate line item amounts, the minimum amount of TIF-Eligible Costs the CTA plans to expend for the Project. The CTA may implement changes to the Project that cause variations in the line item amounts shown on Exhibit B, provided that all the changes qualify as TIF-Eligible Costs.

(c) Subject to the terms and conditions of this Agreement, the City shall pay to the CTA an amount not to exceed \$8,000,000 in City Funds ("Maximum City Funds") from Available Incremental Taxes to pay the Project Costs.

The parties acknowledge that City Funds are intended as the gap financing for the cost of the Project, and that the CTA has carefully estimated the total cost thereof. The total estimated cost to complete the Project is \$30,000,000. If the actual Project Costs are less than this budget, then the amount of City Funds that the City shall be liable to pay the CTA under this Agreement will be permanently reduced dollar-for-dollar. For example, if the actual final Project Costs are \$29,000,000, the amount of City Funds payable under this Agreement shall be permanently reduced by \$1,000,000, notwithstanding anything to the contrary in this Agreement.

If the actual Project Costs exceeds \$30,000,000, then the CTA shall be solely responsible for such excess costs.

(d) "Available Incremental Taxes" means such taxes which, pursuant to the TIF Adoption Ordinance and Section 5/11-74.4-8(b) of the Act, are allocated to and when collected are paid to the Treasurer of the City of Chicago for deposit by the Treasurer into the respective TIF Fund established to pay Redevelopment Project Costs and obligations incurred in the payment thereof, and which are not encumbered or pledged for the payment of Prior Obligations.

(e) The City warrants that it has available and has segregated on the books of the City an amount of Available Incremental Taxes sufficient to pay the City Funds, and covenants that the Available Incremental Taxes will not be used for any purpose other than for payment as City Funds during the Term of this Agreement.

(f) The City Funds being provided hereunder are being granted on a conditional basis, subject to the CTA's compliance with the provisions of this Agreement.

(g) The parties acknowledge that the CTA has not made any expenditures with respect to the Project, for which the CTA will be seeking City Funds under this Agreement, prior to the Effective Date hereof.

SECTION 5. PAYMENT

(a) The CTA shall request the payment of the City Funds on a properly completed Disbursement Request, which the CTA may file with the City on a semi-annual (2x/year) basis in 2022 and 2023 and on a quarterly (4x/year) basis in 2024 following its incurrence of Redevelopment Project Costs. Prior to or simultaneous with the delivery of a Disbursement Request to the City, the CTA shall submit documentation substantiating its applicable incurrence of Redevelopment Project Costs (including TIF-Eligible Costs) to DPD.

(b) Delivery by the CTA to DPD of a Disbursement Request hereunder shall, in addition to the items expressly set forth therein, constitute a certification to the City, as of the date of the Disbursement Request, that:

(i) the total amount of the Disbursement Request represents the actual amount already incurred by the CTA for its own work or incurred by the CTA and owing to the general contractor(s), subcontractors or other parties who have performed work on or otherwise provided goods or services in connection with the Project;

(ii) the work being sought for reimbursement hereunder actually took place within the Area indicated on the Disbursement Request;

(iii) the CTA has approved all work and materials for the Disbursement Request; and

(iv) the work that is the subject of the Disbursement Request was performed in accordance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders at the time of its completion.

(c) Upon presentation of a Disbursement Request from the CTA, the City shall review it and its supplemental documentation for, among other things, evidence (including proof of CTA's expenditures) satisfactory in form and substance to DPD that the CTA incurred and paid TIF-Eligible Expenditures in an amount that equals or exceeds the amount of City Funds agreed to herein.

(d) The City will pay CTA the requested amount of the City Funds not later than 90 days after DPD received the Disbursement Request; provided, however, that if DPD informs the CTA in writing (e.g., by email) within that 90-day period of any questions or comments it has about the Request or the supplemental documentation, such notice by DPD automatically extends the 90-day payment window to 90 days after DPD receives supplemental information satisfactory to DPD.

(e) The CTA will notify the City when the total project is complete.

SECTION 6. TERM

The term of this Agreement ("Term") shall commence on the Effective Date and shall expire on _____ or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 7. ENVIRONMENTAL MATTERS; SAFETY; INSPECTION

(a) The City makes no covenant, representation or warranty as to the environmental condition of the Project or the suitability of the Project for any public rapid transit use whatsoever.

(b) Nothing in this Agreement will be deemed to make the City responsible for the safety and protection of the public in connection with the Project.

(c) The City reserves the right to inspect the Project from time to time while it is being undertaken or after its completion.

SECTION 8. INSURANCE

The CTA is self-insured. During the term of this Agreement, the CTA shall provide and maintain, at the CTA's own expense, or cause to be provided, insurance or self-insurance equivalent to the coverages and requirements specified in Exhibit D, attached hereto, concerning all operations related to this Agreement.

SECTION 9. EMPLOYMENT OBLIGATIONS

9.01 Employment Opportunity. CTA, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its general contractors, subcontractors or any Affiliate of the CTA operating in connection with the Project (collectively, with CTA, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to CTA and during the period of any other party's provision of services to CTA in connection with the construction of the Project, to the extent not in conflict with CTA's procurement requirements or applicable federal and state law:

Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In

addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity), by Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and by U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation--Effectuation of Title VI of the Civil Rights Act," 49 CFR part 21 at 21.7, the Employer ensures that it will comply with all requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Employer receives Federal assistance awarded by the U.S. DOT or FTA.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq., and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate undertaking any portion of the Project, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

9.02 Construction Worker Hours. If the Project is funded in whole or in part with federal grant dollars, CTA will implement affirmative action requirements or goals for all Project that impose construction worker hours participation by utilization of minorities and women, respectively.

9.03 [intentionally omitted.]

9.04 CTA's DBE Commitment. The CTA agrees to require all contractors to comply with applicable DBE requirements provided in the contracts related to the Project.

SECTION 10. INDEMNIFICATION

Except for the City's own negligence or wrongful acts, the CTA shall release, indemnify and hold harmless, to the maximum extent permitted by law, the City and its officials, employees and agents (the "City Indemnitees") from and against any and all claims, suits, liabilities, losses and damages, including court costs and attorneys' fees and expenses incidental thereto, of whatever nature, arising out of or in connection with the CTA's construction of the Project, and any failure of performance or negligent or wrongful performance by the CTA, or any contractor or

CTA hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CTA in no way limit CTA's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CTA under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CTA is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CTA must require Contractor and subcontractors to provide the insurance required herein, or CTA may provide the coverages for Contractor and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of CTA unless otherwise specified in this Agreement.

If CTA, any Contractor or subcontractor desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.
