NOW THEREFORE, in consideration of the covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. INCORPORATION OF RECITALS AND EXHIBITS.

1.1. Incorporation of Recitals. The recitals set forth above constitute an integral part of this Agreement and are incorporated herein by this reference with the same force and effect as if set forth herein as agreements of the parties.

1.2. Incorporation of Exhibits. The following exhibits are incorporated into and made a part of this Agreement:

Exhibit A	Map of Riverwalk
Exhibit B	Depiction of Licensed Area
Exhibit C-1	Depiction of Adjacent Space
Exhibit C-2	Rendering of Improvements
Exhibit D	Projection Art Plan
Exhibit E	Amortization Schedule

SECTION 2. GRANT OF LICENSE; RESERVATIONS.

2.1 Grant of License. Subject to the terms and conditions set forth herein, the City hereby grants to the Licensee a license to use the Licensed Area for the Permitted Use, and for no other purpose. The license granted hereunder extends to, and Licensee shall be responsible for, its

agents, employees, contractors, subcontractors, consultants and invitees (each, a “Licensee Party” and collectively, the “Licensee Parties”). The Licensee acknowledges and agrees that the Licensee shall not hold or claim at any time an interest or estate of any kind whatsoever in the Licensed Area by virtue of this Agreement or by virtue of the Licensee’s use of the Licensed Area. The City hereby grants Licensee and its successors and permitted assigns a non-exclusive right of access in and through the common areas of the Riverwalk for ingress and egress to the Licensed Area for the use, installation, repair, and maintenance of the Licensed Area and any equipment or utilities which exclusively service the Licensed Area but which are staged outside of the Licensed Area, subject to Section 5.4 (in the case of construction and installation) and provided further that, except in the case of emergencies, Licensee shall first give notice to the City of Licensee’s desire to use the Riverwalk to ensure there is no conflicting use at such time. In the event of a conflict, Licensee and 2FM shall cooperate with each other to schedule a different time for the activity. Licensee shall not use common areas, including areas adjacent to the Licensed Area, for any purpose other than ingress and egress and for the use, installation, repair, and maintenance of the Licensed Area and any equipment or utilities which exclusively service the Licensed Area but which are staged outside of the Licensed Area, and any such use thereof shall be subject to the terms of this Agreement. While engaging in any such use, to the greatest extent possible, Licensee shall utilize commercially reasonable efforts to (a) not unreasonably obstruct the public’s access to the Riverwalk, and (b) avoid unreasonable disruption to activities and operations occurring on the Riverwalk. The City also grants Licensee and its successors and permitted assigns a non-exclusive right of access in and through the Adjacent Space in order to maintain the ductwork in the ceiling of the warming kitchen, subject to the foregoing notice and conflict provisions applicable to the common areas of the Riverwalk. In connection with its use of the Licensed Area for the Permitted Use, Licensee shall comply with the reasonable recommendations of the Civic Advisory Council (as defined in Exhibit D) with respect to community relations, logistics and budgeting.

2.2 City’s Right to Terminate. The failure to produce at least one Projected Art Installation over a period of twenty-four (24) consecutive months shall be deemed to be and constitute a default by Licensee (excluding delays resulting from casualty, condemnation or force majeure), and the City shall have the right to terminate this Agreement for such default under Section 10.

2.3 Rights Reserved by the City. The execution of this Agreement does not give the Licensee any other right with respect to the Licensed Area. Any rights not expressly granted to the Licensee through this Agreement are reserved exclusively to the City. Without limiting the generality of the foregoing, the City has the rights set forth below, each of which the City may exercise without notice to Licensee. The City’s exercise of any such rights is not deemed to constitute a breach of this Agreement or a disturbance of Licensee’s use of the Licensed Area. The City’s exercise of any such rights does not give rise to any claim. Notwithstanding anything to the contrary contained herein, the City’s exercise of any such rights shall not unreasonably interfere with Licensee’s access to the Licensed Area or unreasonably disturb Licensee’s use of the Licensed Area, provided, however, Licensee acknowledges and agrees that the City’s exercise of such rights may temporarily prevent access and use. The rights include the rights to:

- (a) install, affix and maintain any and all signs throughout the Riverwalk;

(b) decorate or make repairs, inspections, alterations, additions, or improvements, whether structural or otherwise, in and about the Riverwalk and for such purposes to enter upon the Licensed Area, and during the continuance of any of the work, to temporarily close doors, entryways, public space and corridors in the Riverwalk, and to interrupt or temporarily suspend services or use of facilities, all without affecting any of Licensee's obligations under this Agreement, so long as the Licensed Area is reasonably accessible and usable;

(c) approve the weight, size and location of heavy equipment in and about the Licensed Area and to require all such items to be moved into or out of the Riverwalk and the Licensed Area only at the times and in the manner as the Commissioner of 2FM ("Commissioner") directs in writing. Movements of Licensee's property into or out of the Riverwalk or the Licensed Area and within the Riverwalk are entirely at the risk and responsibility of Licensee, and the Commissioner reserves the right to require permits before allowing any property to be moved into or out of the Riverwalk or the Licensed Area;

(d) erect, use and maintain pipes, ducts, wiring and conduits, and appurtenances to them, in and through the Licensed Area at reasonable locations;

(e) enter the Licensed Area for the purpose of periodic inspection for fire protection, maintenance and compliance with the terms of this Agreement, and exercise any rights granted to the City or retained by the City in this Agreement; except in the case of emergency, however, the right shall be exercised upon reasonable prior notice to Licensee and with an opportunity for Licensee to have an employee or agent present;

(f) grant to any person the right to conduct any business or render any service in or to the Riverwalk;

(g) promulgate from time to time rules and regulations regarding the operations at the Riverwalk; and

(h) provide programming events in the Riverwalk common areas under existing or future City programs, including but not limited to, programming or events managed by DCASE.

SECTION 3. TERM.

3.1 Initial Term. The initial term of this Agreement ("**Initial Term**") is thirty (30) years, commencing upon the Effective Date, unless sooner terminated or extended under the provisions of this Agreement.

3.2 Extension Terms. The parties may mutually agree to extend the Initial Term for two (2) consecutive periods of ten (10) years each (each, an "**Extension Term**," and collectively the "**Extension Terms**"), as follows: Licensee shall give the Commissioner written notice of its desire

to extend the Initial Term or the first Extension Term, as the case may be (“**Extension Notice**”) not less than one hundred eighty (180) days prior to the expiration of the Initial Term or the first Extension Term, as applicable. The Commissioner shall have thirty (30) days to either approve or deny the request to extend. If the Commissioner does not respond within such 30-day period, the request shall be deemed denied. If the Commissioner agrees to one or both extensions, each such Extension Term shall be upon the same terms and conditions as provided for in the Initial Term. If Licensee does not deliver an Extension Notice within the time specified or the Commissioner denies the request to extend, Licensee's option to extend shall terminate, and this Agreement shall expire as of the end of the Initial Term or the first Extension Term, as the case may be. The words “Term” or “Term of this Agreement” shall include the Extension Terms, if Licensee requests and the City approves such extensions, as provided herein.

SECTION 4. LICENSE FEE AND UTILITIES.

4.1 License Fee. Licensee shall pay a fee for the Licensed Area in the amount of One Dollar (\$1.00) for the Term or any Extension Terms, with the receipt and sufficiency of said sum hereby acknowledged by both parties.

4.2 Utilities. As of the Effective Date, utilities do not serve the Licensed Area. Licensee shall provide and pay for all utilities that Licensee may require for the Permitted Use. All utilities shall be separately metered for usage within the Licensed Area. All utility lines and facilities shall be designed and installed in accordance with all applicable Laws (as hereinafter defined), and shall be approved by 2FM prior to installation. If at any time the Licensee's utility facilities fail to comply with applicable Law, Licensee shall, on notice from the City, cause repairs to be made so that Licensee is in compliance with this requirement. In addition to payment for utility service, Licensee shall maintain all electrical cables, conduits, wiring, fire alarm systems, electrical panels and associated equipment located within and exclusively serving the Licensed Area. Where utility lines serve both the Licensed Area and other areas of the Riverwalk, Licensee shall maintain those branch lines and facilities that exclusively serve the Licensed Area. Where utility lines are for the exclusive service of the Licensed Area, Licensee shall maintain the utility lines from the Licensed Area up to the main entry point of the utility to the Riverwalk. Alternatively, the City may, at 2FM's sole discretion, maintain such utility lines and charge Licensee the reasonable cost of the maintenance. The City, at its expense shall maintain all utility lines that provide utility service up to the Licensed Area.

SECTION 5. CONDITION OF LICENSED AREA, IMPROVEMENTS, SURRENDER.

5.1 Licensee's Duty to Maintain Licensed Area. Licensee shall, at Licensee's sole cost and expense, keep the Licensed Area in a condition of good order and repair, and in compliance with all applicable present and future federal, state and local laws, ordinances, orders, rules, regulations and requirements which may be applicable to the Licensed Area or to the use of the Licensed Area (collectively, “**Laws**”), including, without limitation, all fire, safety, building and electrical codes. Licensee has no duty to maintain any common areas on the Riverwalk or the adjacent walls to the Licensed Area. In addition to any other remedies available to the City, if Licensee fails to make needed repairs or undertake required maintenance within thirty (30) days after receiving notice from the Commissioner (or such shorter time as may be required due to

health or safety reasons), the City, at the City's option, may either undertake the required repairs or maintenance through a City contractor or its own forces and charge Licensee the reasonable cost thereof, or the City may immediately terminate this Agreement by providing the Licensee with written notice thereof. The City shall have a right of access to the Licensed Area for the purpose of inspecting and making repairs to the Licensed Area, provided that, except in the case of emergencies, the City shall first give notice to Licensee of the City's desire to enter the Licensed Area and the City will schedule its entry so as to minimize any interference with Licensee's use of the Licensed Area. Any damage to the Riverwalk or property of others arising out of Licensee's failure to perform its maintenance obligations is subject to Licensee's indemnification obligations under Section 7.3.

5.2 Licensee's Duty to Maintain Improvements and Projection System. Licensee shall maintain and repair (including replacements, where necessary) the Improvements and Projection System in good condition and repair and so as to meet the highest standards of safety, and in accordance with all applicable Laws, insurance requirements or applicable industry standards, whichever is more restrictive.

5.3 Use of the Licensed Area. Licensee covenants that Licensee shall use the Licensed Area for the Permitted Use and for no other purpose. Licensee shall not use the Licensed Area in a manner that would violate any Laws.

5.4 Licensee's Improvement Obligations. Licensee shall complete or cause to be completed the Improvements, and install or cause to be installed the Projection System, in accordance with plans and specifications which are approved, in writing, by the City's Commissioner ("**Plans and Specifications**") and in accordance with all applicable Laws. No construction may take place until the Commissioner has approved the Plans and Specifications. No more than sixty (60) days following the Effective Date and prior to commencing any work in the Licensed Area, Licensee shall submit to 2FM for approval a schedule for the construction of the Improvements, together with a plan detailing measures the Licensee will take to minimize interference with the public's access to the Riverwalk. Such approval will not be unreasonably withheld and will be given within thirty (30) days of any submission to 2FM for review. All work performed in connection with the Improvements and the Projection System shall be performed (a) pursuant to subcontracts which require that all major subcontractors provide a letter of credit or performance bond in favor of the City guaranteeing full and complete performance of the work to be done pursuant to such contracts, and (b) pursuant to "no lien" contracts so that no mechanic's or materialmen's lien of any kind attaches to the City's title or interest in the Licensed Area. Any additions and improvements to the Licensed Area shall be without cost to the City and shall become the property of the City at the expiration or earlier termination of this Agreement, excluding the floating box, Projection System and other items required to be removed under Section 5.9, which Licensee covenants and agrees to remove in accordance with Section 5.9.

5.5 Limited Applicability. Approval of the Plans and Specifications by the Commissioner does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Licensed Area, or the compliance of said improvements with any Laws.

5.6 Inspection of Improvements in Progress. 2FM has the right to enter upon the Licensed Area for the purposes of inspecting the Improvements in progress, ensuring that Licensee's construction complies with the Plans and Specifications, and rejecting any construction that does not so conform. At all times during the work, Licensee shall have on file with 2FM and on the construction site for inspection a copy of the approved Plans and Specifications. Licensee shall immediately begin to reconstruct or replace and diligently pursue to completion, at its sole cost and expense, during or after completion of the work, any work that 2FM notifies Licensee has not been performed in accordance with the Plans and Specifications as approved by the Commissioner.

5.7 Notice of Substantial Completion and Inspection. Licensee shall notify 2FM upon substantial completion of the Improvements in order for 2FM to schedule a representative to inspect the Improvements. On the scheduled inspection date, 2FM will perform a final inspection of the Improvements for compliance with the Plans and Specifications and will, not later than 10 days after inspection, provide a punchlist to Licensee describing in sufficient detail any discrepancies between the Improvements and the Plans and Specifications. Licensee shall cause all discrepancies (other than those approved by the Commissioner as variances) to be reconstructed, replaced or repaired in substantial accordance with the Plans and Specifications.

5.8 Post-Construction Documentation. Licensee shall submit a complete set of "as-built" drawings to the Commissioner within 30 days after the date the Commissioner authorizes Licensee to begin the Permitted Use in the Licensed Area. The as-built drawings and documentation are and become the property of the City, except to the extent of any intellectual property reflecting Licensee's trademarks, trade names or trade dress contained in them.

5.9 Return of the Licensed Area. On the expiration or other termination of this Agreement, Licensee shall promptly return the Licensed Area to the City in good condition and repair, excluding ordinary wear and tear. Licensee shall remove the Projection System and any other personal property and trade fixtures from the Licensed Area within thirty (30) days following the date of expiration or termination. Licensee shall not remove any permanent improvements constructed on the Licensed Area or any fixtures without the City's prior written approval or permission; provided, however, so long as this License is not being terminated by the City pursuant to Section 11.10 hereof, Licensee shall remove the floating box housing the Projection Equipment and repair any damage to the Licensed Area or the Riverwalk caused by such removal or the removal of any personal property or trade fixtures. All such removal and repair required of Licensee pursuant to this Section 5.9 shall be at Licensee's sole cost and expense. If, within sixty (60) days following the expiration or other termination of this Agreement, Licensee fails to remove any items required to be removed by Licensee hereunder or fails to repair any resulting damage, then the City may remove said items and deliver them to any other place of business of Licensee or warehouse the same, and repair any resulting damage, and Licensee shall pay to the City on demand the cost of any such removal, delivery, warehousing and repair, together with interest thereon at the rate of 12% per annum (the "**Default Rate**") from and after the date such costs were incurred until receipt of full payment therefor, or the City may treat such property as being conveyed to it with this License as a bill of sale, without further payment or credit by the City to Licensee.

SECTION 6. ASSIGNMENT, SUBLICENSE, AND LIENS

6.1 Assignments and Sublicenses. Licensee may assign this License in whole to: (a) a corporation with ownership identical to that of Licensee; (b) a wholly-owned subsidiary of Licensee; or (c) an entity whose financial strength and reputation are similar to that of the Licensee, as reasonably determined by the City (each, a "Permitted Transferee"), without the City's consent provided in each instance that: (i) Licensee shall notify the City at least thirty (30) days prior to the effective date of such assignment of its intention to enter into such a transaction; (ii) if requested by the City, such Permitted Transferee shall execute an instrument, in form reasonably acceptable to the City, expressly assuming and agreeing to perform each and every obligation of Licensee; (iii) Licensee is not at such time, and such Permitted Transferee on the effective date of such assignment will not be in default hereunder; (iv) Permitted Transferee will prepare an acceptable City of Chicago Economic Disclosure Statement and Affidavit (or the current equivalent form); and (v) the Permitted Transferee shall continue the specific use of the Licensed Area permitted by this Agreement and all of the terms and conditions of this Agreement shall remain unchanged. Except for assignments to Permitted Transferees in accordance with the forgoing, Licensee shall not assign this Agreement in whole or in part or enter into any sublicense agreement without the City's prior written consent. Any attempted sublicense, assignment or other use of the Licensed Area without the prior written consent of the City shall be void and confer no rights on any third party and shall constitute a default under this Agreement

6.2 Licensee's Covenant against Encumbering Title. Licensee shall not do any act which shall in any way encumber the fee simple estate of the City in and to the Licensed Area, nor shall the interest or estate of the City in the Licensed Area be in any way subject to any claim by way of lien or encumbrance, whether by operation of law or by virtue of any express or implied contract by Licensee.

6.3 Licensee's Covenant against Liens. Licensee shall not permit any mechanics' lien for labor or materials furnished or alleged to have been furnished to it to attach to any portion of the Licensed Area or the Riverwalk. In case of any such lien attaching, Licensee shall within thirty (30) days of receiving notice of the lien pay and remove such lien or furnish security or indemnify the City in a manner satisfactory to the City in its reasonable discretion to protect the City against any defense or expense arising from such lien. Licensee shall deliver notice to the Commissioner of any such lien or claim within 30 days after Licensee has knowledge of it. Except during any period in which Licensee appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Licensee shall promptly pay any judgment rendered against Licensee, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Licensee fails to pay and remove any lien or contest such lien, in accordance herewith, the City, at its election, may, but is not obligated to, pay and satisfy same, and all sums so paid by the City, with interest from the date of payment at the Default Rate.

SECTION 7. INSURANCE AND INDEMNIFICATION.

7.1 Insurance. The Licensee shall procure and maintain at all times, at Licensee's own expense, during the Term of this Agreement, the insurance coverages and requirements specified

below, insuring all operations related to this Agreement. The kinds and amounts of insurance required are as follows:

(a) Workers Compensation and Employers Liability Insurance. Workers Compensation as prescribed by applicable law, covering all employees who have access to the Licensed Area under this Agreement, and Employer's Liability Insurance with limits of not less than \$500,000 each accident, illness or disease.

(b) Commercial Liability Insurance. (Primary and Umbrella). Commercial General Liability Insurance or equivalent, with limits of not less than \$2,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All Licensed Area and operations, products/completed operations, defense, separation of insureds, and contractual liability (not to include Endorsement CG 21 39 or equivalent).

The City of Chicago, its employees, elected officials, agents, and representatives shall be named as additional insureds under the policy. The additional insured coverage shall not have any limiting endorsements or language under the policy such as, but not limited to, Licensee's sole negligence or the Additional Insured's vicarious liability. Licensee's liability insurance shall be primary without right of contribution by any other insurance or self-insurance maintained by or available to the City.

(c) Automobile Liability Insurance (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with this Agreement, Licensee shall provide and maintain Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence, for bodily injury and property damage. The City of Chicago shall be named as an additional insured on a primary, non-contributory basis.

The Licensee shall be responsible for all loss or damage to the Projection System and any other personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by the Licensee.

7.2 Other Terms of Insurance.

(a) Licensee will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Suite 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term. Licensee shall submit evidence of insurance prior to execution of this Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements in this Agreement. The failure of the City to obtain certificates or other insurance evidence from Licensee shall not be deemed to be a waiver by the City. The Licensee shall advise all insurers of this Agreement's provisions regarding insurance. Non-conforming insurance

shall not relieve Licensee of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement and the City retains the right to terminate or suspend this Agreement until proper evidence of insurance is provided.

(b) Licensee shall provide for prior written notice of at least 30 days to be given to the City in the event coverage is canceled or non-renewed.

(c) Any and all deductibles or self-insured retentions on Licensee's insurance coverages shall be borne by Licensee.

(d) Licensee hereby grants to the City a waiver of any right of subrogation which any insurer of Licensee may acquire against the City by virtue of the payment of any loss under the insurance. Licensee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

(e) The City hereby grants to Licensee a waiver of any right of subrogation which the City or any insurer of the City may acquire against the Licensee by virtue of the payment of any loss under the insurance. The City agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Licensee has received a waiver of subrogation endorsement from the insurer(s).

(f) Licensee expressly understands and agrees that any coverages and limits furnished by Licensee shall in no way limit Licensee's liabilities and responsibilities specified within this Agreement or by law.

(g) Licensee expressly understands and agrees that its insurance is primary and any insurance or self-insurance programs maintained by the City shall not contribute with insurance provided by Licensee.

(h) The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

(i) If Licensee is a joint venture or limited liability company, the insurance policies shall name the joint venture or limited liability company as a named insured.

(j) Notwithstanding any provision to the contrary, the City of Chicago, Department of Finance, Office of Risk Management, maintains the rights to modify, delete, alter or change these requirements at any time during the Term of this Agreement if inconsistent with the then market requirements and shall be done no more than once per term.

7.3 Licensee's Indemnification and Release. The City shall have no liability or responsibility for damage or loss to any property or injury or death to any persons on or about the Licensed Area, nor for any injury or damage to any property of Licensee contained therein, unless such injury or damage is caused solely by the City's gross negligence or willful misconduct. Licensee agrees to assume all risk of damage or loss to property and injury or death to persons by reason of or incident to the use of the Licensed Area, or the activities conducted by Licensee under this Agreement. Licensee expressly waives all claims against the City for any such loss, damage, personal injury or death caused by or occurring as a consequence of such use of the Licensed Area or the conduct of activities under this Agreement except to the extent caused solely by the City's gross negligence or willful misconduct. Licensee agrees to indemnify, defend (through an attorney reasonably acceptable to the City) and hold the City, its officers, agents and employees harmless from and against any and all debts, liens, claims, causes of action, demands, complaints, legal or administrative proceedings, losses, damages, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses, consultants' and experts' fees and expenses and court costs) incurred in connection with, arising out of or incident to: (a) any act or omission of Licensee or any of the Licensee Parties in connection with the Licensed Area or use thereof, (b) any breach by Licensee in connection with this Agreement, (c) Licensee's performance of or failure to perform any of Licensee's obligations under this Agreement, (d) Licensee's violation of any applicable Laws, or (e) Licensee's use of the Licensed Area or any activities conducted or services furnished in connection with or pursuant to this Agreement. The foregoing release and indemnity shall survive any termination of this Agreement.

SECTION 8. DAMAGE OR DESTRUCTION.

If the Licensed Area is damaged, destroyed, or sustains a casualty to such extent that Licensee cannot continue to occupy or conduct its normal business therein, or if, in Licensee's opinion, the Licensed Area is rendered unusable, Licensee shall have the option to declare this Agreement terminated as of the date of such damage or destruction by giving the City prior written notice of at least thirty (30) days.

SECTION 9. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS.

9.1 Conflict of Interest. No official or employee of the City, nor any member of any board, commission or agency of the City, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Licensed Area; nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Agreement.

9.2 Duty to Comply with Governmental Ethics Requirements. The City and Licensee shall comply with Chapter 2-156 of the Municipal Code, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract, as an inducement for the award of that contract or order. Any contract or Agreement negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable in the sole discretion of the City.

SECTION 10. PERFORMANCE AND BREACH.

10.1 Events of Default by Licensee. The occurrence of any one or more of the following shall constitute a default under this Agreement:

(a) the failure of Licensee to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Licensee under this Agreement;

(b) the making or furnishing by Licensee of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement or another document) which is untrue or misleading in any material respect as of the date made;

(c) the creation (whether voluntary or involuntary) of, or any attempt to create, any mechanic's, laborer's, material supplier's, or any other lien or encumbrance unauthorized by this Agreement (unless bonded or insured over) upon the Licensed Area or the Riverwalk, including any fixtures now or hereafter attached thereto, or the making or any attempt to make any levy, seizure or attachment thereof;

(d) the commencement of any proceedings in bankruptcy by or against Licensee or for the liquidation or reorganization of Licensee, or alleging that Licensee is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Licensee's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Licensee; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an event of default unless such proceedings are not dismissed within one hundred eighty (180) days after the commencement of such proceedings;

(e) the appointment of a receiver or trustee for Licensee, for any substantial part of Licensee's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Licensee; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an event of default unless such appointment is not revoked or such proceedings are not dismissed within one hundred eighty (180) days after the commencement thereof; and

(f) the dissolution of Licensee.

10.2 Events of Default by City. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement shall constitute a default under this Agreement.

Any notice, demand or communication given pursuant to either clause (a) or (b) hereof shall be deemed received upon such personal service or upon confirmed transmission by email, respectively, provided that such email transmission is confirmed as having occurred prior to 5:00 p.m. on a business day. If such transmission occurred after 5:00 p.m. on a business day or on a non-business day, it shall be deemed to have been given on the next business day. Any notice, demand or communication given pursuant to clause (c) shall be deemed received on the business day immediately following deposit with the overnight courier. Any notice, demand or communication sent pursuant to clause (d) shall be deemed received three (3) business days after mailing. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, demands or communications shall be given. The refusal to accept delivery by any party or the inability to deliver any communication because of a changed address of which no notice has been given in accordance with this Section 11.1 shall constitute delivery.

11.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Agreement shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Agreement shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Agreement shall be valid and in force to the fullest extent permitted by law.

11.3 Governing Law. This Agreement shall be construed and be enforceable in accordance with the laws of the State of Illinois. Each party irrevocably agrees that all judicial actions or proceedings in any way, manner or respect, arising out of or from or related to this Agreement shall be litigated only in courts within Chicago, Illinois. Each party hereby consents to the jurisdiction of any local, state or federal court located within Chicago, Illinois, and hereby waives any objections each party may have based on improper venue or forum non conveniens to the conduct of any proceeding instituted hereunder. Neither party waives any right to seek a jury trial, if such right is available.

11.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Agreement. This Agreement contains the entire agreement between

the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

11.5 Captions and Section Numbers. The captions and section numbers appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Agreement nor in any way affect this Agreement.

11.6 Binding Effect. The covenants, agreements, and obligations contained in this Agreement shall extend to, bind, and inure to the benefit of the parties hereto and their permitted successors and assigns. Nothing contained in this section, however, constitutes approval of an assignment or other transfer by Licensee not otherwise permitted in this Agreement.

11.7 Time is of the Essence. Time is of the essence of this Agreement and of each and every provision hereof.

11.8 No Principal/Agent or Partnership Relationship. Nothing contained in this Agreement shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

11.9 Authorization to Execute Agreement. The parties executing this Agreement hereby represent and warrant that they are duly authorized and acting representatives of the City and Licensee respectively and that by their execution of this Agreement, it became the binding obligation of the City and Licensee respectively, subject to no contingencies or conditions except as specifically provided herein.

11.10 Termination of Agreement. The City and Licensee shall have the right to terminate this Agreement without penalty by providing each other with prior written notice of at least One Hundred Eighty (180) days any time after execution of this Agreement; provided that, except in the event of default, if the City terminates the License, the City shall reimburse Licensee for the undepreciated portion of the original costs of said Improvements and said Projection System based on straight-line depreciation from (a) the date of completion of said Improvements over a period of thirty (30) years, and (b) the date of installation of said Projection System over an imputed estimated life as mutually agreed upon by the Parties and set forth in Exhibit E attached hereto. Upon such reimbursement, the Improvements and the Projection System shall be transferred to and become the property of the City, but the City may not use the Projection System on the Merchandise Mart without the express consent of Licensee, which may be withheld or conditioned in its sole discretion. Notwithstanding the foregoing, the City shall have no obligation to reimburse Licensee for the undepreciated cost of the Improvements or the Projection System unless Licensee has provided the City with an itemized breakdown of final and total construction costs and equipment costs within one hundred twenty (120) days after completion of construction of the Improvements and installation (or upgrading in accordance with Section 12.1) of the Projection System, together with proof of payment thereof.

11.11 Force Majeure. When a period of time is provided in this Agreement for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays

due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

11.12 Amendments. From time to time, the parties hereto may administratively amend this Agreement with respect to any provisions reasonably related to Licensee's use of the Licensed Area and/or the City's administration of this Agreement, including but not limited to, changes to the Projection Art Plan and the expansion, reduction or relocation of the Licensed Area; provided, however, no such amendment may extend the Term hereof nor otherwise materially alter the essential provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both the City and Licensee. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Agreement and all other provisions of this Agreement shall otherwise remain in full force and effect.

11.13 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original but all of which shall together constitute one and the same instrument. A telecopy or facsimile signature of any party shall be considered to have the same binding effect as an original signature.

11.14 Third Party Beneficiaries. This Agreement is not intended to confer upon any person or entity other than the parties hereto, any rights or remedies hereunder.

11.15 Covenants in Subcontracts. All obligations imposed on Licensee under this Agreement pertaining to the maintenance and operation of the Licensed Area are deemed to include a covenant by Licensee to insert appropriate provisions in all subcontracts covering work under this Agreement and to enforce compliance of all subcontractors with the requirements of those provisions.

11.16 No Waiver. No waiver by the City with respect to any specific default by the Licensee shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Licensee, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing. No waiver by the Licensee with respect to any specific default by the City shall be deemed to be a waiver of the rights of the Licensee with respect to any other defaults of the City, nor shall any forbearance by the Licensee to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the Licensee be deemed to have waived any of its rights and remedies unless such waiver is in writing.

11.17 Cumulative Remedies. The rights and remedies provided for in this Agreement are cumulative and are not exclusive of any rights or remedies that the parties otherwise may have at law, in equity or both, except that the City will not be liable to Licensee for any consequential or special damages whatsoever related to this Agreement.

11.18 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Licensee or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Licensee from the City or any successor in interest or on any obligation under the terms of this Agreement.

11.19 Joint and Several Liability. If Licensee, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then in that event, each and every obligation or undertaking stated in this Agreement to be fulfilled or performed by Licensee is the joint and several obligation or undertaking of each such individual or other legal entity.

11.20 Survival. Any and all provisions set forth in this Agreement that, by its or their nature, would reasonably be expected to be performed after the expiration or termination of this Agreement survive and are enforceable after the expiration or termination. Any and all liabilities, actual or contingent, that have arisen in connection with this Agreement, survive any expiration or termination of this Agreement. Any express statement of survival contained in any section shall not be construed to affect the survival of any other section, which shall be determined under this section.

11.21 Subordination. This Agreement is subordinate to the provisions and requirements of any existing or future agreements between the City and the United States government or other governmental authority, pertaining to the development, operation or maintenance of the Riverwalk, including agreements the City has been or will be required to execute as a condition precedent to the granting of federal or other governmental funds for the development of the Riverwalk. If the United States government requires modifications, revisions, supplements or deletions of any of the terms of this Agreement which do not materially limit Licensee's Permitted Use under this Agreement as reasonably determined by Licensee, then Licensee shall have thirty (30) days to either (a) consent to the changes, or (b) reject the changes and terminate this Agreement effective immediately. However, if the United States government requires any modifications, revisions, supplements or deletions of any of the terms of this Agreement which materially limit Licensee's Permitted Use as reasonably determined by Licensee, then Licensee shall have sixty (60) days to either (a) consent to the changes, or (b) reject the changes and terminate this Agreement effective immediately and the City shall reimburse Licensee for the undepreciated portion of the original costs of said Improvements and said Projection System based on straight-line depreciation from (a) the date of completion of said Improvements over a period of 30 years, and (b) the date of installation of said Projection System over an imputed estimated life as mutually agreed upon by the Parties and set forth in Exhibit E attached hereto. Upon such reimbursement, the Improvements and the Projection System shall be transferred to and become the property of the City, but the City may not use the Projection System on the Merchandise Mart without the express consent of Licensee, which may be withheld or conditioned in its sole discretion. Licensee acknowledges and agrees that any changes relating to the timing and frequency of the projections or other public safety and logistical issues that would be permitted under the Projection Guidelines described in Exhibit D shall not be considered material limitations. To the extent there is a conflict or inconsistency between this Agreement and any such federal agreement, the federal agreement shall govern and control.

11.22 Limitation to Capacity as the Licensor. The parties acknowledge that all references to the “City” herein shall refer only to the City in its capacity as the licensor under this Agreement. The term “City” and the duties and rights assigned to it under this Agreement exclude any action, omission or duty of the City when performing its Governmental Functions. Any action, omission or circumstance arising out of the performance by the City of the City’s governmental functions shall not cause or constitute a default by the City under this Agreement or give rise to any rights or claims against the City in its capacity as the licensor hereunder, it being acknowledged that Licensee’s remedies for any injury, damage or other claim resulting from any such action, omission or circumstances arising out of the governmental functions of the City shall be governed by the laws and regulations concerning claims against the City as a governmental authority.

SECTION 12. ADDITIONAL RESPONSIBILITIES OF LICENSEE.

12.1 Upgrades. Not less than one hundred eighty (180) days prior to the expiration of each Projection System depreciation period during the Term, the parties shall meet to compare the image quality of the then existing Projection System to current state-of-the-art technology and evaluate whether upgrades are desirable. The City and Licensee agree to cooperate in good faith to determine the desirability, type and cost of upgrades. If the parties mutually agree upon such upgrades and the cost thereof, then Licensee shall make such upgrades at its sole cost and expense, and the parties shall adopt a new depreciation schedule. If the parties cannot agree upon the desirability, type or cost of upgrades, then either party may terminate this Agreement upon ninety (90) days’ written notice to the other party and the City shall reimburse Licensee for the net depreciated cost of the Improvements; provided, however, the City shall have no obligation to reimburse Licensee for the net depreciated cost of the Improvements if Licensee has failed to cooperate in good faith with the City to reach agreement, as determined by an independent third-party arbitrator following customary arbitration proceedings. Notwithstanding the foregoing, Licensee shall have the right at any time during the Term to upgrade or replace the Projection System or any component thereof without City consent, provided that the depreciation schedule then in effect shall remain unchanged.

12.2 Security Camera. Upon the request of the Commissioner, Licensee shall purchase and install a security camera and connect the camera feed into a junction box at a location to be determined by the Commissioner. Licensee shall permit the Commissioner to connect the security camera to the Riverwalk security system. Licensee may also connect such camera to its security system at the Merchandise Mart.

12.3 Satisfaction with Condition. The Licensee acknowledges and agrees that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental condition and risks of the Licensed Area and accepts the risk that any inspection may not disclose all material matters affecting the Licensed Area (and any improvements thereon). The Licensee agrees to accept the Licensed Area in its “as is,” “where is” and “with all faults” condition at closing without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Licensed Area or the suitability of the Licensed Area for any purpose whatsoever. The Licensee acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information provided by or on behalf of the City or its agents or employees with respect thereto. The City is not responsible for any

patent or latent defects and has no obligation to perform any alterations, repairs or improvements to the Licensed Area.

12.4 Illegal Activity. Neither Licensee, nor any Licensee Party, shall perform or permit any practice that is illegal or increases the rate of insurance on the Licensed Area.

12.5 Fire Hazard. Licensee shall keep off of the Licensed Area materials, other than the Projection System, which cause a fire hazard or safety hazard and shall comply with reasonable requirements of the City's fire insurance carrier as may be requested from time to time.

12.6 Hazardous Materials. Licensee shall not use or store any Hazardous Substances (defined below) on the Licensed Area. Licensee shall promptly notify 2FM if Licensee discovers any Hazardous Substances on the Licensed Area. As used in this Agreement, the term "**Hazardous Substances**" shall mean any toxic substance, hazardous material, hazardous chemical or hazardous, toxic or dangerous waste defined or qualifying as such in (or for the purposes of) any Environmental Laws (as defined hereunder), or any pollutant, toxic vapor, or contaminant, and shall include, but not be limited to, polychlorinated biphenyls (PCBs), crude oil, any fraction thereof, or refined petroleum products such as oil, gasoline, or other petroleum-based fuels, lead paint, asbestos or asbestos-containing materials, urea formaldehyde, any radioactive material or by-product material, radon and mold. "**Environmental Laws**" shall mean any and all Laws, permits and other requirements or guidelines of governmental authorities applicable to the Licensed Area and relating to the regulation and protection of human health, safety, the environment, natural resources or to any Hazardous Substances, including without limitation, any Laws requiring the filing of reports and notices relating to Hazardous Substances.

12.7 No Religious or Political Use. Licensee shall not allow the Licensed Area to be used for any religious or political purposes.

12.8 Permits. For any activity which Licensee desires to conduct on the Licensed Area in which a license or permit is required, said license or permit shall be obtained by Licensee prior to using the Licensed Area for such activity. 2FM shall be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Agreement. Licensee acknowledges that this Agreement shall not act as a substitute for any permit that may be required.

12.9 Non-Discrimination. Licensee agrees that Licensee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the use or occupancy of the Licensed Area or any part thereof.

12.10 Repairs for Licensee Negligence, Vandalism, or Misuse. Licensee shall assume all responsibility for any repairs to the Licensed Area necessitated by the negligence, vandalism, or misuse of the Licensed Area or equipment therein by Licensee or any Licensee Parties. Licensee may perform such repairs with service providers reasonably suitable to the City and at Licensee's sole cost. In the event Licensee is unwilling or unable to perform said repairs beyond the notice and cure period, the City may perform such repairs subject to full reimbursement to the City by

Licensee of all costs required for such repairs including, but not limited to, labor and material associated with such repairs.

12.11 No Other Rights. This Agreement does not give Licensee any other right with respect to the Licensed Area. Any rights not specifically granted to Licensee by and through this Agreement are reserved exclusively to the City. Execution of this Agreement does not obligate the City in any manner not specified in this Agreement and the City shall not undertake any additional duties or services.

12.12 Security. Licensee shall be responsible for securing the Projection System and any other personal property utilized in connection with the Permitted Use. Licensee acknowledges that the City has no security responsibilities for the Licensed Area, nor will the City be responsible for losses or damage to any property related to or arising out of the Permitted Use.

12.13 Full Liability. Licensee assumes full legal and financial responsibility and liability for any and all uses of the Licensed Area by Licensee and any Licensee Parties, not including the City or employees or agents of the City, entering the Licensed Area.

12.14 Economic Disclosure Statement Affidavit (EDS) Updates. Throughout the Term, Licensee shall provide the City with any material updates to the information previously submitted in Licensee's Economic Disclosure Statement and Affidavit ("EDS"). The City may also request such updates from time to time. Failure to provide such information on a timely basis shall constitute a default under this Agreement.

SECTION 13. LICENSEE DISCLOSURES AND REPRESENTATIONS.

13.1 Business Relationships. The Licensee acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Licensee hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

13.2 Patriot Act Certification. Licensee represents and warrants that neither Licensee nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable

law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Licensee that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Licensee, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership (other than shares owned by the public or sold on a public exchange), a trust, a contract or otherwise.

13.3 Prohibition on Certain Contributions-Mayoral Executive Order No. 2011-4. The Licensee agrees that the Licensee, any person or entity who directly or indirectly has an ownership or beneficial interest in the Licensee of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Licensee's contractors (i.e., any person or entity in direct contractual privity with the Licensee regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Licensee, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

The Licensee represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Licensee, or the date the Licensee approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

The Licensee agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Licensee agrees that the Identified Parties shall not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Notwithstanding anything to the contrary contained herein, the Licensee agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 27 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity

to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If the Licensee intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

(a) “Bundle” means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) “Other Contract” means any other agreement with the City to which the Licensee is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or Agreement of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) “Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are “domestic partners” if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

(1) The partners have been residing together for at least 12 months.

(2) The partners have common or joint ownership of a residence.

(3) The partners have at least two of the following arrangements:

- (A) joint ownership of a motor vehicle;
- (B) joint credit account;
- (C) a joint checking account;
- (D) a lease for a residence identifying both domestic partners as tenants.

(4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) “Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code, as amended.

13.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code, the Licensee warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Agreement is executory, any violation of the Waste Sections by the Licensee, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Commissioner of 2FM. Such breach and default entitles the City to all remedies under this Agreement, at law or in equity. This section does not limit the duty of the Licensee, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Licensee’s eligibility for future contract awards.

13.5 Failure to Maintain Eligibility to do Business with City. Failure by the Licensee or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Licensee shall at all times comply with Section 2-154-020 of the Municipal Code.

13.6 Cooperation with Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. The Licensee understands and will abide by all provisions of Chapter 2-56 of the Municipal Code.

13.7 2014 Hiring Plan Prohibitions.

(a) The City is subject to the June 16, 2014 “City of Chicago Hiring Plan” (as amended, the “2014 City Hiring Plan”) entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District

of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) The Licensee is aware that City policy prohibits City employees from directing any individual to apply for a position with the Licensee, either as an employee or as a subcontractor, and from directing the Licensee to hire an individual as an employee or as a subcontractor. Accordingly, the Licensee shall follow their own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Licensee under this Agreement are employees or subcontractors of the Licensee, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Licensee.

(c) The Licensee will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to the Licensee by a City employee or City official in violation of Section 30.2 above, or advocating a violation of Section 30.3 above, the Licensee will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General (the "OIG"), and also to the head of the relevant City Department utilizing services provided under this Agreement. The Licensee will also cooperate with any inquiries by the OIG.

EXHIBIT D

PROJECTION ART PLAN

Licensee is committed to adding to the vibrant public art already in Chicago – and providing a dramatic cultural attraction for the more than 1.5 million annual visitors to the Chicago Riverwalk. Licensee is eager to welcome this incredible project into the pantheon of iconic public artworks in Chicago. Lighting, illumination, and video and digital art will play an important role in the future of public art in Chicago.

Projections will be dedicated to art and/or (in the City's sole discretion) civic purposes as defined by Licensor, not advertising or messaging. The content may not point to or support specific messages, brands, corporate identifiers, scripts, logos, or other advertising. However, artists may be credited in any presentation. This projection installation aims to provide the residents of Chicago and its visitors with an enhanced public environment and public art experience.

Licensee agrees to work with the City to establish a process for selecting artists and art to be included in the projection programming and to cooperate with the City in determining the operational requirements for the programming, including frequency, duration, public health and safety concerns. The parties agree that Licensee will not be required to provide stipends to artists to entice artists to create artwork for the projections. Below outlines the curatorial process (the Curatorial Advisory Board) and the operational process (the Civic Advisory Board).

Curatorial Advisory Board

Licensee and the City will develop a curatorial process for selecting local, national and international artists to create site-specific projection art. The parties agree that Licensee will not be required to provide stipends to entice artists to create artwork for the projections.

Licensee and the City will establish a Curatorial Advisory Board (the "Board"). The Board will include representatives from Licensee and the City's Department of Cultural Affairs and Special Events ("DCASE"), local cultural and civic institutions and organizations, and local artists.

Licensee and DCASE will submit nominations to each other for artists and organizations to sit on the Board. The commissioner of DCASE and a designated representative from Licensee will select the members of the Board. The Board will be comprised of the following members:

- DCASE representative;
- Licensee representative;
- Two artists
- representatives from two visual arts organizations; and
- representative from one civic organization.

Licensee will manage the functions of the Board, including scheduling and running the Board's meetings, and presenting art submissions to the Board for approval.

The Board will approve all art to be projected by the Licensee.

The Board will review all submissions to ensure artistic integrity, content, and professional standards. The Board will also provide assistance in ensuring a diverse representation of artists, aesthetics, themes and origins that correspond with the mission of presenting compelling and original work free of commercial endorsement and branding.

Licensee may only use approved art in the projections, but has final authority over the selection and sequencing of approved art.

Licensee will create and manage the process for the call for entries of artwork.

The calls for entry, however, will target three distinct communities:

- local cultural institutions presenting mission-aligned work;
- local individual artists presenting original work; and
- international artists presenting original work in a juried competition.

Artist applicants will be offered several template options for their submissions for consideration by the Board, based on presentation complexity, system customization, and software preparation requirements.

Civic Advisory Council

The City and Licensee acknowledge and agree that the central location of the Merchandise Mart on the Chicago River in downtown Chicago combined with large-scale video projections warrant ongoing coordination and discussion among City agencies and key stakeholders. In furtherance of a successful collaboration, the City and Licensee agree to establish a Civic Advisory Council (“Council”) to: solicit community and expert input; establish rules and guidelines for the frequency, duration and timing of projections; evaluate the costs for crowd management, traffic control, public health and safety services, security services and medical emergency services, and to the extent such costs exceed the City’s annual commitment of personnel and resources, consider ways of reducing expenses, such as scheduling adjustments and cost-sharing with the Licensee; and address a variety of related community relations, logistics and budget issues and concerns. The Council will meet periodically and as necessary to address these issues and concerns, and Licensee acknowledges and agrees that its schedule of events may be limited by these issues and concerns. The schedule for Council meetings will be set by DCASE.

The Council will include representatives from the following organizations and agencies:

- DCASE;
- Licensee;
- Chicago Police Department;
- 2FM;
- CDOT;
- 42nd Ward Office;

- Harbor Safety Committee; and
- U.S. Coast Guard.

The Council will create, and amend as necessary, Projection Guidelines. Licensee agrees to follow the Projection Guidelines, including, without limitation, the recommendations of the Council regarding the frequency, duration and timing of projections.

The preliminary Projection Guidelines include the following parameters:

- Minimum of 200 projections per year allowed.
- Projections will be limited to no more than five days a week, and two hours a day.
- There will be no projections in January and February, unless otherwise approved by the Council.
- On business days, projections may begin no earlier than dusk, or the end of rush hour, whichever is later. On weekends, projections may begin earlier if approved by the Council.

The City, acting by and through DCASE and 2FM, and Licensee may amend this Exhibit from time to time by written amendment signed by all parties during the term without City Council approval.
