The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Property Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall ask the County to void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing the same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, Developer shall have the option to terminate this Agreement. If Developer does not elect to terminate this Agreement as aforesaid, then Developer shall be deemed to have accepted title subject to all exceptions.

7.3 Survey. Developer has obtained and provided a Survey of the Property at Developer's sole cost and expense and has delivered a copy to the City no less than seven (7) Business Days before the Property Closing.

Any forbearance by DPD in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

## SECTION 11. CONSTRUCTION REQUIREMENTS.

11.1 Scope Drawings and Plans and Specifications. Developer has delivered the Scope Drawings and Plans and Specifications for the Project to DPD and DPD has approved the same. After such initial approval, subsequent proposed material changes to the Scope Drawings or Plans and Specifications for the Project shall be submitted to DPD as a Change Order pursuant to Section 11.2 hereof. The Scope Drawings and Plans and Specifications for the Project shall at all times conform to the Redevelopment Plan and all applicable Laws. Developer shall construct the Project in accordance with the approved Scope Drawings and Plans and Specifications.

11.2 Change Orders. All Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to a material change to the Project must be submitted by Developer to DPD for DPD's prior written approval. As used in the preceding sentence, a "material change to the Project" means (a) an increase or reduction in the gross or net square footage of the Project by more than 10%; (b) a change in the definition of the Project; (c) a delay in the completion of the Project by more than 120 days or (d) Change Orders that, in the aggregate, increase or decrease the Budget by more than 13%. Developer shall not authorize or permit the performance of any work relating to any Change Order or the furnishing of materials in connection therewith prior to the receipt by Developer of DPD's written approval (to the extent required in this Section 11). The Construction Contract, and each contract between the General Contractor and any subcontractor, shall contain a provision to this effect.

11.3 Performance and Payment Bonds. Prior to the commencement of construction of any portion of the Project involving work in the public way or work that constitutes a "public work" under applicable state law and is required to be bonded under such state law, Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.

11.4 Employment Opportunity; Progress Reports. Developer covenants and agrees to abide by, and contractually obligate and cause the General Contractor and each subcontractor to abide by the terms set forth in Section 24.2 (City Resident Construction Worker Employment Requirement) and Section 24.3 (MBE/WBE Commitment) of this Agreement. Developer shall

Developer shall, at its sole cost and expense, erect and maintain such signs as the City may reasonably require during the Project, identifying the site as a City redevelopment project. Prior to the commencement of any construction activity requiring barricades, Developer shall install barricades of a type and appearance satisfactory to the City and constructed in compliance with all applicable Laws. DPD shall have the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades. Developer shall erect all signs and barricades so as not to interfere with or affect any bus stop or train station in the vicinity of the Property.

11.9 Books and Records. Developer shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the Final Project Cost for the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to Developer's loan statements, if any, General Contractor's and any subcontractor's sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at Developer's offices for inspection, copying, audit and examination by an authorized representative of the City, at Developer's expense. Developer shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by Developer with respect to the Project.

11.10 Survival. The provisions of this Section 11 shall survive the Property Closing.

SECTION 12. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Property, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Property or any part thereof.

#### SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT.

Developer shall commence construction of the Project no later than six (6) months after the Property Closing Date, and shall complete the Project (as evidenced by the issuance of the Certificate of Completion) no later than eighteen (18) months after Property Closing Date; provided, however, DPD, in its sole discretion, may extend the construction commencement and completion dates by up to six (6) months each. The estimated construction schedule for the Project is attached hereto as Exhibit J. Developer shall construct the Project in accordance with this Agreement, the Redevelopment Plan, the Scope Drawings, the Plans and Specifications, the Budget, and all applicable Laws and covenants and restrictions of record.

#### SECTION 14. CERTIFICATE OF COMPLETION OF CONSTRUCTION.

14.1 Upon satisfaction of the requirements set forth in this Section 14 for the Project, and upon Developer's written request, which shall include a final budget detailing the total actual cost of the construction of the Project (the "Final Project Cost"), DPD shall issue to Developer a certificate of completion for the Project ("Certificate of Completion") in recordable form certifying that Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement.

14.2 A Certificate of Completion will not be issued until the following requirements have been satisfied:

- (a) The Project has been fully constructed in accordance with this Agreement.
- (b) [intentionally omitted]

- (d) The City's Monitoring and Compliance Unit has verified in writing that Developer is in full compliance with all City requirements set forth in Section 24.2 (City Resident Construction Worker Employment Requirement) and Section 24.3 (MBE/WBE Commitment) with respect to the Project.
- (e) There exists neither an Event of Default nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

14.3 Within forty-five (45) days after receipt of a written request by Developer for a Certificate of Completion, the City shall provide Developer with either the Certificate of

Completion or a written statement indicating in adequate detail how Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for Developer to take or perform in order to obtain the Certificate of Completion. If the City requires additional measures or acts to assure compliance, Developer shall resubmit a written request for the Certificate of Completion upon compliance with the City's response. The Certificate of Completion shall be in recordable form, and shall, upon recording, constitute a conclusive determination of satisfaction and termination of the covenants in this Agreement and the Deed with respect to Developer's obligations to construct the Project. The Certificate of Completion shall not, however, constitute evidence that Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement, except to the extent otherwise provided by this Agreement.

## SECTION 15. RESTRICTIONS ON USE.

Developer, for itself and its successors and assigns, covenants and agrees as follows:

15.1 Project Completion. Developer shall construct and complete the Project in accordance with this Agreement, the Plans and Specifications and all Laws and covenants and restrictions of record.

15.2 Compliance with the Redevelopment Plan. Developer shall use the Property and cause the Property to be used in compliance with the Redevelopment Plan.

Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the Redevelopment Plan.

Prior to the City's issuance of the Certificate of Completion, as provided herein, Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole and absolute discretion: (a) directly or indirectly sell, transfer, convey, lease or otherwise dispose of all or substantially all of its assets or all or any portion of the Property (including but not limited to any fixtures or equipment now or hereafter attached thereto) or any interest therein or Developer's controlling interests therein, (including, without limitation, a transfer by assignment of any of the beneficial interest under a land trust); (b) directly or indirectly assign this Agreement (an "Assignment") or (c) merge, consolidate or liquidate its business. Developer acknowledges and agrees that DPD may withhold its consent under (a), (b) or (c) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers, members or directors) is in violation of any Laws, or if Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. In the event of a proposed sale, transfer, conveyance, lease or other disposition of all or any portion of the Property prior to the issuance of the Certificate of Completion, Developer shall provide the City copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed purchaser, transferee or assignee, as applicable, regarding this Agreement and such other information as the City may reasonably request. The proposed purchaser, transferee or assignee, must be qualified to do business with the City (including but not limited to anti-scofflaw requirement). In the event of a sale or transfer pursuant to this Section 16.B Developer shall promptly pay a dollar amount equal to the Net Sale Proceeds to the City. Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at the Property Closing, shall execute a subordination agreement in accordance with Section 10.2(m). If any such mortgagee or its affiliate succeeds to Developer's interest in the Property (or any portion thereof) prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and

thereafter transfers its interest in the Property (or any portion thereof) to another party, such transferee shall be obligated to complete the Project (or such portion of the Project located on the land so transferred), and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 18. [intentionally omitted]

(a) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under this Agreement or any related agreement;

(b) the failure of Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of Developer under any other agreement with any person or entity if such failure may have a material adverse effect on Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(e) the commencement of any proceedings in bankruptcy by or against Developer or for the liquidation or reorganization of Developer, or alleging that Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for Developer, for any substantial part of Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against Developer which is related to the Property and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of Developer;

(j) the occurrence of a material and adverse change in Developer's financial condition or operations;

(k) the institution in any court of a criminal proceeding (other than a misdemeanor) against Developer or any natural person who owns a material interest in Developer, which is not dismissed within thirty (30) days, or the indictment of Developer or any natural person who owns a material interest in Developer, for any crime (other than a misdemeanor);

20.3 Cure. If Developer defaults in the performance of its obligations under this Agreement, Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary, there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Property) and Section 17 (Mortgages and Other Liens).

20.4 After Closing. If an Event of Default occurs after the Property Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and pursue and secure any available remedy in any court of competent jurisdiction by any action or proceeding at law or in equity, including, but not limited to, damages, injunctive relief, the specific performance of the agreements contained herein, and the right to revest title to the Property in the City pursuant to the Reconveyance Deed; provided, however, the City's right to revest title in the City pursuant to the Reconveyance Deed shall terminate upon the issuance of the Certificate of Completion, and provided further that the recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Property was owned by Developer, and shall cause the release of all liens or encumbrances placed on the Property during the period of time the Property was owned by Developer other than liens securing Lender Financing. Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Property to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Property to Developer and any subsequent liens or exceptions expressly authorized by this Agreement or approved by DPD in accordance with the terms of this Agreement (collectively, "Default Title Exceptions").

20.5 Resale of the Property. Upon the reconveyance of title to the Property to the City as provided in Section 20.4, the City may, but is not required to complete the Project or convey the Property, subject to any Default Title Exceptions, to a qualified and financially responsible party reasonably acceptable to the first mortgagee (if any), who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 19.

20.6 Disposition of Resale Proceeds. If the City sells the Property as provided for in Section 20.5, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Property (less any income derived by the City from the Property in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Property; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by Developer.

Developer shall be entitled to receive any remaining proceeds up to the amount of Developer's Equity investment in the Property.

#### SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in Developer, this Agreement, the Property or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

#### SECTION 22. INDEMNIFICATION.

Developer agrees to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees and agents (individually, an "Indemnitee," and collectively the "Indemnitees") harmless from and against any and all Losses in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitees shall be designated a party thereto, that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of: (a) the failure of Developer to comply with any of the terms, covenants and conditions contained within this Agreement; (b) the failure of Developer or any Agent of Developer to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) the existence of any material misrepresentation or omission in this Agreement or any other document related to this Agreement that is the result of information supplied or omitted by Developer or any Agent or Affiliate of Developer; (d) Developer's failure to cure any misrepresentation in this Agreement or any other document relating hereto; and (e) any activity undertaken by Developer or any Agent or Affiliate of Developer on the Property prior to or after the Property Closing. This indemnification shall survive the Property Closing and any termination of this Agreement (regardless of the reason for such termination).

#### SECTION 23. ENVIRONMENTAL MATTERS.

23.1 "AS IS" SALE. DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE PROPERTY (AND ANY IMPROVEMENTS THEREON). DEVELOPER AGREES TO ACCEPT THE PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE PROPERTY OR THE SUITABILITY OF THE PROPERTY FOR ANY PURPOSE WHATSOEVER. DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. DEVELOPER AGREES THAT IT IS DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY REMEDIATION WORK (AS DEFINED BELOW) AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. Developer hereby represents and warrants to the City that it has performed a Phase I environmental site assessment ("Phase I ESA") of the Property in accordance with the requirements of the ASTM E 1527-13 standard, and other environmental studies sufficient to conclude that the Project may be completed and operated in accordance with all Environmental Laws and this Agreement. Developer agrees to deliver to the City copies of all Environmental Documents. The obligation of Developer to purchase the Property is conditioned upon Developer being satisfied with the condition of the Property for the construction, development and operation of the Project. The City shall grant Developer the right, at Developer's sole cost and expense, and in the City's customary form and subject to City's receipt from Developer of required documentation (e.g., evidence of insurance and an Economic Disclosure Statement and Affidavit that is current as of the date of the right of entry), to enter the Property to perform the Phase I and any other surveys, environmental assessments, soil tests and other due diligence it deems necessary or desirable to satisfy itself as to the condition of the Property; provided, however, that the City shall have the right to review and approve the scope of work for any environmental testing. If Developer determines that it is not satisfied, in its sole and absolute discretion, with the condition of the Property, it may terminate this Agreement by written notice to the City any time prior to the Property Closing Date, in which event the Escrow Deposit and Performance Deposit shall be returned to Developer and whereupon this Agreement shall be null and void and, except as otherwise specifically provided, neither Party shall have any further right, duty or obligation hereunder. If Developer elects not to terminate this Agreement pursuant to this Section 23.2, Developer shall be deemed satisfied with the condition of the Property.

23.3 Environmental Remediation.

a) City has provided Developer with a Phase I ESA dated January 11, 2017. The Phase I ESA for the Property of such date identified RECs and the City had a Phase II ESA performed to ascertain the presence of any environmental impacts that may be associated with such RECs. The Phase II ESA identified contamination above the I/C remediation objectives as determined by Title 35 of the IAC Part 742. The City also caused to be performed and provided

to Developer a Comprehensive Site Investigation and Remediation Objectives Report and the Remedial Action Plan dated July 21, 2017.

b) Prior to the Property Closing, Developer will provide to the City a Phase I ESA for the Property conducted in conformance with ASTM E- 1527-13 and performed or updated within 180 days prior to the Property Closing. A reliance letter naming the City as an authorized user must be provided by the environmental professional conducting the Phase I ESA. 2FM shall have the right to review and reasonably approve the Phase I ESA and the reliance letter. Any USTs identified must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

c) Prior to the Property Closing, Developer shall enroll the Property in the IEPA's SRP and obtain a RAP Approval Letter for the Property. Developer acknowledges and agrees that the Property Closing will not occur and that it may not commence construction on the Property until the IEPA issues a Comprehensive Remedial Action Plan Approval Letter ("RAP Approval Letter") for the Property.

d) [intentionally omitted]

e) Upon receipt of the RAP Approval Letter for the Property, Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive I/C No Further Remediation Letter ("Final NFR Letter") for the Property using all reasonable means. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto, and Developer's estimate of the cost to perform the Remediation Work. Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final NFR Letter, and the costs of any other investigative and cleanup costs associated with the Property. Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies.

f) On the Property Closing Date, Developer and the Title Company (or such other Escrowee as shall be acceptable to DPD, in its sole discretion) shall have executed a joint order escrow agreement, substantially in the form attached hereto as Exhibit C (the "Escrow Agreement"). Developer shall deposit \$332,250 into the escrow account. Developer acknowledges that the Escrow Deposit shall be used solely to reimburse Developer for the line items shown on Exhibit 4 to the Escrow Agreement (the "Approved Environmental Costs"). Developer acknowledges that (i) the City will not pay for any removal (including, excavation, transportation and disposal), storage, remediation or treatment costs associated with any material from the Property, including any material meeting regulatory criteria of Hazardous Waste, and (ii) Developer is solely responsible for all removal (including, excavation, transportation and disposal), storage, remediation or treatment costs associated with material meeting regulatory criteria of Hazardous Waste, even if those costs exceed \$332,250. Any funds remaining in the environmental escrow account following the Escrowee's payment from the escrow account of the Approved Environmental Costs shall be paid to the City. Developer shall pay all escrow fees.

g) Developer acknowledges and agrees that occupancy of the Property may not occur until a Remedial Action Completion Report has been approved by 2FM and submitted to the IEPA. Developer acknowledges and agrees that the City will not issue a Certificate of Completion until the IEPA has issued, the City has approved (such approval not to be unreasonably withheld), and Developer has recorded with the Cook County Recorder of Deeds, a Final NFR Letter for the Property. Developer must obtain the Final NFR Letter within six (6) months of the submission of the Remedial Action Completion Report to the IEPA. In addition to the other remedies available to the City under Section 20.4, Developer acknowledges and agrees on behalf of itself, its successors and assigns, that if Developer fails to obtain the Final NFR Letter within six (6) months of the submission of the Remedial Action Completion Report to the IEPA, then the City shall have the right to record a notice of default of this Agreement against the Property with the Office of the Recorder of Deeds of Cook County.

h) Developer must abide by the terms and conditions of the Final NFR letter.

23.4 Release and Indemnification. Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City from and against any and all Losses which Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Property Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property, unless the Hazardous Substances migrate from property owned by the City to the Property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA; and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, Developer shall defend (through an attorney reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Developer Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

23.5 Release Runs with the Land. The covenant of release in Section 23.4 shall run with the Property, and shall be binding upon all successors and assigns of Developer with respect to the Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through Developer following the date of the Deed. Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the Property to Developer for the Purchase Price. It is

expressly agreed and understood by and between Developer and the City that, should any future obligation of Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.4 contains a full, complete and final release of all such claims.

23.6 Survival. This Section 23 shall survive the Property Closing or any termination of this Agreement (regardless of the reason for such termination).

## SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, gender identity, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the City.

(c) Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by

the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

#### 24.2 City Resident Employment Requirement.

(a) Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that Developer or Employer hired the employee should be written in after the employee's name.

(f) Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative

thereof. Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual residents of the City of Chicago.

(i) If the City determines that Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual residents of the City of Chicago or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no actual residents of the City of Chicago were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

**24.3 Developer's MBE/WBE Commitment.** Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq.,

Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 26% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 6% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) Developer (and any party to whom a contract is let by Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670 of the Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720 of the Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor); by subcontracting or causing the General Contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with

this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer, on prior notice of at least five (5) business days, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730 of the Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

**24.4 Pre-Construction Conference and Post-Closing Compliance Requirements.** Not less than fourteen (14) days prior to the Property Closing Date, Developer and Developer's General Contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Property Closing. During the construction of the Project, Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to Developer to halt construction of the Project, (y) withhold any further payment of any City funds to Developer or the General Contractor, or (z) seek any other remedies against Developer available at law or in equity.

## SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of Developer. To induce the City to execute this Agreement and perform its obligations hereunder, Developer represents, warrants and covenants, as of the Effective Date and as of the RDA Closing Date and the Property Closing Date, that the following shall be true, accurate and complete in all respects:

(a) Developer is an Illinois limited liability company or corporation duly organized, validly existing, and in good standing under the laws of the State of Illinois, with full power and authority to acquire, own and redevelop the Property, and the person signing this Agreement on behalf of Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by Developer (and any legal entity holding an interest in Developer) are true, accurate and complete.

(c) Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement. Developer's execution, delivery and performance of this Agreement, and all instruments and agreements contemplated hereby, have been duly authorized by all necessary action, and do not and will not violate Developer's articles of organization or operating agreement (as amended and supplemented), or any applicable Laws, nor will such execution, delivery and performance, upon the giving of notice or lapse of time or both, result in a breach or violation of, or constitute a default under, or require any consent under, any other agreement, instrument or document to which Developer, or any party affiliated with Developer, is a party or by which Developer or the Property is now or may become bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against Developer, or any party affiliated with Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of Developer.

(e) Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) Developer has and shall maintain all Governmental Approvals necessary to conduct its business and to construct, complete and operate the Project.

(g) Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which Developer is a party or by which Developer is bound.

(h) The Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Developer, and there has been no material adverse change in the assets, liabilities, results of operations or

financial condition of Developer since the date of Developer's most recent Financial Statements.

(i) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Property.

(j) Prior to the expiration of the Compliance Period, Developer shall not do any of the following without the prior written consent of DPD, which shall be in DPD's sole discretion: (1) be a party to any merger, liquidation or consolidation; (2) enter into any transaction outside the ordinary course of Developer's business; (3) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; or (4) enter into any transaction that would cause a material and detrimental change to Developer's financial condition.

(k) Prior to the issuance of the Certificate of Completion, Developer shall not do any of the following without the prior written consent of DPD, which shall be in DPD's sole discretion: (1) allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens; or (2) incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Budget.

(l) Developer has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with this Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code.

(m) Neither Developer nor any Affiliate of Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

25.2 Representations and Warranties of the City. To induce Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

25.3 Survival of Representations and Warranties. ## SECTION 28. BUSINESS RELATIONSHIPS.

Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a

"Business Relationship" (as described in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. Developer hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

#### SECTION 29. PATRIOT ACT CERTIFICATION.

Developer represents and warrants that neither Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

#### SECTION 30. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

30.1 Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

30.2 Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached Developer, or the date Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

30.3 Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

30.4 Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

30.5 Notwithstanding anything to the contrary contained herein, Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 30 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

30.6 If Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Property Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

30.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

(i) they are each other's sole domestic partner, responsible for each other's common welfare; and

(ii) neither party is married; and

(iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and

(iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

(v) two of the following four conditions exist for the partners:

- (1) The partners have been residing together for at least 12 months.
- (2) The partners have common or joint ownership of a residence.
- (3) The partners have at least two of the following arrangements:
  - (A) joint ownership of a motor vehicle;
  - (B) joint credit account;
  - (C) a joint checking account;
  - (D) a lease for a residence identifying both domestic partners as tenants.
- (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

### SECTION 31. INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer understands and will abide by all provisions of Chapter 2-55 of the Municipal Code.

### SECTION 32. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, any violation of the Waste Sections by Developer, its General Contractor or any subcontractor, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of DPD. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the duty of Developer, the General Contractor and any subcontractors to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Developer's eligibility for future contract awards.

### SECTION 33. CITY HIRING PLAN.

33.1 The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things,

the City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

33.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

33.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

33.4 In the event of any communication to Developer by a City employee or City official in violation of Section 33.2 above, or advocating a violation of Section 33.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight related to this Agreement.

#### SECTION 34. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

#### SECTION 35. MISCELLANEOUS.

The following general provisions govern this Agreement:

35.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

35.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

35.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

35.4 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

35.5 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

35.6 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

35.7 Force Majeure. Neither the City nor Developer nor any successor in interest to either of them shall be considered in breach of or in default of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

35.8 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

35.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

35.10 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

35.11 Limitation of Liability. No member, official or employee of the City shall be personally liable to Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to Developer from the City or any successor in interest or on any obligation under the terms of this Agreement.

35.12 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

35.13 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

35.14 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

35.15 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

35.16 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each Party agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

Re:    Organization Name  
      Organization Address Line 1  
      Organization Address Line 2

Ladies and Gentlemen:

I have acted as legal counsel for \_\_\_\_\_, a [organization structure] (the "Developer"), in connection with the development of the real property located at \_\_\_\_\_, Chicago, Illinois 606\_\_, as legally described on Exhibit 1 attached hereto (the "Property"), pursuant to the terms of that certain Agreement for the Sale and Redevelopment of Land and Joinder of Certain Property to this Agreement dated as of \_\_\_\_\_, by and between the City of Chicago (the "City") and the Developer (the "Redevelopment Agreement"). I am rendering this opinion at the request of the Developer and acknowledge that the City intends to rely upon this opinion letter.

As a basis for the opinions set forth herein, I have examined:

- A. an executed copy of the Redevelopment Agreement;
- B. the articles of [incorporation/organization], including all amendments thereto, of the Developer, and the articles of organization of the Developer, as furnished and certified by the Secretary of State of the State of Illinois;
- C. the by-laws of \_\_\_\_\_, as certified by the Secretary of the Developer as of \_\_\_\_\_, 20\_\_;
- D. the Certificate of Good Standing dated \_\_\_\_\_, 20\_\_, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of the Developer;
- E. resolutions authorizing the Developer to enter into the Redevelopment Agreement and to consummate the transactions contemplated thereby; and
- F. the commitment for an owner's policy of title insurance, Order No. \_\_\_\_\_, dated \_\_\_\_\_, 20\_\_, (the "Title Commitment"), issued by \_\_\_\_\_ Title Company, regarding the Property.

In my capacity as legal counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

Based upon the foregoing, it is my opinion that:

1. The Developer is a [organizational structure], duly organized, validly existing and in good standing under the laws of the State of Illinois, has made all filings required by the laws of the State of Illinois regarding its formation and continuing existence, and has all requisite authority to carry on its business as described in the by-laws of the Developer and to execute and deliver, and to consummate the transactions contemplated by, the Redevelopment Agreement.

2. Under the by-laws, the President and Secretary of the Developer each has requisite power and authority to execute and deliver the Redevelopment Agreement on behalf of the Developer and all other documents required to be executed by the Developer in connection with the Redevelopment Agreement and to perform its obligations thereunder.

3.
