## Roosevelt & Kostner RFP

### Site Description:

The 20.8-acre site at Roosevelt Road and Kostner Avenue in North Lawndale is the largest piece of vacant land on the West Side of Chicago. A September 2020 Request for Proposals (RFP) issued by the Department of Planning and Development will provide an opportunity to redevelop the property with improvements that benefit community stakeholders.

The primary goal of the RFP is to redevelop this former industrial site with job-generating opportunities for local residents, according to community priorities. Its redevelopment should create opportunities for local wealth creation, either through the participation of local developers in the development and construction and/or partnerships with local organizations, local business tenants, and local property ownership opportunities.

Responses to the RFP are also expected to mitigate potentially negative impacts involving traffic and circulation resulting from construction and future uses. The site should be thoughtfully designed, include public open spaces, and promote community wellness. The RFP includes a development concept that illustrates these priorities.

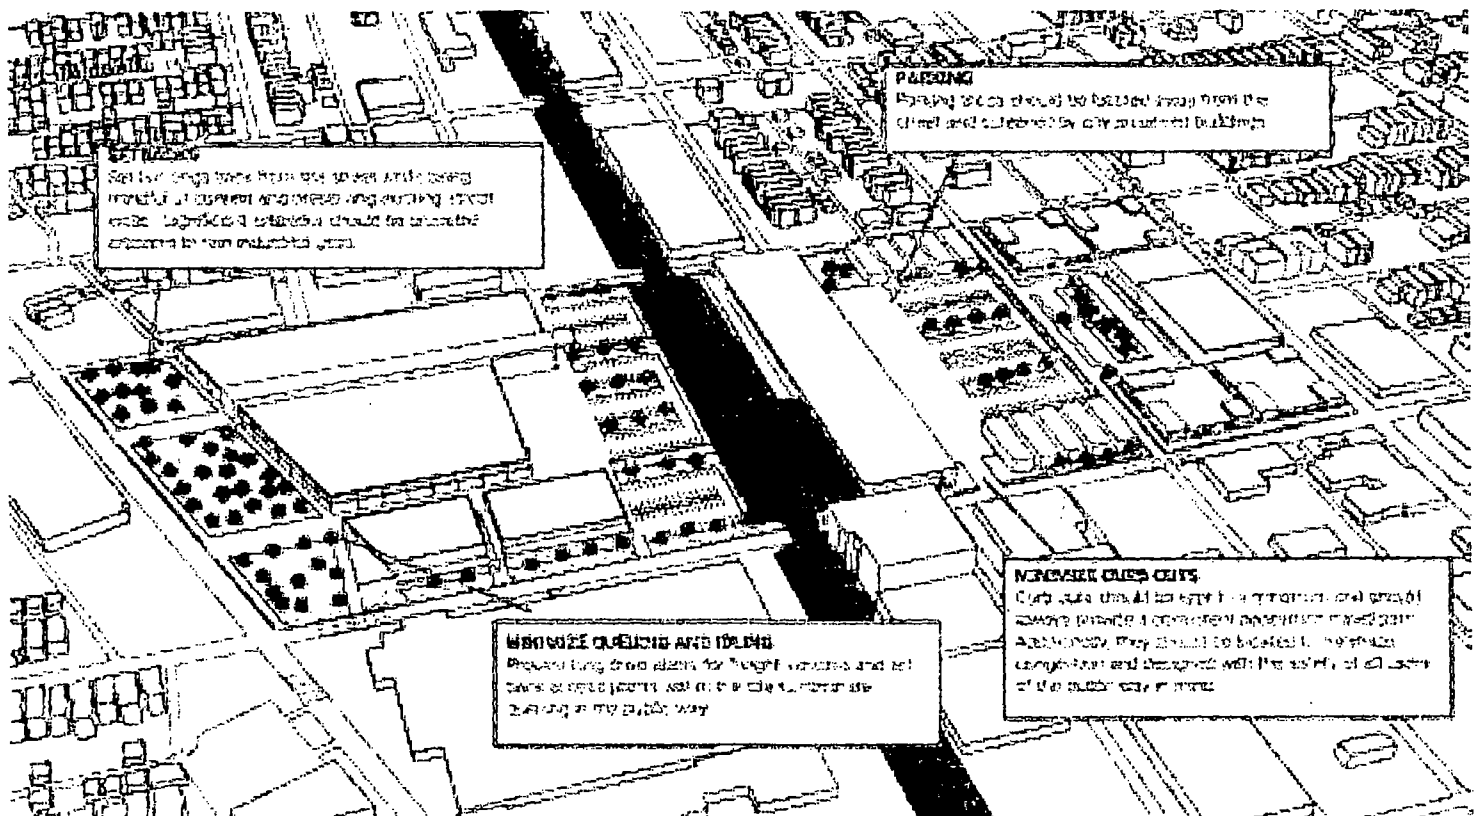

The following one-page summaries provide high-level overviews of the eight responses that were submitted to the Department of Planning and Development pursuant to the RFP.

#### 4300 ROOSEVELT LLC REDEVELOPMENT AGREEMENT

This 4300 Roosevelt LLC Redevelopment Agreement (this "Agreement") is made as of this \_\_\_\_\_ day of \_\_\_\_\_, 202\_\_, by and between the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), and 4300 Roosevelt LLC, an Illinois limited liability company (the "Developer").

#### RECITALS

A. Constitutional Authority. As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority. The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "Act"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority. To induce redevelopment pursuant to the Act, the City Council of the City (the "City Council") adopted the following ordinances on February 5, 1998 and published in the Journal of Proceedings of the City Council ("Journal") for said date at pages 60917 to 61070, inclusive: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Roosevelt/Cicero Redevelopment Project Area" (the "Redevelopment Plan Ordinance"); (2) "An Ordinance of the City of Chicago, Illinois Designating the Roosevelt/Cicero Redevelopment Project Area as a Redevelopment Project Area Pursuant to the Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Roosevelt/Cicero Redevelopment Project Area" (the "TIF Adoption Ordinance") (items(1)-(3) collectively referred to herein as the "TIF Ordinances"). The redevelopment project area referred to above, as subsequently amended by ordinances adopted by City Council, is legally described in Exhibit A hereto (the "Redevelopment Area").

D. The Property. The City is the owner of the real property located in the Redevelopment Area commonly known as 4300 West Roosevelt Road and 4301 West Fifth Ave. and legally described on Exhibit B (the "Property").

E. The Project. The Developer shall purchase the Property from the City and redevelop the Property by constructing two buildings totaling approximately 363,500 square feet that are intended for industrial users such as manufacturing, warehousing, shipping and logistics (the "Facility"). The Facility will feature two buildings with clear heights of approximately thirty-six feet and will include a total of approximately 368 auto and approximately 86 trailer parking spaces, as well as a total of approximately 54 dock-high doors. The Developer will also construct two, free-standing, 5,000 sq. ft. buildings that will be conveyed to New Covenant Community Development Corporation and Black Men United, or entities which will operate community services out of the structures (the "Innovation Center Buildings"). Additionally, park space will be constructed along Roosevelt Road, Kildare Avenue, and Fifth Avenue that can be used by members of the public (collectively, the "Park"). The Park and Innovation Center Buildings will be located on those portions of the Property depicted as Areas 1, 2, 3 and 4 on Exhibit G (the "Park and Innovation Center Buildings Property"), and the Facility will be located on those portions of the Property depicted on Exhibit G (the "Facility Property"). The Facility, the Innovation Center Buildings, the Park and related on site improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) and adjacent improvements in the public right of way, if any, are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement. In addition to completing the Project, the Developer will create a minimum of total of 300 new full-time-equivalent employees ("FTEs") and anticipates creating 250 temporary FTE construction-related positions.

F. Redevelopment Plan. The City of Chicago Roosevelt/Cicero Tax Increment Financing Redevelopment Area Project and Plan (the "Original Redevelopment Plan") included in the TIF-Adoption Ordinance has been amended by ordinances adopted on November 1, 2016 (the "First Amendment"), April 24, 2020 (the "Second Amendment"), and October 26, 2022 (the "Third Amendment"). The Original Redevelopment Plan, as amended by the First Amendment, the Second Amendment and the Third Amendment, is herein referred to as the "Redevelopment Plan." The Project will be carried out in accordance with this Agreement and the Redevelopment Plan.

G. City Financing. The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes (as defined below) to pay for or reimburse Developer for the costs of

TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

H. Authority for City to Execute Agreement. The City is authorized to execute and deliver the Agreement pursuant to that certain ordinance adopted by the City Council on \_\_\_\_\_, 2022, and published in the Journal for said date at pages \_\_\_\_\_ to \_\_\_\_\_, inclusive (the "Agreement Authorizing Ordinance").

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

After such initial approvals, subsequent proposed changes to the Scope Drawings or Plans and Specifications shall be submitted to DPD as a Change Order in accordance with Section 3.04 hereof. The Developer acknowledges and agrees that (i) the appraised fair market value of the Property was \$\_\_\_\_\_ (the "Appraised Value") as of \_\_\_\_\_, 2022, and (ii) the City has only agreed to sell the Property to the Developer for the Purchase Price because the Developer has agreed to execute this Agreement and comply with its terms and conditions.

(b) Title Defects. The City shall have no obligation to cure title defects; provided, however, if there are exceptions for general real estate taxes due or unpaid prior to the Closing Date with respect to the Property or liens for such unpaid property taxes, the City shall, as applicable, request that the County void the unpaid taxes as provided in Section 21-100 of the Property Tax Code, 35 ILCS 200/21-100, or file an application for a Certificate of Error with the Cook County Assessor, or file a tax injunction suit or petition to vacate a tax sale in the Circuit Court of Cook County. If, after taking the foregoing actions and diligently pursuing same, the Property remains subject to any tax liens, or if the Property is encumbered with any other exceptions that would adversely affect the use and insurability of the Property for the development of the Project, the Developer shall, as its sole remedy, have the option to either (i) proceed with the purchase subject to all defects and exceptions, or (ii) terminate its right to purchase under this Section 3.11, whereupon such purchase right shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder with respect to the Property. If the Developer elects not to terminate its right to purchase the Property pursuant to this Section 3.11, the Developer agrees to accept title subject to all exceptions.

(c) Closing. The conveyance of the Property shall take place on the Closing Date at the downtown offices of the Title Company or such other place as the parties may mutually agree upon in writing; provided, however, in no event shall the closing of the land sale occur unless the Developer has satisfied all conditions precedent set forth in Section 5, unless DPD, in its sole discretion, waives such conditions. On or before the Closing Date, the City shall deliver to the

Title Company the Deed, all necessary state, county, and municipal real estate transfer tax declarations, and an ALTA statement. The City will not provide a gap undertaking.

(d) Closing Costs. The Developer shall pay to record the Deed and any other documents incident to the conveyance of the Property to the Developer. The Developer shall also pay all escrow fees and other title insurance fees, premiums and closing costs.

(e) "As Is" Sale. The City makes no covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the property or the suitability of the property for any purpose whatsoever. The Developer acknowledges that it has had adequate opportunity to inspect and evaluate the structural, physical and environmental conditions and risks of the property and accepts the risk that any inspection may not disclose all material matters affecting the property. The Developer agrees to accept the property in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition at closing, with all faults and defects, latent or otherwise, and the City has not made and does not make any covenant, representation or warranty, express or implied, of any kind, or give any indemnification of any kind to the Developer, with respect to the structural, physical or environmental condition of the value of the property, its compliance with any statute, ordinance or regulation, or its habitability, suitability, merchantability or fitness for any purpose whatsoever. The Developer acknowledges that it is relying solely upon its own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Developer agrees that it is its sole responsibility and obligation to perform at its expense any environmental remediation work and take such other action as is necessary to put the property in a condition which is suitable for its intended use.

ESTIMATED TOTAL	\$ _____

\* To be bridged during the construction period with a construction loan, equity or a combination of each.

4.02. Developer Funds. Equity and/or Lender Financing may be used to pay any Project cost, including but not limited to Redevelopment Project Costs.

#### 4.03. City Funds.

(a) Uses of City Funds. City Funds may only be used to pay directly or reimburse the Developer for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03 and 4.05(c)) contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. In no event, however, shall City Funds be paid to the Developer

either before the issuance of the Certificate of Completion or in excess of the Maximum TIF Assistance.

(b) Sources of City Funds. Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide City funds from the sources and in the amounts described directly below (the "City Funds") to pay for or reimburse Developer for the costs of the TIF-Funded Improvements:

<u>Source of City Funds</u>	<u>Maximum Amount</u>
Incremental Taxes	\$6,000,000

provided, however, that the \$6,000,000 to be derived from Incremental Taxes, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as:

(i) The amount of the Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs; and

(ii) The City has been reimbursed from Incremental Taxes for the amount previously disbursed by the City for TIF-Funded Improvements.

Developer acknowledges and agrees that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$6,000,000 is contingent upon the fulfillment of the conditions set forth in parts (i) and (ii) above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by Developer pursuant to Section 4.01 hereof shall increase proportionately.

(c) Subject to the terms and conditions of this Agreement, and after the delivery of each Requisition Form required by Section 4.04, payments shall be made from Incremental Taxes deposited in the TIF Fund, as follows:

(i) Installment Payments. Incremental Taxes in the maximum amount of \$6,000,000, subject to the limitations described in Section 4.03(c)(ii), shall be reimbursed in two equal installments of \$3,000,000 each. The first installment ("First Installment") shall be disbursed upon the issuance of the Certificate of Completion and the second installment ("Second Installment") shall be disbursed on the one-year anniversary of the issuance of the Certificate of Completion.

(ii) Limitations on Reimbursements. If the Certified Final Project Cost is less than \$\_\_\_\_\_, then the maximum amount of City Funds shall be reduced on a dollar-for-dollar basis. Such reduction shall be taken from the First Installment (and, if necessary, from the Second Installment). Further, if the Developer fails to meet the sustainability requirements described in Section 8.23, the Second Installment shall be reduced by \$250,000.

4.04. Requisition Form. At the time the Developer issues its written request for the Certificate of Completion to DPD (in regard to the First Installment) and three months prior to the first anniversary of the issuance of the Certificate of Completion (in regard to the Second Installment), Developer shall provide DPD with a Requisition Form (in a form required by DPD),

along with the documentation described therein. Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered.

#### 4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by the Developer with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "Prior Expenditures"). DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit F hereto sets forth the prior expenditures approved by DPD as of the Closing Date as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer pursuant to Section 4.01 hereof.

(b) City Fee. Annually, the City may allocate an amount not to exceed five percent (5%) of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(c) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06. Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 4.03 hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07. Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, Developer shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by Developer to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the acquisition of the Property or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Developer has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Agreement are true and correct and Developer is in compliance with all covenants contained herein;

(e) Developer has received no notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed Lender Financing, if any; (ii) the undisbursed Equity and (iii) any other amounts deposited by Developer pursuant to this Agreement. Developer hereby agrees that, if the Project is not In Balance, Developer shall, within 10 days after a written request by the City, make available (in a manner acceptable to the City) funding in an amount that will place the Project In Balance.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Ordinances and this Agreement.

4.09. Conditional Grant. The City Funds are being provided on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City Funds are subject to being terminated and/or reimbursed as provided in Section 15.02 hereof.

## SECTION 5. CONDITIONS PRECEDENT

The following conditions have been complied with to the City's satisfaction on or prior to the Closing Date:

The Developer has furnished proof reasonably acceptable to the City that the Developer has Equity and Lender Financing in the amounts set forth in Section 4.01 hereof to complete the Project and satisfy its obligations under this Agreement. If a portion of such funds consists of Lender Financing, the Developer has furnished proof as of the Closing

Developer has delivered to DPD a copy of the construction escrow agreement entered into by Developer regarding the Lender Financing. Any liens against the Property in existence at the Closing Date, except Permitted Liens, have been subordinated to certain encumbrances of the City set forth herein pursuant to a Subordination Agreement, in a form acceptable to the Corporation Counsel, executed on or prior to the Closing Date, which is to be recorded at the expense of the Developer with the Office of the Recorder of Deeds of Cook County.

5.05. Acquisition and Title. On the Closing Date, Developer has furnished the City with a copy of the Title Policy for the Property, certified by the Title Company, showing the Developer as the named insured. The Title Policy is dated as of the Closing Date and contains only those title exceptions listed as Permitted Liens on Exhibit D hereto and evidences the recording of this Agreement pursuant to the provisions of Section 8.18 hereof. The Title Policy also contains such endorsements as shall be required by Corporation Counsel, including but not limited to an owner's comprehensive endorsement and satisfactory endorsements regarding zoning (3.1 with parking), contiguity, location, access and survey. The Developer has provided to DPD, on or prior to the Closing Date, documentation related to the purchase of the Property and certified copies of all easements and encumbrances of record with respect to the Property not addressed, to DPD's satisfaction, by the Title Policy and any endorsements thereto.

5.06. Evidence of Clean Title. Developer, at its own expense, has provided the City with searches as indicated in the chart below under the Developer's name showing no liens against Developer, the Developer's Managing Member, any person or legal entity having a direct or indirect, current or prospective (i.e. within 6 months after the Closing Date) beneficial interest (including ownership) in excess of 7.5% of the Developer, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

5.09. Opinion of Developer's Counsel. On the Closing Date, the Developer has furnished the City with an opinion of counsel in a form acceptable to the Corporation Counsel. If the Developer has engaged special counsel in connection with the Project, and such special counsel is unwilling or unable to give some of the opinions required by the Corporation Counsel, such opinions shall be obtained by the Developer from its general corporate counsel.

5.10. Evidence of Prior Expenditures. The Developer has provided evidence satisfactory to DPD in its sole discretion of the Prior Expenditures in accordance with the provisions of Section 4.05(a) hereof.

Developer has provided DPD with a Phase I ESA for the Property conducted, or updated, within 180 days prior to the conveyance of the Property and any Phase II ESA with respect to the Property required by the City. Developer has provided the City with a letter from the environmental engineer(s) who completed such assessments, authorizing the City to rely on such assessments.

5.14. Corporate Documents; Economic Disclosure Statement. The Developer has provided a copy of its Articles of Organization containing the original certification of the Secretary of State of its state of organization; certificates of good standing from the Secretary of State of its state of organization and all other states in which the Developer is qualified to do business; a secretary's certificate in such form and substance as the Corporation Counsel may require; operating agreement; and such other organizational documentation as the City has requested.

Notwithstanding acceptance by the City of the EDS(s), failure of any of the EDSs to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer and any other parties required by this Section 5.14 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Section 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an Event of Default under this Agreement.

5.15. Litigation. The Developer has provided to the Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving the Developer, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

## SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for General Contractor and Subcontractors. (a) Except as set forth in Section 6.01(b) below, prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with the City of Chicago, and, at the request of DPD, shall submit all bids received to DPD for its inspection and written approval. For the TIF-Funded Improvements, Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selects a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds, unless otherwise approved by DPD. Developer shall submit copies of the Construction Contract to DPD in accordance with Section 6.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer shall ensure that the General Contractor shall not (and shall cause the General Contractor to ensure that the subcontractors shall not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

(b) If, prior to entering into an agreement with a General Contractor for construction of the Project, Developer does not solicit bids pursuant to Section 6.01(a) hereof, then the fee of the General Contractor proposed to be paid out of City Funds shall not exceed 7.5% of the total amount of the Construction Contract. Except as explicitly stated in this paragraph, all other provisions of Section 6.01(a) shall apply, including but not limited to the requirement that the General Contractor shall solicit competitive bids from all subcontractors.

6.02 Construction Contract. Prior to the execution thereof, the Developer shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 6.01 above, for DPD's prior review. Within ten (10) business days after execution of such contract by the Developer, the General Contractor and any other parties thereto, the Developer shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

6.03 Performance and Payment Bonds. Prior to commencement of construction of any portion of the Project, the Developer shall require that the General Contractor be bonded for its performance and payment by sureties having an AA rating or better using American Institute of Architect's Form No. A311 or its equivalent. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the Corporation Counsel and DPD. The City shall be named as obligee or co-obligee on any such bonds.

6.04 Employment Opportunity. The Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 10 hereof; provided, however, that the contracting, hiring and testing requirements associated with the MBE/WBE and the City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy or the failure of any one subcontractor to satisfy such obligation shall not result in a default of this Agreement or

require payment of the City resident hiring shortfall amounts so long as such Section 10 obligations are satisfied on an aggregate basis.

6.05 Other Provisions. In addition to the requirements of this Section 6, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Section 8.09 (Prevailing Wage), Section 10.01(e) (Employment Opportunity), Section 10.02 (City Resident Employment Requirement), Section 10.03 (MBE/WBE Requirements, as applicable), Section 12 (Insurance) and Section 14.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

## SECTION 7. COMPLETION OF CONSTRUCTION

### 7.01. Certificate of Completion of Construction.

(a) Upon (i) satisfaction of the conditions set forth in Section 7.01(c) hereof, and (ii) the Developer's written request (which shall include the Certified Final Project Cost), DPD shall issue to the Developer a Certificate of Completion in recordable form certifying that all obligations to complete the Project have been fulfilled by the Developer in accordance with the terms of this Agreement.

(b) DPD shall respond to the Developer's written request for a Certificate of Completion within forty-five (45) days by issuing either a Certificate of Completion or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer in order to obtain the Certificate of Completion. The Developer may resubmit a written request for a Certificate of Completion upon completion of such measures.

(c) The Developer acknowledges that the City will not issue a Certificate of Completion until all of the following conditions have been met:

(i) the Developer has given the City written notification that construction of the Project, including all of TIF-Funded Improvements, has been completed as required by this Agreement and has provided the City with evidence acceptable to DPD that the final total Project costs are equal to or in excess of \$\_\_\_\_\_ (the "Certified Final Project Cost") – if the Certified Final Project Cost is less than this amount, then the City Funds shall be reduced on a dollar-for-dollar basis as provided in Section 4.03(c)(ii);

(ii) the Developer has provided the City with evidence acceptable to DPD that the final total cost for the TIF-Funded Improvements (other than interest costs) is equal to or in excess of \$6,000,000;

(iii) the Developer has provided DPD with evidence acceptable to DPD showing that the Developer has completed the Project in compliance with the Plans and Specifications and all building permit requirements, including without limitation, receipt of all required certificate(s) of occupancy for the Facility;

(iv) not less than fifty percent (50%) of the total square footage of the Facility has been leased and is occupied by industrial tenants including, but not limited to, manufacturing, warehousing, shipping and logistics uses;

(v) the City's monitoring unit has determined in writing that the Developer is in complete compliance with all requirements of Section 8.09 (Prevailing Wage), and Section 10 (the Developer's Employment Obligations);

(vi) Developer has provided evidence acceptable to DPD that the Innovation Center Buildings have been fully constructed and have been conveyed to the community organizations (or Developer is prepared to convey to the community organizations) identified by the Developer, which may include New Covenant Community Development Corporation and Black Men United, to be used long-term as community centers; and

(vii) there exists neither an Event of Default which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

7.02. Effect of Issuance of Certificate of Completion; Continuing Obligations. The Certificate of Completion relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer's obligation to complete such activities have been satisfied. After the issuance of a Certificate of Completion, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate of Completion shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 8.01(j), 8.01(k), 8.02, 8.06, 8.19, 8.21, 8.25 and 11.04 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate of Completion; provided, that upon the issuance of a Certificate of Completion, the covenants set forth in Section 8.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate of Completion shall be binding only upon the Developer or a permitted assignee of Developer who, pursuant to Section 18.15 of this Agreement, has contracted to take an assignment of the Developer's rights under this Agreement and assume the Developer's liabilities hereunder.

7.03. Failure to Complete. If Developer fails to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 4.01, Developer shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds;

(c) the right to seek reimbursement of the City Funds and the Appraised Value of the Property from Developer.

7.04. Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide Developer, at Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

## SECTION 8. COVENANTS/REPRESENTATIONS/WARRANTIES OF DEVELOPER.

8.01. General. The Developer represents, warrants and covenants, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

(a) the Developer is an Illinois limited liability company duly organized, validly existing, qualified to do business in Illinois, and licensed to do business in any other state where, due to the nature of its activities or properties, such qualification or license is required;

(b) the Developer has the right, power and authority to enter into, execute, deliver and perform this Agreement;

(c) the execution, delivery and performance by the Developer of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate its Articles of Organization or operating agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Developer is now a party or by which the Developer is now or may become bound;

(d) unless otherwise permitted under the terms of this Agreement, or with written consent of DPD, the Developer shall acquire and shall maintain good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon) free and clear of all liens (except for the Permitted Liens, Lender Financing as disclosed in the Project Budget and non-governmental charges that Developer is contesting in good faith pursuant to Section 8.15 hereof) through the Term of the Agreement;

(e) the Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(f) there are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the Developer which would impair its ability to perform under this Agreement;

(g) the Developer has and shall, as and when required, maintain all government permits, certificates and consents (including, without limitation, appropriate environmental approvals and building permits) necessary to conduct its business and to construct, complete and operate the Project;

(h) the Developer is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer or the Property is bound;

(i) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of

operations and financial condition of the Developer, and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of the Developer since the date of the Developer's most recent Financial Statements;

(j) the Developer shall not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; provided, however, no written consent or notice shall be needed when admitting new equity investors or when equity investors exit; (2) assign, sell, transfer, convey, or otherwise dispose of all or substantially all of its assets or any portion of the Property (other than leases to tenants and/or sales of the Innovation Center Buildings, which are expressly approved herein), including but not limited to any fixtures or equipment now or hereafter attached thereto; provided, however, no written consent or notice shall be needed for leases in the ordinary course of business for operation of the Project; (3) enter into any transaction outside the ordinary course of the Developer's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity; (5) enter into any transaction that would cause a material and detrimental change to the Developer's financial condition; or (6) cease to operate the Project as required by this Agreement.

(k) the Developer has not incurred, and, prior to the issuance of a Certificate of Completion, shall not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Property (or improvements thereon) other than the Permitted Liens and/or liens bonded by the Developer or insured by the Title Company; or incur any indebtedness, secured or to be secured by the Property (or improvements thereon) or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget;

(l) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

(m) neither the Developer nor any affiliate of the Developer is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (m) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

(n) Developer understands that (i) the City Funds are limited obligations of the City, payable solely from moneys on deposit in the TIF Fund; (ii) the City Funds do not constitute indebtedness of the City within the meaning of any constitutional or statutory provision or limitation; (iii) Developer will have no right to compel the exercise of any taxing power of the City for payment of the City Funds; and (iv) the City Funds do not and will not represent or constitute

a general obligation or a pledge of the faith and credit of the City, the State of Illinois or any political subdivision thereof;

(o) Developer has sufficient knowledge and experience in financial and business matters, including municipal projects and revenues of the kind represented by the City Funds, and has been supplied with access to information to be able to evaluate the risks associated with the receipt of City Funds;

(p) Developer understands it may not sell, assign, pledge or otherwise transfer its interest in this Agreement or City Funds in whole or in part except in accordance with the terms of Section 18.21 of this Agreement, and, to the fullest extent permitted by law, agrees to indemnify the City for any losses, claims, damages or expenses relating to or based upon any sale, assignment, pledge or transfer of City Funds in violation of this Agreement; and

(q) Developer acknowledges that with respect to City Funds, the City has no obligation to provide any continuing disclosure to the Electronic Municipal Market Access System maintained by the Municipal Securities Rulemaking Board, to any holder of a note relating to City Funds or any other person under Rule 15c2-12 of the Commission promulgated under the Securities Exchange Act of 1934 or otherwise, and shall have no liability with respect thereto.

8.02. Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in Sections 3.02 and 3.03 hereof, Developer's receipt of all required building permits and governmental approvals (including the RAP Approval Letter for the Park and Innovation Center Buildings Property), the Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Ordinance, the Scope Drawings, Plans and Specifications, the approved RAP for the Park and Innovation Center Buildings Property, the approved RAP for the Facility Property, the Project Budget and all amendments thereto, and all Laws applicable to the Project, the Property and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate of Completion with respect thereto.

8.03. Redevelopment Plan. The Developer represents that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan, which is hereby incorporated by reference into this Agreement.

8.04. Use of City Funds. City Funds disbursed to the Developer shall be used by Developer solely to pay for (or to reimburse the Developer for its payment for) the TIF-Funded Improvements as provided in this Agreement.

8.05. Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer's compliance with the provisions of this Agreement. The City funds are subject to being reimbursed as follows:

(a) Upon the happening of a Capital Event on or before the tenth anniversary of the issuance of the Certificate of Completion without DPD's approval (other than a conversion of construction financing for the Project to permanent financing for the Project), the Developer agrees to pay and remit to the City on the closing date of such Capital Event an amount equal to 100% of the City Funds previously paid to the Developer. As used in this Section 8.05, "Capital Event" shall mean the sale, transfer or refinancing of the Project or any part thereof, including any New Mortgage, during the Compliance Period; provided however, the refinancing of a

construction loan to a permanent loan of the same or a lesser amount shall not be considered a Capital Event.

(b) Any amounts due and owing to the City pursuant to Section 8.05(a) due to the occurrence of a Capital Event shall be paid by the Developer on the closing date of such Capital Event.

(c) This Section 8.05 shall be in effect until the earlier of (1) a Capital Event in which Developer is no longer in control of the entire Project, or (2) the expiration of the Compliance Period. With respect to a Capital Event of less than the entire Project, such successor shall not have any obligations or liabilities under this Section 8.05; provided the Developer shall continue to have obligations under this Section 8.05 with respect to the portion of the Project that was not subject to the Capital Event.

#### 8.06. Jobs, Operation and Occupancy Covenant

(a) *Operations Covenant; Occupancy Covenant.*

(i) During the entire Compliance Period, the Facility shall be operated as required by this Agreement (except for holidays or other closures in the normal course of business) (collectively, the "Operating Covenant").

(ii) The Developer shall maintain Minimum Occupancy for each Reporting Period. The Developer shall deliver an occupancy progress report certifying compliance with the requirement (the "Occupancy Report") to maintain a Minimum Occupancy (the "Occupancy Covenant") for the Reporting Period, such request to be submitted each year, through the Term of the Agreement. The Developer shall cause the Property to be used as described in Recital E, as permitted pursuant to the Redevelopment Plan and this Agreement. The Developer hereby covenants and agrees to maintain Minimum Occupancy through the Term of the Agreement.

(b) *Occupancy Covenant Defaults and Cure Periods.*

(i) Non-Curable Covenant Default: There shall be no cure period for non-submission of the Occupancy Report with the Annual Compliance Report.

(ii) Cure Periods. If Developer is in noncompliance with Occupancy Covenant at the time of the Developer's Annual Compliance Report submission, such noncompliance shall constitute an Event of Default. However, the Developer shall be entitled to two (2) one-year cure periods, which may be used consecutively ("Occupancy Covenant Cure Periods") during the Compliance Period. If the Annual Compliance Report submission in the next subsequent year following one of the Occupancy Covenant Cure Periods also documents noncompliance with the Occupancy Covenant, then such noncompliance shall constitute an Event of Default without notice or opportunity to cure, and the City shall have such remedies as set forth in Section 15.02 hereof.

(c) *Operating Covenant Defaults*. Notwithstanding Section 15.03 herein, failure to comply with the Operating Covenant at any time shall be an Event of Default without notice or an opportunity to cure.

(d) *Jobs Covenant.* Not less than 300 full-time equivalent, permanent jobs shall be created by Developer (and/or its tenants) at the Facility within three (3) years of the Closing Date and through the Compliance Period. If the Developer fails to initially create 300 jobs as required by this Section 8.06(d), or reports less than 300 jobs at any Reporting Period, Developer shall reimburse the City \$100,000 for each job below the required amount up to a maximum of \$6,000,000.

(e) The covenants set forth in this Section 8.06 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.07. Employment Opportunity; Progress Reports. The Developer covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 10 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 8.09, 10.02 and 10.03 of this Agreement. Such reports shall be delivered to the City monthly. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer shall correct any shortfall.

8.08. Employment Profile. The Developer shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.09. Prevailing Wage. The Developer covenants and agrees to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Section 8.09.

8.10. Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. The Developer shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by the Developer and reimbursement to the Developer for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.11. Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, the Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or the Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in the Developer's business, the Property or any other property in the Redevelopment Area.

8.12. Disclosure of Interest. The Developer's counsel has no direct or indirect financial ownership interest in the Developer, the Property or any other aspect of the Project.

8.13. Financial Statements. The Developer shall obtain and provide to DPD Financial Statements for Developer's fiscal years ended 2018 and 2019 and each December 31 thereafter for the Term of the Agreement. In addition, Developer shall submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.14. Insurance. Developer, at its own expense, shall comply with all provisions of Section 12 hereof.

8.15. Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.16. Developer's Liabilities. The Developer shall not enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer to any other person or entity. The Developer shall immediately notify DPD of any and all events or actions which may materially affect Developer's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.17. Compliance with Laws.

(a) *Representation.* To the best of the Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all Laws pertaining to or affecting the Project and the Property. Upon the City's request, the Developer shall provide evidence satisfactory to the City of such compliance.

(b) *Covenant.* The Developer covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Developer shall provide evidence to the City of its compliance with this covenant.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) The Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.18. Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. The Developer shall pay all fees and charges incurred

in connection with any such recording. Upon recording, the Developer shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.19. Real Estate Provisions.

(a) *Governmental Charges.*

(b) *Developer's Failure To Pay Or Discharge Lien.* If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

8.20. Survival of Covenants. All warranties, representations, covenants and agreements of Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

8.21. Annual Compliance Report. The Developer shall provide to DPD an Annual Compliance Report consisting of (a) an Affidavit from the Developer itemizing all ongoing requirements including references to all the relevant Sections of this Agreement in a form acceptable to DPD, and (b) sufficient documentation and certifications, to the satisfaction of DPD, to evidence that all ongoing requirements have been satisfied during the preceding reporting period (which DPD shall have the right, but not the obligation, to audit compliance with to determine the sufficiency of such Annual Compliance Report). The Annual Compliance Report shall be submitted each year on January 30 after the end of the calendar year to which the Annual Compliance report relates (each such calendar year being a "Reporting Period"). Failure by the Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 15.01 hereof, without notice or opportunity to cure pursuant to Section 15.03 hereof. The covenants contained in this Section 8.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

8.22. Inspector General. It is the duty of the Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of the Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the

Municipal Code and that it will inform subcontractors of this provision and require their compliance.

8.23 Sustainability Requirements. The Developer shall provide evidence acceptable to DPD that it has complied with the Chicago Sustainable Development Policy for the Project within one (1) year from the date of the issuance of the Certificate. If a default occurs under the Chicago Sustainable Development Policy requirement, the City shall have the right to reduce the amount of the City Funds by \$250,000.

8.24 Job Readiness Program. Not less than thirty (30) days prior to the Closing Date, the Developer shall meet with Workforce Solutions (DPD workforce division) regarding compliance with all Section 8.24 requirements. During this meeting, the Developer will work with DPD to create an Employment Plan Needs Assessment for the Project. Developer shall work with DPD regarding the referral of potential candidates for job openings at the Project. The Developer hereby covenants and agrees to work with the City, and to use best efforts to have the industrial tenants work with the City, to maximize the recruitment and interviewing of qualified City of Chicago candidates.

8.25 FOIA and Local Records Act Compliance.

(a) *FOIA.* The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) *Exempt Information.* Documents that the Developer submits to the City under Section 8.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) *Local Records Act.* The Developer acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act.

8.23. Survival of Covenants. All warranties, representations, covenants and agreements of the Developer contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

8.24. Community Benefits. Developer shall:

(a) In connection with the construction of the Project and the collaboration with the General Contractor Collective, identify, train and prepare skilled local workers (to be defined with input from the Alderman) and proactively work with tenants to connect residents with the resources to apply for the administrative, clerical and managerial professional services positions generated from the Project.

(b) In collaboration with the General Contractor Collaborative, host an open forum for MBE/WBE and Section 3 Businesses to allow MBE/WBE businesses to express concerns, ask questions, and learn of new opportunities within the development as well as sponsor \_\_\_\_\_ local businesses at HACIA University.

(c) Create a Project-specific outreach/inclusion website providing the latest hiring, training and contracting Project information. Set up a satellite office during the bidding phase to provide accessibility to MBE/WBE firms.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01. General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02. Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER'S EMPLOYMENT OBLIGATIONS

10.01. Employment Opportunity. Developer, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer operating on the Property (collectively, with Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment,

notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate of the Developer, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02. City Resident Construction Worker Employment Requirement. Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by Actual Residents of the City); provided, however, that in addition to complying with this percentage, Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual Residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are

employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer shall cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project.

**10.03. MBE/WBE Commitment.** Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit E-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 30 percent by MBEs.
- (2) At least 10 percent by WBEs.

(b) For purposes of this Section 10.03 only, Developer (and any party to whom a contract is let by Developer in connection with the construction of the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer's MBE/WBE commitment may be achieved in part by Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer's MBE/WBE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code, Developer shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer's compliance with this MBE/WBE commitment. Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's

monitoring staff shall have access to all such records maintained by Developer, on five Business Days' notice, to allow the City to review Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer's MBE/WBE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer shall be required to meet with the City's monitoring staff with regard to Developer's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer to halt the Project, (2) withhold any further payment of any City Funds to Developer or the General Contractor, or (3) seek any other remedies against Developer available at law or in equity.

## SECTION 11. ENVIRONMENTAL MATTERS

11.01 Representation and Warranty. Developer hereby represents and warrants to the City that Developer has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

11.02 Background. The IEPA issued a RAP Approval Letter for the portion of the Property located north of the railroad tracks (as depicted on Exhibit G) on July 7, 2017, and a RAP Approval Letter for the portion of the Property located south of the railroad tracks (as depicted on Exhibit G) on January 14, 2019. Both RAP Approval Letters presume an I/C land use and state that a Final NFR Letter would be issued upon completion of the remediation, consisting of engineered barriers, to address the remaining low levels of contamination. The existing RAP Approval Letters remain valid for the Facility Property, but are not sufficient for the Park and Innovation Center Buildings Property.

11.03 Environmental Remediation. The Developer acknowledges and agrees that it must re-enroll the Park and Innovation Center Buildings Property into the SRP and may not commence construction on the Park and Innovation Center Buildings Property until the IEPA issues a RAP Approval Letter for such portion of the Property. Upon receipt of the RAP Approval Letter for the Park and Innovation Center Buildings Property, the Developer covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive Residential NFR Letter for such portion of the Property. The Developer further covenants and agrees to complete all Remediation Work necessary to obtain a Final Comprehensive I/C NFR Letter for the Facility Property. The City shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time, including, without limitation, the SRP Documents and any changes thereto. The Developer shall bear sole responsibility for all costs of the Remediation Work necessary to obtain the Final Comprehensive Residential NFR Letter for the Park and Innovation Center Buildings Property and the Final Comprehensive I/C NFR Letter for the Facility Property, and the costs of any other investigative and cleanup costs associated with the Property. The Developer shall promptly transmit to the City copies of all Environmental Documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. The Developer acknowledges and agrees that the City (a) will not permit occupancy of the Park or Community Buildings until the IEPA has issued and the City has approved the Final Comprehensive Residential NFR Letter for the Park and Innovation Center Buildings Property, which approval shall not be unreasonably withheld, and the Developer has recorded the letter with the Cook County Clerk, and (b) will not permit occupancy of the Facility until the IEPA has issued and the City has approved the Final Comprehensive I/C NFR Letter for the Facility Property, which approval shall not be unreasonably withheld, and the Developer has recorded the letter with the Cook County Clerk. If the Developer fails to obtain either the Final Comprehensive Residential NFR Letter for the Park and Innovation Center Buildings Property or the Final Comprehensive I/C NFR Letter for the Facility Property within six (6) months of the submission of the RACR for the applicable portion of the Property to the IEPA, then the City shall have the right to declare an event of default under this Agreement.

If encountered, any underground storage tanks ("USTs") must be removed and closed in accordance with applicable regulations including Title 41 of IAC Part 175 and any identified leaking USTs must be properly addressed in accordance with 35 IAC Part 734.

11.04 Covenant of Release. Without limiting any other provisions hereof, Developer, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under them (collectively, the "Developer Parties"), hereby releases, relinquishes and forever discharges the Indemnitees from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the Closing Date, based upon, arising out of or in any way connected with, directly or indirectly (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances or Other Regulated Material in, on, under or about the Property or the migration of Hazardous Substances or Other Regulated Material from or to other Property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without

It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer or any of the Developer Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither the Developer nor any of the Developer Parties will assert that those obligations must be satisfied in whole or in part by the City because Section 11.04 contains a full, complete and final release of all such claims

15.02. Remedies. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant

to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.
