NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

TERMS AND CONDITIONS

SECTION 1. THE PROJECT

1.1. No later than 36 months from the Closing Date, or later as the Commissioner of DPD (the "**Commissioner**") may agree in writing, the Park District shall let one or more contracts for the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The plans and specifications for the Project (the "**Plans and Specifications**") shall at a minimum meet or shall have met the general requirements set forth in **Exhibit B** hereof and comply with plans and specifications which the Park District will have provided to, and be approved by, DPD prior to the disbursement of the TIF Assistance or Open Space Assistance. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall also provide the City with copies of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied, and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of **Sections 1.1, 1.2, and 1.3** hereof with the request for the TIF Assistance or Open Space Assistance hereunder at the time the Project is completed and prior to any disbursement of the TIF Assistance or Open Space Assistance. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

1.5. In all contracts relating to the Project until the Property is conveyed to the Park District, the Park District agrees to require its contractors to name the City as an additional insured on all insurance policies and to require its contractors to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses, including but not limited to attorney's fees, arising out of or resulting from the construction for the Project by its contractors or contractors' suppliers, employees or agents.

1.6. The Park District agrees to carefully inspect the Property prior to commencement of any activity on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the TIF Assistance to the Park District.

2.2. The City shall establish a special account within the Clark/Montrose Redevelopment Project Area Special Tax Allocation Fund; such special account shall be known as the "**Chase Park Account**." Disbursement of TIF Assistance will be subject to the availability of Clark/Montrose Increment in the Chase Park Account, subject to all restrictions on and obligations of the City contained in all Clark/Montrose Ordinances, or relating to the

Clark/Montrose Increment and all agreements and other documents entered into by the City pursuant thereto.

2.3. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "**Satisfaction Period**"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for City's disbursement of the TIF Assistance to the Park District:

2.3.1. The Park District has satisfied the conditions stated in this Section 2.3 within the Satisfaction Period. If the Park District is unable to satisfy said conditions, either Party may terminate this Agreement by providing written notice to the other Party;

2.3.2. The Park District may request payment from the City by submitting a Certificate of Expenditure in the form of **Exhibit D** hereto ("**Certificate of Expenditure**"), which may be processed and executed periodically. The City shall not execute and approve Certificates of Expenditure in the aggregate in excess of the actual costs of the Project, and in no event in an amount greater than the TIF Assistance. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to the City of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.4.1. The total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.4.2. All amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.4.3 The Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.4.4. The Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.5. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.4 are true and correct, and any execution and approval of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.6. The current estimated cost of the entire Project is \$3,000,000. The Park District has delivered to the Commissioner a budget for the Project attached as **Exhibit C**. The Park District certifies that it has identified sources of funds, including the TIF Assistance, sufficient to complete its budgeted portion of the Project. The Park District agrees that the City will only contribute TIF Assistance to reimburse the Park District for the costs of the Project and that all costs of completing the Project over the TIF Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City immediately in writing and cease all work on the Project until the City and the Park District agree on how to proceed; the Park District may narrow the scope of the Project (the "**Revised Project**") as agreed to by the City prior to the restart of any work in order to complete the Revised Project with the approved funds. The City has the right, at its election, to withhold and refuse all reimbursement in the event that the Park District fails to so notify the City and/or the Park District and the City fail to reach agreement on a Revised Project as described above.

2.7. **Exhibit C** contains a preliminary list of capital improvements, equipment costs, general construction costs, and other costs, if any, recognized by the City as costs eligible to be paid for out of the TIF Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of TIF Assistance funds on the Project, the Commissioner, based upon the Project budget, may make such modifications to **Exhibit C** as he or she wishes in his or her discretion to account for all of the TIF Assistance funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of TIF Assistance funds, subject to the terms of this Agreement.

2.8. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the TIF Assistance are subject in every respect to the availability of funds as described in and limited by this Section 2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the TIF Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.9. If the aggregate cost of the Project is less than the amount of the TIF Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the TIF Assistance contemplated by this Agreement and the amount of the TIF Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Clark/Montrose Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS

4.1. It shall be the responsibility of the Park District, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property, including obtaining phase I and, if applicable, phase II environmental audits for the Property and (b) to determine if any environmental remediation is necessary with respect to the Property or the Project, and any such work that the Park District determines is required shall be performed at its sole cost and expense as the parties understand and agree that the City's financial obligation shall be limited to an amount not to exceed the TIF Assistance which is provided solely for the items set forth on **Exhibit C**. The City makes no covenant, representation, or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity related to the Project to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

SECTION 5. INSURANCE

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

5.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4. Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, the Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5. Self Insurance. To the extent permitted by applicable Law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for any such insurance requirements, the Park District must bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program must comply with at least such insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.13, original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and renewal Certificates of Insurance, promptly as any requisite insurance is renewed. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve the Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by the Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by the Park District shall in no way limit the Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by the Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein and insurance customarily required by the Park District or the Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of the Park District unless otherwise specified herein. In all contracts

relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY / NO PERSONAL LIABILITY

6.1. The Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this **Section 6.1** shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT

7.1. If the Park District, without the City's written consent, fails to complete the Project within 36 months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in **Section 7.1** and such default is not cured as described in **Section 7.3** hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its notice of intent to terminate 30 days prior to termination at the address specified in **Section 8.13** hereof, and shall state the nature of the default. In the event the Park District does not cure such default within the 30-day notice period, such termination shall become effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

SECTION 8. GENERAL PROVISIONS
