appearance, quality and accessibility of the river, as contained in the waterway planned development guidelines contained in the Zoning Ordinance (Section 17-8-0912) and the Chicago River Corridor Design Guidelines and Standards. To further these goals, the Applicant agrees, as set forth in the Plans, to: (a) provide a minimum 30-foot building setback from the river as measured from the legal property line, which will include a continuous riverwalk as shown on the Landscape Plans, provided, however, that all existing buildings to remain shall be permitted to encroach on the 30-foot setback and (b) permit connection of such riverwalk and landscaping with similar facilities when properties adjacent to such portions of the riverwalk are improved or redeveloped. The Applicant shall permit un-gated public access to the river setback and provide signage on the riverwalk indicating that the riverwalk is open to the public during typical Chicago Park District hours. All riverwalk and landscaping improvements within the river setback must be substantially completed within twenty-four (24) months of the issuance of all necessary permits by all governmental or quasi-governmental authorities having jurisdiction over such improvements including, without limitation, the Army Corps of Engineers, Metropolitan Water Reclamation District, IDNR-OWR, Coast Guard and CDOT, and provided that planting may be delayed due to delays or inability to perform such acts due to causes beyond the reasonable control of the Applicant such as, without limitation, war, riot, insurrection, rebellion, strike, lockout, fire, flood, storm, earthquake, tornado, unavoidable casualty or damage to personnel, material or equipment, or act of God, and provided that completion may be delayed if consistent with good landscape practice or if necessary to accommodate construction of later phases of development, but not longer than one year following receipt of the final occupancy certificate.

12. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.
13. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.
14. Prior to the Part II Approval (per Section 17-13-0610 of the Zoning Ordinance) for construction of new buildings (with the exception of buildings substantially conforming to the Plans for Buildings _____, incorporated herein), site plan approval by the Department and site plan review by the Chicago Plan Commission shall be required in accordance with this Statement 14.

The Applicant shall submit a site plan, landscape plan, building elevations and a site data table for the building(s) and sub-area(s) in question for review by the Department (collectively, "Site Plans"). The site data table shall contain the following data for the proposed building(s) as compared to the parameters for the applicable sub-area(s) as set forth in the Bulk Regulations and Data Table:

- a. Gross Site Area;
- b. Net Site Area;
- c. FAR floor area of each proposed building;
- d. Maximum building height;
- e. Number of dwelling units;
- f. Number of parking spaces; and
- g. Other data as may be required by the Department to demonstrate compliance with this Planned Development.

If, after review, the Commissioner determines that the Site Plans are not in substantial compliance with the Planned Development, then the Commissioner shall advise the Applicant in writing of the ways in which the Site Plans do not so comply. If, after review, the Commissioner determines that the Site Plans are in substantial compliance with the Planned Development, such Site Plans must then be reviewed by the Chicago Plan Commission at a public meeting (for which placement on a Chicago Plan Commission Agenda, publication in accordance with Section 17-13-0107-B of the Zoning Ordinance, and posting in accordance with Section 17-13-0107-C of the Zoning Ordinance shall be required, but for which written notice pursuant to Section 17-13-0107-A of the Zoning Ordinance shall not be required), but shall not require review or approval by the City Council. Promptly following Chicago Plan Commission review, the Commissioner shall issue written approval of the applicable Site Plans. Following such approval, the approved Site Plans shall be made part of the main file and shall be deemed to be an integral part of this Planned Development.

Review and approval of Site Plans is intended to assure that specific development components substantially conform with the Planned Development and to assist the City in monitoring ongoing development. Site plan approval submittals need only include that portion of the Property for which approval is being sought by the Applicant. After approval of a site plan, changes or modifications may be made pursuant to the provisions of Statement 16. In the event of any inconsistency between approved plans and the terms of the Planned Development, the terms of the Planned Development shall govern.

15. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation,

16. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessees. Specifically, but without limitation, the Zoning Administrator is authorized to transfer FAR floor area, dwelling units and other development rights herein between and among sub-areas and to revise the Bulk Regulations and Data Table accordingly, provided the total FAR and number of dwelling units shall not be exceeded.
17. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
18. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all new buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of site plan approval, all new buildings must demonstrate substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Planning and Development.
19. Construction of the improvements contemplated by this Planned Development may be completed in phases over a period of years. In accordance Section 17-13-0612 of the Chicago Zoning Ordinance, it is acknowledged that commencement and completion of certain phases may exceed the periods set forth in Section 17-13-0612 of the Chicago Zoning Ordinance. Unless construction of Phase 1 has commenced within six years following adoption of this Planned Development (subject to extension for one additional year as set forth in Section 17-13-0612 of the Chicago Zoning Ordinance), then this Planned Development shall expire, and the zoning of the Property shall automatically revert to the B2-1 Neighborhood Mixed-Use District.

Dear Chairman Solis and Chairman Cabrera:

The undersigned, Katherine C. Jahnke Dale, an attorney with the law firm of DLA Piper LLP (US), which firm represents Lathrop Community Partners, LLC the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development, certifies that she has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that she has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about September 24, 2015, the undersigned, on behalf of Lathrop Community Partners (the "Applicant"), intends to file an application to rezone the property located at 2820-2996 North Clybourn Avenue; 2000-2144 West Diversey Parkway; 2007-2141 West Diversey Parkway; 2601-2953 North Leavitt Street; 2800-2888 North Leavitt Street; 2601-2769 North Hoyne Avenue; 2600-2768 North Hoyne Avenue; 2600-2800 North Damen Avenue and 2201-2223 West Oakdale Avenue from the RT-4 Residential Two-Flat, Townhouse and Multi-Unit District and POS-2 Neighborhood Park, Mini-Park or Playlot District to the B2-1 Neighborhood Mixed-Use District, then to a Residential-Business Planned Development. A map of the development site is printed on the reverse side of this letter.

The development site currently utilized for residential uses. The Applicant seeks a rezoning of the subject property from for the construction and renovation of approximately 1,208 residential dwelling units and 50,000 square feet of commercial and retail space containing an overall FAR of 1.2, accessory parking, and accessory and incidental uses.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the Cook County Assessor's records indicate that you own property within 250 feet of the development site.

I am an authorized representative of the Applicant and my address is 203 North LaSalle Street, Suite 1900, Chicago, IL 60601. The Applicant's address is 350 West Hubbard Street, Suite 300, Chicago, IL 60654. The property is owned by the Chicago Housing Authority, whose address is 60 East Van Buren Street, Chicago, IL 60605.
