The City agrees to provide the Title Company with a completed ALTA owner's statement, and other transfer documents typically required by the Title Company and typically provided by the City (but expressly excluding, however, "gap" undertakings, title indemnities and similar liabilities) at or prior to the City Land Closing. At the City Land Closing, the Partnership shall deliver to the City a copy of the owner's policy of title insurance that it obtains with respect to the City Land.

The City shall have no obligation to cure title defects; provided; however, if there are exceptions for general real estate tax liens which accrued prior to the City Land Closing with respect to the City Land, the City shall file a petition to vacate the tax sale in the Circuit Court of Cook County if the tax liens have been sold and/or seek to abate the tax liens by filing a tax abatement letter with the appropriate Cook County authorities or, filing tax injunction proceedings in the Circuit Court of Cook County, but shall have no further obligation with respect to any such taxes. If the City is unable to obtain the waiver or release of any such tax liens or is unable to cause the Title Company to insure over such tax liens, or if the City Land is encumbered with any other unpermitted exceptions, the Partnership shall have the option to do one of the following: (a) accept title to the City Land subject to the unpermitted exceptions, which shall then become permitted exceptions; or (b) terminate this Agreement by delivery of written notice to the City at least fourteen (14) days prior to the scheduled date for the City Land Closing.

The Partnership shall obtain and furnish the City with three (3) copies of a survey of the Property at the Partnership's sole cost and expense.

The Bickerdike / Partnership Parties hereby acknowledge that, in purchasing the City Land, the Bickerdike / Partnership Parties are relying solely upon their own inspection and other due diligence activities and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. The Bickerdike / Partnership Parties shall perform such studies and investigations, conduct such tests and surveys, and engage such specialists as the Bickerdike / Partnership Parties deem appropriate to evaluate fairly the structural, physical and environmental condition and risks of the City Land. 4.05 DPD Approval. Any approval granted by DPD of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only and does not affect or constitute any approval required by any other City department or pursuant to any City ordinance, code, regulation or any other governmental approval, nor does any approval by DPD

pursuant to this Agreement constitute approval of the quality, structural soundness or safety of the Property or the Project.

4.06 Other Approvals. Any DPD approval under this Agreement shall have no effect upon, nor shall it operate as a waiver of, Partnership's obligations to comply with the provisions of Section 6.03 (Other Governmental Approvals) hereof. Partnership shall not commence construction of the Project until Partnership has obtained all necessary permits and approvals (including but not limited to DPD's approval of the Scope Drawings and Plans and Specifications) and proof of the General Contractor's and each subcontractor's bonding as required hereunder.

4.07 Progress Reports and Survey Updates. Partnership shall provide DPD with written quarterly progress reports detailing the status of the Project, including a revised completion date, if necessary (with any change in completion date being considered a Change Order, requiring DPD's written approval pursuant to Section 4.04). If approved by DPD, the inspecting agent or architect may be the same one being used in such role by the lender providing Lender Financing, provided that such agent or architect (a) is not also the Partnership's agent or architect and (b) acknowledges in writing to the City that the City may rely on the findings of such agent or architect.

4.09 Barricades. Prior to commencing any construction requiring barricades, Partnership shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades.

4.10 Signs and Public Relations. Partnership shall erect a sign of size and style approved by the City in a conspicuous location on the Property during the Project, indicating that financing has been provided by the City. DPD shall have the right, in its sole discretion, to disallow any such expenditure as a Prior Expenditure. Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to Developer Parties, but shall reduce the amount of Equity and/or Lender Financing required to be contributed by Developer Parties pursuant to Section 5.01 hereof.

(b) [intentionally omitted]

(c) TIF District Administration Fee. Annually, the City may allocate an amount not to exceed 5.0% of the Incremental Taxes for payment of costs incurred by the City for the administration and monitoring of the Redevelopment Area, including the Project. Such fee shall be in addition to and shall not be deducted from or considered a part of the City Funds, and the City shall have the right to receive such funds prior to any payment of City Funds hereunder.

(d) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among hard cost line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

5.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to Section 5.03 hereof, or if the cost of completing the Project exceeds the Project Budget, Developer Parties shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

5.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, one or more of the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual cost of the Acquisition or the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) Partnership has approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) none of the Developer Parties have received any notice and has no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any deferred developer fee owned to the Developer Parties, and (v) any other amounts deposited by Developer pursuant to this Agreement. Partnership hereby agrees that, if the Project is not In Balance, Partnership shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require Developer to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by Developer. In addition, Developer shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

5.08 Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) the investor limited partner (the "Investor Limited Partner") to remove Rockwell, the general partner of the Partnership, in accordance with the Partnership's limited partnership agreement, provided the substitute general partner is acceptable to City in its discretion and the City provides its written consent (except no consent of the City shall be required under this Agreement if the substitute general partner is an affiliate of the Investor Limited Partner), (ii) the transfer of limited partner interests to an affiliate of the Investor Limited Partner pursuant to the limited partnership agreement, and (iii) the general partner to assign to a lender that is providing Lender Financing (the "Lender") all of the general partner's rights, title and interest in and to the Partnership and under the Partnership's limited partnership agreement as collateral for the Developer's obligations under the loans made or to be made by the Lender to the Partnership.

5.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Section 16.02 hereof.

5.10 Sale or Transfer of the Property or Project by Partnership.

(a) Prior to the Issuance of the Certificate. Partnership must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Certificate.

(b) After the Issuance of the Certificate. After the Certificate is issued, Partnership need not obtain prior approval for any sale or transfer of any part of the Property or the Project; provided, however, that Partnership must notify the City not less than 60 days

before any closing of sale of Partnership's intention to sell any part of the Property or the Project. Partnership must provide the City with true and correct copies of any contract for sale and related documents as part of such notice.

5.11 Construction Escrow. The City and Partnership hereby agree to enter into the Escrow Agreement. Except as expressly set forth herein, all disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control. The City must receive copies of any draw requests and related documents submitted to the Title Company for disbursements under the Escrow Agreement. If Lender Financing is provided as contemplated by Section 5.01(a) to bridge finance any of the City Funds, then the Partnership may direct the amounts payable pursuant to Section 5.03 to be paid by the City in accordance with this Agreement to an account established by the Partnership with the Lender providing the Lender Financing until the full repayment of the Lender Financing.

6.08 Evidence of Clean Title. Each of the Developer Parties, at their own expense, has provided the City with searches as indicated in the chart below under each Developer Parties' name (and the following trade names of each of the Developer Parties: \_\_\_\_\_) showing no liens against the Developer Parties, the Property or any fixtures now or hereafter affixed thereto, except for the Permitted Liens:

On the Closing Date, each of the Developer Parties has furnished the City with an opinion of counsel, substantially in the form attached hereto as Exhibit J, with such changes as required by or acceptable to Corporation Counsel. On or before the Closing Date, Partnership has provided to DPD, and DPD has approved, the Employment Plan for the Project (the "Employment Plan"). Notwithstanding acceptance by the City of the EDS, failure of the EDS to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Developer Parties and any other parties required by this Section 6.16 to complete an EDS must promptly update their EDS(s) on file with the City whenever any information or response provided in the EDS(s) is no longer complete and accurate, including changes in ownership and changes in disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, and failure to promptly provide the updated EDS(s) to the City will constitute an event of default under this Agreement.

6.17 Litigation. Each of the Developer Parties has provided to Corporation Counsel and DPD, a description of all pending or threatened litigation or administrative proceedings involving any of the Developer Parties, specifying, in each case, the amount of each claim, an estimate of probable liability, the amount of any reserves taken in connection therewith and whether (and to what extent) such potential liability is covered by insurance.

## SECTION 7. AGREEMENTS WITH CONTRACTORS

7.01 Bid Requirement for General Contractor and Subcontractors. The Developer represents that prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer has solicited, or has caused the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and has submitted all bids received to DPD for its inspection and written approval. (i) For the TIF-Funded Improvements, Developer has selected the General Contractor (or has caused the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner. If Developer selected a General Contractor (or the General Contractor selects any subcontractor) submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. (ii) For Project work other than the TIF-Funded Improvements, if Developer selected a General Contractor (or the General Contractor selects any subcontractor) who did not submit the lowest responsible bid, the difference between the lowest responsible bid and the higher bid selected shall be subtracted from the actual total Project costs for purposes of the calculation of the amount of City Funds to be contributed to the Project pursuant to Section 5.03(b) hereof. Developer has submitted copies of the Construction Contract to DPD in accordance with Section 7.02 below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Developer represents that the General Contractor has not (and has caused the General Contractor to ensure that the subcontractors have not) begin work on the Project until the Plans and Specifications have been approved by DPD and all requisite permits have been obtained.

7.02 Construction Contract. Prior to the execution thereof, Partnership shall deliver to DPD a copy of the proposed Construction Contract with the General Contractor selected to handle the Project in accordance with Section 7.01 above, for DPD's prior written approval, which shall be granted or denied within ten (10) business days after delivery thereof. Within ten (10) business days after execution of such contract by Developer Parties, the General Contractor and any other parties thereto, Partnership shall deliver to DPD and Corporation Counsel a certified copy of such contract together with any modifications, amendments or supplements thereto.

7.03 Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, Partnership shall require that the General Contractor be bonded for its payment by sureties having an AA rating or better using a bond in the form attached as Exhibit O hereto. The City shall be named as obligee or co-obligee on any such bonds.

7.04 Employment Opportunity. Partnership shall contractually obligate and cause the General Contractor and each subcontractor to agree to the provisions of Section 11 hereof.

7.05 Multi-Project Labor Agreement. The Developer Parties shall cause the General Contractor to comply with that certain Settlement Agreement dated November 3, 2011, by and among the City, Chicago Regional Council of Carpenters, the Metropolitan Pier and Exposition Authority, the Public Building Commission of the City of Chicago, and the State of Illinois, because the Project budget is in excess of \$25,000,000, and, therefore, is subject to the provisions of that certain City of Chicago Multi-Project Labor Agreement (the "MPLA") dated February 9, 2011, by and among the City and the labor organizations comprising the Chicago & Cook County Building & Construction Trades Council. The Developer Parties shall cause the General Contractor to comply with the MPLA to the fullest extent legally permissible without violating other requirements applicable to the construction of the Project, including, without limitation, the requirements of the MBE/WBE Program, the City resident employment provisions, Housing Act Section 3, Davis-Bacon Act, the Contract Work Hours and Safety Standards Act and the Labor Standards Deposit Agreement. At the direction of DPD, affidavits and other supporting documentation shall be required of the Developer Parties, the General Contractor and the subcontractors to verify or clarify compliance with the MPLA.

7.06 Other Provisions. In addition to the requirements of this Section 7, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 4.04 (Change Orders), Section 7.05 (Multi-Project Labor Agreement), Section 9.09 (Prevailing Wage), Section 11.01(e) (Employment Opportunity), Section 11.02 (City Resident Employment Requirement), Section 11.03 (MBE/WBE Requirements, as applicable), Section 13 (Insurance) and Section 15.01 (Books and Records) hereof. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof.

## SECTION 8. COMPLETION OF CONSTRUCTION OR REHABILITATION

8.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of construction of the Project in accordance with the terms of this Agreement, and upon the Partnership's written request, which shall include a final Project budget detailing the total actual cost of the construction of the Project (the "**Final Project Cost**"), DPD shall issue to the Partnership the Certificate (the "**Certificate**"), all in recordable form certifying that the Partnership has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. No Certificate shall be issued unless DPD is satisfied that the Partnership has fulfilled all of the following obligations:

- (a) Receipt of a Certificate of Occupancy or other evidence acceptable to DPD that the Partnership has complied with building permit requirements for the Project;
- (b) Partnership has completed construction of the Project according to the Plans and Specifications;

- (c) The Facility is open for operation and in the process of being leased to tenants pursuant to the requirements set forth in the affordability provisions of the regulatory agreement executed by the Partnership in connection with the Low Income Housing Tax Credits;
- (d) Evidence that the Developer Parties have incurred TIF-eligible costs in an equal amount to, or greater than, \$6,450,503;
- (e) The City's Monitoring and Compliance Unit has verified that, at the time the Certificate is issued, the Partnership is in full compliance with City requirements set forth in Section 11 and Section 9.09 (M/WBE, City Residency and Prevailing Wage) with respect to construction of the Project, and that 100% of the Partnership's MBE/WBE Commitment in Section 11.03 has been fulfilled; and
- (f) There exists neither an Event of Default (after any applicable cure period) which is continuing nor a condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default.

DPD shall respond to the Partnership's written request for a Certificate within forty-five (45) days by issuing either the requested Certificate or a written statement detailing the ways in which the Project as a whole does not conform to this Agreement or has not been satisfactorily completed, and the measures that must be taken by the Partnership in order to obtain the Certificate. The Partnership may resubmit a written request for a Certificate upon its completion of such measures.

8.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Partnership's obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 9.02, 9.06, 9.19 and 9.21 as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in Section 9.02 shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon Developer Parties or a permitted assignee of Developer Parties who, pursuant to Section 19.15 of this Agreement, has contracted to take an assignment of Developer's rights under this Agreement and assume Developer Parties' liabilities hereunder.

8.03 Failure to Complete. If the Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to Section 5.01, Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status of the TIF Bonds.

**8.04 Notice of Expiration of Term of Agreement.** Upon the expiration of the Term of the Agreement, DPD shall provide Developer Parties, at Developer Parties' written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

## SECTION 9. COVENANTS/ REPRESENTATIONS/ WARRANTIES OF THE DEVELOPER PARTIES.

**9.01 General.** The Developer Parties respectively represent, warrant and covenant, as of the date of this Agreement and as of the date of each disbursement of City Funds hereunder, that:

- (b) All 72 of the residential units in the Facility shall be available for occupancy to and be occupied solely by one or more qualifying as Low Income Families (as defined below) upon initial occupancy; and
- (c) Each of the 72 residential units in the Facility has monthly rents paid by the tenants not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.
- (d) As used in this Section 9.06, the following terms has the following meanings:
  - (i) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section 9.06 shall run with the land and be binding upon any transferee.

9.07 Employment Opportunity; Progress Reports. Developer Parties covenant and agree to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and each subcontractor to abide by the terms set forth in Section 11 hereof. Developer shall deliver to the City written progress reports detailing compliance with the requirements of Sections 9.09, 11.02 and 11.03 of this Agreement. Such reports shall be delivered to the City on a monthly basis until the Project is completed. If any such reports indicate a shortfall in compliance, Developer shall also deliver a plan to DPD which shall outline, to DPD's satisfaction, the manner in which Developer Parties shall correct any shortfall.

9.08 Employment Profile. Developer Parties shall submit, and contractually obligate and cause the General Contractor or any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

9.09 Prevailing Wage. Developer Parties covenant and agree to pay, and to contractually obligate and cause the General Contractor and each subcontractor to pay, the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all Project employees. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon the City's request, Developer Parties shall provide the City with copies of all such contracts entered into by Developer or the General Contractor to evidence compliance with this Section 9.09.

9.10 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of Developer Parties may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer Parties shall provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to the Affiliate by Developer Parties and reimbursement to Developer Parties for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

9.11 Conflict of Interest. Pursuant to Section 5/11-74.4-4(n) of the Act, each of Developer Parties represent, warrant and covenant that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer Parties with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or

control any interest, direct or indirect, in Developer Parties' business, the Property or any other property in the Redevelopment Area.

9.12 Disclosure of Interest. Developer Parties' counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

9.13 Financial Statements. Developer Parties shall obtain and provide to DPD Financial Statements for fiscal year ended 2014 and each year thereafter for the Term of the Agreement.

9.14 Insurance. Partnership, at its own expense, shall comply with all provisions of Section 13 hereof.

9.15 Non-Governmental Charges. (a) Payment of Non-Governmental Charges. Except for the Permitted Liens, Partnership agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, Partnership may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Partnership shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. Partnership has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Partnership's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 9.15); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

9.16 Developer Parties' Liabilities. None of the Developer Parties shall enter into any transaction that would materially and adversely affect its ability to perform its obligations hereunder or to repay any material liabilities or perform any material obligations of Developer Parties to any other person or entity. Developer Parties shall immediately notify DPD of any and all events or actions which may materially affect Developer Parties' ability to carry on its

business operations or perform its obligations under this Agreement or any other documents and agreements.

9.17 Compliance with Laws.

(a) Representation. To the best of Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be, as and when required, in compliance with all applicable Laws pertaining to or affecting the Project and the Property. Upon the City's request, Developer Parties shall provide evidence satisfactory to the City of such compliance.

(b) Covenant. Partnership covenants that the Property and the Project will be operated and managed in compliance with all Laws. Upon the City's request, the Partnership shall provide evidence to the City of its compliance with this covenant.

9.18 Recording and Filing. Partnership shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of the county in which the Project is located. This Agreement shall be recorded prior to any mortgage made in connection with Lender Financing. Partnership shall pay all fees and charges incurred in connection with any such recording. Upon recording, Partnership shall immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

9.19 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Partnership agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Partnership, the Property or the Project, or become due and payable, and which create, may create, a lien upon Partnership or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Partnership, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. Partnership has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Partnership's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Partnership has given prior written notice to DPD of Partnership's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) Partnership shall demonstrate to DPD's satisfaction that legal proceedings instituted by Partnership contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings; and/or

(iv) Partnership shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Partnership's Failure To Pay Or Discharge Lien. If Partnership fails to pay any Governmental Charge or to obtain discharge of the same, Partnership shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Partnership under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Partnership. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Partnership fails to pay any Governmental Charge, the City, in its sole discretion, may require Partnership to submit to the City audited Financial Statements at Partnership's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Partnership shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 9.19(c) are covenants running with the land and this Agreement shall be recorded by the Partnership as a memorandum thereof, at the Partnership's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Partnership and its agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Partnership agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 9.19(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the

Partnership, their successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this Section 9.19(c).

(d) Notification to the Cook County Assessor of Change in Use and Ownership. Prior to the Closing Date, Partnership shall complete a letter of notification, in accordance with 35 ILCS 200/15-20, notifying the Cook County Assessor that there has been a change in use and ownership of the Property. On the Closing Date, Partnership shall pay to the Title Company the cost of sending the notification to the Cook County Assessor via certified mail, return receipt requested. After delivery of the notification, Partnership shall forward a copy of the return receipt to DPD, with a copy to the City's Corporation Counsel's office.

9.20 Survival of Covenants. All warranties, representations, covenants and agreements of Developer Parties contained in this Section 9 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 8 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

9.21 Annual Compliance Report. Beginning in the year of the issuance of the Certificate and continuing for the subsequent ten years, Partnership shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates. Failure by Developer to submit the Annual Compliance Report shall constitute an Event of Default under Section 16.01 hereof, without notice or opportunity to cure pursuant to Section 16.03 hereof. The covenants contained in this Section 9.21 shall run with the land and be binding upon any transferee for the Term of the Agreement.

9.22 Inspector General. It is the duty of Developer Parties and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer Parties' officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant: (a) to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code and (b) to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to Chapter 2-55 of the Municipal Code. Each of the Developer Parties represents that it understands and will abide by all provisions of Chapters 2-56 and 2-55 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

9.23 Energy Star Recognition. Not later than the second anniversary of the Certificate issuance, the Developer Partnership shall provide evidence of Energy Star Recognition.

9.24. FOIA and Local Records Act Compliance.

(a) FOIA. The Developer Parties acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer Parties receive a request from the City to produce records within the scope of FOIA, then the Developer Parties covenant to comply with such request within 48 hours of the date of

such request. Failure by the Developer Parties to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that any of the Developer Parties submits to the City under Section 9.21, (Annual Compliance Report) or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by any of the Developer Parties to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer Parties mark any such documents as "proprietary, privileged or confidential." If any Developer Parties marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

(c) Local Records Act. Each of the Developer Parties acknowledges that the City is subject to the Local Records Act, 50 ILCS 205/1 et. seq, as amended (the "Local Records Act"). The Local Records Act provides that public records may only be disposed of as provided in the Local Records Act. If requested by the City, the Developer covenants Parties covenant to use its best efforts consistently applied to assist the City in its compliance with the Local Records Act

9.25 Survival of Covenants. All warranties, representations, covenants and agreements of Developer Parties contained in this Section 9 and elsewhere in this Agreement shall be true, accurate and complete at the time of Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 8 hereof upon the issuance of a Certificate of Completion) shall be in effect throughout the Term of the Agreement.

## SECTION 10. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

10.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

10.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 10 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

## SECTION 11. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

11.01 Employment Opportunity. Developer Parties, on behalf of itself and its successors and assign, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Developer Parties operating on the Property (collectively, with Developer Parties, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer Parties and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of

these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 11.01 shall be a basis for the City to pursue remedies under the provisions of Section 16.02 hereof.

11.02 City Resident Construction Worker Employment Requirement. Developer Parties agree for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Developer Parties, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

“Actual residents of the City” shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

Developer Parties, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

Developer Parties, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of Developer Parties, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of Developer Parties, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Developer Parties pursuant to Section 2-92-250 of the Municipal Code may be withheld by the City pending the Chief Procurement Officer's determination as to whether Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

Developer Parties shall cause or require the provisions of this Section 11.02 to be included in all construction contracts and subcontracts related to the Project.

11.03. MBE/WBE Commitment. Developer Parties agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 11.03, during the course of the Project, at least the following percentages of the MBE/WBE Budget (as set forth in Exhibit H-2 hereto) shall be expended for contract participation by MBEs and by WBEs:

- (1) At least 24 percent by MBEs.
- (2) At least four percent by WBEs.

(b) For purposes of this Section 11.03 only, Developer Parties (and any party to whom a contract is let by Developer Parties in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Developer Parties in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, Developer Parties' MBE/WBE commitment may be achieved in part by Developer Parties's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Developer Parties utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Developer Parties's MBE/WBE commitment as described in this Section 11.03. In accordance with Section 2-92-730, Municipal Code, Developer Parties shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) Developer Parties shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Developer Parties or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Developer Parties's compliance with this MBE/WBE commitment. Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Developer Parties, on five Business Days' notice, to allow the City to review Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Developer Parties shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of Developer Parties' MBE/WBE commitment as described in this Section 11.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

(g) Prior to the commencement of the Project, Developer Parties shall be required to meet with the City's monitoring staff with regard to Developer Parties' compliance with its obligations under this Section 11.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Developer Parties shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 11.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Developer Parties shall submit the documentation required by this Section 11.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Developer Parties is not complying with its obligations under this Section 11.03, shall, upon the delivery of written notice to Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Developer Parties to halt the Project, (2) withhold any further payment of any City Funds to Developer Parties or the General Contractor, or (3) seek any other remedies against Developer Parties available at law or in equity.

## SECTION 12. ENVIRONMENTAL MATTERS

12.01 Partnership hereby represents and warrants to the City that Partnership has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, the Bond Ordinance and the Redevelopment Plan.

Without limiting any other provisions hereof, Partnership agrees to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Partnership: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which Partnership, or any person directly or indirectly controlling; controlled by or under common control with Partnership, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by Partnership), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or

asserted liability or obligation of the City or Partnership or any of its Affiliates under any Environmental Laws relating to the Property.

12.02 The Partnership has provided the City with Phase I Environmental Site Assessments, conducted by Pioneer Environmental, for all of the Property except for 3145 West Franklin Boulevard. The Partnership acknowledges and agrees that the Phase I Environmental Site Assessment for 524-530 North Troy Street identified one Recognized Environmental Condition ("REC"), a historic 500 gallon gasoline tank, located adjacent to the parcels at 524-530 North Troy Street.

The Partnership shall conduct the following investigations and actions:

- (a) Complete a Phase I Environmental Site Assessment for 3145 West Franklin Boulevard; and
- (b) Perform a limited Phase II subsurface investigation for 524-530 North Troy Street to ascertain the presence of any environmental impacts that may be associated with the historic 500 gallon gasoline tank identified in the Phase I Environmental Site Assessment.

**OPINION OF DEVELOPER'S COUNSEL**

[To be retyped on Developer's Counsel's letterhead]

[Subject to revision following review of form of opinion provided by Developer's counsel]

City of Chicago  
121 North LaSalle Street  
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Nelson Mandela, LP, an Illinois limited partnership ("Developer"), in connection with the construction of certain facilities located in the Chicago/Central Park and Kinzie Industrial Corridor Redevelopment Project Areas (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) Nelson Mandela Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City");
- (b) [insert other documents including but not limited to documents related to purchase and financing of the Property and all lender financing related to the Project]; and
- (c) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined

- (a) the original or certified, conformed or photostatic copies of Developer's (i) Articles of Incorporation, as amended to date, (ii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, (iii) By-Laws, as amended to date, and (iv) records of all corporate proceedings relating to the Project [revise if Developer is not a corporation]; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and

conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a corporation duly organized, validly existing and in good standing under the laws of its state of [incorporation] [organization], has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign [corporation] [entity] under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's [Articles of Incorporation or By-Laws] [describe any formation documents if Developer is not a corporation] or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. Exhibit A attached hereto (a) identifies each class of capital stock of Developer, (b) sets forth the number of issued and authorized shares of each such class, and (c) identifies the record owners of shares of each class of capital stock of Developer and the number of shares held of record by each such holder. To the best of our knowledge after diligent inquiry, except as set forth on Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the capital stock of Developer. Each outstanding share of the capital stock of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

[Note: include a reference to the laws of the state of incorporation/organization of Developer, if other than Illinois.]

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,
