Notes

For PS remote mounting: Power supplies should be installed behind the wall at distance from the LED modules within the range specified in the SYLVANIA's "Remote Wiring Distance" document.

For PS inside channel letters: Power supplies should be installed inside the channel letter in such manner so that it does not significantly block any light output from the LED module. Position varies with the installation process.

- Spacing between boards and strings is approximate and vary with the installation process.

- Nominal AC Current is an estimation of the MAXIMUM current drawn by the total amount of power supplies used in the application. It is not based on the total LED load and is unrelated to the current outputted by the power supplies or the current driving the LED chips.

- Refer to the applicable LED module installation guide and PIB for more installation safety and hazardous information and limitations

Re: An ordinance to use and maintain a portion of the public right-of-way for **one (1) sign(s)** for **H & R BLOCK**, adjacent to the premises known as **1961 W. Lawrence Ave.**.

Dear Alderman **Ameya Pawar**:

The applicant referenced above has requested the use of the public right-of-way for a **sign(s)**. An ordinance has been prepared by the Department of Business Affairs and Consumer Protection – Small Business Center - Public Way Use Unit for presentation to the City Council. Because this request was made for properties located in your ward, as approved by you as per the attached, I respectfully request that you introduce the attached ordinance at the next City Council meeting.

If you have any questions regarding this ordinance, please contact Anthony Bertuca at (312) 744-5506.
