19.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (such Owners and all other preceding classes of persons and entities, collectively the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

19.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

SECTION 20. SHAKMAN ACCORD.

20.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

20.2 The Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with the Developer, either as an employee or as a subcontractor, and from directing the Developer to hire an individual as an employee or as a subcontractor. Accordingly, the Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the Developer under this Agreement are employees or subcontractors of the Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the Developer.

20.3 The Developer will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

20.4 In the event of any communication to the Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, the Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City department utilizing services provided under this Agreement. The Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 21. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH CITY.

Failure by the Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

17. **RATIFICATION.** Except as provided in this First Amendment, the terms of the Original Agreement are hereby ratified and confirmed and the parties agree that the provisions contained therein are in full force and effect, as amended hereby, as of the date hereof. Any reference to the "Agreement" shall mean the Original Agreement, as modified by this First Amendment.

18. **CONFLICT.** In case of a conflict between the terms and conditions of the Original Agreement and this First Amendment, the terms and conditions of this First Amendment shall govern and control.

19. **COUNTERPARTS.** This First Amendment may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this First Amendment effective as of the day and year first set forth above.

COUNT I

Code Violations – Civil Penalties

- 7. The City realleges and incorporates paragraphs 1 through 6 as paragraph 7 of Count I.
- 8. The Municipal Code of Chicago provides that an owner or any person in management or control of any building or premises with violations of the “building provisions, electrical and fire regulations and minimum standards of living and working conditions” set forth in the Code “shall be punished by a fine of not less than \$200.00 and not more than \$500.00, and each day such violations shall continue shall constitute a separate and distinct offense for which a fine as herein provided shall be imposed.” Municipal Code of Chicago §§ 13-12-010, 13-12-040 (2011).
- 9. The Municipal Code of Chicago further provides: “‘Owner’ means any person who alone, jointly or severally with others: [s]hall have legal title to any premises, or dwelling units, with or without accompanying actual possession thereof; or [s]hall have charge, care of, control, of any premises, dwelling or dwelling unit as owner or agent of the owner, or an executor, administrator, trustee, or guardian of the estate of the owner. ‘Owner’ [also] includes the owner, his agent for the purpose of managing, controlling or collecting rents, any other person managing or controlling a building or premises or any part thereof and any person entitled to the control or direction of the management or disposition of a building or premises or of any part thereof.” Municipal Code of Chicago § 13-4-010 (2011) (internal numbering omitted). The Code also provides that: “‘Person’ means any natural individual, firm, trust, partnership, association, joint venture, corporation or other legal entity, in his or its own capacity or as administrator, conservator, guardian, executor, trustee, receiver or other representative appointed by the court. Whenever the word ‘person’ is used in any section of this code prescribing a penalty, fine, or cost recovery action as applied to partnerships, associations or joint ventures, the word shall include the members thereof, and as applied to corporations shall include the officers, agents or employees thereof who intentionally, recklessly or negligently cause or allow any violation of the section.” Municipal Code of Chicago § 1-4-090(e) (2011).
- 10. The City seeks the maximum fine of \$4,500.00 against each defendant who is an owner for each day said defendant(s) maintained the building on the subject property with such violations or allowed the subject property to remain with such violations.

WHEREFORE, the City requests that this Court enter an order:

- A. Assessing civil penalties against each defendant who is an owner for each day from the date such violation was initially found to the date such violation was brought into compliance, said penalty calculated in accordance with Section 13-12-040 of the Municipal Code of Chicago; and
- B. Granting any other relief that this Court deems appropriate.

COUNT II

Failure to Meet Minimum Code Requirements - Injunctive Relief

11. The City realleges and incorporates paragraphs 1 through 6 as paragraph 11 of Count II.
12. All buildings in the City of Chicago must meet the minimum requirements for electrical, plumbing, heating and ventilation, and general building systems. Municipal Code of Chicago §13-196-010 (2011).
13. The subject property fails to meet the minimum requirements of the Municipal Code as described in the preceding paragraphs.
14. The Injunction Statute for Building and Zoning Violations provides, in pertinent part, that:

In case any building or structure, including fixtures, is constructed . . . or maintained, or any building or structure, including fixtures, or land, is used in violation of an ordinance or ordinances . . . the proper local authorities of the municipality . . . in addition to other remedies, may institute any appropriate action or proceeding . . . (4) to restrain, correct or abate the violation.

65 ILCS 5/11-13-15 (West 2010); *see also* Municipal Code of Chicago § 13-12-070 (2011) (City may obtain an injunction requiring compliance with the provisions of the Building Code).
15. Preliminary and permanent injunctive relief is necessary to abate the conduct of those defendants who own, control, or otherwise manage the subject property in violation of the requirements of the Municipal Code of Chicago.
16. Moreover, the failure of the defendants who own, control, or otherwise manage the subject property to maintain the subject property according to the minimum requirements of the Municipal Code of Chicago constitutes an ongoing injury to the public health, safety and welfare, for which there is no adequate remedy at law. *See* Municipal Code of Chicago § 13-12-010 (2011) (“In interpreting and applying said provisions of this code, such provisions shall in every instance be held to be the minimum requirements adopted for the protection and promotion of the public health, safety and welfare”). The entry of civil penalties alone against these defendants cannot adequately abate this public nuisance.
17. Where a statute or ordinance authorizes injunctive relief, a municipality need only show that the statute or ordinance was violated to obtain injunctive relief. *See Allied Waste Transp.*, 334 Ill. App. 3d at 228-29; *Krisjon*, 246 Ill. App. 3d at 959; *Piotrowski*, 215 Ill. App. 3d at 834-35.

WHEREFORE, the City requests that this Court enter an order:

- A. Granting preliminary and permanent injunctive relief requiring the defendants who own, control, or otherwise manage the subject property to abate all violations of the Municipal Code of Chicago; and
- B. Granting any other relief that this Court deems appropriate.

COUNT III

Unsafe Property Provisions – Equitable Relief

18. The City realleges and incorporates paragraphs 1 through 6 as paragraph 18 of Count III.

19. The Unsafe Property Statute provides, in pertinent part, that:

The corporate authorities of each municipality may demolish, repair, or enclose or cause the demolition, repair or enclosure of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of the municipality. . . .

65 ILCS 5/11-31-1(a) (West 2010).

20. The Unsafe Buildings Ordinance also authorizes the City of Chicago to seek a court order authorizing the demolition, repair or enclosure of “any building . . . found in a dangerous and unsafe condition or uncompleted and abandoned” within the city limits of Chicago. Municipal Code of Chicago § 13-12-130 (2011).

21. The defendants have violated, and continue to violate, the Unsafe Property Statute and Unsafe Buildings Ordinance by allowing the subject property to remain in a dangerous and unsafe condition posing a danger to the public health, safety, and welfare.

22. The levying of a fine is not an adequate remedy for the unsafe conditions at the subject property.

23. Where a statute or ordinance authorizes injunctive relief, a municipality need only show that the statute or ordinance was violated to obtain such relief. *See Village of Riverdale v. Allied Waste Transp., Inc.*, 334 Ill. App. 3d 224, 228-29 (1st Dist. 2002); *City of Chicago v. Krisjon Constr. Co.*, 246 Ill. App. 3d 950, 959 (1st Dist. 1993); *City of Chicago v. Piotrowski*, 215 Ill. App. 3d 829, 834-35 (1st Dist. 1991).

WHEREFORE, the City requests that this Court enter an order:

- A. Requiring the defendants to repair, enclose, clean-up, or demolish the building(s) on the subject property with proper permits issued by the City of Chicago;
- B. Alternatively, appointing a receiver to correct the conditions alleged in the Complaint with full powers of receivership, including the right to issue and sell receivers certificates in accordance with Section 5/11-31-2 of Chapter 65 of the Illinois Compiled Statutes, as amended;

- C. Alternatively, authorizing the City of Chicago to repair, enclose, clean-up, or demolish the building(s) on the subject property pursuant to 65 ILCS 5/11-31-1(a) and Municipal Code of Chicago § 13-12-130, and assessing the costs of such activity as a judgment against the defendants, and as a lien against the subject property;
- D. Permitting foreclosure of any City of Chicago liens entered against the subject property in this proceeding, pursuant to Section 5/11-31-1(c) of Chapter 65 of the Illinois Compiled Statutes, as amended;
- E. Awarding to the City court costs, attorney's fees, and other costs related to the enforcement of Section 5/11-31-1(a) of Chapter 65 of the Illinois Compiled Statutes, as amended, against the defendants; and
- F. Granting any other relief that this Court deems appropriate.

COUNT IV

Improperly Maintained Building or Structure – Injunctive Relief

- 24. The City realleges and incorporates paragraphs 1 through 6 as paragraph 24 of Count IV.
- 25. Section 13-12-145(a) of the Building Nuisance Abatement Ordinance declares a building a nuisance subject to abatement if it is:

a building or structure found to be vacant and open after the effective date of an order to secure and enclose issued by a court of competent jurisdiction or the department of administrative hearings within the previous 12 months, unless stayed by a court of competent jurisdiction; (2) a building or structure that contains any violation of a health, fire, electrical, plumbing, building or zoning provision of this code which is imminently dangerous and hazardous; (3) a building or structure for which the costs of the repairs necessary to bring the building or structure into compliance with applicable laws would exceed the market value of the building or structure after the repairs would have been made, or when the owner cannot show that it has readily available and sufficient assets to make such repairs or where such repairs otherwise are economically infeasible; or (4) a building or structure where an owner has failed to correct the code violation(s) that form the basis of an adverse order or judgment involving that building or structure, issued by a court of competent jurisdiction or a hearing officer of the department of administrative hearings, within 60 days of entry, unless such adverse order or judgment has been stayed by a court of competent jurisdiction.

See Municipal Code of Chicago § 13-12-145(a) (2011).

- 26. The building or structure on the subject property is a nuisance as defined by the Building Nuisance Abatement Ordinance in that the building or structure contains violations of health, fire, electrical, plumbing, building and/or zoning provisions of the Municipal Code which are imminently dangerous and hazardous, and, further, that the owner(s) cannot show that he/she/they/it has readily available and sufficient assets to make all necessary repairs.

27. Section 13-12-145(c) authorizes the Corporation Counsel to bring an action in a court of competent jurisdiction to abate a public nuisance as defined in that section. *See* Municipal Code of Chicago § 13-12-145(c) (2011).
28. Civil penalties alone are an inadequate remedy for the conditions that exist at the subject property.

WHEREFORE, the City requests that this Court enter an order:

- A. Finding the building to be a nuisance under Sections 13-12-145(a) of the Municipal Code of Chicago;
- B. Assigning or forfeiting the defendants' rights, title and interest in the subject property to the City of Chicago or a third party designated by the City;
- C. Permitting the foreclosure in this proceeding of any liens of the City of Chicago levied against the subject property in this case;
- D. Awarding the City of Chicago the court costs, attorney's fees and other costs related to enforcement of Section 13-12-145(c) against the Defendants; and
- E. Granting any other relief that this Court deems appropriate.

COUNT V

Improperly Maintained Building or Structure - Civil Penalties

29. The City realleges and incorporates paragraphs 24 through 28 as paragraph 29 of Count V.
30. Section 13-12-145(e) of the Municipal Code of Chicago provides that an owner; the owner's agent who manages, controls, or collects rents on the building or structure; the holder of a mortgage lien with a right to possession; or any person in management or control of any building or structure that is found to be a public nuisance violates that section and shall be fined not less than \$200.00 per day, nor more than \$1,000.00 per day for each day the nuisance has existed until the nuisance is abated. Municipal Code of Chicago §13-12-145(e) (2011).
31. The City seeks the maximum fine for each day the Defendants who own, manage, control, collect rent, or who hold a mortgage lien with right to possession on the subject property fail to abate the public nuisance at the property.

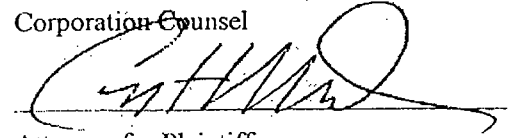

WHEREFORE, the City requests that this Court enter an order:

- A. Assessing civil penalties against any Defendant who owns, manages, controls, collects rents, or holds a mortgage lien with right to possession on the subject property in the maximum amount per day from the date that the nuisance existed until the date the public nuisance is abated; and
- B. Granting any other relief that this Court deems appropriate.

RE: CDOT Streetscape - Project Taj Plaza – 6411 N. Rockwell Avenue, Chicago, Illinois – Account# 57345 – INVOICE #299577

Dear Commissioner Scheinfeld,

I represent Devon NJ, LLC on matters related to the redevelopment agreement by and between the City of Chicago and ASAT, Inc. as recorded June 5, 2007 (the "RDA") governing the development and use of the property now owned by my client located at 6411 N. Rockwell Avenue in the City of Chicago (the "Property"), specifically, the amending of the RDA.

As part of the amendment of the RDA, the city of Chicago, specifically, Alderman Silverstien has asked that your department complete the streetscape services along Rockwell at my client's expense. While this arrangement is acceptable to my client, the estimated cost of the project is \$230,000.00 (See attached invoice) and is typically due in advance of any work beginning. I have been in contact with Greg Janes from the city's law department and Michael Volini from CDOT on this matter and my client would like to proceed with the project as follows: a \$100,000.00, non-refundable payment to be paid to the Department of Finance on behalf of the Chicago Department of Transportation within seven (7) days of your department's acceptance of this proposal and the remaining balance of \$130,000.00 to be paid to the Department of Finance on behalf of the Chicago Department of Transportation upon refinance or sale of the Property, provided however, in the event my client fails to refinance or sell the Property within three (3) months of this writing, payment of the remaining \$130,000.00 shall be due and payable immediately. In the event my client fails to pay the \$130,000.00 balance within three (3) months of this writing the initial \$100,000.00 payment shall be forfeited to CDOT.

Additionally, my client will fully cooperate with CDOT in securing lien rights against the Property to secure payment of the \$130,000.00 balance. My client hereby acknowledges that CDOT will not begin work on the streetscape project until the entire \$230,000.00 has been paid to CDOT.

It is also understood that the \$230,000.00 price for the project is only an estimate and that my client will be refunded the difference between the \$230,000.00 and the final actual cost of the project.

I hope this arrangement is acceptable to the Department of Transportation and look forward to your response. Thank you in advance for your consideration on this matter. Please contact me with any questions at 312-750-1166.

Very truly yours,

Thomas R. Raines
