Re: Proposed Amendment to Residential Commercial Planned Development No. 1006 (421-547 West Division Street, et al.)

---

On December 12, 2022, the Chicago Plan Commission recommended approval of the proposed amendment to Residential Commercial Planned Development No. 1006 (RCPD No. 1006), submitted by Parkside Associates, LLC. The applicant proposes to amend the development boundary by removing a portion of land. The remaining amended RCPD No. 1006 boundary will be rezoned from RCPD No. 1006 to DX-3 (Downtown Mixed-Use District), and then back to RCPD No. 1006, as amended. The applicant will redefine the subareas of the planned development for phased development of the site. Block 1 (Sub-Area C) is proposed to contain 6 dwelling units in a 42'-tall walk-up building with 12 accessory parking spaces. Block 7 (Sub-Area D) will be subject to future site-plan approval for a building with a maximum of 82 dwelling units and a height of 100'. The overall Floor Area Ratio (FAR) of the site will be 2.5. A copy of the proposed ordinance, planned development statements, bulk table, and exhibits are attached. I would very much appreciate your assistance in having this introduced at the next possible City Council Committee on Zoning.

Also enclosed is a copy of the staff report to the Plan Commission which includes the Department of Planning and Development, Bureau of Zoning recommendation and a copy of the resolution. If you have any questions in this regard, please do not hesitate to contact Emily Thrun at 312-744-0756.
