April 26, 2012

Alderman George Cardenas  
12<sup>th</sup> Ward Office  
2458 W. 38<sup>th</sup> Street  
Chicago, IL 60632

Dear Alderman Cardenas,

Please accept this cover letter and its accompanying documentation as Pilsen Wellness Center's formal request for a 15 Minute Standing Zone for its building located at 2001 S. California, Chicago, IL 60608.

Pilsen Wellness Center understands by applying for a 15 Minute Standing Zone that

- Vehicles parking in standing zones are limited to 15 minutes and must have their hazards flashing while the driver is away from the vehicle.
- Vehicles extending their stay over the 15 minute time limit are in violation of the Chicago Municipal Code and are liable to receive a citation.
- Even though the standing zone is placed adjacent to our location, vehicles standing in the zone for the allotted time are not obligated to patronize our location.
- It is illegal to post additional signage in the public way, including signage, which would cause one to assert that the loading zone is reserved solely for our location.

A 15 Minute Standing Zone is needed in front of the Latino youth High School because students and other civilians are either dropped off or picked up from school or the medical center and dental center located in the building. The 15 minute standing zone will help for this purpose.

Along with this letter, please find the following two items in support of our application:

1. A completed application
2. Photos of the site

I am looking forward to your positive reply. You may contact me at the following telephone number (773) 579-0832 or my email address [fcisneros@pilsenmh.org](mailto:fcisneros@pilsenmh.org).

Yours truly,

Francisco Cisneros  
President/CEO

Cc: Alderman Jason Ervin

**CERTIFICATION**

---

To be completed by business owner/manager:

I hereby certify that all statements made as part of this application and any attachments herein, are true to the best of my knowledge and belief. I also understand that a standing/loading zone ordinance is introduced to the City Council at the discretion of 32nd Ward Alderman Scott Waguespack - submission of this application does not guarantee the granting of a standing/loading zone. The analysis of this application will weigh the benefits of placing the zone adjacent to my business versus the disadvantages of the reduction of available street parking in the area. I acknowledge that the issuance of a standing/loading zone is a privilege granted by the City of Chicago and not a right of my business ownership - the curb lane is and shall remain the property of the City. I agree to accept the decision of the Alderman to partially or fully accept, or deny my application.

Furthermore, I agree to follow all applicable laws as outlined by the Municipal Code of the City of Chicago, and requirements as put forth in this application and by the Committee on Traffic Control and Safety, the Department of Transportation, and the Department of Revenue. I also understand that the standing/loading zone may be removed at the Alderman's discretion or at the urging of any City Department.
