**Answer:** **False**  
 This is the second most common type of error that can be made in a research study. It occurs when a researcher incorrectly rejects the null hypothesis.

**Answer:** The bootstrap can indeed give insight to the "true" distribution of the sample mean.

Re: An ordinance to use and maintain a portion of the public right-of-way for **five (5) step(s)** for **HONG DUONG**, adjacent to the premises known as **4140 N. Claremont Ave.**.

Dear Alderman **Ameya Pawar**:

The applicant referenced above has requested the use of the public right-of-way for a **step(s)**. An ordinance has been prepared by the Department of Business Affairs and Consumer Protection – Business Assistance Center - Public Way Use Unit for presentation to the City Council. Because this request was made for properties located in your ward, as approved by you as per the attached, I respectfully request that you introduce the attached ordinance at the next City Council meeting.

If you have any questions regarding this ordinance, please contact Anthony Bertuca at (312) 744-5506.
