ORDINANCE

WHEREAS, the City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970, and as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, pursuant to an ordinance adopted by the City Council of the City (the "City Council") on October 7, 1998, and published at pages 78137 and 78139 through 78242 in the Journal of the Proceedings of the City Council for such date, the City Council: (i) approved a certain redevelopment plan and project (the "Redevelopment Plan") for the 71st and Stony Island Tax Increment Financing Redevelopment Project Area (the "Redevelopment Area"), pursuant to the Illinois Tax Increment Allocation Redevelopment Act, as amended, 65 ILCS 5/11-74.4-1 *et seq.* (the "TIF Act"), (ii) designated the Redevelopment Area as a redevelopment project area pursuant to the TIF Act; and (iii) adopted tax increment allocation financing pursuant to the TIF Act as a means of financing certain Redevelopment Area redevelopment project costs (as defined in the TIF Act) incurred pursuant to the Redevelopment Plan; and

WHEREAS, the City is the owner of the vacant land located at 1433-43 East 77th Street and 7700-08 South Blackstone Avenue, Chicago, Illinois 60619, which is legally described on Exhibit A attached hereto (the "Property"); and

WHEREAS, the Property is located in the Redevelopment Area; and

WHEREAS, Regal Mile Ventures LLC, an Illinois limited liability company ("Grantee"), intends to develop a film studio on an approximately 7-acre site at the intersection of S. Blackstone Avenue and S. South Chicago Avenue, adjacent to the Property; and

WHEREAS, Grantee has offered to purchase the Property from the City for the sum of Thirty-one Thousand and No/100 Dollars (\$31,000.00) (the "Purchase Price") for studio parking (the "Project"); and

WHEREAS, the Purchase Price represents the appraised fair market value of the Property, assuming the land has no adverse environmental conditions; and

WHEREAS, Grantee has agreed to investigate the environmental condition of the Property and, if necessary, to remediate the Property in accordance with the terms set forth in this ordinance; and

WHEREAS, the cost of investigating and, if necessary, remediating the Property may increase Grantee's costs of constructing the Project; and

WHEREAS, the City has agreed to allow Grantee to deposit the Purchase Price in an escrow account on the closing date, and use the escrowed funds to reimburse certain additional or environmental costs attributable to such necessary remediation work incurred by Grantee (as more particularly defined in Exhibit B, the "Environmental Costs"); and

WHEREAS, by Resolution No. 21-027-21, adopted on August 19, 2021, the Chicago Plan Commission approved the disposition of the Property; and

WHEREAS, by Resolution No. 21-CDC-26, adopted on July 13, 2021, the CDC authorized the Department to advertise its intent to negotiate a sale of the Property with Grantee and to request alternative proposals for the redevelopment of the Property, and recommended the sale of the Property to Grantee if no responsive alternative proposals were received at the conclusion of the advertising period, or, if alternative proposals were received, if the Department determined in its sole discretion that it was in the best interest of the City to proceed with Grantee's proposal; and

WHEREAS, public notice advertising the Department's intent to enter into a negotiated sale of the Property with Grantee and requesting alternative proposals appeared in the *Chicago Tribune* on July 22 and July 29, 2021; and

WHEREAS, no other responsive proposals were received by the deadline set forth in the aforesaid notices; *now, therefore*,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. The foregoing recitals, findings and statements of fact are hereby adopted as the findings of the City Council.

SECTION 2. The sale of the Property to Grantee for the Purchase Price is hereby approved. The Purchase Price shall be deposited into an escrow account to be held by a third party title insurance company for purposes of funding some of Grantee's Environmental Costs (the "Escrow Account"), pursuant to a written joint order environmental escrow agreement in a form acceptable to the Department ("Escrow Agreement"). The escrowed funds shall be used to reimburse Grantee for some of the Environmental Costs. The commissioner of the Department (the "Commissioner"), or a designee of the Commissioner, is each hereby authorized, with the approval of the City's Corporation Counsel as to form and legality, to negotiate, execute and deliver the Escrow Agreement, and such other supporting documents as may be necessary or appropriate to carry out and comply with the provisions of the Escrow Agreement, with such changes, deletions and insertions as shall be approved by the persons executing the Escrow Agreement and such other supporting documents.

SECTION 3. The Mayor or her proxy is authorized to execute, and the City Clerk or Deputy City Clerk is authorized to attest, a quitclaim deed ("Deed") conveying the Property to Grantee, or to a land trust of which Grantee is the sole beneficiary, or to a business entity of which Grantee is the sole controlling party. Without limiting the quitclaim nature of the Deed, the conveyance of the Property shall be subject to the following: the standard exceptions in an ALTA title insurance policy; general real estate taxes and any special assessments or other taxes; easements, encroachments, covenants, restrictions and liens of record and not shown of record; such other title defects as may exist; and any and all exceptions caused by the acts of Grantee or its agents. In addition, the Deed shall include the following conditions and covenants, in substantially the form set forth below, which are a part of the consideration for the Property and which shall run with the land and be binding upon and enforceable against Grantee and Grantee's

successors and assigns:

1. No Discrimination. Grantee shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Property or any part thereof.

2. 71st and Stony Island Redevelopment Project Area. The Property is located in the 71st and Stony Island Tax Increment Financing Redevelopment Project Area established pursuant to ordinances adopted by the City Council on October 7, 1998. Grantee is obligated to use the Property only for uses permitted under the redevelopment plan for the redevelopment area, until such redevelopment plan expires.

3. "As Is" Sale. Grantee acknowledges that Grantee has had an opportunity to inspect the Property and evaluate the structural, physical and environmental conditions and risks of the Property and accepts the risk that any inspection may not disclose all material matters affecting the Property (and any improvements thereon). Grantee acknowledges that Grantee has relied solely upon Grantee's own inspection and other due diligence activities in deciding to acquire the Property, and not upon any information (including, without limitation, environmental studies or reports of any kind) provided by or on behalf of the City or its agents or employees with respect thereto. Grantee acknowledges and agrees that the Property is being conveyed, and Grantee accepts the Property, in its "AS IS," "WHERE IS" and "WITH ALL FAULTS" condition as of the date of this Deed, without any covenant, representation or warranty, express or implied, of any kind, as to the structural, physical or environmental condition of the Property (or any improvements thereon), its compliance with any Laws, or the suitability or merchantability of the Property for any purpose whatsoever. Grantee acknowledges and agrees that Grantee is solely responsible for any investigation and remediation work necessary to put the Property in a condition which is suitable for its intended use.

4. Environmental Requirements. Prior to the commencement of construction on the Property, Grantee shall satisfy the following environmental requirements:

(a) As used herein, the following terms shall have the following meanings:

"Environmental Laws" means all Laws relating to the regulation and protection of human health, safety, the environment and natural resources now or hereafter in effect, as amended or supplemented from time to time, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. ("CERCLA"), the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq., the Hazardous Materials Transportation Act, 49 U.S.C. § 5101 et seq., the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq., the Clean Air Act, 42 U.S.C. § 7401 et seq., the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq., the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. § 136 et seq., the Occupational Safety

and Health Act, 29 U.S.C. § 651 et seq., any and all regulations promulgated under such Laws, and all analogous state and local counterparts or equivalents of such Laws, including, without limitation, the Illinois Environmental Protection Act, 415 ILCS 5/1 et seq., and the common law, including, without limitation, trespass and nuisance.

“Final NFR Letter” means a final comprehensive “No Further Remediation” letter issued by the Illinois Environmental Protection Agency (IEPA) approving the use of the Property for the construction, development and operation of the Project. The Final NFR Letter shall state that the Property meets Tiered Approach to Corrective Action Objectives (TACO) remediation objectives for commercial properties and the construction worker exposure route as set forth in 35 Ill. Admin. Code Part 742, but may be reasonably conditioned upon use and maintenance of engineered barriers and other institutional or engineering controls acceptable to the IEPA.

“Hazardous Substances” means and includes: (i) a characteristic waste, which exhibits one or more of four characteristics defined in 40 CFR Part 261 Subpart C, (ii) any other material, substance or waste that must be removed according to 35 Ill. Admin. Code 742.305, and (iii) any underground storage tanks (“USTs”) and related petroleum or otherwise contaminated soils limited only to (x) material exceeding soil attenuation/saturation limits or (y) material meeting RCRA hazardous waste criteria.

“Laws” means any and all applicable federal, state, county, municipal or other laws (including common law), statutes, codes, ordinances, rules, regulations, executive orders or other requirements, now or hereafter in effect, as amended or supplemented from time to time, and any applicable judicial or administrative interpretation thereof, including any applicable judicial or administrative orders, consent decrees or judgments.

“Losses” means any and all debts, liens (including, without limitation, lien removal and bonding costs), claims, actions, suits, demands, complaints, legal or administrative proceedings, losses, damages, obligations, liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, interest, fines, penalties, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, reasonable attorneys’ fees and expenses, consultants’ fees and expenses, costs of investigation, and court costs).

“Remediation Work” means all investigation, sampling, monitoring, testing, removal, response, disposal, storage, remediation, treatment and other activities necessary to obtain a Final NFR Letter for the Property in accordance with the terms and conditions of the Remedial Action Plan (RAP) Approval Letter for the Property issued by the IEPA, all requirements of the IEPA and all applicable Laws, including, without limitation, all applicable Environmental Laws.

(b) Grantee shall obtain a Phase I environmental site assessment of the Property in accordance with the requirements of the ASTM E 1527-13 standard ("Phase I ESA"). If the Phase I ESA identifies any Recognized Environmental Conditions ("RECs"), Grantee shall obtain a Phase II environmental site assessment ("Phase II ESA"). The City's Department of Assets, Information and Services ("AIS") shall have the right to review and approve the sufficiency of the Phase I ESA, the Phase II ESA, and any other follow-up tests or reports for the purpose of determining whether any environmental or health risks would be associated with the development of the Property. The City must be named in a reliance letter for all environmental assessments prepared for the Property.

(c) If the Phase II ESA or other follow-up tests or reports disclose the presence of contaminants exceeding residential or industrial/commercial remediation objectives, as applicable to the development, as determined by 35 Ill. Adm. Code Part 742, Grantee shall enroll the Property (or the applicable portion thereof) in the Illinois Environmental Protection Agency ("IEPA") Site Remediation Program ("SRP") and thereafter take all necessary and proper steps to obtain written approval from the IEPA of a Remedial Action Plan ("RAP Approval Letter"), unless AIS otherwise determines that it is not necessary to enroll the Property in the SRP. If AIS requires Grantee to enroll the Property in the SRP, Grantee acknowledges and agrees that construction on the Property may not commence until the IEPA issues, and AIS approves, a RAP Approval Letter for the Property. AIS shall have the right to review in advance and approve all documents submitted to the IEPA under the SRP, as amended or supplemented from time to time.

(d) After AIS approves the RAP Approval Letter for the Property (to the extent required under (c) above), Grantee covenants and agrees to complete all Remediation Work necessary to obtain a Final NFR Letter for the Property. Grantee shall bear sole responsibility for all costs of the Remediation Work and any other investigative and cleanup costs associated with the Property, including, but not limited to, the removal of pre-existing building foundations, demolition debris, and soil or soil gas not meeting the requirements of 35 Ill. Adm. Code Part 742. In addition, Grantee shall remove and close any identified underground storage tanks ("USTs") in accordance with applicable regulations, including 41 Ill. Adm. Code Part 175, and shall properly address any identified leaking USTs in accordance with 35 Ill. Adm. Code Part 734. Grantee shall promptly transmit to the City copies of all documents prepared or received with respect to the Remediation Work, including, without limitation, any written communications delivered to or received from the IEPA or other regulatory agencies. After the IEPA has issued and AIS has approved a Final NFR Letter, Grantee shall record the document with the Cook County Clerk's Office. Grantee covenants and agrees to abide by the terms and conditions of the Final NFR Letter.

(e) Grantee, on behalf of itself and its officers, directors, employees, successors, assigns and anyone claiming by, through or under any of them,

including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the Property under or through Grantee following the date of the Deed (collectively, the "Grantee Parties"), hereby releases, relinquishes and forever discharges the City, its officers, agents and employees (collectively, the "Indemnified Parties"), from and against any and all Losses which Grantee Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of this Deed, based upon, arising out of or in any way connected with, directly or indirectly: (i) any environmental contamination, pollution or hazards associated with the Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (ii) the structural, physical or environmental condition of the Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the Property or the migration of Hazardous Substances from or to other property; (iii) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any governmental or regulatory body response costs, natural resource damages or Losses arising under CERCLA; and (iv) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Grantee Parties waive their rights of contribution and subrogation against the Indemnified Parties.

(f) Grantee acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to convey the Property, and that, but for such release, the City would not have agreed to convey the Property to Grantee. It is expressly agreed and understood by and between Grantee and the City that, should any future obligation of Grantee or Grantee Parties arise or be alleged to arise in connection with any environmental, soil or other condition of the Property, neither Grantee nor any other Grantee Parties shall assert that those obligations must be satisfied in whole or in part by the City, because this covenant contains a full, complete and final release of all such claims.

5. Affordable Housing. Grantee may be subject to Section 2-44-085 of the Municipal Code of Chicago, as hereafter amended, supplemented or replaced (the "Affordable Requirements Ordinance" or the "ARO"), if Grantee subsequently develops the Property with a residential project, as defined in the ARO then in effect.

SECTION 5. If any provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect any of the other provisions of this ordinance.

SECTION 6. All ordinances, resolutions, motions or orders in conflict with this ordinance are hereby repealed to the extent of such conflict.

SECTION 7. This ordinance shall be in full force and effect immediately upon its passage and approval.
