RECITALS

A. Constitutional Authority: As a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois (the "**State**"), the City has the power to regulate for the protection of the public health, safety, morals and welfare of its inhabitants, and pursuant thereto, has the power to encourage private development in order to enhance the local tax base, create employment opportunities and to enter into contractual agreements with private parties in order to achieve these goals.

B. Statutory Authority: The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as amended from time to time (the "**Act**"), to finance projects that eradicate blighted conditions and conservation area factors through the use of tax increment allocation financing for redevelopment projects.

C. City Council Authority: To induce redevelopment pursuant to the Act, the City Council of the City (the "**City Council**") adopted ordinances on July 8, 1998: (1) approving a redevelopment plan (the "**Redevelopment Plan**") for the 43rd/Cottage Grove Redevelopment Project Area (the "**Area**"); (2) designating the Area as a Redevelopment Project Area pursuant to the Act; and (3) adopting tax increment allocation financing for the Area (the "**TIF Adoption Ordinance**") (items(1)-(3) collectively referred to herein as the "**TIF Ordinances**"). The redevelopment project area referred to above (the "**Redevelopment Area**") is legally described in **Exhibit A** hereto.

D. The Project: The Developer has leased certain property located within the Redevelopment Area commonly known at 4424 South Cottage Grove Avenue and 4434 South Cottage Grove Avenue, Chicago, Illinois and legally described on **Exhibit B** hereto (the "**Property**"), and, within the time frames set forth in **Section 3.01** hereof, shall commence and complete the construction of two (2) mixed-use buildings on the Property and which will consist

of approximately eighty-four (84) residential housing units of which fifty-nine (59) units shall be for low-and-moderate-income families, twenty-five (25) shall be market-rate units, fifteen thousand (15,000) square feet, ground-floor commercial retail space, parking spaces including sixty-five (65) spaces for the residential units and twenty-three (23) spaces for retail, and related common areas (the "Facility"). The Facility and related improvements (including but not limited to those TIF-Funded Improvements as defined below and set forth on Exhibit C) are collectively referred to herein as the "Project." The completion of the Project would not reasonably be anticipated without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement and the Redevelopment Plan attached hereto as Exhibit D.

F. City Financing: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Available Incremental Taxes (as defined below), to pay for or reimburse any of the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement.

In addition, as described in Section 8.05 hereof, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined herein) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), the proceeds of which (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes, or in order to reimburse the City for the costs of TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds.

Now, therefore, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Exhibit C sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Sections 4.03(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost. <u>Source of City Funds</u>	<u>Maximum Amount</u>
Available Incremental Taxes and/or TIF Bond proceeds	\$7,200,000

provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of \$7,200,000 or 19.46% of the actual total Project

costs; and provided further, that the \$7,200,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the TIF Fund shall be sufficient to pay for such costs. The City Funds shall be disbursed in four (4) installments as follow:

i) The first installment of City Funds in the amount of \$2,400,000 shall be paid upon thirty-three percent (33%) of construction completion;

ii) The second installment of City Funds in the amount of \$2,400,000 shall be paid upon sixty-six percent (66%) of construction completion;

iii) The third installment of City Funds in the amount of \$1,200,000 shall be paid upon one hundred percent (100%) of construction completion; and

iv) The fourth installment of City Funds in the amount of \$1,200,000 shall be paid upon the issuance of the Certificate.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements up to a maximum of \$7,200,000 is contingent upon the fulfillment of the foregoing conditions. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 4.01 hereof shall increase proportionately.

4.04 Construction Escrow; Requisition Form. DPD must approve disbursements of the City Funds from the Escrow. The Developer shall submit a Requisition Form prior to each disbursement of City Funds. The Developer shall meet with DPD at the request of DPD to discuss the Requisition Form(s) previously delivered. If Lender Financing is provided as contemplated by Section 4.01(a) and Exhibit H to bridge finance the City Funds, then the Developer may direct the amounts payable pursuant to Section 4.03(a) to be paid by the City in accordance with this Agreement to an account established by the Developer with the Lender providing the Lender Financing until the full repayment of the Lender Financing. Developer and DPD agree that Senior Lender has provided or is providing loans to the Developer to bridge the City Funds and that accordingly Developer hereby directs that City Funds payable pursuant to Section 4.03(a) shall be wired to the account established by Developer at Senior Lender. The wiring instructions for such account shall be provided to the City by the Developer.

4.05 Treatment of Prior Expenditures and Subsequent Disbursements.

(a) Prior Expenditures. Only those expenditures made by any of the Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, shall be considered previously contributed Equity or Lender Financing hereunder (the "**Prior Expenditures**"). Exhibit I hereto sets forth the prior expenditures approved by DPD as of the date hereof as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements shall not be reimbursed to any of the Developer Parties by the City with City Funds but may be eligible for reimbursement through the Lender Financing or Equity identified in Section 4.01 hereof.

(b) Allocation Among Line Items. Disbursements for expenditures related to TIF-Funded Improvements may be allocated to and charged against the appropriate line only, with transfers of costs and expenses from one line item to another, without the prior written consent of DPD, being prohibited; provided, however, that such transfers among line items, in an amount not to exceed \$25,000 or \$100,000 in the aggregate, may be made without the prior written consent of DPD.

4.06 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available pursuant to **Section 4.03** hereof, or if the cost of completing the Project exceeds the Project Budget, the Developer shall be solely responsible for such excess cost, and shall hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and of completing the Project.

4.07 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, one or more of the Developer Parties shall submit documentation regarding the applicable expenditures to DPD which shall be satisfactory to DPD in its sole discretion. Delivery by one or more of the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the Requisition Form represents the actual cost of the actual amount payable to (or paid to) the contractors who have performed work on the Project, and/or their payees, and/or (ii) the architect for the inspections performed in monitoring the construction of the Project;

(b) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(c) the Developer has approved all work and materials for the current Requisition Form, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) none of the Developer Parties have received notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("**In Balance**") only if the total of the Available Project Funds (as defined hereinafter) equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "**Available Project Funds**" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by any of the Developer Parties pursuant to this Agreement. The Developer hereby agrees that, if the Project is not In Balance, the Developer shall, within 10 days after a written request by the City, deposit with the escrow

agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the TIF Bond Ordinance, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

Notwithstanding any other provision in this Agreement, the City shall not terminate this Agreement or suspend disbursement of the City Funds upon the occurrence of an Event of Default unless foreclosure proceedings have been commenced under any mortgage securing any Lender Financing or a deed in lieu of such foreclosure has been executed and delivered and provided that no lender providing Lender Financing has cured the Event of Default within the curative time period provided under Section 15.03.

4.08 Sale or Transfer of the Property or Project by Developer.

(a) Prior to the Date of Issuance of the Certificate. Developer must obtain the prior approval of the City for any sale or transfer of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.14.

(b) After the Date of Issuance of the Certificate. After the date of the Certificate, Developer need not obtain prior approval for any sale or transfer of any part of the Property or the Project. Developer must, however, notify the City not less than 60 days before any closing of such sale of Developer's intention to sell any part of the Property or the Project. Developer must provide the City with true and correct copies of any contract for sale and related documents as part of such notice.

(c) Permitted Transfers. Notwithstanding anything herein to the contrary, City will permit (i) Developer's investor member to transfer its investor member interest to any person at any time and, (ii) City will permit investor member to remove 45th/Cottage Manager, LLC, the managing member of Developer, in accordance with Developer's operating agreement, provided the substitute managing member is acceptable to City in its reasonable discretion, and (iii) managing member to pledge to Senior Lender all of managing member's rights, title and interest in and to the Developer and under the Developer's operating agreement as collateral for the Developer's obligations under the loans made or to be made by Senior Lender to Developer.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds disbursed are subject to being reimbursed upon the Developer Parties' noncompliance with the provisions of this Agreement.

SECTION 6. AGREEMENTS WITH CONTRACTORS

6.01 Bid Requirement for Contractors. Prior to entering into an agreement with any contractor for construction of the Project, the Developer Parties shall solicit bids from one or more qualified contractors eligible to do business with the City of Chicago, and shall submit all bids received to DPD for its inspection and written approval. For the TIF-Funded Improvements, the Developer Parties shall select the contractor submitting the lowest responsible bid who can complete the Project in a timely manner. If the Developer Parties selects any contractor submitting other than the lowest responsible bid for the TIF-Funded Improvements, the difference between the lowest responsible bid and the bid selected may not be paid out of City Funds. The Developer Parties shall submit copies of the Construction Contract to DPD in accordance with **Section 6.02** below. Photocopies of all subcontracts entered or to be entered into in connection with the TIF-Funded Improvements shall be provided to DPD within five (5) business days of the execution thereof. Upon completion of the construction of the Project in accordance with the terms of this Agreement, and upon the Developer Parties' written request, DPD shall issue to the Developer Parties a Certificate, in recordable form certifying that the Developer Parties have fulfilled their obligation to complete the Project in accordance with the terms of this Agreement. DPD shall respond to the Developer Parties' written request for a Certificate within forty-five (45) days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by the Developer Parties in order to obtain the Certificate. The Developer Parties may resubmit a written request for a Certificate upon completion of such measures.

7.02 Effect of Issuance of Certificate; Continuing Obligations. The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to the Developer Parties' obligation to complete such activities have been satisfied. After the issuance of a Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at **Sections 8.02, 8.06, 8.18 and 8.19** as covenants that run with the land are the only covenants in this Agreement intended to be binding upon any transferee of the Property (including an assignee as described in the following sentence) throughout the Term of the Agreement notwithstanding the issuance of a Certificate; provided, that upon the issuance of a Certificate, the covenants set forth in **Section 8.02** shall be deemed to have been fulfilled. The other executory terms of this Agreement that remain after the issuance of a Certificate shall be binding only upon the Developer Parties or a permitted assignee of the Developer Parties who, pursuant to **Section 18.15** of this Agreement, has contracted to take an assignment of the Developer Parties' rights under this Agreement and assume the Developer Parties' liabilities hereunder.

7.03 Failure to Complete. If the Developer Parties fail to complete the Project in accordance with the terms of this Agreement, then the City has, but shall not be limited to, any of the following rights and remedies:

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed pursuant hereto;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. In the event that the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available pursuant to **Section 4.01**, the Developer Parties shall reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, which is the 31st day of December, 2022, DPD shall provide the Developer Parties at the Developer Parties' written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(l) Developer Parties have not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("**City Contract**") as an inducement for the City to enter into the Agreement or any City Contract with any one of the Developer Parties in violation of Chapter 2-156-120 of the Municipal Code of the City; and

8.02 Covenant to Redevelop. Upon DPD's approval of the Project Budget, the Scope Drawings and Plans and Specifications as provided in **Sections 3.02** and **3.03** hereof, and the Developer's receipt of all required building permits and governmental approvals, the Developer Parties shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto, the TIF Ordinances, the Scope Drawings, Plans and Specifications, Project Budget and all amendments thereto, and all federal, state and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project, the Property and/or the Developer Parties. The covenants set forth in this Section shall run with the land and be binding upon any transferee, but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

8.03 Redevelopment Plan. The Developer Parties represent that the Project is and shall be in compliance with all of the terms of the Redevelopment Plan.

8.04 Use of City Funds. City Funds disbursed to any of the Developer Parties shall be used by the Developer Parties solely to pay for (or to reimburse the Developer Parties for their payment for) the TIF-Funded Improvements as provided in this Agreement. If the City pays any of the City Funds to Better Tomorrows, Better Tomorrows shall be required to loan or contribute the City Funds to the Developer, to reimburse the Developer for the costs of TIF-Funded Improvements or directly pay for the costs of the TIF-Funded Improvements.

8.05 TIF Bonds. The Developer Parties shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) TIF Bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements; provided, however, that any such amendments shall not have a material adverse effect on the Developer Parties or the Project; provided, further, that the proceeds of TIF Bonds issued on a tax-exempt basis cannot be used as a source of City Funds or to repay the City Funds. The Developer Parties shall, at the Developer Parties' expense, cooperate and provide reasonable assistance in connection with the marketing of any such TIF Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto.

Except for the Permitted Liens, the Developer agrees to pay or cause to be paid when due any Non-Governmental Charge assessed or imposed upon the Project, the Property or any fixtures that are or may become attached thereto, which creates, may create, or appears to create a lien upon all or any portion of the Property or Project; provided however, that if such Non-Governmental Charge may be paid in installments, the Developer may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. The Developer shall furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other proof satisfactory to DPD, evidencing payment of the Non-Governmental Charge in question.

(b) Right to Contest. The Developer has the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charge, prevent the imposition of a lien or remove such lien, or prevent the sale or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend the Developer's covenants to pay any such Non-Governmental Charge at the time and in the manner provided in this Section 8.14); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charge and all interest and penalties upon the adverse determination of such contest.

8.15 Developer Parties' Liabilities. The Developer Parties shall not enter into any transaction that would materially and adversely affect their ability to perform their obligations hereunder or to repay any material liabilities or perform any material obligations of the Developer Parties to any other person or entity. The Developer Parties shall immediately notify DPD of any and all events or actions which may materially affect the Developer Parties' ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements.

8.16 Compliance with Laws. To the best of the Developer Parties' knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, the Developer Parties shall provide evidence satisfactory to the City of such compliance.

8.17 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property on the date hereof in the conveyance and real property records of Cook County, Illinois. The Developer shall pay all fees and charges incurred in connection with any such recording. Upon recording, the Developer shall immediately transmit

to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. The Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon the Developer, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon the Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to the Developer, the Property or the Project including but not limited to real estate taxes.

(ii) Right to Contest. The Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. The Developer's right to challenge real estate taxes applicable to the Property is limited as provided for in **Section 8.18(c)** below; provided, that such real estate taxes must be paid in full when due and may be disputed only after such payment is made. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending the Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless the Developer has given prior written notice to DPD of the Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option,

(iii) the Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by the Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination, of such proceedings; and/or

(iv) the Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer's Failure To Pay Or Discharge Lien. If the Developer fails to pay any Governmental Charge or to obtain discharge of the same, the Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of the Developer under this Agreement, in

DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by the Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if the Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require the Developer to submit to the City audited Financial Statements at the Developer's own expense.

(c) Real Estate Taxes.

(i) Real Estate Tax Exemption. With respect to the Property or the Project, neither the Developer nor any agent, representative, lessee, tenant, assignee, transferee or successor in interest to the Developer shall, during the Term of this Agreement, seek, or authorize any exemption (as such term is used and defined in the Illinois Constitution, Article IX, Section 6 (1970)) for any year that the Redevelopment Plan is in effect, except any exemption for which DPD has provided its prior written consent.

(ii) Covenants Running with the Land. The parties agree that the restrictions contained in this Section 8.18(c) are covenants running with the land and this Agreement shall be recorded by the Developer as a memorandum thereof, at the Developer's expense, with the Cook County Recorder of Deeds on the Closing Date. These restrictions shall be binding upon the Developer Parties and their agents, representatives, lessees, successors, assigns and transferees from and after the date hereof, provided however, that the covenants shall be released when the Redevelopment Area is no longer in effect. The Developer agrees that any sale, lease, conveyance, or transfer of title to all or any portion of the Property or Redevelopment Area from and after the date hereof shall be made explicitly subject to such covenants and restrictions. Notwithstanding anything contained in this Section 8.18(c) to the contrary, the City, in its sole discretion and by its sole action, without the joinder or concurrence of the Developer Parties, their successors or assigns, may waive and terminate the Developer Parties' covenants and agreements set forth in this Section 8.18(c).

8.19 Affordable Housing Covenant. Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by Developer and DPD as of the date hereof shall govern the terms of Developer's obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(a) The Facility shall be operated and maintained solely as residential rental housing with the exception of approximately 15,000 square feet of commercial space;

(b) Twenty-five (25) of the units in the Facility shall be leased at market rate rents; and

(c) Fifty-nine (59) of the units in the Facility shall have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the

applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(d) As used in this Section, the following terms have the following meanings:

(i) "**Family**" shall mean one or more individuals, whether or not related by blood or marriage; and

(ii) "**Low Income Families**" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(e) The covenants set forth in this Section shall run with the land and be binding upon any transferee.

8.20 Survival of Covenants. All warranties, representations, covenants and agreements of the Developer Parties contained in this Section 8 and elsewhere in this Agreement shall be true, accurate and complete at the time of the Developer Parties' execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and (except as provided in Section 7 hereof upon the issuance of a Certificate) shall be in effect throughout the Term of the Agreement.

8.21 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Developer shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

SECTION 9. COVENANTS/REPRESENTATIONS/WARRANTIES OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION 10. DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. The Developer Parties on behalf of themselves and their successors and assigns, hereby agree, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer Parties operating on the Property (collectively, with the Developer Parties, the "**Employers**" and individually an "**Employer**") to agree, that for the Term of this Agreement with respect to Developer Parties during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "**Human Rights Ordinance**"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement

with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 shall be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof.

10.02 City Resident Construction Worker Employment Requirement. The Developer Parties agree for themselves and their successors and assigns, and shall contractually obligate their contractors and subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer Parties, their contractors and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer Parties may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer Parties, the contractors and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer Parties, the contractors and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer Parties, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer Parties, the contractors and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer Parties, the contractors and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting

of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer Parties have failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer Parties to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer Parties, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer Parties pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer Parties must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246 " and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer Parties shall cause or require the provisions of this **Section 10.02** to be included in all construction contracts and subcontracts related to the Project.

10.03. MBE/WBE Commitment. Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this **Section 10.03**, during the course of construction of the Project, at least the following percentages of hard construction costs as set forth in the Project Budget (as set forth in **Exhibit H** hereto) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs") as follows:

- a. at least 26 percent by MBEs;
- b. at least 6 percent by WBEs.

Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer Parties' MBE/WBE commitment may be achieved in part by the Developer Parties' status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer Parties) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual

work performed on the Project by the MBE or WBE), by the Developer Parties utilizing a MBE or a WBE as a contractor (but only to the extent of any actual work performed on the Project by such contractor), by subcontracting a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer Parties' MBE/WBE commitment as described in this **Section 10.03**.

The Developer Parties shall deliver quarterly reports to DPD during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, *inter alia*, the name and business address of each MBE and WBE solicited by the Developer Parties or a contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer Parties' compliance with this MBE/WBE commitment. The Developer Parties shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and DPD shall have access to all such records maintained by the Developer Parties, on five Business Days' notice, to allow the City to review the Developer Parties' compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

Upon the disqualification of any MBE or WBE contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer Parties shall be obligated to discharge or cause to be discharged the disqualified contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this **Section 10.03**, the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

Any reduction or waiver of the Developer Parties' MBE/WBE commitment as described in this **Section 10.03** shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

Prior to the commencement of the Project, the Developer Parties shall be required to meet with the monitoring staff of DPD with regard to the Developer Parties' compliance with its obligations under this **Section 10.03**. All contractors and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer Parties shall demonstrate to DPD their plan to achieve their obligations under this **Section 10.03**, the sufficiency of which shall be approved by DPD. During the Project, the Developer Parties shall submit the documentation required by this **Section 10.03** to the monitoring staff of DPD. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that the Developer Parties are not complying with their obligations under this **Section 10.03**, shall, upon the delivery of written notice to the Developer Parties, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided hereunder, the City may: (1) issue a written demand to the Developer Parties to halt the Project, (2) withhold any further payments to, or on behalf of, the Developer Parties, or (3) seek any other remedies against the Developer Parties available at law or in equity.

The Developer Parties will include the foregoing provisions in every contract entered into in connection with the Project and every agreement with any Affiliate operating on the Property so that such provision will be binding upon each contractor or Affiliate, as the case may be.

SECTION 11. ENVIRONMENTAL MATTERS

The Developer Parties hereby represent and warrant to the City that the Developer Parties have conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws and this Agreement and all Exhibits attached hereto, the Scope Drawings, Plans and Specifications and all amendments thereto, and the Redevelopment Plan.

Without limiting any other provisions hereof, the Developer Parties agree to indemnify, defend and hold the City harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of the Developer Parties: (i) the presence of any Hazardous Material on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Material from (A) all or any portion of the Property or (B) any other real property in which the Developer Parties or any person directly or indirectly controlling, controlled by or under common control with the Developer Parties, holds any estate or interest whatsoever (including, without limitation, any property owned by a land trust in which the beneficial interest is owned, in whole or in part, by the Developer Parties), or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or the Developer Parties or any of its Affiliates under any Environmental Laws relating to the Property.

SECTION 12. INSURANCE

The Developer must submit evidence of insurance on the City of Chicago

Insurance Certificate Form (copy attached) or equivalent prior to closing. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Developer is not a waiver by the City of any requirements for the Developer to obtain and maintain the specified coverages. The Developer shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Developer of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work and/or terminate agreement until proper evidence of insurance is provided.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Developer must require all contractors and subcontractors to provide the insurance required herein, or Developer may provide the coverages for contractors and subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement.

The City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 13. INDEMNIFICATION

13.01 General Indemnity. Developer Parties agree to indemnify, pay, defend and hold the City, and its elected and appointed officials, employees, agents and Affiliates (individually an

"Indemnitee," and collectively the **"Indemnitees"**) harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (and including without limitation, the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnities shall be designated a party thereto), that may be imposed on, suffered, incurred by or asserted against the Indemnitees in any manner relating or arising out of:

(i) the Developer Parties' failure to comply with any of the terms, covenants and conditions contained within this Agreement; or

(ii) the Developer Parties' or any contractor's failure to pay contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project improvement; or

(iii) the existence of any material misrepresentation or omission in this Agreement, the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by the Developer Parties or any Affiliate Developer Parties or any agents, employees, contractors or persons acting under the control or at the request of the Developer Parties or any Affiliate of Developer Parties; or

(iv) the Developer Parties' failure to cure any misrepresentation in this Agreement or any other agreement relating hereto;

provided, however, that Developer Parties shall have no obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it violates any law or public policy, Developer Parties shall contribute the maximum portion that they are permitted to pay and satisfy under the applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this **Section 13.01** shall survive the termination of this Agreement.

SECTION 14. MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. The Developer Parties shall keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual cost of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. All such books, records and other documents, including but not limited to the Developer Parties' loan statements, if any, General Contractor's and subcontractors' sworn statements, general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, shall be available at the Developer Parties' offices for inspection, copying, audit and examination by an authorized representative of the City, at the Developer Parties' expense. The Developer Parties shall incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by the Developer Parties with respect to the Project.

14.02 Inspection Rights. Upon three (3) business days' notice, any authorized representative of the City has access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION 15. DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, shall constitute an "Event of Default" by the Developer Parties hereunder:

(a) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under this Agreement or any related agreement;

(b) the failure of the Developer Parties to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer Parties under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer Parties' business, property, assets, operations or condition, financial or otherwise, and the Project;

(c) the making or furnishing by the Developer Parties to the City of any representation; warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Property, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer Parties or for the liquidation or reorganization of the Developer Parties, or alleging that the Developer Parties are insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer Parties' debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer Parties; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within ninety (90) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer Parties, for any substantial part of the Developer Parties' assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer Parties; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within ninety (90) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer Parties which remains unsatisfied or undischarged and in effect for ninety (90) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer Parties or the death of any natural person who owns a material interest in the Developer Parties;

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against the Developer Parties, or any natural person who owns a material interest in the Developer Parties, which is not dismissed within thirty (30) days, or the indictment of the Developer Parties or any natural person who owns a material interest in the Developer Parties, for any crime (other than a misdemeanor); or

(k) prior to the expiration of the Term of the Agreement, the sale or transfer of a majority of the ownership interests of the Developer Parties without the prior written consent of the City, except that the Developer's investor member may sell its membership interest in the Developer without the prior written consent of the City.

For purposes of Sections 15.01(i) and 15.01(j) hereof, a person with a material interest in the Developer shall be one owning in excess of thirty-three percent (33%) of the Developer's member interests.

15.02 Remedies. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of City Funds. Additionally, upon the occurrence of an Event of Default in relation to Section 8.19, the Developer Parties or Affiliates shall reimburse the City all of the City Funds disbursed to any one of the Developer Parties to date. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to reimbursement of all or part of the City Funds, injunctive relief or the specific performance of the agreements contained herein.

15.03 Curative Period.

(a) In the event the Developer Parties shall fail to perform a monetary covenant which Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to perform such monetary covenant within ten (10) days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant. In the event the Developer Parties shall fail to perform a non-monetary covenant which the Developer Parties are required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Developer Parties have failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, the Developer Party shall not be deemed to have committed an Event of Default under this Agreement if they have commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

(b) Right to Cure by Lenders and Investors. In the event that an Event of Default occurs under this Agreement, and if, as a result thereof, the City intends to exercise any right or remedy available to it that could result in the termination of this Agreement or the cancellation,

suspension, or reduction of any payment due from the City under this Agreement, the City shall send notice of such intended exercise to the parties identified in **Section 17** and to any Lender providing Lender Financing or the members of the Developer shall have the right (but not the obligation) to cure such an Event of Default under the following conditions:

(i) if the Event of Default is a monetary default, any party entitled to cure such default may cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such monetary default; or (b) receipt by the Lenders of such notice from the City; and

(ii) if the Event of Default is of a non-monetary nature, any party entitled to cure such default shall have the right to cure it within 30 days after the later of: (a) the expiration of the cure period, if any, granted to the Developer with respect to such non-monetary default; or (b) receipt of such notice from the City; provided, however, that if such non-monetary default is not reasonably capable of being cured by the Lenders within such 30-day period, such period shall be extended for such reasonable period of time as may be necessary to cure such default, provided that the party seeking such cure must continue diligently to pursue such cure and, if possession of the Project is necessary to effect such cure, the party seeking such cure must have instituted appropriate legal proceedings to obtain possession.

SECTION 16. MORTGAGING OF THE PROJECT

All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on **Exhibit G** hereto (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the “**Existing Mortgages**.” Any mortgage or deed of trust that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof is referred to herein as a “**New Mortgage**.” Any New Mortgage that the Developer Parties may hereafter elect to execute and record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a “**Permitted Mortgage**.” It is hereby agreed by and between the City and the Developer Parties as follows:

(a) In the event that a mortgagee or any other party shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under a New Mortgage (other than a Permitted Mortgage), whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City may, but shall not be obligated to, attorn to and recognize such party as the successor in interest to the Developer for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party shall be entitled to no rights or benefits under this Agreement, but such party shall be bound by those provisions of this Agreement that are covenants expressly running with the land.

(b) In the event that any mortgagee shall succeed to the Developer's interest in the Property or any portion thereof pursuant to the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of the Developer's interest hereunder in accordance with **Section 18.15** hereof, the City hereby agrees to attorn to and recognize such party as the successor in interest to the Developer Parties for all purposes under this Agreement so long as such party accepts all of the obligations and liabilities of “the Developer

Parties" hereunder; provided, however, that, notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of the Developer Parties' interest under this Agreement, such party has no liability under this Agreement for any Event of Default of the Developer Parties which accrued prior to the time such party succeeded to the interest of the Developer Parties under this Agreement, in which case the Developer Parties shall be solely responsible. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of the Developer Parties' interest hereunder, such party shall be entitled to no rights and benefits under this Agreement, and such party shall be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land.

(c) Prior to the issuance by the City to the Developer Parties of a Certificate pursuant to **Section 7** hereof, no New Mortgage shall be executed with respect to the Property or any portion thereof without the prior written consent of the Commissioner of DPD.

SECTION 18. MISCELLANEOUS

18.01 Amendment. This Agreement and the Exhibits attached hereto may not be amended or modified without the prior written consent of the parties hereto; provided, however, that the City, in its sole discretion, may amend, modify or supplement **Exhibit D** hereto without the consent of any party hereto. It is agreed that no material amendment or change to this Agreement shall be made or be effective unless ratified or authorized by an ordinance duly adopted by the City Council. The term "material" for the purpose of this **Section 18.01** shall be defined as any deviation from the terms of the Agreement which operates to cancel or otherwise reduce any developmental, construction or job-creating obligations of Developer Parties (including those set forth in **Sections 10.02 and 10.03** hereof) by more than five percent (5%) or materially changes the Project site or character of the Project or any activities undertaken by Developer Parties affecting the Project site, the Project, or both, or increases any time agreed for performance by the Developer Parties by more than ninety (90) days.

18.02 Entire Agreement. This Agreement (including each Exhibit attached hereto, which is hereby incorporated herein by reference) constitutes the entire Agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

18.03 Limitation of Liability. No member, official or employee of the City shall be personally liable to the Developer Parties or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer Parties from the City or any successor-in interest or on any obligation under the terms of this Agreement.

18.04 Further Assurances. The Developer Parties agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement.

18.05 Waiver. Waiver by the City or the Developer Parties with respect to any breach of this Agreement shall not be considered or treated as a waiver of the rights of the respective party with respect to any other default or with respect to any particular default, except to the extent specifically waived by the City or the Developer Parties in writing. No delay or omission on the part of a party in exercising any right shall operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement shall not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, shall constitute a waiver of any such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein shall not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Disclaimer. Nothing contained in this Agreement nor any act of the City shall be deemed or construed by any of the parties, or by any third person, to create or imply any relationship of third-party beneficiary, principal or agent, limited or general partnership or joint venture, or to create or imply any association or relationship involving the City.

18.08 Headings. The paragraph and section headings contained herein are for convenience only and are not intended to limit, vary, define or expand the content thereof.

18.10 Severability. If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances, such ordinance(s) shall prevail and control.

18.12 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

18.14 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.15 Assignment. The Developer Parties may not sell, assign or otherwise transfer their interest in this Agreement in whole or in part without the written consent of the City, other than as promised in Section 4.08 or otherwise permitted herein; provided, however, that the Developer Parties may collaterally assign their respective interests in this Agreement to any of its lenders identified to the City as of the Closing Date, or to any lenders identified after the Closing Date and approved by the City, if any such lenders require such collateral assignment. Any successor in interest to the Developer Parties under this Agreement shall certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to **Sections 8.18, 8.19 and 8.20** hereof, for the Term of the Agreement. The Developer Parties consent to the City's sale, transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.16 Binding Effect. This Agreement shall be binding upon the Developer Parties, the City and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the Developer Parties, the City and their respective successors and permitted assigns (as provided herein). Except as otherwise provided herein, this Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to

this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

18.17 Force Majeure. Neither the City, the Developer Parties nor any successor in interest to any of them shall be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. The individual or entity relying on this section with respect to any such delay shall, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. Failure by the Developer Parties to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.20 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.21 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Developer Parties agree to pay upon demand the City's out-of-pocket expenses, including attorney's fees, incurred in connection with the enforcement of the provisions of this Agreement. 18.23 Debarment Certification. Failure by the Developer Parties or any controlling person of either, as defined in Section 1-23-010 of the Municipal Code, thereof to maintain eligibility to do business with the City as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of this Agreement and the transactions contemplated thereby.

OPINION OF DEVELOPER PARTIES' COUNSEL

[To be retyped on the Developer Parties' Counsel's letterhead]

City of Chicago
121 North LaSalle Street
Chicago, IL 60602

ATTENTION: Corporation Counsel

Ladies and Gentlemen:

I have acted as counsel to 45th/Cottage, LLC, an Illinois limited liability company (the "Developer") and Better Tomorrows-45th/Cottage, LLC, an Illinois limited liability company, ("Better Tomorrows") in connection with the acquisition of certain land and the construction of certain facilities thereon located in the 43rd/Cottage Grove Redevelopment Project Area (the "Project"). In that capacity, I have examined, among other things, the following agreements, instruments, and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) 45th/Cottage, LLC Redevelopment Agreement (the "Agreement") of even date herewith, executed by the Developer, Better Tomorrows and the City of Chicago (the "City"); and
- (b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, I have examined:

- (a) the original or certified, conformed or photostatic copies of (1) the Developer's (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and (2) Better Tomorrows' (i) Articles of Organization, (ii) operating agreement, (iii) By-Laws, if any, (iv) the certificate of good standing, and (v) records of all members' proceedings relating to the Project; and
- (b) such other documents, records and legal matters as I have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, I have assumed the genuineness of all signatures (other than those of the Developer and Better Tomorrows), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photo static copies.

Based on the foregoing, it is my opinion that:

1. The Developer is a limited liability company, duly organized and validly existing under the laws of its state of formation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a limited liability company under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business. Better Tomorrows is a limited liability company, duly organized, validly existing and in good standing under the laws of its state of incorporation, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign corporation under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. The Developer and Better Tomorrows have full right, power and authority to execute and deliver the Documents to which they are a party and to perform their obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, the Developer's operating agreement or Better Tomorrows' articles of organization, or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of my knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which the Developer or Better Tomorrows is a party or by which the Developer or Better Tomorrows or its properties is bound. To the best of my knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which the Developer or Better Tomorrows is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than liens or security interests in favor of the lender providing Lender Financing (as defined in the Agreement).

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of the Developer and Better Tomorrows.

4. Each of the Documents to which the Developer or Better Tomorrows is a party has been duly executed and delivered by a duly authorized officer of the Developer or Better Tomorrows, as applicable, and each such Document constitutes the legal, valid and binding obligation of the Developer or Better Tomorrows enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. To the best of my knowledge after diligent inquiry, no judgments are outstanding against the Developer or Better Tomorrows nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against the Developer or Better Tomorrows or affecting the Developer or Better Tomorrows or its property, or seeking to restrain or enjoin the performance by the Developer or Better Tomorrows of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of my knowledge after diligent inquiry, the Developer or Better Tomorrows is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority

or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on the Developer or, Better Tomorrows or its business.

6. To the best of my knowledge after diligent inquiry, there is no default by the Developer or Better Tomorrows or any other party under any material contract, lease, agreement, instrument or commitment to which the Developer or Better Tomorrows is a party or by which the company or its properties is bound.

7. To the best of my knowledge after diligent inquiry, all of the assets of the Developer or Better Tomorrows are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

8. The execution, delivery and performance of the Documents by the Developer or Better Tomorrows have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

9. To the best of my knowledge after diligent inquiry, the Developer or Better Tomorrows own or possess or is licensed or otherwise have the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

10. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

I am admitted to practice in the State of Illinois and I express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at the Developer's and Better Tomorrows' request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

U.S. Bank National Association itself is a mortgage lender. U.S. Bank National Association is also one of the largest corporate trustees in the United States and in such capacity, is trustee of numerous mortgage-backed securitization trusts. Each trust holds multiple real property mortgages. From time-to-time mortgage borrowers in Chicago default on mortgages or otherwise fail to comply with the City of Chicago requirements with respect to their properties. With respect to some of the trouble properties, U.S. Bank National Association may be a lender. However with respect to the majority of the trouble properties in Chicago for which U.S. Bank National Association is involved, U.S. Bank National Association is not the beneficial owner of the property and has no individual or corporate interest in the property. These properties are trust properties which are maintained by a wide variety of servicers. As of June 5, 2018, U.S. Bank National Association was aware of outstanding claims against it in its individual capacity of approximately \$20,562.78. Moreover, with respect to properties held in trust (excluding Illinois Land Trust properties) for which U.S. Bank National Association acts as trustee, as of June 5, 2018, we were aware of outstanding claims against trust properties in the amount of approximately \$63,915.76. Water debt in the amount of \$ 214,151.55 are held in both U.S. Bank National Association's individual capacity and in its capacity as trustee.

Additional debt classified as Warrant for Collections (CAPS) in the amount of \$5,152.21 and Driveways in the amount of \$5,840.00 is owed as of January 12, 2018. Lastly Cost Recovery debt in the amount of \$1,297.02 is owed as of February 14, 2018.

U.S. Bank National Association, both in its individual capacity and in its capacity as a trustee, communicates with various city officials-multiple times a year to address these claims and will continue to work with the City in good faith to address property concerns including amounts owed.

If the Disclosing Party is unable to make this pledge because it or any of its affiliates (as defined in MCC Section 2-32-455(b)) is a predatory lender within the meaning of MCC Chapter 2-32, explain here (attach additional pages if necessary):

None.

If the letters "NA," the word "None," or no response appears on the lines above, it will be conclusively presumed that the Disclosing Party certified to the above statements.

D. CERTIFICATION REGARDING FINANCIAL INTEREST IN CITY BUSINESS

Any words or terms defined in MCC Chapter 2-156 have the same meanings if used in this Part D.

1. In accordance with MCC Section 2-156-110: To the best of the Disclosing Party's knowledge after reasonable inquiry, does any official or employee of the City have a financial interest in his or her own name or in the name of any other person or entity in the Matter?

Yes No

NOTE: If you checked "Yes" to Item D(1), proceed to Items D(2) and D(3). If you checked "No" to Item D(1), skip Items D(2) and D(3) and proceed to Part E.

2. Unless sold pursuant to a process of competitive bidding, or otherwise permitted, no City elected official or employee shall have a financial interest in his or her own name or in the name of any other person or entity in the purchase of any property that (i) belongs to the City, or (ii) is sold for taxes or assessments, or (iii) is sold by virtue of legal process at the suit of the City (collectively, "City Property Sale"). Compensation for property taken pursuant to the City's eminent domain power does not constitute a financial interest within the meaning of this Part D.

Does the Matter involve a City Property Sale?

Yes No

3. If you checked "Yes" to Item D(1), provide the names and business addresses of the City officials or employees having such financial interest and identify the nature of the financial interest:

Name	Business Address	Nature of Financial Interest

4. The Disclosing Party further certifies that no prohibited financial interest in the Matter will be acquired by any City official or employee.

E. CERTIFICATION REGARDING SLAVERY ERA BUSINESS

Please check either (1) or (2) below. If the Disclosing Party checks (2), the Disclosing Party must disclose below or in an attachment to this EDS all information required by (2). Failure to comply with these disclosure requirements may make any contract entered into with the City in connection with the Matter voidable by the City.

 1. The Disclosing Party verifies that the Disclosing Party has searched any and all records of the Disclosing Party and any and all predecessor entities regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era (including insurance policies issued to slaveholders that provided coverage for damage to or injury or death of their slaves), and the Disclosing Party has found no such records.

A. CERTIFICATION REGARDING LOBBYING

1. List below the names of all persons or entities registered under the federal Lobbying Disclosure Act of 1995, as amended, who have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter: (Add sheets if necessary):

 None.

(If no explanation appears or begins on the lines above, or if the letters "NA" or if the word "None" appear, it will be conclusively presumed that the Disclosing Party means that NO persons or entities registered under the Lobbying Disclosure Act of 1995, as amended, have made lobbying contacts on behalf of the Disclosing Party with respect to the Matter.)

2. The Disclosing Party has not spent and will not expend any federally appropriated funds to pay any person or entity listed in paragraph A(1) above for his or her lobbying activities or to pay any person or entity to influence or attempt to influence an officer or employee of any agency, as defined by applicable federal law, a member of Congress, an officer or employee of Congress, or an employee

Attachment C
City of Chicago
Economic Disclosure Statement and Affidavit
Statement Regarding Slavery Era Business

U.S. Bank National Association was formed from the following major banks: (1) Star Bank, National Association (Cincinnati, Ohio) changed its name to Firststar Bank, National Association (Cincinnati, Ohio) effective February 1999; (2) Mercantile Bank National Association (St. Louis, Missouri) merged into Firststar Bank, National Association (Cincinnati, Ohio) effective April 2000; (3) United States National Bank of Oregon (Portland, Oregon) merged with First Bank, National Association under the title U.S. Bank National Association effective August 1997; (4) U.S. Bank National Association merged into Firststar Bank, National Association, and the succeeding bank, changed its name to U.S. Bank National Association effective August 2001. These banks acquired through mergers and acquisitions numerous smaller banks. There are five hundred and forty-two U.S. Bank National Association predecessors. Thirty-five predecessors were founded before the abolition of slavery in December 1865. Thirteen of the pre-1866 predecessors were established in southern slave-holding states and territories, including Kansas, Kentucky, Missouri, and Tennessee.

In reviewing historical records held in various external repositories in accordance with the research requirements as set forth in the City of Chicago Office of the Corporation Counsel opinion letter dated April 29, 2004 (attached hereto), U.S. Bank National Association has identified external records of its predecessors which necessitate disclosure. The conveyance records, while showing no record of direct ownership of enslaved individuals did contain records of founders and/or directors of predecessor banks owning enslaved individuals, as well as a record where an enslaved individual was the collateral for a loan. Specifically, the first president of predecessor Marion National Bank of Lebanon, Kentucky (founded in 1856), Benedict Spalding, owned two enslaved individuals in 1850. In 1860 someone with a similar name "Benedict Spalding" is also listed as having owned fourteen enslaved individuals. In addition, certain members of the Marion National Bank of Lebanon's board of directors (called "commissioners") owned approximately forty-seven enslaved individuals in total (the records include abbreviated names, which we conclude may be references to commissioners). The first president of predecessor First National Bank of Clarksville, Tennessee (founded in 1865), S.F. Beaumont, owned one enslaved individual in 1860. The first president of predecessor St. Louis Building and Savings Association, Missouri (formed in 1857), Marshall Brotherton, owned ten enslaved individuals in 1850 and four enslaved individuals in 1860. Merchants Bank (founded in 1857) and Bank of St. Louis (founded in 1857), both predecessors, along with a group of other St. Louis firms, issued a mortgage to Charles McLaran that was secured by his property, which included an unspecified number of enslaved individuals. However, the 1860 Federal Census Slave Schedule for St. Louis provided that Charles McLaran owned thirteen enslaved individuals.

The above is only a summary. U.S. Bank National Association has previously provided the City of Chicago with supporting attachments.

U.S. Bancorp, the parent company of U.S. Bank National Association, was founded after the slavery era and has no separate assets or activities that pre-date the 20th century. As such, it has no disclosure separate from that of the bank.

Re: Question regarding Economic Disclosure Statement and Affidavit,
Part VI ("Certification Regarding Slavery Era Business") and
Resolution pending before the Joint Committee on Finance and
Human Relations

Dear Alderman Burke:

In a letter dated April 26, 2004, you indicated that a special committee of the City Council, consisting of the combined Committee on Finance and the Committee on Human Relations, currently has under consideration a resolution that raises certain issues regarding interpretation of Section 2-92-585 of the Chicago Municipal Code, the Business, Corporate and Slavery Era Insurance Ordinance. That ordinance requires every city contractor to "complete an affidavit verifying that the contractor has searched any and all records of the company *or any* predecessor company regarding records of investments or profits from slavery or slaveholder insurance policies during the slavery era. The names of any slaves or slaveholders described in those records must be disclosed in the affidavit." (Emphasis supplied)

The affidavit requirement of Section 2-92-585 has been incorporated into the standard Economic Disclosure Statement ("EDS") completed by city contractors as Part VI, entitled "Slavery Certification." The EDS requires an entity contracting with the city to verify that it has "searched any and all records of the Undersigned *and any and all* predecessor entities for records of investments or profits from slavery, the slave industry, or shareholder insurance policies." (Emphasis supplied) The EDS form then requires the contracting entity to disclose the results of that search.

You have asked specifically whether it is "reasonable to interpret the language 'records of the undersigned and any and all predecessor entities' to mean [the contracting entity's] records and the records of its predecessor entities." For the reasons that follow, it is the opinion of this office that the answer is in the

Hon. Edward M. Burke

affirmative. A search required for proper compliance with and disclosure under Section 2-92-585 must include all known records of the contracting entity and each of its predecessor entities, to which records the contracting entity has or can obtain access.

Neither the ordinance nor any Illinois decision defines a "predecessor" entity of a city contractor. Under the general rules of statutory construction, the word should be given its ordinary meaning. *Black's Law Dictionary* defines "predecessor" as "one who goes or has gone before; the correlative of 'successor'.....Applied to a body politic or corporate, in the same sense as 'ancestor' is applied to a natural person." This simple analogy indicates that every known antecedent entity of a city contractor – acquired entities, components of earlier mergers, entities acquired by and subsumed into a prior entity that became a predecessor of a contracting entity – should be treated as a predecessor. This is especially appropriate when one considers the preamble to the ordinance adding Section 2-92-385 to the Chicago Municipal Code. The fifth paragraph of the preamble (found at page 94891 of the Journal of Proceedings of the City Council of October 2, 2002) refers to records located in the archives of current insurance firms, documenting slave insurance policies "issued by a predecessor insurance firm; the sixth paragraph (*id.*) refers to "insurers and businesses whose successors remain in existence today." Thus the City Council recognized that, as the American economy has expanded and become more complex, modern business may include different business disciplines (insurers and other businesses).

The appropriate extent of the mandated records search can also be discerned from the preamble. The final paragraph of the preamble (p. 91892) contains a finding of the City Council that entities "doing business with the City of Chicago shall take *any and all steps in good faith* to disclose *any records within their possession or knowledge* relating to investments or profits from the slave industry including insurance policies...." (Emphasis supplied) In order to implement this statement of the Council's intent, a contracting entity may not ignore records that are archived outside the entity's possession (*e.g.* in a museum, university library, historical society or trade association). To ignore deliberately the existence of such known records could not possibly constitute a "good faith" effort to take "any and all steps" to document the contractor's history. The breadth of the City Council's desired disclosure also led this department, in the revision of the EDS necessary to implement Section 2-92-585, to change the ordinance's disjunctive in the reference to "any and all records of the [contracting] company or its predecessors" to a conjunctive in the EDS ("any and all records of
