Some or all of the foregoing green roof requirement may be satisfied by providing one or a combination of the following options: (a) vegetative green roof, (b) provide solar panels with an array size equivalent to 25% of the area required for the green roof (i.e., in lieu of 50,000 square feet of green roof, providing 12,500 sf of solar panels) or (c) providing Best Management Practice (BMP) by offsetting the equivalent stormwater value of a green roof either in a cistern, a rain garden, pervious hardscape or other method which will divert the equivalent value achieved by a green roof from the stormwater system. Historic Resources Survey. Pursuant to the Zoning Ordinance, Section 17-8-0911 and Section 13-32-230 of the Municipal Code, the Applicant acknowledges that planned developments should give priority to the adaptive reuse of historic buildings which have been designated as an orange building in the Chicago Historic Resources Survey. Therefore, the applicant agrees, where possible, to retain and preserve the existing character-defining features of the building. The character-defining features are identified as all exterior elevations, including rooflines, that are visible from the public rights-of-way; however, the Applicant may add or modify openings, entries or windows to accommodate tenant uses. In general, existing original features and materials of the character-defining features should be retained and preserved as much as reasonably possible, while any changes should be compatible with the building's current design and, where possible, historic character. Such work to the character-defining features shall be subject to the review and approval of the Department of Planning and Development as a part of the Part II Review.

16. The Applicant acknowledges and agrees that the previous rezoning of the Property from the M1-1 Limited Manufacturing/Business Park District to the C2-2 Motor Vehicle-Related Commercial District then to Residential-Business Planned Development for construction of this Planned Development triggered the requirements of Section 2-45-110 of the Municipal Code (the "2007 Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the 2007 Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as Exhibit [____], the Applicant has agreed to provide 9 affordable housing units in the Residential Project for households earning up to 60% of the Chicago Primary Metropolitan Statistical Area median income (the "Affordable Units"), or make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000 per unit ("2007 Cash Payment").

The Applicant acknowledges and agrees that the rezoning of the Property from Planned Development No. 1261 to Planned Development No. 1261, as amended, triggers the requirements of Section 2-45-115 of the Municipal Code (the "2015 Affordable Requirements Ordinance" or "ARO"). Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (the Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the proposed amendment would add 41 permitted units. As a result, the Applicant's affordable housing obligation under the 2015 Affordable Requirements Ordinance is 4 affordable units (10% of 41 rounded down), 1 of which are Required Units (25% of 4). Applicant has agreed to satisfy its affordable housing obligation by making a cash payment to the Affordable Housing Opportunity Fund in the amount of \$125,000 per unit (2015 Cash Payment) and providing 1 affordable unit in the rental building, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit _____. The Applicant agrees that the affordable rental units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago.

If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payments and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 16, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to Planned Development No. 1261, as it existed prior to this amendment.

Dear Chairman Solis:

The undersigned, Richard F. Klawiter, an attorney with the law firm of DLA Piper LLP (US), which firm represents 4K Diversey Partners, LLC, the applicant for an amendment to the Chicago Zoning Ordinance and proposed planned development amendment, certifies that he has complied with the requirements for Section 17-13-0107 of the Chicago Zoning Ordinance by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the applicant, and to the owners of all property within 250 feet of each direction of the lot line of the subject property, exclusive of public roads, streets, alleys and other public ways. Said written notice was sent by First Class U.S. Mail, no more than 30 days before filing the application.

The undersigned certifies that the notice contained the address of the property sought to be rezoned; a statement of the intended use of the property; the name and address of the applicant; the name and address of the owner; a statement that the applicant intends to file the application for change in zoning on approximately May 18, 2017, and a source for additional information on the application.

The undersigned certifies that he has made a bona fide effort to determine the addresses of the parties to be notified under Section 17-13-0107 of the Chicago Zoning Ordinance, and that the accompanying list of names and addresses of surrounding property owners within 250 feet of the subject site is a complete list containing the names and addresses of the people required to be served.

Dear Sir or Madam:

As required by Section 17-13-0107 of the Municipal Code of the City of Chicago, please be informed that on or about May 18, 2017, the undersigned, on behalf of 4K Diversey Partners, LLC (the "Applicant"), intends to file an application to rezone the property located at 4000-4180 West Diversey Avenue / 4029-4153 West George, Chicago, IL, from Planned Development No. 1261 to Planned Development No. 1261, as amended. A map of the development site is printed on the reverse side of this letter.

The development site is currently utilized for commercial purposes. The Applicant seeks approval of an amendment to Planned Development No. 1261 to modify the number and type of residential uses permitted in the planned development from 84 business live/work units to 125 residential units.

The proposed change of zoning does *not* apply to your property. You are receiving this notice as required by the Chicago Municipal Code because the assessor's tax records indicate that you own property within 250 feet of the proposed Planned Development.
