This Intergovernmental Agreement regarding the CPS Security Program (this "Agreement") is made and entered into effective as of the 1st day of July, 2017 (the "Agreement Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Office of Budget and Management ("OBM"), and the Board of Education of the City of Chicago, a body politic and corporate, commonly known as the Chicago Public Schools (hereinafter referred to as the "Board or "CPS").

RECITALS

WHEREAS, the City desires to grant not to exceed \$14,000,000 (the "City Funds") to the Board for its security needs, operations and programs (the "Program") during the Term hereof as defined herein; and

WHEREAS, it is anticipated that the Board may soon receive at least an estimated \$66,000,000 in surplus declared by the City pursuant to Section 7 of the Illinois Tax Increment Allocation Redevelopment Act (65 ILCS 5/11-74.4-7), some or all of which funds the Board may use for costs of the Program;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

ARTICLE TWO: THE PROGRAM

The Program is described in Exhibit 1 hereto. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Program or the Board as related thereto. The Board shall include a certification of such compliance in the form of the Requisition/Certification Form attached as Exhibit 2 attached hereto with each request for disbursement of City Funds hereunder. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

EXHIBIT A

ARTICLE THREE: FUNDING

1. (a) Upon execution of this Agreement, the Board shall provide OBM with a Requisition Form, in the form of Exhibit 2 hereto, along with: (i) a cost itemization of the applicable portions of the estimated Program costs attached as Exhibit 3 hereto; (ii) evidence of the expenditures upon the Program which the Board has incurred, or intends to incur on the Program during the Term hereof; and (iii) all other documentation described in Exhibit 2. The City shall review and, in the City's discretion, approve the Requisition/Certification Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The City shall complete its review within 45 days of receipt. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Program.

(b) Delivery by the Board to OBM of a Requisition/Certification Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, pursuant to the requirements of Article Two and of this Article Three(1)(b), that the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Program or the Board as related thereto. Requests for disbursement may be multiple as agreed; provided, subject to City approval of the submitted Requisition/Certification Form(s), all City Funds shall be disbursed no later than February 15, 2018.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

The Board has delivered to the Budget Director of the City (the "Budget Director"), and the Budget Director hereby approves, a detailed estimated Program list of costs for the Program, attached hereto and incorporated herein as Exhibit 3. The Board agrees that the City will only contribute the City Funds to the Program and that all costs of completing the Program over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Program, the Board shall so notify the City in writing, and the Board may narrow the scope of the Program as agreed with the City in order to complete the Program with the available funds.

EXHIBIT A

3. If the aggregate cost of the Program is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Program.

The Board shall submit a written report to the City Clerk not later than July 1, 2018 describing how the Board used the City Funds for the Program, with such report to be forwarded by the City Clerk to the City Council.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief, the specific performance of the agreements contained herein, or reimbursement of the City Funds.

This Intergovernmental Ground Transportation Tax Agreement ("Agreement") is entered into as of this ____ day of _____, 2017, in accordance with the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., by and between the City of Chicago (the "City") and the Chicago Transit Authority (the "CTA"), pursuant to the authority granted by Article VII, Section 10 of the 1970 Constitution of the State of Illinois. In consideration of the mutual promises contained in this Agreement, and as contemplated by Section 3-46-030 of the Municipal Code of Chicago (the "Code"), as may be amended from time to time, the City and the CTA agree as follows:

WHEREAS, the CTA is a municipal corporation duly organized and existing under the laws of the State of Illinois; and

WHEREAS, the City is a municipal corporation and a home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois; and

WHEREAS, pursuant to Section 3-46-030 of the Code, the City has imposed a tax on all persons engaged in the occupation of providing ground transportation vehicles for use in the City (the "Tax"); and

WHEREAS, the 2018 Revenue Ordinance was adopted by the City Council of the City (the "City Council") on _____, 2017, and is published in the Journal of Proceedings of the City Council for said date at pages ____ to _____, inclusive (the "Revenue Ordinance"); and

WHEREAS, the Revenue Ordinance increased the amount of Tax imposed pursuant to Section 3-46-030(B)(1)(b-1) of the Code on ground transportation vehicles used in the City to provide transportation network service by transportation network drivers by an additional fifteen cents in 2018, which is estimated to generate an additional \$16,000,000 in Tax revenues in 2018; and

WHEREAS, the City wishes to provide to the CTA \$16,000,000 from Tax revenues collected each year commencing in 2018 to use for capital purposes, including debt service on financings issued by the CTA for capital projects; and

WHEREAS, the City's Chief Financial Officer (the "CFO") has designated the Department of Finance (the "Department") with the responsibility for carrying out the City's responsibilities under this Agreement until such time as the CFO changes such designation; and

WHEREAS, the City and the CTA have each been duly authorized to enter into this Agreement;

NOW, THEREFORE, the parties hereto, in consideration of the mutual covenants here and after contained, agree as follows:

1. The foregoing recitals are expressly incorporated by reference and made part of this Agreement as though fully set forth below.

EXHIBIT B

2. (a) Pursuant to Section 3-46-030 of the Code, the Department shall remit to the CTA or its designee in 2018, and each calendar year thereafter, a total of \$16,000,000 from revenues collected from the Tax (the "City Funds"), subject to the provisions of subsection (b) below. The City agrees that City Funds may be deposited in a trust or placed in escrow pending use by the CTA for capital expenditures or debt service on capital financing.

(b) The CTA acknowledges and agrees that (i) the City's obligation to pay the City Funds is contingent upon the CTA fulfilling all conditions for funding set forth in this Agreement, and (ii) the City has the sole authority to amend the Code, including but not limited to Section 3-46-030, which may result in reduction or elimination of Tax revenues; provided, however, that the City covenants to not amend the Code in a way which would reduce or eliminate the payment of Tax revenues each year to the CTA in the amount of \$16,000,000 while any financings issued by the CTA and secured by such Tax revenues remain outstanding.

(c) The City Funds shall only be used by the CTA for capital purposes, including debt service on financings issued by the CTA for capital projects.

3. For each calendar year beginning in 2018, the Department will make twelve monthly payments of the City Funds to the CTA by the last business day of the month following the month of their collection by the Department. The first eleven installments of each year shall be in the amount of \$1,333,333 and the twelfth, and final, installment for each year shall be in the amount of \$1,333,337.

4. The CTA shall submit a written report to the City Clerk annually on or before July 1 describing how the CTA used the City Funds in the preceding year (or partial year in the case of the July 1, 2018 report) to be forwarded by the City Clerk to the City Council.

5. The Department and the CTA agree not to disclose to third parties any information provided to either of them by the other (or by the other party's agents, contractors or subcontractors) that is confidential under Section 3-4-080 of the Code, except as ordered by court or otherwise provided by law.

6. No official, employee or agent of either the City or the CTA shall be charged personally by the other party (or by any of the other party's agents, contractors, subcontractors or assignees) with any liability or expenses of defense or be held personally liable to them under any term or provision of this Agreement or because of the City's or the CTA's execution, attempted execution or breach of this Agreement.

7. In the event that the Auditor General of the State of Illinois requires and/or requests from the CTA an audit of the City Funds, the City shall also be entitled to require and/or request such an audit of the CTA.

8. This Agreement shall continue in full force and effect until the earlier of: (i) this Agreement is terminated by the City as provided in Section 9(a) below; or (ii) subject to Section 2(b) above, the City is no longer required by law to pay to the CTA the City Funds for any reason, including but not limited to an amendment of the Code by the City Council.

EXHIBIT B

9. (a) This Agreement may not be amended or modified without the prior written consent of the parties hereto. This Agreement may be terminated upon written notice being given by the City to the CTA of such termination; provided however, that the City covenants not to send any such notice of termination to the CTA while any financings issued by the CTA and secured by the Tax revenues provided to the CTA pursuant to Section 3-46-030 of the Code remain outstanding.

(b) This Agreement constitutes the entire agreement between the parties hereto and it supersedes all prior agreements, negotiations and discussions between the parties relative to the subject matter hereof.

(c) This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement.

(d) If any provision in this Agreement, or any paragraph, sentence, clause, phrase, word or the application thereof, in any circumstance, is held invalid, this Agreement shall be construed as if such invalid part were never included herein and the remainder of this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

(e) In the event of a conflict between any provisions of this Agreement and the Code, the Code shall prevail and control.

(f) This Agreement shall be governed by and construed in accordance with the internal laws of the State of Illinois, without regard to its conflicts of law principles.

(g) All documents required by this Agreement to be submitted, delivered or furnished to the City shall be in form and content satisfactory to the City.

(h) The CTA may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City.

(i) This Agreement shall be binding upon the City, the CTA and their respective successors and permitted assigns (as provided herein) and shall inure to the benefit of the City, the CTA and their respective successors and permitted assigns (as provided herein). This Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right.

(j) If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County and the State of Illinois.

EXHIBIT B

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by its duly authorized officer as of the date first written above.
