ORDINANCE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Title 17 of the Municipal Code of Chicago, the Chicago Zoning Ordinance be amended by changing all of the Residential-Business Planned Development Number 1518 symbols and indications as shown on Map. No. 16-D in the area bounded by

East 63rd Street; a line 192.43 feet east of and parallel to South Maryland Avenue; a line 103.25 feet south of and parallel to East 63rd Street; a line 180.43 feet east of and parallel to South Maryland Avenue; a line extending southwesterly from a point 125.57 feet south of East 63rd Street and 180.43 feet east of South Maryland Avenue to a point 129.63 feet north of East 63rd Place and 163.60 feet east of South Maryland Avenue; a line 129.63 feet north of and parallel to East 63rd Place; a line 140.84 feet east of and parallel to South Maryland Avenue; East 63rd Place; and South Maryland Avenue,

to the designation of Residential Business Planned Development Number 1518, as amended, which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development attached and made a part thereto and to no others.

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

**RESIDENTIAL-BUSINESS PLANNED DEVELOPMENT #1518, AS AMENDED
835-61 EAST 63rd STREET/6301-25 S. MARYLAND AVENUE
NARRATIVE**

I. Amendment to Residential –Business PD #1518

Due to an error in the boundary description approved as part of Residential-Business Planned Development #1518, the Applicant is seeking to amend PD #1518 in order to correct such error. Specifically the original survey, filed as part of PD #1518 failed to include an approximate 5-foot strip of land along E. 63rd Pl. that was vacated on 7/22/1926 and recorded on 9/20/1926. The original survey identified the distance from the southern property line of the PD to the centerline of E. 63rd Place as a distance of 33-feet (half of a 66-foot Right of Way), and erroneously did not include the vacated 5-foot portion of E. 63rd Place. The correction, as shown on the new survey reduces the Right of Way width from 66-feet to 61-feet. The PD boundary is measured from the property line to the centerline of the Right of Way. Thus, the correct distance from the PD boundary to the centerline is 30.5 ft. and not 33 feet. The correct distance is shown on the new plat of survey and revised Bulk Regulations included in this Amendment to PD #1518 application.

II. Applicant

The Applicant is 63rd Maryland LLC

III. Developers

A. The Michaels Organization

The Applicant has joined with the Michaels Organization (“Michaels”) to develop the vacant property located at 835-61 E. Street/6301-25 S. Maryland Avenue (“Subject Property”). For over four decades, Michaels has crafted viable and financially successful housing solutions through its specialized areas of development, property management, construction and financing. As the nation’s largest private sector owner and most active affordable housing developer, Michaels will lend its extensive experience in developing the Subject Property with a mixed-use building that will be an asset in providing retail and housing opportunities for the Woodlawn community.

Michaels’ Chicago based developments include Clybourn 1200, recipient of the 2018 Jack Kemp Excellence in Affordable and Workforce Housing Award and 440 Grove, a 4,400 sq. ft. mixed use income development located within the heart of Bronzeville.

B. DL3 Realty

In partnering with Michaels, DL3 Realty will provide its expertise in developing the Subject Property. DL3 Realty is a real estate development firm committed to the transition of emerging communities through high impact developments.

DL3 Realty's success is in creating a connection with municipalities and institutions to increase private investment in rising urban communities such as Woodlawn. DL3 Realty's developments include the 48,000 sq. ft. Jewel-Osco and the 42,000 sq. ft. Woodlawn Health Exchange, both located within the Woodlawn Community. DL3 Realty also developed Englewood Square, a 50,000 sq. ft. retail development in the Englewood community.

IV. Existing Site Conditions

The Subject Property, consisting of 44,043 sq. ft. is located at the southwest corner of 63rd Street and Maryland Avenue. The Subject Property is vacant and located within the B3-3 Neighborhood Commercial District.

A. TIF District/Community Area

The Subject Property is located within the Woodlawn TIF District and Woodlawn Community Area.

The Subject Property is not located within an Industrial Corridor or the Lakefront Protection District.

IV. Residential-Business Planned Development No. 1518, as amended

Residential-Business Planned Development No. 1518 was approved by the Chicago City Council on September 14, 2021. Due to the error in boundary description as noted in I. above, the Applicant has not yet secured the necessary building permit in order to commence construction of its proposed 5-story mixed-use, mixed income building within the Subject Property. The Applicant's proposed development has not changed and will consist of a) three (3) retail/commercial units within the first floor; b) two (2) live/work units within the first floor; c) sixty-eight (68) dwelling units within the 2nd-5th floors and d) a total of forty (40) exterior on-site parking spaces ("Proposed Development"). As the Proposed Development exceeds the number of dwelling units permitted in a B3-3 District, a mandatory Planned Development was required.

A. Proposed 5-story Mixed Use Building

1. Retail/Commercial Units

Three (3) retail/commercial units, consisting of a total of 3,614 sq. ft. will be located within the first floor of the proposed mixed-use building

2. **Work/Live Units**

Two (2) work/live units, with an average unit size of 1,002 sq. ft., will be located within the first floor of the proposed mixed-use building

3. **Amenity/Lobby space**

The proposed mixed-use building's first floor will consist of amenity space, including a fitness room, bike storage (50 bike spaces*), resident lounge and business center totaling 3,033 sq. ft.

4. **Residential dwelling units**

Sixty-eight (68) dwelling units will be located within the 2-5th floors of the proposed mixed-use building. The proposed unit types are as follows:

Studio: 4 dwelling units (average unit size: 510 sq. ft.)

One (1) bedroom: 48 dwelling units (average unit size: 685 sq. ft.)

Two (2) bedroom: 12 dwelling units (average unit size: 1,097 sq. ft.)

Three (3) bedroom: 4 dwelling units (average unit size: 1,290 sq. ft.)

B. **Exterior On-site Parking Areas**

1. **Retail parking area**

Applicant plans to provide a paved and landscaped parking area, containing eight (8) dedicated parking spaces located along the eastern side of the Subject Property which are accessed from 63rd Street via the existing curb cut.

2. **Residential parking area**

Applicant plans to provide a paved and landscaped parking area containing thirty-two (32) dedicated parking spaces within the central and southern portion of the Subject Property, which can be accessed from East 63rd Place via proposed curb cut.

3. **Parking Requirement**

As the proposed retail square footage is less than 4,000 sq. feet, retail parking is not required; however, for the convenience and ease of retail customers and employees, the Applicant is providing the above referenced eight (8) parking spaces.

In accordance with 17-10-0504-C of the Chicago Zoning Ordinance, one (1) parking space required for a live/work unit is required, for a total of two (2) parking spaces and b) sixty-eight residential parking spaces. As the Subject Property qualifies as a Transit Served Location, the Applicant plans to provide 32 parking spaces, thus seeking a waiver of 45% of its parking requirement.

C. Outdoor Area

An outdoor area containing 2,100 sq. ft., will be provided for the use and enjoyment of residents of the Proposed Development.

D. Proposed PD uses

The proposed uses include the following, which are either permitted, special or allowed uses under the B3-3 District:

The Proposed Development will include a total of 49 ARO units, including 41 units (60% AMI) and 8 dwelling units (30% AMI)

F. Transportation

The Subject Property is a Transit Served Location, as it is located within 1,320 feet of the CTA Green Line Cottage Grove station. It is also served by CTA Bus routes 4 & 63).

15. The Applicant acknowledges that it is the policy of the City to maximize opportunities for Minority and Women-owned Business Enterprises (“M/WBEs”) and city residents to compete for contracts and jobs on construction projects approved through the planned development process. To assist the city in promoting and tracking such M/WBE and city resident participation, an applicant for planned development approval shall provide information at three points in the city approval process. First, the applicant must submit to DPD, as part of its application for planned development approval, an M/WBE Participation Proposal. The M/WBE Participation Proposal must identify the applicant’s goals for participation of certified M/WBE firms in the design, engineering and construction of the project, and of city residents in the construction work. The city encourages goals of (i) 26% MBE and 6% WBE participation (measured against the total construction budget for the project or any phase thereof), and (ii) 50% city resident hiring (measured against the total construction work hours for the project or any phase thereof). The M/WBE Participation Proposal must include a description of the Applicant’s proposed outreach plan designed to inform M/WBEs and city residents of job and contracting opportunities. Second, at the time of the Applicant’s submission for Part II permit review for the project or any phase thereof, the Applicant must submit to DPD (a) updates (if any) to the Applicant’s preliminary outreach plan, (b) a description of the Applicant’s outreach efforts and evidence of such outreach, including, without limitation, copies of certified letters to M/WBE contractor associations and the ward office of the alderman in which the project is located and receipts thereof; (c) responses to the Applicant’s outreach efforts, and (d) updates (if any) to the applicant’s M/WBE and city resident participation goals. Third, prior to issuance of a Certificate of Occupancy for the project or any phase thereof, the Applicant must provide DPD with the actual level of M/WBE and city resident participation in the project or any phase thereof, and evidence of such participation. In addition to the forgoing, DPD may request such additional information as the department determines may be necessary or useful in evaluating the extent to which M/WBEs and city residents are informed of and utilized in planned development projects. All such information will be provided in a form acceptable to the Zoning Administrator. DPD will report the data it collects regarding projected and actual employment of M/WBEs and city residents in planned development projects twice yearly to the Chicago Plan Commission and annually to the Chicago City Council and the Mayor.
16. This Planned Development shall be governed by Section 17-13-0612. Should this Planned Development ordinance lapse, the Zoning Administrator shall initiate a Zoning Map Amendment to rezone the property to B3-3 Community Shopping District.
17. The Applicant acknowledges and agrees that that the rezoning of the Property will maintain the Property’s existing B3-3 Community Shopping District as its underlying zoning district under its proposed Residential-Business Planned Development (PD). The proposed PD triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO). Any developer of a “residential housing project” within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required

Units on-site. The Property is located in a low-moderate income area, within the meaning of the ARO, and the project has a total of 58 units. As a result, the Applicant's affordable housing obligation is 6 affordable units (10% of 70 rounded up/down), 2 of which are Required Units (25% of 6, rounded up/down). The Applicant agrees that the affordable rental/for sale units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in the PD, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement TBD, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD.

18. Notwithstanding the foregoing, the Applicant plans to apply for Low-Income Housing Tax Credits and other financial assistance whose affordability requirements exceed those of the Affordable Housing Ordinance from the City to develop affordable housing in any portion of the Planned Development (PD). Applicant's proposed PD includes a total of 58 (58) housing units, of which forty-one (41) units will be affordable units. Of the forty-one (41) affordable units, a) nine (9) units must be affordable to households earning no more than 30% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago; b) nine (9) units must be affordable to households earning no more than 50% AMI; c) twenty-three (23) units must be affordable to households earning no more than 60% AMI for an overall total of forty-one (41) affordable units. The regulatory, redevelopment, loan or other agreement(s) to be executed by the City and the Applicant in connection with such tax credits or other financial assistance shall govern and control the Applicant's obligation to provide affordable housing for such subsidized portion of the PD.
19. Pursuant to a negotiated agreement with the City's Department of Planning and Development (DPD), the Applicant agrees to work on certain design revisions to the existing building, with the Planned Development, which would allow for the future review and approval of artistic paneling incorporated into the upper floor fenestration pattern. Final review and approval of this paneling design will be by the Department of Planning and Development (DPD).
20. The Applicant acknowledges that it is in the public interest to ensure that adequate open space and recreational facilities are provided to serve new residential developments. As stated in the Open Space Impact Fee Ordinance Section 16-18-080 of the Municipal Code of Chicago, in the case of larger developments which are processed as Planned Developments,

developers are encouraged to provide open space and recreational facilities on-site to serve new residents instead of paying open space impact fees.

Dear Chairman Tunney,

This letter serves to inform you that the City of Chicago owns the property located at 835-61 East 63rd Street/6301-25 S. Maryland Avenue ("Subject Property") and has authorized 63rd Maryland LLC ("Applicant") to file an application in order to amend Residential-Business Planned Development No. 1518, in which the Subject Property is located, to Residential-Business PD No. 1518, as amended.

Sincerely,
