NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

#### ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

#### ARTICLE TWO: THE PROJECT

1. The School, the Facility and the Project are described in Exhibit A hereto. The plans and specifications for the Project shall be provided to the City by the Board and approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor (including the Commission, if applicable) to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

#### ARTICLE THREE: FUNDING

1. (a) On a quarterly basis (or as otherwise agreed to by the Department), the Board shall provide the Department with a Requisition Form, in the form of Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has incurred; and (iii) all other documentation described in Exhibit E. The City shall review and, in the City's discretion, approve each Requisition Form and make the applicable requested and approved disbursement of City Funds, subject to the availability thereof. The availability of the City Funds is subject to the City's

compliance with all applicable requirements regarding the use of such funds and the timing of such use. At the City's request the Board shall evidence to the City in writing to the City's satisfaction that the Board owns or otherwise controls the Property, or has the right to enter the Property and undertake such activities as the Board deems necessary prior to owning or otherwise controlling the Property, before the City disburses City Funds. The Board will only request disbursement of City Funds and the City will only disburse City Funds for the costs of the Project, to the extent that such costs are TIF-Funded Improvements.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

(i) the total amount of the City Funds disbursed in the previously made disbursement (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

(ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;

(iii) the Board has approved all work and materials for the current Requisition Form, and such work and materials conform to the plans and specifications for the Project; and

(iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any approval of a Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [intentionally omitted]

(d) [intentionally omitted]

(e) (i) The Board's right to receive payments hereunder shall be subordinate to all prior obligations of the City to be paid from Lawrence/Kedzie Increment.

(ii) The City, subject to the terms of this subsection 1(e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90% of the Increment generated from the construction value of a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this

subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Lawrence/Kedzie Increment. In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [intentionally omitted]

(g) The availability of City Funds is subject to: (i) the City's annual retention of Lawrence/Kedzie Increment in an amount necessary for the payment of expenses incurred by the City in the administration of the Lawrence/Kedzie Redevelopment Area Increment; and (ii) the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Lawrence/Kedzie Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$1,560,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct the Facility with the available funds.

3. Attached as Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Lawrence/Kedzie Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to Exhibit H

as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act; (ii) qualify as eligible costs under the Lawrence/Kedzie Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

6. [intentionally omitted]

7. During the Term hereof the Board shall not sell, transfer, convey or otherwise dispose of all or any portion of the Facility and/or the Property or any interest therein to a party other than the City (a "Transfer"), or otherwise effect or consent to a Transfer to a party other than the City, without the prior written consent of the City. The City's consent to any Transfer may, in the City's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the grant of the City Funds hereunder pursuant to the Act.

#### ARTICLE FOUR: TERM

The Term of the Agreement shall commence as of the Agreement Date and shall expire on the date on which the Lawrence/Kedzie Redevelopment Area is no longer in effect (through and including December 31, 2024).

#### ARTICLE FIVE: INDEMNITY; DEFAULT

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any agreement directly related to this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all agreements directly related to this Agreement, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform

under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
