and Facility Management and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

12. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to Section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the applicant, its successors and assigns and, if different than the applicant, the legal titleholders and any ground lessors.
13. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.
14. The applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs, conserves energy and maximizes the preservation of natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development.
15. The applicant acknowledges and agrees that the rezoning from DX-3 and DX-5 to DX-5 for this Planned Development, *as approved by City Council on April 13, 2016*, triggered the requirements of Section 2-45-110 of the Municipal Code with respect to Subarea A (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The applicant further acknowledges and agrees that the project is subject to the former Section 17-4-1004-D of the Zoning Code, which also requires on-site affordable housing or payment of a fee in lieu of providing affordable housing for rezonings in DC, DX and DR districts that increase the base floor area ratio. If a planned development is subject to the requirements of both sections (2-45-110 and the former 17-4-1004-D), the applicant may elect to satisfy the AHO requirements by complying with the affordable housing floor area bonus provided for in Section 17-4-1004. Applicant has elected to comply with Section 17-4-1004. Pursuant to Section 17-4-1004-B of the Zoning Ordinance, the applicant has requested an increase in the floor area ratio for the Property, as set forth in the bonus worksheet required under Section 17-4-1003-D and attached hereto as Exhibit A ("Bonus Worksheet"). In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the applicant

Applicant: Motor Row SPE LLC
Address: 2109-2141 South Wabash, Chicago, Illinois
Introduced: June 23, 2021
Plan Commission: TBD

acknowledges and agrees that it must provide either a minimum of 10,585 square feet of floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager prior to issuance of the first building permit, or make a cash payment in lieu of providing affordable housing in the amount of \$745,184 ("Cash Payment"). Based on the foregoing, the applicant has proposed to provide ten (10) affordable on-site. Insofar as the square footage of such units is less than 10,585 square feet, applicant commits to make a cash payment for the remaining bonus FAR per the formula set forth in the 2007 Affordable Housing Profile Form (the "Profile Form") attached hereto as Exhibit B. Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the applicant must make the required Cash Payment and/ or execute and record an affordable housing agreement in accordance with Section 2-45-110(i)(2). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building and will constitute a lien against the Eligible Building. The applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of the Department of Planning and Development may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive City Council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this section.

The Applicant acknowledges and agrees that the rezoning of the Property from an underlying DX-5 to DX-7, and then to this amended Planned Development (PD), triggers the requirements of Section 2-45-115 of the Municipal Code of Chicago (Affordable Requirements Ordinance or ARO) with respect to Subarea B. Any developer of a residential housing project within the meaning of the ARO must: (i) set aside 10% of the housing units in the residential housing project (Required Units) as affordable units, or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location; (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile

Plan Commission: TBD

radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a downtown district, within the meaning of the ARO, and Subarea B has a total of 150 units. As a result, the Applicant's affordable housing obligation is 15 affordable units (10% of 150), 4 of which are Required Units (25% of 15, rounded up). Applicant has agreed to satisfy its affordable housing obligation by providing 15 affordable units in the rental building to be constructed in Subarea B, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit ___. The Applicant agrees that the affordable units must be affordable to households earning no more than 60% of the Chicago Primary Metropolitan Statistical Area Median Income (AMI), as updated annually by the City of Chicago. If the Applicant subsequently reduces (or increases) the number of housing units in Subarea B, or elects to build a for-sale project instead, the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the requirements and number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in Subarea B, including, without limitation, excavation or foundation permits, the Applicant must make the required Cash Payment and execute and record an affordable housing agreement in accordance with Section 2-45-115(L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against Subarea B, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement 15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the PD

16. Pursuant to the Adopt-a-Landmark Bonus provisions of Section 17-4-1022 of the Zoning Ordinance, the applicant, DK Acquisitions LLC, has requested an increase in the floor area of the Property in exchange for the contribution of funds to benefit and support the preservation of Quinn Chapel at 2401 South Wabash Avenue ("Quinn Chapel") and the Second Presbyterian Church of Chicago at 1936 South Michigan Avenue ("Second Presbyterian") through substantial exterior renovation work. Quinn Chapel and Second Presbyterian are each referred to herein individually as a "Landmark Building" and collectively as the "Landmark Buildings". On March 3, 2016, the Commission on Chicago Landmarks (the "Commission") adopted a recommendation to the City Council to approve the renovation projects under the Adopt-a-Landmark Bonus program, and approved a Project Scope of Work and Budget for each Landmark Building, providing for the expenditure of a total of Seven Hundred Forty-five Thousand One Hundred Eighty-four and no/100 Dollars (\$745,184.00) (the "Bonus Funds") on both Landmark Buildings, which corresponds to a floor area bonus of 1.0 over the net site area of 42,340 square feet. The Applicant shall deposit the Bonus Funds in escrow with an independent third party financial institution or title company prior to the issuance of any approvals

pursuant to Section 17-13-0610 of the Chicago Municipal Code (“Part II”). Pursuant to Section 17-4-1022 of the Zoning Ordinance, the Commissioner of the Department of Planning and Development (the “Commissioner”), acting on behalf of the City and the Commission, is authorized and directed to enter into one or more agreements with the owners of the Landmark Buildings regarding the manner in which the Bonus Funds will be used. The agreements shall be in a form approved by the Corporation Counsel and shall be executed and submitted to the Department of Planning and Development prior to the issuance of any Part II Approvals. The Commissioner may approve minor modifications to the Project Scope of Work and Budget for each Landmark Building in accordance with the Commission’s March 3, 2016 approval of the renovation projects.

17. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development Ordinance lapse, the Commissioner of DPD shall initiate a Zoning Map Amendment to rezone the property to the Residential-Business Planned Development No. 1318, as it existed prior to this amendment.
