able units or with the Commissioner of the Department of Planning and Development's (DPD) approval, provide the Required Units in an approved off-site location: (ii) pay a fee in lieu of the development of the Required Units; or, (iii) any combination of (i) and (ii); provided, however, that residential housing projects with 20 or more units must provide at least 25% of the Required Units on-site or off-site. If the developer elects to provide affordable units off-site, the off-site affordable units must be located within a two-mile radius from the residential housing project and in the same or a different higher income area or downtown district. The Property is located in a higher income area, within the meaning of the ARO, and the project has a total of 88 units. As a result, the Applicant's affordable housing obligation is 9 affordable units (10% of the 88 units rounded up), of which are Require Units (25%), rounded up. Applicant has agreed to satisfy its affordable housing obligation by providing forty (40) on-site units in the rental/for sale building and has also entered into an agreement with the Chicago Housing Authority (CHA) to provide forty-eight (48) on-site affordable units in the PD, as set forth in the Affordable Housing Profile Form attached hereto as Exhibit TBD. The Applicant agrees that the affordable rental/for sale units must be affordable to households no more than 60% and/or 80% of the Chicago Primary Statistical Area median Income (AMI), as updated annually by the city of Chicago. If the Applicant shall update and resubmit the Affordable Housing Profile Form to DPD for review and approval; DPD may adjust the number of required Affordable Units without amending the PD. Prior to the issuance of any building permits for any residential building in the PD, including, without limitation, excavation or foundation permits, the Applicant must make the required cash payment and/or execute and record an affordable housing agreement in accordance with Section 2-45-115 (L). The terms of the affordable housing agreement and any amendments thereto are incorporated herein by thus reference. The Applicant acknowledges and agrees that the affordable housing agreement will be recorded against the PD, or the applicable portion thereof, and will constitute a lien against such property. The Commissioner of DPD may enforce remedies for any breach of this Statement No.15, including any breach of any affordable housing agreement, and enter into settlement agreements with respect to any breach, subject to the approval of the Corporation Counsel, without amending the PD.

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of Planning and Development shall initiate a zoning map amendment to rezone the Property to a B3-5 Community Shopping District.

The undersigned, **Nicholas Ftikas**, being first duly sworn on oath, deposes and says the following:

That the undersigned certifies that he has complied with the requirements of Section 17-13-0107 of the Zoning Code of the City of Chicago, by sending written notice to such property owners who appear to be the owners of the property within the subject area not solely owned by the Applicant and Owner, and on the owners of all property within 250 feet in each direction of the lot line of the subject property, exclusive of the public roads, streets, alleys and other public ways, or a total distance limited to 400 feet. That said written notice was sent by USPS First Class Mail no more than 30 days before filing the application.
